

Department of Parks & Recreation
On-Call Median Maintenance
Executive Summary Fact Sheet

Department of Parks & Recreation Division of Park Operations

has a need for landscape maintenance at medians and right-of-ways throughout the City.

Purpose and Use of Agreements:

The purpose of this On-Call contract is to provide landscape management services at medians and right-of-ways (ROWs) throughout the City. The reason this is an On-Call contract is to allow the flexibility for parcels to be added or removed as changes occur. There are currently around 100 parcels that will be serviced through this contract. Services are seasonal from spring to fall and include trash collection and disposal of litter, debris, and waste; mowing and grounds maintenance to include edging, trimming, and blowing; weed control and turf health to include fertilization and herbicide applications; pre and post-emergent applications using environmentally safe chemicals.

Procurement:

1 company (Keesen Landscape Management, Inc.) was awarded the contract for this work from an RFP based on qualified submittals and scoring.

Contracts Description:

The contract has a three (3) year term and a capacity of \$1,750,000 million.

These contracts do not commit funds, nor do they guarantee any amount to the firms. These contracts are not an authorization of work. Authorization or work and commitment of funds are made via work order on an as needed basis.
