### 5. General description or background of proposed request. Attach executive summary if more space needed:

This is the final extension in this agreement as these services will be put out to bid later this year.

This contract is supported by the Public Health and Wellness Special Revenue Fund and aligns with the *Opioid Response Strategic Plan: 2018-2023* to "address harms that may occur throughout the continuum of substance mis(ue)". Specifically goal 3, strategy B, calls for efforts to improve health outcomes among people who use drugs by expanding access to sterile injection equipment for people who inject drugs, which is accomplished at syringe access programs.

To carry out this strategy, DDPHE seeks to amend the existing contract with Vivent Health, Inc. to conduct a registered syringe access program in Denver. The contract covers personnel, supplies, and operating expenses.

### 6. City Attorney assigned to this request (if applicable): Megan Waples
