The original loan amount equaled \$341,625 and closed in February 2002. \$300,000 of the loan was repayable in monthly payments of \$1,250 with the entire unpaid amount due on January 1, 2025. \$41,625 of the loan was a performance-based loan maturing on January 1, 2025. The affordability restrictions required 18 units at 55% AMI and 17 units at 50% AMI for 20 years maturing on February 21, 2022.

The first amendment to the loan closed in April 2002. The amendment increased the loan amount by \$120,000 to finance repairs and renovation work at the subject property. The additional \$120,000 was structured as a performance-based loan maturing on January 1, 2025.

The second amendment to the loan closed in January 2006. The amendment deferred the \$1,250 monthly payments from December 1, 2005, to May 1, 2008. Commencing on June 1, 2008, the payments resumed until maturity on January 1, 2025.

The third amendment to the loan closed in January 2007. The amendment accomplished the following:

- Assumption of the loan and collateral documents by Del Norte Neighborhood Development Corporation
- Allow sale of the property from Uptown to Del Norte
- Increase the loan amount by \$50,000 from \$461,625 to \$511,625 to finance rehab costs
- The total loan amount of \$511,625 was restructured as a performance-based loan with a 99-year term maturing on January 9, 2106.
- Covenant amended to require 16 units at 50% AMI and 15 units at 30% AMI over a 99-year term maturing on February 6, 2106. The previous covenant from 2002 was released.

Renewal Residences LLC is under contract to purchase the subject property from Del Norte. The subject site measures 9,375 square feet (0.22 acre) and is improved with a three story plus basement wood-frame and brick building built in 1957. The building has a gross building area of 12,322 square feet and has 30 studio units. The garden basement area consists of storage and office space.

Renewal Residences LLC's intent is to continue to operate the subject as affordable housing while also serving clients facing the cycle of addiction, incarceration, and homelessness in the Denver area. The members of Renewal Residences LLC are Joey Friedman, Luke Gregory, Ben Friedman, and Bryce Givens. It is their vision to offer 1135 Logan to any individual who meets the affordability requirements including those that need reentry and substance abuse assistance.

This fourth amendment allows for the sale of the property and for the assumption of the City's loan agreement, covenant, and collateral documents by Renewal Residences LLC. It also accomplishes the following:

- Gives the Executive Director of HOST authority to execute documents necessary to complete the assumption
- Removes references to HOME in the covenant since this is not a HOME funded contract
- Corrects the covenant to restrict 30 units, which is the total number of units in the building.
