The director shall review all matters contained in the record and considered by the hearing officer as set forth in the written findings and thereupon make a final decision and determination. 3 received any prior license or permit from the city or the state.

5 The following definitions apply unless more specific provisions are applicable for the license

20 by the department.

21 (8) *Licensed premises* means the premises specified in an application for a license

28 It shall be unlawful for any person, whether or not they are licensed in another jurisdiction, to  
29 engage in an activity for which a license issued by the department is required without first having  
30 obtained such license from the department.

31 **Sec. 32-5. – Application Requirements.**

32 (a) *Application requirements—generally.* The application for every license required by and  
33 issued under the authority of this chapter 32 shall be made to the department in the manner provided

by the director. Applications shall be deemed incomplete and will not be acted upon if the department does not receive the requisite application fee and the application does not contain:

(1) The information required by this Code;

(2) Any other information required pursuant to an applicable statutory authority; or

(3) Any other information required by the director.

*(b) Administrative closure of applications—failure to complete application within one (1) year.*

Pending applications shall be administratively closed, without a hearing, one (1) year after the date of application. Once an application is administratively closed the applicant must begin the licensing process anew. At the director's discretion, the director may reopen an application that has been administratively closed if the applicant can produce, no later than thirty (30) days after administrative closure, documentary, or other empirical evidence to establish good cause for the failure to complete the application process.

*(c) Application withdrawal.* An applicant may request that their application be withdrawn in a form or manner provided by the director. The director, in the director's discretion, may approve or deny the withdrawal request. Upon approval of the request, the application shall be administratively closed and the applicant must begin the licensing process anew.

*(d) Refund of application fees.* The director may refund application fees for administratively closed or withdrawn applications upon a showing of good cause.

*(e)* For purposes of this section, the term "good cause" means the failure to complete the application process occurred due to circumstances outside of the applicant's control.

#### **Sec. 32-6. – Fees and bond requirements.**

*(a) License fees.* The license fee for every license required by and issued under the authority of the city shall be payable in advance and shall accompany the application. The fee shall be payable to the manager of finance who shall endorse on the license such payment. If the license is not granted, the fee tendered hereunder shall be refunded, and the manager of finance may initiate the refund procedure.

*(b) Waiver of license fees.* The director may waive the local licensing fees for licenses granted by the department as provided in rules promulgated by the department.

*(c) Proration of fees.* The director may prorate the license fee if a license is issued for a period shorter than the full term of the license. If authorized, the license fee shall be calculated by multiplying the number of months that the license or permit will be effective by 1/12 of the annual license fee. The number of months includes the month in which the license is issued and the month in which the license expires.

1 (d) *Partial payments—prohibited.* Unless provided otherwise, no partial payments for any  
2 fees shall be accepted by the department.

3 (e) *Rebate of fees—taking of property.* If the property on which the licensed premises is

5 amount set forth in this section.

6 (f) *Rebate of fees—destruction of property.* If the property on which the licensed premises is  
7 destroyed by fire or natural disaster to such an extent that the continuation of the business is  
8 impractical the licensee may surrender the license and receive a rebate in the amount set forth in  
9 this section.

10 (g) *Rebate of fees—uncontrollable circumstances.* If the director, in the director's discretion,  
11 determines that the licensee's business has been involuntarily terminated due to circumstances  
12 occurring outside of the licensee's control, the licensee may surrender the license and receive a  
13 rebate in the amount set forth in this section.

14 (h) *Calculation of rebate.* The rebate provided for in this section shall be calculated by  
15 multiplying the number of months remaining in the license term, beginning with the first month after  
16 termination, by 1/12 of the annual license or permit fee.

17 (i) *Rebate of fees prohibited for suspended and revoked licenses.* Licenses shall not be  
18 eligible for a rebate of the license fee if the license has pending disciplinary action, is currently  
19 subject to license suspension, or if the director determines that the license should be revoked or  
20 otherwise subject to disciplinary action.

21 (j) *Bond requirements.* When the terms of this Code or any other applicable statutory authority  
22 set out bond requirements, no license shall be issued until the licensee or applicant furnishes the  
23 requisite and required bond with a surety to be approved by the director. The following conditions  
24 shall be attached to the bond:

25 (1) The applicant or licensee shall comply with all applicable provisions of this Code  
26 and any other applicable statutory authority;

27 (2) The Applicant shall pay all fines, penalties and costs that may be imposed against  
28 the licensee or applicant for any and all violations of this Code and any other applicable statutory  
29 authority; and

30 (3) Any other conditions reasonably required by the director.

31 **Sec. 32-7. Approval by other officials.**

32 Upon receipt of any application, the director may give notice of the application to any other  
33 city agency or department. The applicant shall obtain any and all necessary permits, licenses, and

2 modification, or renewal of the license.

3 **Sec. 32-8. – Provisions applicable to all licenses.**

4 (a) *Contents of license.* Every license shall show upon its face:

5 (1) The name of the person to whom such license has been issued;

6 (2) The name of the licensed business, if different from the name of the person to  
7 whom such license has been issued;

8 (3) The type of license(s);

9 (4) The date the license was issued and the date on which the license expires;

10 (5) The location, if any, of the licensed premises; and

11 (6) Such other information as deemed necessary and pertinent by the director.

12 (b) *Separate license for each location.* A separate license shall be required, where applicable,  
13 for each location of a business licensed under this chapter.

14 (c) *Posting.* Every license issued by the city for a business to be conducted at a particular  
15 location shall be posted on the licensed premises during the period such license is valid. Such  
16 license shall be conspicuously posted on the licensed premises so it can be seen by the public or  
17 in such other manner required by the director. When such license expires it shall be removed.

18 (d) *Presentation of license to city officials.* It shall be the duty of each and every person to  
19 whom a license has been issued to exhibit the same upon the request of any law enforcement officer  
20 city inspector, or city investigator.

21 (e) *Duplicate license or identification card.* When a license or identification card is lost, the  
22 department may replace the license or identification card. The replacement fee shall be waived for  
23 the first lost license or identification card. Subsequent replacement fees shall be determined by the  
24 department.

25 **Sec. 32-9. – Transferability.**

26 (a) Unless provided otherwise in this Code or by department rule, no license shall be  
27 transferable from one (1) person to another, or from one (1) location or another.

28 (b) *Administrative changes to addresses.* The department may amend license addresses so  
29 long as the physical location of the premises is not changing, and the director determines such  
30 change is necessary for implementation of this Code.

31 **Sec. 32-10. – Term of licenses; renewals.**

32 (a) *Term of license.* Unless provided otherwise, no license shall extend beyond one (1) year  
33 from the date of its issuance and shall expire on the date specified on the license.

1 (b) *Renewal—when and how to apply.* A licensee seeking to renew a license shall submit a  
2 renewal application and requisite license fee to the department no more than ninety (90) days prior  
3 to the expiration date of the license.

4 (c) *Late renewal.* A licensee whose license has been expired for not more than ninety (90)  
5 days may file a late renewal application upon the payment of the requisite license fee and a penalty  
6 fee of twenty (20) percent of the amount of the license fee if the application for renewal is filed less  
7 than thirty (30) days after the date upon which the license expires, or the requisite license fee and  
8 a penalty fee of fifty (50) percent of the amount of the license fee if the application for renewal is  
9 filed more than thirty (30) days after the date upon which the license expired. The director may  
10 waive or adjust any and all of such penalty and additional fee whenever, in the director's judgment,  
11 the delinquency in the prompt receipt of such application and fee is not the fault of the licensee and  
12 to collect or require the payment thereof would be an injustice.

13 (d) *Restrictions on renewal.* Except where the applicant has submitted a complete renewal  
14 application and paid the requisite fee, a license that has been expired for more than ninety (90) days  
15 shall not be renewed.

16 (e) *Cease of operations after expiration.* A licensee shall cease operations upon the  
17 expiration date of the license. Upon filing a complete application and paying the requisite fee, the  
18 licensee may continue operating in compliance with all applicable provisions of this Code and any  
19 other applicable statutory authority until final agency action on the renewal. However, the director  
20 may require that operations cease if the license is subject to disciplinary action, pending final agency  
21 action on the renewal application, or the licensee has not received any required approvals,  
22 inspections, or permits from another agency.

23 (f) *Renewal hearing.* The director may, upon the director's own motion or upon complaint,  
24 hold a hearing concerning any application for license renewal if there are grounds for denial or  
25 suspension of the license.

26 (g) *Standards for denial of renewal application.* In addition to any other grounds specified in  
27 this Code, the director may deny a renewal application if:

28 (1) There are causes for denial as provided in 32-11;

29 (2) There are grounds for suspension, revocation or other licensing sanctions as  
30 provided in section 32-15;

31 (3) Any fact or condition exists which, if it had existed or had been known to exist at  
32 the time of the application for such license, would have warranted the director in refusing originally  
33 to issue such license; or

(4) The application fails to comply with any provisions required for by this Code or any other applicable statutory authority.

**Sec. 32-11. – Causes for denial; hearings; and license conditions.**

(a) *Causes for denial.* No license authorized under this Code shall be issued or renewed if:

(6) The applicant is not of good moral character, has previously operated a similar establishment in an unlawful manner, or has a license history that does not warrant the confidence of the director that the license will be lawfully operated.

(b) *Denial appeal procedure.* If it shall come to the attention of the director that one (1) or more of the above grounds exists, the application shall be denied. In the event that the application is denied, the director shall furnish the applicant a copy of the order and the reasons supporting the denial upon the written request of the applicant. Any applicant whose application has been denied without a hearing shall be entitled to a hearing on his application upon written request to the director, except as provided in section 32-5. Except as otherwise provided by the specific terms or provisions pertaining to a license, a written request for a hearing must be submitted within ten (10) days of the mailing date of the order of denial. The director may require the payment of a filing fee which shall accompany the request for an appeal hearing. A request for an appeal hearing without the accompanying fee shall not be accepted.

(c) *License conditions.* The director may place conditions on a license to ensure that the licensee will operate lawfully or to incorporate the specific and enforceable provisions of a good neighbor agreement. Where possible, the director may alter specific provisions requested to be

1 placed as conditions on the license, while keeping the intent of the parties to the agreement, to  
2 make those provisions legal and enforceable by the department. All such conditions attached to the

4 or modified by the director.

17 (e) *Failure to exhibit license.* It shall be unlawful for any licensee, or its agents, servants,

7 (c) *Administrative subpoenas.* The director shall have the authority to issue subpoenas to  
8 compel the attendance and testimony of witnesses, with or without documentary evidence, at a  
9 hearing and compel the production of books and documents necessary for the parties' preparation  
10 for a hearing, or to delegate said authority. The department may petition the county court to enforce

26 Where the director has objective and reasonable grounds to believe and finds, upon a  
27 reasonable ascertainment of the underlying facts, that the licensee has been guilty of deliberate and  
28 willful violation or that the public health, safety, or welfare imperatively requires emergency action  
29 and incorporates the findings in its order, the director may summarily suspend the license pending  
30 proceedings for suspension or revocation which shall be promptly instituted and determined as  
31 provided in section 32-15.

(d) *Actions of licensee employees, agents, and independent contractors.* Any act or omission committed by any person that occurs in the course of the person's employment, agency, or contract with the licensee shall be imputed to the licensee for purposes of imposing any suspension, revocation or other sanction on the licensee. The director may also hold penalties in abeyance upon compliance with terms and conditions identified by the director.

1 (f) *Fines and fines in lieu of suspension.* Unless provided for otherwise, the director may  
2 assess an administrative fine or fine in lieu of suspension against the licensee not to exceed five
