### 5. General description or background of proposed request. Attach executive summary if more space needed:

This ordinance approves a Cooperation Agreement between the City and County of Denver and the Denver Urban Renewal Authority ("DURA") for the property and sales tax increment area within the proposed 38<sup>th</sup> and Huron Urban Redevelopment Area ("Area"). The Area is approximately 3.3 acres situated in the Globeville neighborhood generally bounded by privately owned property to the north, the alignment of Galapago St. to the east, 38<sup>th</sup> Ave. to the south, and the freight and passenger rail tracks to the west.

DURA, in coordination with the City's Department of Finance and Department of Community Planning and Development, is seeking to establish the Area to support its redevelopment through the approval of the 38<sup>th</sup> and Huron Urban Redevelopment Plan (the "Plan"). Staff of the City and DURA have agreed to the Plan and the Cooperation Agreement for the creation of the Area and the use of sales and property tax increment financing by DURA, subject to City Council approval.

The Cooperation Agreement established the parameters for property and sales tax increment financing for the purpose of financing projects for the benefit of certain property located within the Area following approval by City Council.
