RE: Letter of Support – Temporary Managed Communities Text Amendment

Dear Members of Planning Board:

On June 1, Greater Park Hill Community, Inc., (GPHC) passed a resolution to support for the proposed Text Amendment changes to include Safe Outdoor Spaces and Safe Parking communities into the existing Temporary Tiny Homes zoning code which creates a revised Temporary Managed Communities zoning code. The vote was 12-0. GPHC is a Registered Neighborhood Organization in Denver.

Sincerely,

Shane Sutheland
