Classification Notice No. 1746

To: Agency Heads and Employees
From: Kathy Nesbitt, Executive Director of the Office of Human Resources
Date: October 7, 2022
Subject: Proposed Change to the Classification and Pay Plan

The proposed change amends the Classification and Pay Plan by changing the pay grade and range for all manager and higher-level classifications by one pay grade (see attached list of classifications).

Based on a combination of market pressures resulting in hiring at higher rates of pay, increasing upward pay grade compression of subordinate supervisory and individual contributor classifications to their management, and market data all necessitate raising all manager and higher classifications in the classification and pay plan by one pay grade.
