### 5. General description or background of proposed request. Attach executive summary if more space needed:

Parsons Transportation Group Inc. provides the City with on-call professional services related to intelligent transportation systems and design. This amendment will extend the contract term to April 30, 2025, and increase the contract maximum to \$4,000,000 to allow the City to continue and start new projects that support improvements to the intelligent transportation systems and design citywide. The original contract was a result of the Smart City Program procurement which aimed to eliminate silos, optimize city operations, and address some of the biggest challenges the city faces, including traffic congestion, vehicle crashes, and safety.

### 6. City Attorney assigned to this request (if applicable): Raana Haidari

### 7. City Council District: Citywide
