

Zone Map Amendment (Rezoning) - Legislative Rezoning Proposal

PROPERTY OWNER INFORMATION		REPRESENTATIVE*	
Property Owner Name	Multiple owners	Representative Name	Chris Hinds
Address		Address	1437 Bannock St., Rm. 451
City, State, Zip		City, State, Zip	Denver, CO 80202
Telephone		Telephone	720-337-7710
Email		Email	district10@denvergov.org
SUBJECT PROPERTY INFORMATION			
Location (address and/or boundary description):	Multiple properties in the Cherry Creek East neighborhood, including 140 Land Parcels, and 290 Ownership Parcels		
Assessor's Parcel Numbers:	Multiple: see the attached property owner list		
Area in Acres or Square Feet:	DO-9: 22.11 acres; DO-10: 18.08 acres		
Current Zone Districts:	C-MX-3, C-MX-5, C-MX-8, C-MX-12, C-RX-8, G-MX-3, G-RX-5, G-RH-3		
PROPOSAL			
Proposed Zone Districts:	C-MX-3 DO-9, C-MX-5 DO-9, C-MX-8 DO-9, C-MX-12 DO-9, C-RX-8 DO-9, G-MX-3 DO-9, G-RX-5 DO-9, G-RH-3 DO-10		
REVIEW CRITERIA			
General Review Criteria: The proposal must comply with all of the general review criteria DZC Sec. 12.4.10.13	<input checked="" type="checkbox"/> Consistency with Adopted Plans: The proposed official map amendment is consistent with the City's adopted plans, <i>Please provide an attachment describing relevant adopted plans and how proposed map amendment is consistent with those plan recommendations; or, describe how the map amendment is necessary to provide for an unanticipated community need.</i>		
	<input checked="" type="checkbox"/> Uniformity of District Regulations and Restrictions: The proposed official map amendment results in regulations and restrictions that are uniform for each kind of building throughout each district having the same classification and bearing the same symbol or designation on the official map, but the regulations in one district may differ from those in other districts.		
	<input checked="" type="checkbox"/> Public Health, Safety and General Welfare: The proposed official map amendment furthers the public health, safety, and general welfare of the City.		

Last updated: June 20, 2014

Return completed form to rezoning@denvergov.org

August 31st, 2022

Sarah Showalter
Director of Planning Services
Community Planning and Development
City and County of Denver
201 W. Colfax Ave.
Denver, CO 80202

Dear Director Showalter,

Today, I am formally requesting that Community Planning and Development prepare a rezoning of the subject areas identified in this application to apply the 1) DO-9 Street Level and Upper Story Setbacks with Open Space Alternatives Design Overlay and Front Porch and 2) DO-10 Landscaping Residential Design Overlays. The former overlay improves the pedestrian experience by establishing a requirement for open space for future development, consequently promoting multiple forms of mobility. The latter overlay similarly fosters outdoor usage, by requiring one tree per unit, in addition to including a provision for outdoor lighting, aiming to reduce street crime.

With its adjacent counterpart, Cherry Creek North, and the rising potential of further development to the west, it is to be expected that the charming area of Cherry Creek East will become an area of desire and exploration for homeowners, businesses, and others alike. Both overlays were conceptualized by longtime residents of Cherry Creek East, who coupled their content expertise with their undeniable passion for their beloved neighborhood. The corresponding product is one that will both maintain the character of the existing neighborhood while improving it for future generations to come.

As of August 30th, 2022, my office has received 29 letters of support for the implementation of the overlays from neighbors across the boundaries of Cherry Creek East. The neighborly support is truly overwhelming and a representation of the residents' involvement throughout this project.

I am proud to sponsor this legislative rezoning that will be applied to Cherry Creek East and potentially other areas in Denver.

Best,

Chris Hinds

Councilmember Chris Hinds, District 10

Cherry Creek East Design Overlays: Rezoning Application Narrative

The Cherry Creek East Board and Development Committee of the Cherry Creek East Association (CCEA) advised by two expert consultants with decades of urban planning and architectural experience (Dick Farley and Ellen Ittelson), with the engagement of members of Denver City Planning, property owners, developers and others in the community, sought to create two design overlays with the goal of managing the impact of accelerating development in CCE.

The overlay goals were developed in sessions with local residents. In general, the goals were developed to improve development outcomes without creating an undue burden on Denver's needed housing supply growth. Improved development outcomes include maintenance of CCE's high mobility (walkable, bikeable, wheelchair accessibility, etc.), resident and business safety, and high level of community interaction. CCEA also wanted to reduce the increasing burden and variable, uncertain outcomes of continued individual negotiations on itself, city planners, property owners, and developers.

The idea that these goals might be best met by design overlays was first suggested by City Planning at a meeting with CCE representatives and their Councilperson. Councilperson Chris Hinds is now sponsoring this application for a legislative map amendment to apply the following two design overlays to the Cherry Creek East neighborhood:

- Street Level and Upper Story Setbacks with Open Space Alternatives Design Overlay District (DO-9)
- Front Porch and Landscaping Residential Design Overlay District (DO-10)

The following narrative describes how this rezoning proposal complies with the general review criteria applicable to legislative map amendments.

1. Consistency with Adopted Plans

The following adopted plans apply to this application:

- *Denver Comprehensive Plan 2040* (2019)
- *Blueprint Denver* (2019)
- *Cherry Creek Area Plan* (2012)

Denver Comprehensive Plan 2040

The proposed rezoning is consistent with many of the adopted *Denver Comprehensive Plan 2040* goals and strategies, particularly as they relate to the Strong and Authentic Neighborhoods vision element:

Strong and Authentic Neighborhoods

- *Goal 1, Strategy A. Build a network of well-connected, vibrant, mixed-use centers and corridors.* (p. 34).
- *Goal 1, Strategy C. Ensure neighborhoods are safe, accessible and well connected for all modes.* (p. 34).

- *Goal 1, Strategy D. Encourage quality infill development that is consistent with the surrounding neighborhood and offers opportunities for increased amenities. (p. 34).*
- *Goal 2, Strategy B. Establish a scalable, predictable and adaptable approach to improve design quality across the city. (p. 34).*
- *Goal 2, Strategy C. Create people-oriented places that embrace community character with thoughtful transitions, aspirational design and an engaging public realm. (p. 34).*
- *Goal 2, Strategy D. Use urban design to contribute to economic viability, public health, safety, environmental well-being, neighborhood culture, and quality of life. (p. 34).*
- *Goal 9, Strategy A. Encourage design and new development to improve public health and safety. (p. 35).*

Blueprint Denver

The proposed rezoning is also consistent with the following goals in *Blueprint Denver*.

- *Goal 06: Enhance the overall character and sense of place of neighborhoods through all stages of development and reinvestment. (p. 22).*
- *Goal 07: Foster great urban design and the creation of authentic places that thoughtfully integrate streets, public spaces, and private property. (p. 22).*
- *Goal 09: Guide growth to maintain connections to the outdoors, respond to climate change and protect our environment and natural resources. (p. 23).*

The proposed rezoning also supports the following policies and strategies in *Blueprint Denver*.

- *Land Use and Built Form, General Policy 01: Promote and anticipate planned growth in major centers and corridors and key residential areas connected by rail service and transit priority streets. (p. 72).*
- *Land Use and Built Form, Design Quality and Preservation Policy 03: Ensure residential neighborhoods retain their unique character as infill development occurs. (p. 99).*
- *Land Use and Built Form, Design Quality and Preservation Policy 03, Strategy D: Use design overlays in limited areas to direct new development towards a desired design character unique to that area that cannot be achieved through other tools. Design overlays are most effective where a design vision has been articulated through a planning process. (p. 102).*
- *Mobility Policy 04, Strategy E: Ensure regulations promote design outcomes that prioritize pedestrians. (p. 109).*
- *Quality of Life Infrastructure Policy 04: Promote environmentally-friendly development strategies in the public and private realms. (p. 120).*
- *Quality of Life Infrastructure Policy 05: Ensure attractive streets and outdoor spaces in all centers and corridors giving priority to pedestrian spaces and amenities. (p. 121).*
- *Quality of Life Infrastructure Policy 05, Strategy A: Encourage street design that minimizes impervious surfaces and look for opportunities to re-purpose parts of the street to enhance the pedestrian realm. (p. 121).*

Blueprint Denver Equity Concepts

Blueprint Denver has three equity concepts: Improving access to opportunity; reducing vulnerability to displacement; and expanding housing and jobs diversity. *Blueprint Denver* states that equity concepts “should be used to evaluate large area rezonings” (p. 67) and therefore are applicable to this rezoning application.

Access to Opportunity

The Chery Creek East neighborhood has moderate access to opportunity, defined as access to basic goods, services, and amenities to improve quality-of-life. The proposed overlay is not anticipated to impact the metrics associated with access to opportunity.

Vulnerability to Displacement

Overall, Chery Creek East is indicated as an area with low vulnerability to displacement, measured by educational attainment, rental occupancy and median household income. However, in the area west of Madison Street, 71% of homes are renter-occupied compared to 50% citywide, making it somewhat vulnerable to displacement. The proposed overlay is not anticipated to impact these metrics.

Housing Diversity

Chery Creek East is indicated as an area with low housing diversity in terms of middle-density housing, ownership compared to rental occupancy, and housing costs. However, there is diversity in income-restricted units west of Madison Street and diversity in the number of bedrooms per unit east of Madison Street. The proposed overlay is not anticipated to impact these metrics.

Job Diversity

Diversity in jobs is measured by the mix of retail, innovation and manufacturing jobs compared to the citywide mix. West of Madison Street there's a heavier emphasis on retail jobs, while east of Madison Street job diversity is similar to the rest of the city. The proposed overlay is not anticipated to impact these metrics.

Cherry Creek Area Plan

The proposed rezoning also complies with the *Cherry Creek Area Plan* as it relates to recommendations for Cherry Creek East. (p. 72-73)

- *Reinforce the residential character.*
- *Maintain and enhance the existing character and walkable environment of Cherry Creek East.*
- *New development will respect the predominant urban form of detached sidewalks, tree lawns, landscaped block-sensitive setbacks, alley access to structures, limited curb cuts, and building entries that are visible from the street.*
- *Land uses should respect existing boundaries between residential and mixed-use areas.*
- *Respect the existing scale.*
- *Enhance the existing pattern of development intensity with low scale buildings in the residential areas.*
- *Mid-rise buildings may be appropriate near Alameda and Colorado.*
- *The mixed-use area between Steele and Madison will remain the most intensely developed portion of the neighborhood with heights ranging from 5 to 12 stories.*
- *Formalize the Cherry Creek East Design Guidelines.*
- *Create a “village center”. The mixed-use node at the intersection of Madison and Bayaud has long been envisioned as a village center for Cherry Creek East.*
- *Ground floor retail with residential or office above.*
- *Enhanced streetscape with detached sidewalks and tree lawns, on-street parking, curb extensions, pedestrian lighting, benches and trash receptacles.*
- *Incorporate access to Pulaski Park at the southwest corner.*

2. Uniformity of District Regulations and Restrictions

The proposed rezoning to apply the DO-9 overlay to G-MX-3, C-RX-8, and C-MX-3, -5, -8, and -12 will result in the uniform application of zone district building form, use and design regulations. Similarly, the proposed rezoning to apply the DO-10 overlay to G-RH-3 will result in the uniform application of zone district building form, use and design regulations.

3. Public Health, Safety and General Welfare

The proposed map amendment furthers the public health, safety, and general welfare of the City through implementation of numerous adopted City plans.

Appendix A: Public Survey Results

The CCE Development Committee and Board discussed the overlays at almost every meeting through 2020 - 2022. A CCE community meeting was held February 16, 2021 to present the overlays and solicit feedback. Attendees were recruited via CCEA membership mailing, social media postings, CCE business mailing lists, and other lists. Outreach was also conducted with area developers and property owners throughout 2021. A CCE survey regarding the overlays was posted through July 15th, 2021 so that the CCEA Board could include the perceptions of its constituents in its recommendation to City Council. There were 169 responses from CCEA members (70%), CCEA non-members (30%), and property developers. 75% favored the overlay. Survey details are provided below.

About the Survey

How was the CCEA overlay survey promoted?

- Emails to 200+ local residents, commercial property owners, businesses and developers.
 - Emails were sent to CCEA members, non-members for whom we have email addresses, members of the CCE Social group and community safety group.
- Multiple postings to the CCE Facebook page [464 members] and Chris Hinds FB page.
- Multiple postings on Nextdoor CCE page [1,658 members]
- Hand delivered flyers within CCE [100+ flyers]
- Recipients were encouraged to share the survey link and several did.

How many persons responded?

- 169 persons responded. The total included residential and commercial property owners, renters, developers and their representatives.

Who took the survey? Not surprisingly, those most engaged in and invested in CCE and local affairs responded.

- The majority [70%] were CCEA members. This group tends to be most engaged in CCE community issues.
 - The 30% who are not CCEA members shows that the survey reached and includes the broader community.
- The majority [89%] own residential property in CCE. The majority [89%] live east of Madison St.
- Four persons who are currently developing commercial property in CCE responded. There are three concurrent commercial developments underway.
- Two persons who are currently developing residential property in CCE responded.

Who contributed to the survey development?

- About 20 members of the CCEA Development Committee and Board
- Commercial property owners and developers
- City Planning
- Other CCE residents
- The complete survey and background are attached. The reader is encouraged to scan these attachments.

When was the survey was conducted?

- June 28th through July 15th, 2021, allowing both those who work during the week and those who do not plenty of time to respond.

Commercial, Mixed Use Overlay Survey Results

When asked: “*Based on what you have read here about the commercial, mixed use overlay and your review of the attached details, should the Cherry Creek East Association Board support or not support, this commercial, mixed use overlay?*”

- The great majority (75%, three quarters) said yes
- A minority (17%, less than 1 in 5) said no
- A small minority (8%, less than 1 in 10) were not sure

When asked: “*Why do you say that about the CCEA Board supporting or not supporting the commercial, mixed use zoning overlay?*”

- The great majority who said “yes” agreed with the overlay objectives, the process for developing it and the proposed approach to meeting those objectives. Sample comments are below. A complete list of comments is attached in the complete final report downloaded directly from SurveyMonkey.
 - “*Completely agree with objectives of overlay.*”
 - “*Sounds like a reasonable compromise for development in our neighborhood*”
 - “*The overlay strikes the right balance between asking too much and too little. It will allow for new development but ensure that the new development meets neighborhood and City goals for mobility [walking/ bikes], open space and safety.*”
 - “*The CCEA Board should support this overlay precisely because of the points discussed in the proposal.*”
 - “*The overlay will make sure future developments meet the stated goals of the overlay, which generally will maintain the quality of life in the neighborhood while allowing developers reasonable ways to develop property.*”
 - “*I have been following the development of the overlays by attending Development Committee meetings and approve of the process and results.*”
 - “*I think the overlay is preferable to the effort and unpredictable nature of negotiating each development.*”
 - “*It creates the balance between neighborhood and city.*”
 - “*Retains the residential aspect of our neighborhood in terms of density, walkability, avoids concrete canyons, and respects the scale and of the bulk of existing structures.*”
- The minority who said “no” or “not sure” were divided between those who feel that the commercial overlay as stated should have been more restrictive vs. those who feel it is too restrictive.
 - Proposal should be **more** restrictive ... sample comments
 - “*No interest in crowding the CCE. This is great for developers but not the residents. Bad idea.*”
 - “*I'm not sure the 5 foot set backs are big enough*”
 - “*Based on what I'm reading this would allow large buildings which I'm not in favor of.*”

- “It seems like we are surrendering to the lesser-evil. I thought we voted for a board that would fight overdevelopment of this area and keep the buildings to three stories – keep the residential feel, pace, and openness. Yes, the setbacks on street level and higher floors are preferable, but I don’t want that to be a “loophole” used for taller buildings that will dwarf and smother this area”.
- “Lack of requirement for larger sidewalk to improve walkability (walkability is one of your goals). Disagree with an alternative to 5 ft setback. Setback should be always required and more than 5 feet.”
- Proposal should be **less** restrictive ... sample comments
 - “The goals of the commercial overlay are great. The overlay as drafted is much too restrictive on building types, and does not allow enough design flexibility.”
 - “The overlay prohibits the development of smaller properties by taking away too much land. CCE will not ever create a warm environment with the plan”
 - “Let zoning take care of this”

Residential Overlay Survey Results

When asked: “Based on what you have just read here about the residential overlay and your review of the attached details, should the Cherry Creek East Association Board support or not support, this residential use overlay?”

- The great majority (79%, 8 of 10 respondents) said “yes”
- A minority (13%, about 1 in 8) said “no”
- A small minority (8%, about 1 in 12) said “not sure”

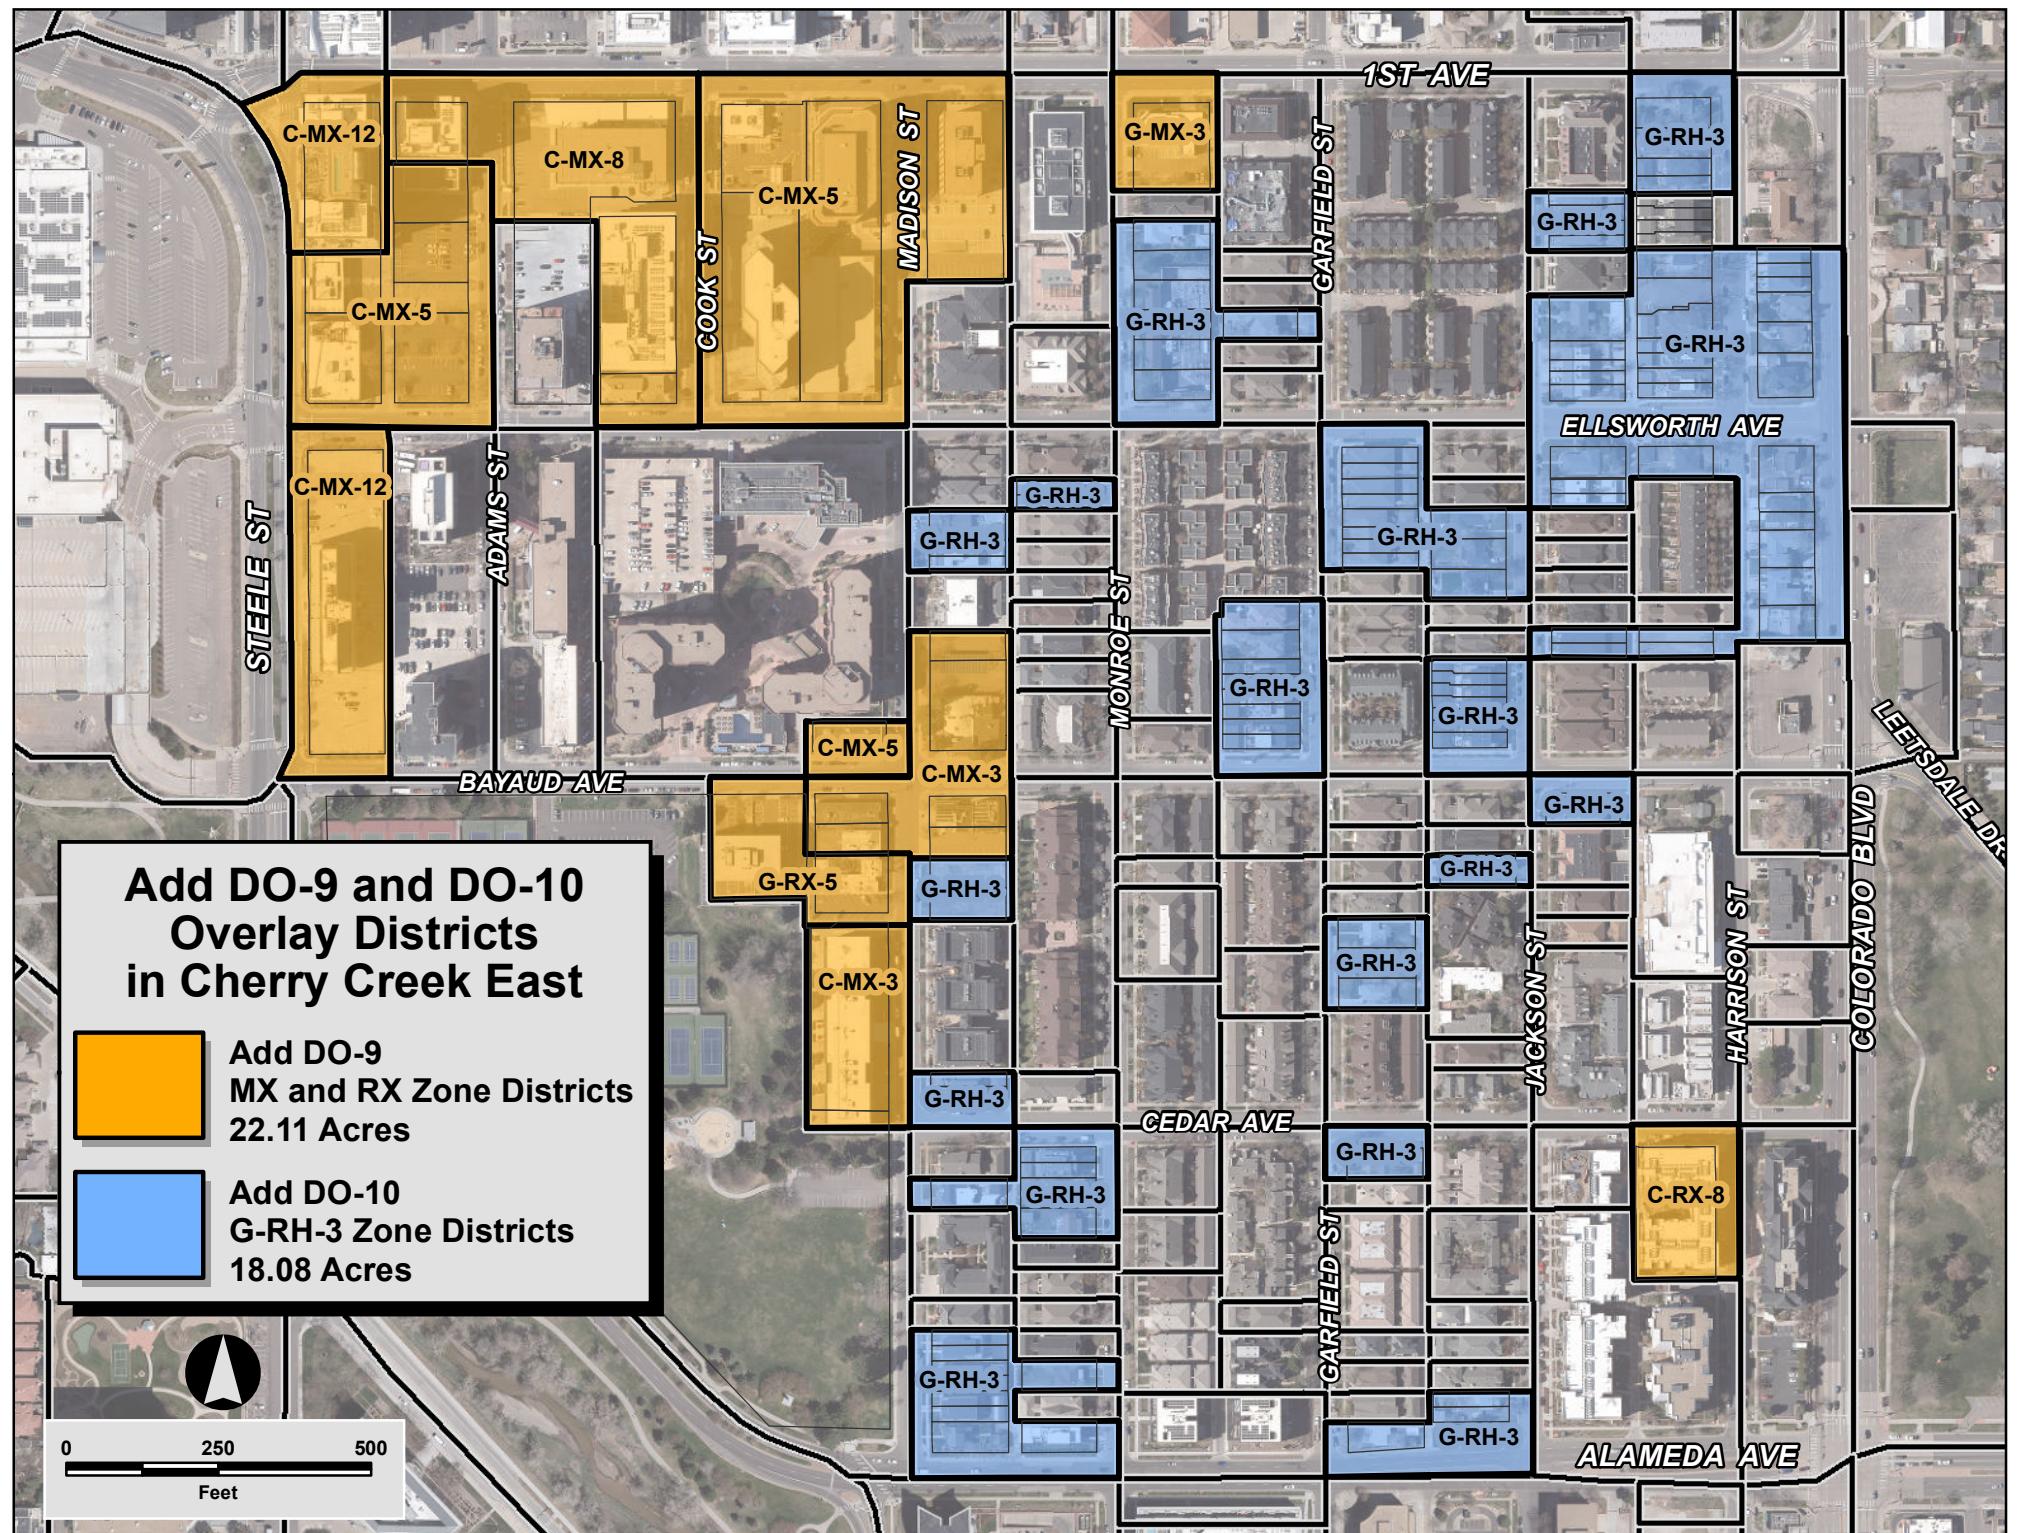

When asked: “Why do you say that about the CCEA Board supporting or not supporting the residential zoning overlay?”

- Consistent with the commercial mixed-use response, the great majority [79%] who said “yes” to the residential overlay agreed with key goals, process and proposed approach of the proposed residential overlay. Sample comments:
 - “The CCEA Board should support this overlay precisely because of the points discussed in the proposal.”
 - “Thoughtful recommendations. The front porch is particularly important”
 - “Promotes safety, walkability, attractiveness and neighborhood interactions”
 - “Improve the safety, friendliness and communication between residents and appearance of our neighborhood and provide shade for our sidewalks.”
 - “Again, we need to keep the residential feel of the neighborhood. Porches/patios and trees will encourage people to be outside and walking in the neighborhood”
 - “The front porch and lighting enhance a neighborhood and encourages neighbors to get to know each other”
 - “The CCEA Board is exercising the will of the majority of CCE owners.”
- The minority [21%] who said “no” or “not sure” to the residential overlay gave a wide variety of reasons. There is no single, persistent theme within the minority responses. Some would like more restrictions, some fewer. Sample comments:

- *"I agree with all 3 of these stipulations, absolutely. They should be bare minimum. Still not sure about overall plan here. Are they going to agree to these niceties and then, once their development approved, do whatever the hell they want and just ignore our complaints? Odds are good."*
- *"Certainly nothing wrong with guidelines but do not address other key elements (e.g., no curb cuts, detached sidewalk requirements, landscaping requirements) encompassed in the Cherry Creek East Design Guidelines in effect until 2012"*
- *"This overlay needs additional work to incorporate more of the original "Cherry Creek East Design Guidelines" requirements. i.e., required entries on side streets (Avenues) at corner lots. Minimum caliper size trees in tree lawns and maximum spacing per City Forester requirements. Also, minimum landscaped area requirements, etc."*
- *"I cannot stand the front porches. I'd rather have more area in the back for entertaining. This is not the south where we have huge homes and beautiful wrap around porches. I find the townhome front porches strange."*
- *"Totally disagree with lighting!!!!!!"*
- *"Not needed"*

At the end of the survey, respondents were asked: *"Finally, if you have any questions or comments about the survey or development in CCE please let us know below."*

- Many responses were complimentary e.g., *"Excellent work on the survey and process,"* some discussed unrelated perceived problems in CCE e.g., street maintenance, unkempt properties, traffic, etc. The rest were mostly one-off comments. One noted: *"We trust the City Council will see the wisdom of endorsing the commercial and residential overlays discussed in this survey."*

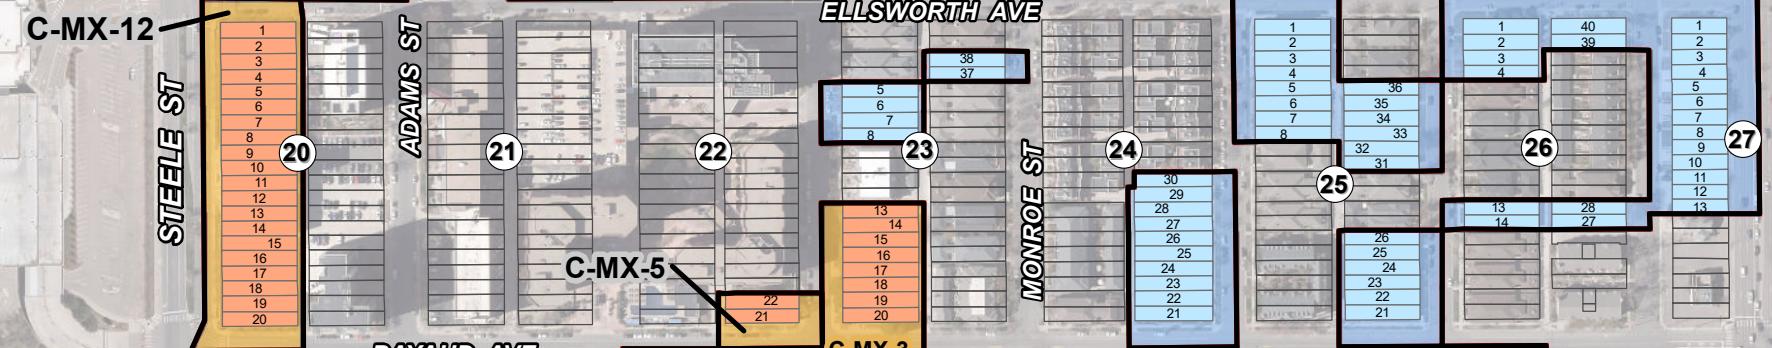

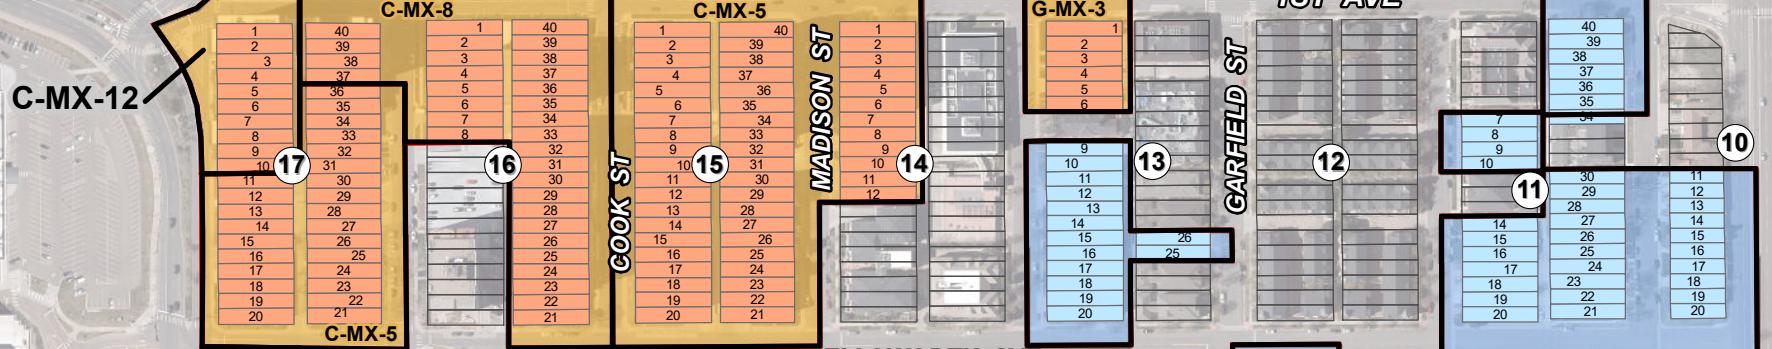

Add DO-9 and DO-10 Overlay Districts in Cherry Creek East

Add DO-9 MX and RX Zone Districts 22.11 Acres

**Add DO-10
G-RH-3 Zone Districts
18.08 Acres**

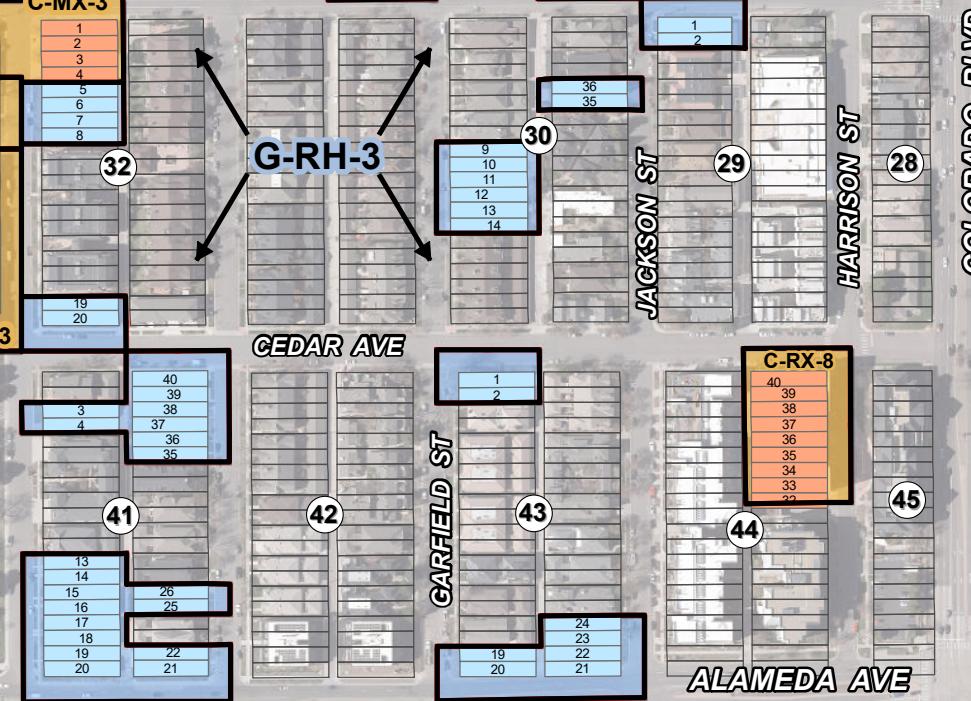

A horizontal scale bar representing distance in feet. It features three numerical tick marks: '0' at the left end, '250' in the middle, and '500' at the right end. The segment between '0' and '250' is filled with a solid black rectangle, while the segments between '250' and '500' and beyond '500' are white. Below the scale bar, the word 'Feet' is centered in a bold, black, sans-serif font.

**Add DO-9 and DO-10
Overlay Districts
in Cherry Creek East**

**Add DO-9
MX and RX Zone Districts**

**Add DO-10
G-RH-3 Zone Districts**

Zone Map Amendment 18i-00064

DRAFT V3 September 20, 2022

That the zoning classification of the area in the City and County of Denver described as follows or included within the following boundaries shall be and hereby is changed from

C-MX-3 to C-MX-3 DO-9

Burlington Capitol Hill Addition

Block 23, Lots 13 to 20

Block 32, Lots 1 to 4

Block 33, 21 to 32, and 37 to 40

C-MX-5 to C-MX-5 DO-9

Burlington Capitol Hill Addition

Block 14, Lots 1 to 12

Block 15, Lots 1 to 40

Block 17, Lots 11 to 36

Block 22, Lots 21 to 22

C-MX-8 to C-MX-8 DO-9

Burlington Capitol Hill Addition

Block 16, Lots 1 to 8, and 21 to 40

Block 17, Lots 37 to 40

C-MX-12 to C-MX-12 DO-9

Burlington Capitol Hill Addition

Block 17, Lots 1 to 10

Block 20, Lots 1 to 20

C-RX-8 to C-RX-8 DO-9

Burlington Capitol Hill Addition

Block 44, The North 17' of Lot 32, and Lots 33 to 40

G-MX-3 to G-MX-3 DO-9

Burlington Capitol Hill Addition

Block 13, Lots 1 to 6

G-RX-5 to G-RX-5 DO-9

Burlington Capitol Hill Addition

Block 33, Lots 1 to 7, and Lots 33 to 36

TOGETHER WITH

All Vacated Street or Alley Rights of Way lying adjacent to described areas.

In addition thereto those portions of all abutting public rights-of-way, but only to the centerline thereof, which are immediately adjacent to the aforesaid specifically described area.

That the zoning classification of the area in the City and County of Denver described as follows or included within the following boundaries shall be and hereby is changed from

G-RH-3 to G-RH-3 DO-10

Burlington Capitol Hill Addition

Block 10, Lots 11 to 20

Block 11, Lots 7 to 10, 14 to 30, the North 2/3 of 34 and 35 to 40

Block 13, Lots 9 to 20, and 25 to 26

Block 23, Lots 5 to 8, and 37 to 38

Block 24, Lots 21 to 30

Block 25, Lots 1 to 8, 21 to 26, and 31 to 36

Block 26, Lots 1 to 4, 13 to 14, 27 to 28, and 39 to 40

Block 27, Lots 1 to 13

Block 29, Lots 1 to 2

Block 30, Lots 9 to 14, and 35 to 36

Block 32, Lots 5 to 8, and 19 to 20

Block 41, Lots 3 to 4, 13 to 22, 25 to 26, and 35 to 40

Block 43, Lots 1 to 2, and 19 to 24

TOGETHER WITH

All Vacated Street or Alley Rights of Way lying adjacent to described areas.

In addition thereto those portions of all abutting public rights-of-way, but only to the centerline thereof, which are immediately adjacent to the aforesaid specifically described area.
