9 **Section 2.** That the Council finds and determines that property interests (in the form of
10 Temporary Easements) in these properties are needed and required for the following public uses
11 and public purposes: The Washington Street Corridor, when complete, will facilitate safety
12 improvements via installation or modification of two travel lanes, center turn lanes and multi-use
13 sidewalks along the east and west sides of North Washington Street, running north from 47th Avenue
14 to 52nd Avenue. Additionally, the project will add green infrastructure and parking to the corridor as
15 well as new traffic signal infrastructure at 50th Avenue.

16 The Project will require negotiated purchase or condemnation of all or any portion of any
17 property as needed and is located in Council District 9. This includes easement interests, access
18 rights, and improvements. This ordinance also grants the right to negotiate and execute all
19 agreements and to process all necessary payments.

20 The Washington Street Corridor Project requires 47 acquisitions, which will be a combination
21 of full acquisitions, partial acquisitions and both temporary and permanent easements. The land
22 being acquired is all commercial property.

23 **Section 3.** That Council authorizes the Mayor, including his duly authorized representatives,
24 in accordance with applicable federal, state, and City laws and rules and regulations adopted
25 pursuant thereto, to acquire the needed property interests, including, but not limited to, fee title,
26 permanent easements, temporary easements, fixtures, licenses, permits, improvements (including
27 without limitation, general outdoor advertising devices, buildings, and access points) and any other
28 rights, interests, and appurtenances thereto. Such authority includes the taking of all actions
29 necessary to do so without further action by City Council, including but not limited to: conducting
30 negotiations, executing all related agreements, making all necessary payments, taking any and all
31 actions required by law before instituting condemnation proceedings, allowing the temporary use of
32 City-owned land and conveying all or a portion of any City-owned land, including remnants, by
33 quitclaim deed, permanent or temporary easements, leases, licenses and permits.

34 **Section 4.** That if the interested parties do not agree upon the compensation to be paid for
35 the needed property interests, the owner or owners of the property are incapable of consenting, the

1 name or residence of any owner is unknown, or any of the owners are non-residents of the State,
2 then the City Attorney of the City and County of Denver, upon the Mayor's direction, is authorized
3 and empowered to exercise the City and County of Denver's eminent domain powers by instituting
4 and, as necessary, prosecuting to conclusion proceedings under Article 1, Title 38, Colorado
5 Revised Statutes, to acquire needed property interests upon, through, over, under and along the
6 above-described property as necessary for the purposes set forth in Section 2 above.

7 **Section 5.** That the Council finds and determines that the County of Denver's Department of
8 Transportation and Infrastructure or federal and state agencies may find the need to alter the nature
9 of the property interests or the legal descriptions of the properties referred to in this Ordinance and
10 may continue to do so in order to meet the needs of the Project. Council authorizes the Mayor,
11 including his duly authorized representatives, in accordance with applicable federal, state, and City
12 laws and rules and regulations adopted pursuant thereto, to acquire the property as the property
13 interests and legal descriptions are altered in accordance with the means authorized in this
14 Ordinance.

15 **Section 6.** That the Council authorizes the City to use the power of eminent domain to act
16 as the local authority to repurpose existing City right-of-way with improvements to prioritize the
17 movement of people for safety and economic benefits.

18 **Section 7.** That the City Council hereby finds and determines that the Washington Street
19 Corridor Project is necessary for the health, safety, and welfare of the public.
