## Hi,

I am writing to express my support for the LGBTQ+ affirming affordable senior housing project in the quad behind 3840 N York (case number 2022I-00250) proposed by Pennrose. This would be Colorado's first LGBTQ-affirming, senior affordable housing project, and given the critical need for this type of housing, I support rezoning to allow for a 5 story building which will make the project financially viable.

Thank you, George McGuirk 2834 N Williams St. Denver, CO 80205
