Hi Johanna,

Here is a revised legal description with changes highlighted, and a detail of the area that was added, it has also been updated in MapIt. I'll make any changes you want, otherwise if it's okay we'll move forward with the revised version without sending the approval form again.

Thanks so much,

Eric McClelland | GIS Data Administrator

Hi Eric,

We spoke to the councilmembers sponsoring the rezoning along Colfax, and they would like to include the property at

1050 E Colfax in the rezoning. This is because there is a single development on 1040 & 1050 E Colfax, and currently only 1040 is included in the rezoning. Would you be able to update the legal description?

Thanks,
Libbie
