May 5, 2023 Councilmember Clark

## Amendment to 23-0373: Concerning Correcting a Grammatical Error

_			1
$^{\prime}$	uncu	lmem	narc
$\sim$	unci		טכוס,

I would like to amend Council Bill 23-0373 with the following particulars:

On page 2, line 22, strike "or", and replace with "and".

Explanation: The filed version of the bill was written so that the definition of *Vehicle Junker* included both parts A and B. As the floor amendment was written the section was inadvertently changed to include the word "or". This amendment restores the section to the originally drafted intent.

This amendment does not require republication
