Dear Members of the Denver City Council, Planning Board, and Landmark Preservation Commission,

I am sending this letter to show my support for the historic designation of La Raza Park, which is being led by community and advanced by Councilwoman Amanda P. Sandoval, who represents my district. La Raza Park has deep cultural ties in the Northside and was a vital part of the Chicano Movement in Denver. Following the name change from Columbus Park to La Raza Park in December 2020, there was a deep desire from the surrounding Hispanic community to acknowledge the importance of this community space during Denver's history. The recommendation to landmark La Raza Park also came from our department of Community Planning & Development's first-of-its-kind Historic Context Study, Nuestra Historias: Mexican American/Chicano/ Latino Histories in Denver,

La Raza Park is in the heart of the Sunnyside neighborhood in District 1. Within the park, you will find some very distinct features such as the Kiosko, the only one in Denver, the "El Viaje" or The Journey mural found on the Kiosko's ceiling painted by Denver artist David Ocelotl Garcia, the Plaza de la Raza, and the "La Raza Unida" sculpture by the world-famous artist Emanuel Martinez. La Raza Park is home to many community activities such as Día De Los Muertos, Xupantla (the Summer Solstice), La Raza Park Day, quinceañera festivities, and family picnics.

The historic designation of La Raza Park will ensure the preservation of its vast history—its historic significance will be part of Denver and the Northside community for years to come. As mentioned in the application, "La Raza Park has been the beating heart of generations of Denverites... The significance of the park transcends its physical characteristics and has truly come to represent the Northside and Denver's wider Latino/Chicano communities."

Thank you for your consideration. I ask again for your vote in favor of the historic nomination of La Raza Park.

Sincerely,

Alejandra X. Castañeda

Re: La Raza Park Historic Designation

Dear Members of the Denver City Council, Planning Board, and Landmark Preservation Commission,

I send you this letter today to convey my support of the historic designation of La Raza Park. This effort is being advanced by Councilwoman Amanda P. Sandoval, it is being led by and for our community. La Raza Park has deep cultural ties in the Northside and was a vital part of the Chicano Movement in Denver. Following the name change from Columbus Park to La Raza Park in December 2020, there was a deep desire from the community to formally acknowledge the importance of La Raza Park throughout Denver's history. The recommendation to Landmark La Raza Park also came from Community Planning and Development's, first-ever Historic Context Study, *Nuestra Historias: Mexican American/Chicano/ Latino Histories in Denver.*

La Raza Park is in the heart of the Sunnyside neighborhood. Within the park, you will find some very distinct features such as the Kiosko, the only one in Denver, the "El Viaje" or The Journey mural found on the Kiosko's ceiling painted by Denver artist David Ocelotl Garcia, the Plaza de la Raza, and "La Raza Unida" sculpture by the world-famous artist Emanuel Martinez. La Raza Park serves as home to many community activities such as Dia De Los Muertos, Xupantla (the Summer Solstice), La Raza Park Day, quinceaneras, and family picnics.

The historic designation of La Raza Park will ensure the robust history of the park will be preserved so the culture and the historic significance will be part of Denver and the Northside community forever. As mentioned in the application, "La Raza Park has been the beating heart of generations of Denverites... The significance of the park transcends its physical characteristics and has truly come to represent the Northside and Denver's wider Latino/Chicano communities."

Thank you for your consideration and I ask that you vote in favor of the historic nomination of La Raza Park.

Sincerely,

Greetings,

I am a community member that deeply respects La Raza Park's application to become a historical designation. This land was taken from Indigenous/Chicano people and it is the only respectable move to show as much pride and honor in taking the steps to show the rest of our communities the land that is rightfully theirs.

Thank you!

Re: La Raza Park Historic Designation

Dear Members of the Denver City Council, Planning Board, and Landmark Preservation Commission,

As a North Denver resident for 17 years, I am offering this letter to show my support of the historic designation of La Raza Park. So much of North Denver's history has been erased by the movement of community members that have been displaced from the community along with the destruction of many of their homes, business, and community gathering places. It is so important that we preserve the history of North Denver, and La Raza Park is a place that personifies the history of the neighborhood.

This is being led by the community and advanced by Councilwoman Amanda P. Sandoval. La Raza Park has deep cultural ties in the Northside and was a vital part of the Chicano Movement in Denver. Following the name change from Columbus Park to La Raza Park in December 2020, there was a deep desire from the community to formally acknowledge the importance of La Raza Park during Denver's entire history. The historic designation of La Raza Park will ensure the vast history of the park will be preserved and the culture and the historic significance will be part of Denver and the Northside community forever. As mentioned in the application, "La Raza Park has been the beating heart of generations of Denverites... The significance of the park transcends its physical characteristics and has truly come to represent the Northside and Denver's wider Latino/Chicano communities." It has been a place for community to gather, protest, celebrate, and so much more.

Thank you for your consideration and we ask again you vote in favor of the historic nomination of La Raza Park.

Sincerely,

Allen
