

DEPARTMENT OF AVIATION
CITY COUNCIL ORDINANCE REQUEST SUMMARY
MASTER DISTRIBUTED ENERGY RESOURCE INTERCONNECTION AGREEMENT

Purpose and Use of Agreement(s)

This request is for an initiation of the Master Distributed Energy Resource Interconnection Agreement between PUBLIC SERVICE COMPANY OF COLORADO, d/b/a Xcel Energy (Xcel) and Denver International Airport (DEN or City). This Agreement is intended to provide the Terms and Conditions for the City to, from time-to-time, interconnect and operate City owned Photovoltaic (PV) Solar, Battery Storage, and other Distributed Energy Resource (DER) Systems in parallel with the Xcel electric distribution system. This Agreement supports the City and Xcel's mutual goals of increasing distributed renewable energy production by reducing the administrative burdens associated with interconnection, but it does not commit funding to any specific DER project.
