Commission for People With Disabilities

STAFF: Kristina Ericson

**CURRENT BOARD STATUS – 1 APPOINTMENTS, 1 REAPPOINTMENTS**

The mission of the Denver Commission for People with Disabilities (DCPD) is to promote and enhance equality for people with disabilities through empowerment, advocacy, and education by working with community members, as well as City and County of Denver officials and employees who have the ability to effect change.

You appoint 7 - 21 members, each serving a three (3) year term. This board requires the confirmation of Council after your approval. With this action, the board demographics will be 4 BIPOC, 9 Caucasians; 6 men and 7 women with 13 total board members.

**BOARDS & COMMISSIONS RECOMMENDATIONS:**

I recommend the reappointment of Megan Catalfomo, and the appointment of Danny Combs. They both come highly recommended from Human Rights & Community Partnerships, the agency that oversees this commission.
