SECTION 3.01 PREMISES DESCRIPTION

City hereby grants to Concessionaire, as of the Date of Possession under this Agreement, the privilege to occupy, improve, and use the Premises within DEN as listed and depicted in **Exhibit A** ("**Premises Description**"). The total area of the Premises as determined by DEN is listed in the Summary of Contract Provisions. Through a letter executed by the CEO, City may modify the Premises, Premises Description, and the Summary of Contract Provisions in its sole discretion to incorporate any additional as-built areas and other spaces that were not included in the original Premises Description, and may increase the compensation owed under this Agreement to account for such additional square footage without need for formal amendment to this Agreement.

SECTION 3.02 MODIFICATIONS AND CLOSING OF PREMISES

City shall have the right to close or make modifications to any portion of the Premises, at the sole discretion of City, to accommodate DEN operations, health and safety measures, security renovations, maintenance, public art, or other work to be completed at DEN.

SECTION 3.03 RECLAIMING OF PREMISES FOR AIRPORT PURPOSES

City reserves the right to reclaim the Premises or portions thereof when, in the sole and absolute discretion of City, such reclaiming is necessary for the development or operations of DEN or is in the best interest of City. City will make a reasonable effort to identify replacement premises with similar area, visibility, and exposure to passenger traffic as the reclaimed Premises.

City may exercise such right to reclaim by giving Concessionaire ninety (90) days' prior written notice specifying the effective date of the reclaiming (the "Reclaiming Effective Date") and identifying any replacement premises. If any replacement premises are identified, Concessionaire shall notify City in writing as to its acceptance or rejection of the replacement premises within thirty (30) days after the City's notice. If Concessionaire accepts the replacement premises, the following provisions will go into effect immediately:

1. All of the terms, covenants, conditions, and provisions of this Agreement shall continue in full force and effect and apply to the replacement premises; provided, however, that City may reasonably adjust the Privilege Fees owed to compensate for any extra square footage provided at the replacement premises.
2. Concessionaire shall vacate and surrender possession of the reclaimed Premises by the Reclaiming Effective Date.
3. Concessionaire shall accept possession of the replacement premises in its "as is" condition as of a date to be specified by City.
4. City will pay Concessionaire basic moving expenses limited to the moving of furniture, equipment, and other personal property from the reclaimed Premises to the replacement premises. Concessionaire shall pay all other costs to improve and fit out the replacement premises and shall perform such work in accordance with this Agreement and City directions.

Subject to the exceptions and requirements outlined below, City will pay Concessionaire an amount equal to the actual expenses incurred in the direct physical construction and equipping of the reclaimed Premises, less any amounts attributable to asset depreciation, as calculated by City, to ensure compliance with DEN's federal grant assurances. City will not pay for any costs or expenses for furniture, equipment, or other property that is relocated to any replacement premises, or for any such items that are destroyed, transferred, or repurposed, or that otherwise remain in the possession or control of Concessionaire or any third parties. City will not pay for any costs or expenses that reflect travel expenditures, shipping and delivery, internal employee wages, bid proposal costs, meals, design services, or any other expenses that are not for the direct physical construction and equipping of the reclaimed Premises. City will not pay for any reimbursable costs or expenses that cannot be directly verified via invoices and other documentation to the satisfaction of City in its sole discretion, and will not pay any amount in excess of the Minimum Capital Investment. City further reserves the right to deny or reduce any claims for expenses for goods and services that it determines were not reasonable or that were not actually paid for, received, or used for the Premises. Concessionaire shall submit all documentation relating to claimed expenses within sixty (60) days after the City's notice, and shall promptly cooperate with all specific requests to provide information about any such expenses, including contracts and purchase orders between Concessionaire and its contractors. If Concessionaire moves to replacement premises or operates any other concessions at DEN, any final amount determined by City for reimbursement will be provided solely in the form of an account credit.

Concessionaire shall not be compensated and City shall not be liable for any inconvenience to Concessionaire or for any damages, lost profits, or interruption of Concessionaire's business relating to or arising in any way from the reclaiming of the Premises or moving to any replacement

premises.

Within a reasonable time after the Reclaiming Effective Date, the Parties will modify the Summary of Contract Provisions and Exhibit A to delete the reclaimed Premises and formally incorporate the replacement premises, if any, via letter executed by the CEO without need for formal amendment to this Agreement.

Notwithstanding any other provision, if no adequate replacement premises are available, as determined solely by City in its discretion, or if Concessionaire fails to respond to City's notice within thirty (30) days after the date of such notice or otherwise rejects any replacement premises, this Agreement will terminate on the Reclaiming Effective Date and this Agreement's termination provisions shall apply.

SECTION 3.04 INGRESS AND EGRESS

Concessionaire will have the privilege of ingress to and egress from DEN and the Premises for Concessionaire's officers, authorized officials, employees, agents, and invitees, including customers, suppliers of materials, furnishers of services, equipment, vehicles, machinery, and other property. Privilege of ingress and egress will be subject to FAA regulations, applicable laws, and DEN's Rules and Regulations. Moreover, without exception, nothing in this Agreement shall be construed to prevent City from charging the operators of vehicles or carrying passengers and property a fee for the privilege of entering upon DEN, using DEN's roadways, soliciting passengers upon DEN, or otherwise operating vehicles at DEN. City reserves the right to make such charges provided they do not discriminate unreasonably against the operators of vehicles used for carrying officers, employees, passengers, or property of Concessionaire.

SECTION 3.05 PREMISES ACCEPTANCE AS IS

Concessionaire understands, acknowledges, and accepts the Premises in its present condition, "**As Is**" with all faults and with absolutely no warranties as to condition or suitability for use being given by City. City shall have no obligation, liability, responsibility to construct additional improvements or to modify existing conditions, nor to provide services of any type, character, or nature (including any obligation to maintain, repair, or replace utilities or telephone/data service) on or to the Premises other than as explicitly stated in this Agreement.

SECTION 3.06 NO WARRANTY FOR ECONOMIC VIABILITY

City makes no warranty, promises, or representations as to the economic viability of the Premises, Concessionaire's business concept, or any other matter pertinent to the potential or likelihood for success or failure of Concessionaire's business operations. Concessionaire understands, acknowledges, and accepts that airline gate usage and other aspects of DEN operations are subject to change without notice and that City makes no warranty regarding passenger numbers or traffic, or airline gate usage. Except as is specifically set forth herein, City shall not, by virtue of the existence of this Agreement, be constrained in connection with its operation of DEN.

ARTICLE IV. TERM

SECTION 4.01 TERM

This Agreement shall be effective and binding upon the Parties as of the Effective Date. The Term of concession operation shall begin on the Required Opening Date and continue through the

Expiration Date, unless this Agreement is earlier terminated as provided herein. In no case will the Term extend beyond the Expiration Date as stated in the Summary of Contract Provisions.

SECTION 4.02 TEMPORARY OPERATIONS

After the Effective Date and continuing during the Term, City, in the sole and absolute discretion of the CEO, may grant Concessionaire the privilege of conducting temporary concession operations at DEN. Where the CEO determines it is in the best interest of the City to allow Concessionaire the privilege of conducting temporary concession operations, City shall notify Concessionaire by letter executed by the CEO or CEO's authorized representative and acknowledged by Concessionaire, without need for formal amendment to this Agreement. Such privilege shall be on a temporary basis, upon the same terms and conditions as stated herein, unless otherwise stated in said letter. Temporary operations added in accordance with this Section shall open within ninety (90) days from the date of the CEO's letter and terminate on a date determined by City.

SECTION 4.03 HOLDOVER

Any exercise by Concessionaire of the privileges granted herein after the Expiration Date, if permitted by DEN, shall be on a month-to-month basis with all provisions of this Agreement, including compensation, fees, charges, insurance policies, Surety, and Guarantees remaining in place until such time City gives notice to Concessionaire to surrender the Premises. Notice to surrender will be provided in writing not less than thirty (30) days prior to the anticipated surrender date.

Any exercise by Concessionaire of the privileges granted herein after the Expiration Date, or after termination of this Agreement without the written approval of City constitutes a trespass, in accordance with D.R.M.C. § 38-115. No occupancy of any portion of the Premises by Concessionaire after the expiration or other termination of this Agreement, without City's written approval, extends the Term of such portion of the Premises. Nothing herein shall be construed to give Concessionaire the right to hold over. In the event of such trespass, Concessionaire shall indemnify City against all damages arising out of the Concessionaire's trespass, including but not limited to, any costs incurred by City to evict Concessionaire, regain possession of the Premises or any portion(s) thereof, and all insurance policies, Surety, and Guarantees required to be obtained and maintained by Concessionaire as set forth in this Agreement shall continue in full force and effect.

SECTION 4.04 PRIVILEGES AND OBLIGATIONS UPON EXPIRATION OR TERMINATION

- A. Concessionaire covenants that, upon termination of this Agreement with or without cause, it will surrender the Premises to the City peaceably, quietly, and in as good order and condition as the same may be hereafter improved by Concessionaire or City, reasonable use and wear thereof and damage by casualty, which damage Concessionaire did not cause and is not required to repair or restore under this Agreement, excepted.
- B. Concessionaire also covenants to provide to City any and all keys to doors, window displays, or any area of controlled access within the footprint of the Premises.
- C. City shall be entitled to exercise the non-judicial remedy of locking Concessionaire out of the Premises as a means of enforcing City's right of possession, regardless of whether Concessionaire is delinquent in compensation payments, including without limitation, the

de-activation of Concessionaire's security badges or credentials; and this right of de-activation shall not, and legally cannot, limit or otherwise affect City's governmental police powers to de-activate security credentials for security or other governmental reasons.

- D. Upon expiration or termination of this Agreement, Concessionaire shall remove all its Trade Fixtures and Concessionaire or brand proprietary property, inventory and other personal property, and leave the Premises in broom clean condition. Additionally, at the option and upon the written request of City, and to the extent assignable under license agreement or otherwise, Concessionaire shall convey the rights to any permit or license applicable to the Premises to any designee of City for the designee's use on an "**AS IS**" basis without warranties. No act by City shall be deemed an acceptance of a surrender of the Premises; the City's acceptance of a surrender of the Premises shall be valid only if such acceptance is in writing and signed by City.
- E. The Parties understand and agree all terms and conditions of this Agreement (such as the indemnity agreement set forth herein) which by reasonable implication contemplate continued performance or compliance beyond termination of this Agreement (by expiration of the term or otherwise), shall survive the expiration or earlier termination of this Agreement and shall continue to be fully enforceable as provided herein.

SECTION 4.05 END OF TERM TRANSITION

During the final Contract Year, City may award and transition to a new concession agreement that may include privileges to the Premises or portions thereof. If Concessionaire is not selected for the new agreement, Concessionaire acknowledges and agrees to follow the end of term transition procedures and guidelines identified in the Concessions Handbook.

2. Notwithstanding the foregoing, amounts and credits received from suppliers for merchandise, including those received for merchandise returned by concessionaire.
3. Cash and credit card refunds to customers for merchandise returned.

4. Amounts and credits received in settlement of claims for loss of, or damage to, merchandise.

9. Reimbursements from Concessionaire's sub concessionaires for any taxes, fees, franchise or license fees, utilities or other services paid or provided by Concessionaire for or on behalf of its sub concessionaires; provided, however, that any reimbursement in excess of the actual cost of such taxes, fees, franchise or license fees, utilities or other services shall be included in Gross Revenue.
10. Compensational fees, and charges paid to Concessionaire by its sub concessionaires pursuant to the provisions of this Agreement; provided, however, that any such payment in excess of the amounts required hereunder shall be included in Gross Revenue.
11. Gift cards sold at the Premises. When a gift card is redeemed or accepted as payment for a purchase at the Premises, the transaction must be reported as part of Gross Revenue.

13. Gratuities for services performed by employees paid by Concessionaire or by its customers except to the extent Concessionaire may be entitled to receive a portion of the gratuities.

SECTION 5.02 PRIVILEGE FEE

As consideration for the privileges granted herein to operate the Concession at DEN, beginning on the earlier of the Actual Opening Date or the Required Opening Date and continuing through the Term and any holdover period thereafter, Concessionaire covenants to pay the Privilege Fee to City for each month, or portion thereof, during the Term.

A. MAG.

1. First Contract Year. Beginning on the earlier of the Actual Opening Date or the Required Opening Date and continuing through the Contract Year in which such Opening Date occurs, the initial MAG amount in the Summary of Contract Provisions will be pro-rated to include only the months from the Actual or Required Opening Date to the end of that Contract Year. If the Actual Opening Date or Required

Opening Date is after the first of a month, the calculation will be performed based on the Partial Months provision below. Any full monthly amount will be one-twelfth (1/12th) of the initial MAG amount in the Summary of Contract Provisions.

2. **Subsequent Contract Years.** Beginning with the Contract Year following the First Contract Year and continuing each Contract Year thereafter, including any Holdover period, the MAG will equal the greater of the initial MAG or eighty-five percent (85%) of the total Privilege Fees payable in the prior Contract Year. The MAG applicable to the last Contract Year of this Contract will be pro-rated if such Contract Year is less than twelve (12) months.
 3. **Partial Months.** For any payment period of less than one month, the applicable MAG shall be paid on a pro rata basis in the same proportion that the number of days in the payment period bears to the total number of days in the month for which the MAG is payable.
- B. **Percentage Fee.** Concessionaire covenants to pay a Percentage Fee in an amount equal to Gross Revenue for a month multiplied by the Percentage Fee Rate stated in the Summary of Contract Provisions, but only to the extent that such calculated amount exceeds the MAG payable for that month.
- C. **Payment of Privilege Fee.** Beginning on the earlier of the Actual Opening Date or the Required Opening Date, the applicable Privilege Fee shall be paid in accordance with the procedure identified in the Concessions Handbook.

SECTION 5.03 OTHER FEES AND CHARGES

- A. **Joint Marketing Fee.** Beginning on the earlier of the Actual Opening Date or the Required Opening Date, Concessionaire agrees to pay the applicable Joint Marketing Fee in accordance with the procedure identified in the Concessions Handbook, within ten (10) days after the last day of each month, as payment for the performance by City of marketing services through the Joint Marketing Fund, a Joint Marketing Fee in an amount equal to the Joint Marketing Fee Rate as stated in the Summary of Contract Provisions multiplied by Gross Revenue for the month.
- B. **RTD EcoPass Program.** Concessionaire will participate in the EcoPass Program as described in **Exhibit F (“EcoPass Program”)**.
- C. **Commons Area Maintenance.** When any Concessions Location within the Premises is located in a food court, Concessionaire agrees to be charged and pay on the first (1st) day of each month the Common Area Maintenance Fee. The Common Area Maintenance Fee is payment for City’s performance of maintenance of the food court areas, and represents the Concessionaire’s share of the annual Common Area Maintenance Costs in twelfths (1/12) applicable to the Premises, as stated in the Summary of Contract Provisions . The Parties agree Concessionaire’s share may increase or decrease during the Term. The Parties agree to update the Summary of Contract Provisions to incorporate any increase or decrease, to be confirmed by letter executed by the CEO and acknowledged by Concessionaire, without need for formal amendment to this Agreement. Additional guidance on the Common Area Maintenance fee is in the Concessions Handbook.

- D. **Utilities.** City will provide certain utility connections as stated in the Tenant Work Permit Handbook. Concessionaire may connect into or extend, at its cost, such utilities in accordance with Tenant Work Permit Handbook. Beginning on the Date of Possession, Concessionaire covenants to pay for all utilities necessary in the operation of the Premises. All charges, including, but not limited to, deposits, installation costs, connection charges, usage, service charges, and applicable taxes for utility services metered directly to the Premises or pro-rated by usage shall be paid by Concessionaire, regardless of whether the utility services are furnished by City or other utility service entities. Concessionaire covenants to execute and deliver any utility usage data release forms required for City to have access to Concessionaire's utility usage data.
- E. **Other Fees and Charges.** Concessionaire covenants to pay in a timely manner other damages due to City, or charges and fees as City or DEN assesses, in accordance with its procedures and requirements stated in the Concessions Handbook, and also other fees that Concessionaire incurs in the normal course of business, including but not limited to telephone, badging, fingerprinting, plus any applicable taxes.

SECTION 5.04 FAILURE TO MAKE TIMELY PAYMENTS

- A. Immediately upon Concessionaire's receipt of monies from sales, services, or doing business under this Agreement, the percentages of said monies belonging to City per this Agreement shall immediately vest in and become the property of City. Concessionaire understands, accepts, and agrees to be responsible as a trustee for said monies until the same are delivered to City. Concessionaire also covenants to pay all compensation, damages, charges, and fees under this Agreement independent of any obligation of City. No breach of this Agreement by City shall relieve Concessionaire of its obligation and duty to pay all such obligations when due.
- B. Without waiving any other right or action available to City, in the event Concessionaire is delinquent in the payment of compensation, damages, charges, or fees hereunder or rightly due and owing by an audit of Concessionaire's books and records as provided in Section 5.07, and in the event Concessionaire is delinquent in paying to City any such compensation, damages, charges, or fees for a period of five (5) business days after the payment is due, City reserves the right to charge Concessionaire interest thereon, from the date such compensation, damages, charges, or fees became due to the date of payment, at 18% per annum, to the maximum extent permitted by law.
- C. In the event of a dispute as to the amount to be paid, City shall accept the sum tendered without prejudice and, if a deficiency is determined to exist, interest shall apply only to the deficiency.
- D. The right of City to require payment of interest and the obligation of the Concessionaire to pay shall be in addition to and not in lieu of the right of City to enforce other provisions herein, including termination of this Agreement, and to pursue other remedies provided by law.
- E. The failure of City to take action in the event of a delinquent payment or series of payments shall in no way waive the right of City to take action at a subsequent time. City expects all compensation, fees and charges to be paid on time and Concessionaire agrees to pay on time. Further, any endorsements or statements on a check or letter accompanying such

payment for compensation or other charges shall not be deemed an accord and satisfaction or otherwise recognized for any purpose whatsoever.

- F. Notwithstanding other provisions of this Agreement, and without limiting the other provisions of this Agreement concerning, among other things, events deemed to constitute a material breach by Concessionaire, City may terminate this Agreement upon written notice to Concessionaire, in accordance with Section 13.01, if (i) there are recurring instances in which Concessionaire's payments required hereunder are not timely or are insufficient to cover sums actually due and payable; or (ii) Concessionaire fails to maintain adequate records and accounts reflecting its business operations at DEN and calculation of Gross Revenue under this Agreement; or (iii) Concessionaire fails or refuses to submit the formal supporting paperwork as required herein.

SECTION 5.05 RECORD KEEPING, REPORTS, ANNUAL STATEMENT, AND END OF YEAR ADJUSTMENT

- A. **Bookkeeping System.** Concessionaire agrees to establish and maintain a system of bookkeeping satisfactory to the City Auditor. Such system shall be kept in a manner that distinguishes each Concession location that is operated by Concessionaire from all other Concession locations operated by Concessionaire.
- B. **Records Maintenance.** Concessionaire shall maintain, in accordance with Generally Accepted Accounting Principles, complete and accurate books and records that include all financial transactions in the performance of this Agreement. Concessionaire shall retain such books and records for a period in accordance with this Agreement and shall make such books and records available for inspection by representatives of the City, including, without limitation, the City's Auditor and independent auditors hired by the City. Such books and records shall include, without limitation, all sales slips, cash register tapes, stand sheets, sales books, bank books or duplicate deposit slips, and all other evidence of total receipts, Gross Revenue, Direct Operating Expenses, Net Operating Profits, Net Operating Losses, Minimum Guaranteed Payments, City Commissions, Monthly Reports, Weekly Reports, Annual Reports, and CCC Business Incentive Fund, Marketing Fund, Additional Expenditures, and Reserve Fund balances (collectively, the "**Financial Records**").
- C. **Required Onsite Records.** Concessionaire shall keep within the Premises – or otherwise keep readily available for City review if onsite storage is impracticable – adequate and accurate accounting books and records documenting all business and transactions engaged in by Concessionaire pursuant to this Agreement. Such books and records shall include, without limitation, daily receipts and expenses, daily bank deposits, daily sales records, and copies of all business tax returns filed with the State of Colorado and all federal income tax returns. Concessionaire's bookkeeping systems are subject to the City's approval, and Concessionaire agrees to comply with any modifications to such bookkeeping that the City may require from time to time.
- D. **Cash Registers and Inventory Sheets.** At each location where cash registers are used, cash register tapes shall be balanced with the inventory to determine the Gross Revenue from that location. At each location where cash registers are not used, the Inventory Method shall be used to determine Gross Revenue. Concessionaire shall retain all cash register receipts and stand inventory sheets in accordance with this Agreement; and these documents are subject to audit by the City in accordance with this Agreement.

- E. **Financial Reports.** Concessionaire covenants to prepare and submit reports to City as specified in the Concessions Handbook. City reserves the right to change the form and frequency of reports and statements, including, but not limited to, the **Exhibit C Monthly Concession Report**, and to require the submission by Concessionaire of other statistics and information pertaining to the Gross Revenue hereunder. Concessionaire agrees to change the form of the required reports and statements as requested by City and to provide any additional statistics and information City may request.
- F. **Annual Statement.** No later than February 28 of each year during the Term or any holdover period thereafter, Concessionaire shall provide to City an “**Annual Statement**” for the preceding calendar year. The Annual Statement must contain a schedule of Gross Revenue, Privilege Fees, and all other fees and charges paid under the Agreement during the previous year, together with any further information identified in the Concessions Handbook. The Annual Statement must be signed by a signatory officer of Concessionaire, certifying that said Gross Revenue, Privilege Fees, and all other fees and charges payable under this Agreement have been completely and accurately presented, calculated, reported, and paid according to the terms of this Agreement.

At any time and for any reason, the City may request, and Concessionaire shall provide within sixty (60) days, a certified Annual Statement prepared by an Independent Certified Public Accountant (“CPA”). There may be no limitation on the scope of the engagement that would preclude the CPA from expressing an unqualified opinion as to the correctness and completeness of the reported Gross Revenue. The engagement must be conducted in accordance with Generally Accepted Auditing Standards and shall include an opinion from the CPA on whether the schedule of Gross Revenue, Privilege Fees, and all other fees or charges payable under this Agreement have been completely and accurately presented, calculated, reported, and paid according to the terms of this Agreement. City may select the Independent CPA and may reject any CPA proposed by Concessionaire. If the certified Annual Statement provided by the Independent CPA indicates that any payment(s) made to the City were deficient, Concessionaire shall pay the amount of the deficiency plus interest at two percent (2%) per month compounded daily computed from the date originally due until the date paid. If the certified Annual Statement indicates that such payments or Concessionaire’s reporting of Gross Revenue, Privilege Fees, or other fees and charges were deficient, inaccurate, or misrepresented by one percent (1%) or more, as determined by the City, Concessionaire shall be responsible for the entire cost of the certified Annual Statement in addition to the deficiency and interest. If the certified Annual Statement indicates that the City was overpaid, the Concessionaire’s payments or reporting were accurate, or that deficiencies or inaccuracies in payment or reporting amount to an error of less than one percent (1%) difference, then the City will provide Concessionaire a credit against future Privilege Fees owed, equal to any overpayment and the verifiable and reasonable cost of the certified Annual Statement as invoiced by the Independent CPA.

- G. **Findings.** City reserves the right to challenge any findings or conclusions of the Annual Statement. In such event, City may conduct its own audit under the provisions in Section 5.07 or may require production of the supporting documentation used to reach the finding or conclusion in question. The resolution by City of any dispute will be final. Delivery of an Annual Statement containing a qualified opinion, or an adverse opinion, or a disclaimer of opinion as defined in the Statements on Auditing Standards, as may from time to time be amended or superseded, issued by the Auditing Standards Board of the American Institute of Certified Public Accountants, or any successor board or agency thereto, will be deemed a material

breach of this Agreement and, in addition to all other remedies available to City, City may, in its sole discretion, terminate this Agreement.

- H. **End of Year Adjustment.** If Concessionaire has paid to City an amount greater than Concessionaire is required to pay as Privilege Fee for a Contract Year under the terms hereof, Concessionaire shall be entitled to a credit against Concessionaire's MAG for the amount of the overpayment. If Concessionaire has paid less than the amount required to be paid as Privilege Fee for such Contract Year, then Concessionaire shall pay the difference to City in the next payment of the MAG.
- I. **Acceptance of Reporting.** Acceptance of any financial reports or payments by City does not constitute agreement by City with the amounts reported and paid. City reserves the right to reject any reports submitted by Concessionaire.

SECTION 5.06 FORM OF PAYMENT

All payments due under this Agreement shall be paid in lawful money of the United States of America. City may accept payment without prejudice to its right to recover the balance of any amount due and to pursue any other remedies in this Agreement or otherwise available. All payments of MAG, Percentage Fee, and all other damages, fees, and/or charges shall be made by the method specified in the Concession Handbook. Concessionaire assumes all risk of loss of payments.

SECTION 5.07 CITY'S RIGHT TO PERFORM AUDITS, INSPECTIONS, ATTESTATION ENGAGEMENTS

- A. Any authorized agent of the City, including the City Auditor, his or her representative, or independent auditors hired by the City, has the right to access and the right to examine and/or audit any Financial Records and other pertinent books, documents, papers and records of Concessionaire (together with the Financial Records, the "**Records**"), involving transactions related to this Agreement until the later of three (3) years after the final payment under this Agreement or expiration of any applicable statute of limitations. Concessionaire shall make its Records available to the City within fourteen (14) calendar days of its receipt of a written request from the City for the same. Concessionaire may satisfy this requirement by either: (i) making the Records available for examination within the Denver metropolitan area; or (ii) paying the City, in full and in advance, travel and related expenses for a City representative to travel to any location outside the Denver metropolitan area for such examination. Upon completing such travel, expenses shall be reconciled, and any difference between the advance payment and the actual expenses shall be paid by or refunded to Concessionaire as appropriate.
- B. Concessionaire agrees that the City, and any of the City's agents including the City's Auditor or an authorized representative of the Auditor, may inspect any document, return, data or report filed pursuant to Chapter 53 of the Denver Revised Municipal Code by Concessionaire with the City's Manager of Finance and any related reports, document, data or other information generated by the City's Manager of Finance or employees under the control of the Manager of Finance in connection with any investigation or audit of Concessionaire by the City's Department of Finance. Concessionaire authorizes and permits the inspection of such documents, data, returns, reports and information by the City and any of its agents, including but not limited to the City's Auditor or an authorized representative of the Auditor, and in

regards to such inspection waives any claim of confidentiality that it may have in connection with such documents, returns, data, reports and information.

- C. If City requests and Concessionaire fails to furnish any records in a timely manner, City reserves the right to, in addition to all other remedies available hereunder, at law, or in equity, have an independent forensic accounting firm attempt to reconstruct the missing records. Concessionaire covenants to reimburse City for the reasonable cost associated with reconstructing any missing records, including but not limited to, the cost of the independent forensic accounting firm, attorney's fees, and litigation expenses incurred. Engagements will be conducted in accordance with the procedures identified in the Concessions Handbook. The Parties recognize that City will incur additional costs if records requested are not provided in a timely manner and that the amount of those costs is difficult to determine with certainty. Consequently, the Parties agree City may collect liquidated damages, as set forth in Article VIII, for the records requested and not received.
- D. If the City determines after an audit for any Contract Year that any payment(s) made to the City were understated or materially misstated in the Annual Report, Concessionaire shall pay the amount of the deficiency plus interest at 2% per month compounded daily computed from the date due until the date paid. If such payments were understated or materially misstated by more than one percent (1%), Concessionaire shall pay to the City the cost of the audit in addition to the deficiency and interest. If the City determines after an audit that the City was overpaid, the City shall have the option to either credit an overpayment against a subsequent amount due or provide a refund to Concessionaire.
- E. Concessionaire will include a provision providing City the same rights to initiate and perform audits, inspections, or attestation engagements in any sub concessionaire agreement that it enters and cause its sub concessionaires to include the statements in further sub concessionaire agreements.

ARTICLE VI. PERMITTED USES

SECTION 6.01 PERMITTED USES

- A. **Permitted Uses.** Concessionaire shall use the Premises only for the purposes of operating the Concession, as further described in this Article VI, and for such other uses as City may agree to in writing. No portion of the Premises shall be used to warehouse, stock, or store any goods, wares, or merchandise not intended to be offered for sale at or from the Premises. **Exhibit B**, Permitted Uses, which is attached hereto and made a part hereof, sets forth the trade name for the Concession and a listing, by general category, of goods and services Concessionaire is allowed to sell from the Premises. Such list of the Permitted Uses shall constitute a limitation of the goods and services, which may be sold at the Concession. City reserves the right to amend **Exhibit B**, in accordance with the procedures outlined in the Concession Handbook, without need for formal amendment of this Agreement.
- B. **Price List.** No later than sixty (60) days prior to the Required Opening Date of the Premises, Concessionaire must submit to City a Price List in accordance with the procedures outlined in the Concessions Handbook.

- C. City may, at its discretion, require Concessionaire to add or delete goods or services that are in public demand to the Price List, in accordance with the procedures outlined in the Concessions Handbook.

SECTION 6.02 NON-EXCLUSIVE RIGHTS

The privileges granted herein for the performance of the Concession shall be non-exclusive. City may, at any time, award space (existing or newly created) to other parties who may have privileges or may sell goods or services similar to those non-exclusively granted herein. City may, in its sole discretion, grant exclusive privileges to other concessionaires to sell goods or services that Concessionaire is not authorized to sell.

In the event of a dispute between Concessionaire and any other party operating at DEN as to the privileges of the parties under their respective Concessions, City shall determine the privileges of each party and Concessionaire agrees to be bound by City's decision.

SECTION 6.03 RESTRICTIONS

Nothing in this Article will be construed as authorizing Concessionaire to conduct any business separate and apart from this Agreement or in areas of DEN other than its Premises. All privileges not specifically granted to Concessionaire for its use of and operations at DEN pursuant to this Agreement are hereby reserved for and to City.

SECTION 6.04 PERMITS AND LICENSES

Concessionaire will obtain and maintain all permits, certificates, licenses, or other authorizations required in connection with the operation of the Concession, including licenses for specific concepts that are part of the Concessionaire's Proposal. Copies of all required permits, certificates, licenses, or other authorizations will be appropriately displayed within the Premises and forwarded to City upon issuance and each renewal.

ARTICLE VII. PERFORMANCE AND OPERATING STANDARDS

SECTION 7.01 CITY'S RIGHT TO MONITOR PERFORMANCE

- A. **First Class Requirement.** It is City's intention Concessionaire's business be conducted in a manner so as to meet the needs of DEN patrons and employees and in a manner that will reflect positively upon the Concessionaire and City. The Concessionaire shall equip, organize, and efficiently manage the Concession to provide First Class goods and services in a clean, attractive, sustainable, and pleasant atmosphere.
- B. **Objections.** City in its sole discretion shall have the right to raise reasonable objections to the condition of the Premises, the quality and quantity of goods and services, the character of the service, the hours of operation, the sustainability practices of Concessionaire, and/or the appearance and performance of service personnel, and to require any such conditions or practices objectionable to City to be remedied by Concessionaire.
- C. **Performance Audits.** City reserves the right to conduct periodic performance audits of the Premises to assure Concessionaire consistently performs all of the operational, safety, sustainability, and compliance standards of this Agreement. Concessionaire acknowledges performance audits will be conducted by City, or its representative, and hereby covenants

- D. **Annual Review.** No later than ninety (90) days after the end of each Contract Year, Concessionaire and City will meet to review and evaluate the financial, customer service, and operational performance of the Concession; ownership; the physical condition of the Premises; and Concessionaire's compliance with any applicable ACDBE requirements. Before the review meeting, Concessionaire shall provide the information required in the Concessions Handbook. During the course of the review, City may determine, in its sole discretion, that the performance of the Concession is unsatisfactory in one or more categories listed in the Concessions Handbook.
- E. **Remediation Plan.** If City determines, based on the performance criteria specified for the Annual Review in the Concession Handbook, a Concession performed unsatisfactorily during the prior Contract Year, City will provide written notice to Concessionaire. Within thirty (30) days of receipt of such written notice, Concessionaire shall prepare and submit to City, for its approval, a Remediation Plan, as described in the Concession Handbook.

If after six (6) months of implementation of a Remediation Plan, the City determines that the Concession is still performing in an unsatisfactory manner, City reserves the right to require Concessionaire to replace the underperforming concept or brand, if not already replaced by the Remediation Plan, at Concessionaire's expense. Within ninety (90) days of receipt of written notice from City requiring a replacement, Concessionaire shall submit to City a proposal for a brand or concept replacement plan, as described in the Concession Handbook. City, in its sole discretion, reserves the right to approve or deny the proposed replacement plan and require Concessionaire to submit another replacement plan.

SECTION 7.02 QUALITY OF GOODS AND SERVICES

- A. Concessionaire shall ensure that all customers are provided First Class goods and services, and Concessionaire shall keep in stock and have ready for sale, at all times of operation, a sufficient supply and variety of goods and services offered for sale at the Premises, consistent with the Price List, to meet the demand of customers at DEN.
- B. If City identifies any deficiencies with respect to the operations, including, without limitation, quality, variety, and quantity of goods or services offered, Concessionaire shall be notified in writing by City and shall correct, or cause to be corrected, such problem or problems within the cure period stated in the Concessions Handbook. If Concessionaire fails to correct within the allowed cure period, City may collect liquidated damages as described in Article VIII.
- C. If Concession is a franchise concept, then every Contract Year during the Term, Concessionaire shall certify all franchise standards applicable to the Concession are met or exceeded.
- D. If the City approves and accepts a Concessionaire's Proposal that includes a local, regional, or national brand, branded item, or branded concept that Concessionaire is authorized to use at DEN, such brand, branded item, or concept shall be listed or described in the Summary of Contract Provisions and referred to in this Agreement as "Concessionaire's Brand(s)." Concessionaire acknowledges and agrees that the use of Concessionaire's Brands stated in the Concessionaire's Proposal is of critical importance in meeting City's purpose for the

concessions program at DEN. Therefore, Concessionaire's Brand(s) is(are) a material part of the consideration for this Agreement and may not be unilaterally discontinued or changed by Concessionaire. Any proposed new brand, branded item, concept, or change in use shall be submitted to City for written approval prior to implementing such change.

SECTION 7.03 PRICING

City shall have the right to monitor and test all of Concessionaire's goods and services prices by a shopping service or City personnel. If City concludes, based on the results of the survey, any prices being charged by Concessionaire do not comply with the Pricing policy; City will require Concessionaire to adjust prices to the amounts permitted. Upon written notice from the City, Concessionaire will, within the cure period stated in the Concessions Handbook, adjust any prices that City determines, in its sole discretion, to be inconsistent with the Pricing policy. Failure to rectify any pricing discrepancies within the cure period shall constitute a material breach by Concessionaire of this Agreement and City may collect liquidated damages as set forth in Article VIII, invoke any other remedies available to City by law, or City may, in its sole discretion, terminate this Agreement.

SECTION 7.04 HOURS OF OPERATION

- A. **Store Hours.** Concessionaire shall ensure the Concession is open to the public, without interruption, during the Store Hours as described in the Concessions Handbook. If a CRDC is established, Concessionaire agrees to use, at its own cost and expense, the CRDC and have all deliveries made to the CRDC, except where delivery to a third party is prohibited by law or as otherwise approved in writing by City. Concessionaire agrees to pay Concessionaire’s share of the costs of the operation of the CRDC and said distribution and delivery services, as determined by City. Concessionaire agrees to comply with the rules and procedures for implementation and utilization of the CRDC as described in the Concessions Handbook.

All Premises Improvements made to the Premises by Concessionaire, and any additions and alterations thereto made by Concessionaire, including approved changes and renovations affixed to the realty, shall become the property of City upon their completion and acceptance by City.

SECTION 10.09 SIGNAGE

Subject to the terms and conditions of Section 10.05, Concessionaire shall have the privilege to install and maintain signs on or within the Premises, if the design, installation, and maintenance of all signs shall be subject to the terms of this Section and comply with the Concessions Handbook. Concessionaire shall not install signs of any type on or within the Premises without prior written approval of City.

SECTION 10.10 REFURBISHMENT

- A. In addition to the ongoing, routine maintenance described in Section 7.16, Concessionaire shall, at its sole cost and expense, construct and install all approved Mid-Term Refurbishment improvements no later than the Mid-Term Refurbishment Completion Date. The Mid-Term Refurbishment shall exclude improvements or maintenance performed as routine maintenance in accordance with the Agreement. City and Concessionaire shall jointly determine the scope and extent of the Mid-Term Refurbishment for the Premises. If Concessionaire and City cannot jointly agree upon the necessary scope and extent of the Mid-Term Refurbishment, City may, at its sole discretion, determine the refurbishment required and Concessionaire agrees to be bound by City's determination.
- B. Concessionaire's plans, specifications, and timeline for work needed for the Mid-Term Refurbishment must be in accordance with the Concessions Handbook. Concessionaire shall

submit its plan specifications for refurbishment to City for review and approval in accordance with the procedures stated in the Concessions Handbook.

ARTICLE XI. DISCLAIMER OF LIENS

SECTION 11.01 LIENS

- A. The interest of City in the Premises will not be subject to liens for any work, labor, materials, or improvements made by or for Concessionaire to the Premises, whether or not the same is made or done in accordance with an agreement between City and Concessionaire. It is specifically understood and agreed by Concessionaire that in no event will City or the interest of City in the Premises be liable for or subject to any mechanic's, laborer's or materialmen's liens for materials furnished, improvements, labor or work made by or for Concessionaire to the Premises. Concessionaire is specifically prohibited from pledging, liening, or otherwise encumbering any assets located at DEN or any interest in this Agreement without prior, written approval by City. Concessionaire is specifically prohibited from subjecting City's interest in the Premises to any mechanic's, materialmen's, or laborers' liens for improvements made by or for Concessionaire or for any materials, improvements or work for which Concessionaire is responsible for payment. Concessionaire will indemnify, defend, and hold City harmless for any expense or cost associated with any lien or claim of lien that may be filed against the Premises or City, including attorney fees incurred by City. Concessionaire will provide notice of this disclaimer of liens to all Contractors or subcontractors providing any materials or making any improvements to the Premises.
- B. In the event any construction, mechanic's, laborer's, materialmen's or other lien, or notice of lien is filed against any portion of the Premises for any work, labor or materials furnished to the Premises, whether or not the same is made or done in accordance with an agreement between City and Concessionaire, Concessionaire will cause any such lien to be discharged of record within thirty (30) days after notice of filing thereof by payment bond or otherwise or by posting with a reputable title company or other escrow agent acceptable to City, security satisfactory to City to secure payment of such lien, if requested by City, while Concessionaire contests to conclusion the claim giving rise to such lien.

ARTICLE XII. MAINTENANCE UTILITES AND REPAIRS

SECTION 12.01 CONCESSIONAIRE'S MAINTENANCE OBLIGATIONS

- A. Except for such maintenance of the Premises as is to be provided by City hereunder, Concessionaire shall, at its own cost and expense, maintain the Premises and every part thereof, including Trade Fixtures personal property, in good appearance and repair, in a safe First Class condition, and in accordance with Sections 7.15 and 7.16. Concessionaire shall maintain, repair, replace, paint, or otherwise finish all Premises Improvements on the Premises, including, without limitation, walls, partitions, floors, ceilings, windows, doors, glass and all furnishings, fixtures, and equipment therein, whether installed by Concessionaire or by City. All of the maintenance, repairs, finishing and replacements shall be of quality equal to or better than the original in materials and workmanship. All work, including finishing colors, shall be subject to the prior written approval of City.
- B. If it is determined the maintenance does not comply with this Agreement, City will follow the procedures identified in the Concessions Handbook.

- C. Concessionaire covenants and agrees that nothing shall be done or kept in the Premises that might impair the value of City's property or that would constitute waste. Any hazardous or potentially hazardous condition on the Premises shall be corrected immediately upon receipt of a verbal or written notice from City. At the sole discretion of City, Concessionaire shall close the Premises or affected portion thereof until the hazardous or potentially hazardous condition is corrected.
- D. Concessionaire covenants to comply with all present and future laws, orders, and regulations, including any rules, regulations, and procedures promulgated by City regarding City provided maintenance within DEN. If any system for City provided maintenance is put in place that can allocate to Concessionaire its proportional share of the cost, Concessionaire must pay its proportional share of the actual costs for City provided maintenance, in accordance with amounts in Section 1.01.

SECTION 12.02 COMMON MAINTENANCE SERVICES AND UTILITY OBLIGATIONS

- A. City shall provide structural maintenance of DEN and, except as provided below, maintain and repair the exterior windows and walls of the Premises in DEN. However, maintenance of all interior and exterior walls constructed or remodeled by Concessionaire shall be Concessionaire's responsibility.
- B. Further, City has established Common Maintenance Services at DEN. Concessionaire consents to pay its proportionate share of the Common Maintenance Services provided by City, in amounts stated in Section 1.01.
- C. City provides utility mains and lines throughout DEN. Concessionaire, at its sole cost, shall tie into the utility mains and lines at the locations as specified by City. Supplemental heated or cooled air, electrical or other utilities required by Concessionaire in excess of what is customarily available in DEN will be, if approved by City, at the expense of Concessionaire.
- D. City may, at City's sole discretion, maintain the utilities within the Premises and in doing so shall be permitted to enter upon the Premises at all times to make any repairs, replacements and alterations when and as may, in the opinion of City, be deemed necessary. Furthermore, Concessionaire will permit City or its representatives access to construct or install over, on, in, or under the Premises, new systems, pipes, lines, mains, wires, conduits, ducts and equipment; provided, however, that City shall exercise such right in a manner that minimizes interference with Concessionaire's operations. Moreover, during an emergency, City, or its agents, may enter the Premises forcibly, if necessary.
- E. Concessionaire understands, accepts, and agrees that City shall not be liable for Concessionaire's loss for failure to supply any utility services. City reserves the right to temporarily discontinue utility services at such time as may be necessary by reason of accident, unavailability of employees, repairs, alterations, or improvements or whenever by reason of strikes, lockouts, riots, acts of God, or any other happenings beyond the control of City and causes City to be unable to furnish such utility services. City shall not be liable for damages to persons or property for any such discontinuance due to causes beyond the control of City, nor shall such discontinuance in any way be construed as cause for abatement of Compensation or operate to release Concessionaire from any of its obligations hereunder.
- F. City owns and maintains DEN's cabling infrastructure supporting telephone and data transmission generated within, to and from the Premises (hereinafter referred to as "Data

Network Distribution System”). Concessionaire may use City’s Data Network Distribution System for voice and data connectivity. Concessionaire is required to pay City, or pay a competitive local exchange carrier, for dial tone or internet access for its telephone services and communication systems. City will provide annual maintenance and any needed repairs for the fiber optic cable within the Data Network Distribution System. Relocation of the fiber cable or additional strands of fiber cable will be at Concessionaire’s expense. If Concessionaire installs Electronic Visual Information Display systems (“EVIDS”), Concessionaire will be required to use City’s Data Network Distribution System. Installation and ongoing maintenance of EVIDS will be at Concessionaire’s expense and, at Concessionaire’s discretion, may be performed by City or an outside vendor approved by City, subject to a Tenant Work Permit.

SECTION 12.03 CITY’S PERFORMANCE OF COMMON MAINTENANCE SERVICES

Concessionaire agrees that City shall not be liable for Concessionaire's loss for failure to supply any Common Maintenance Services. City reserves the right to temporarily discontinue any Common Maintenance Services at such time as may be necessary by reason of accident, unavailability of employees, repairs, alterations, or improvements or whenever by reason of strikes, lockouts, riots, acts of God, or any other happenings beyond the control of City and causes City to be unable to furnish such services. City shall not be liable for damages to persons or property for any such discontinuance due to causes beyond the control of City, nor shall such discontinuance in any way be construed as cause for abatement of Compensation or operate to release Concessionaire from any of its obligations hereunder, except as otherwise provided in Article XVII. The Parties agree to modify the Summary of Contract Provisions to reflect modifications in the Common Maintenance Services. As noted in Section 1.02, any such modification will be confirmed by letter executed by the CEO, without need for formal amendment to this Agreement.

ARTICLE XIII. TERMINATION RIGHTS

SECTION 13.01 TERMINATION FOR CAUSE

Subject to any cure period(s) set forth in this Agreement, City may terminate this Agreement for cause due to the actions or inactions of the Concessionaire upon fifteen (15) business days written notice to Concessionaire. In doing so, City will not be deemed to have thereby accepted a surrender of the Premises, and Concessionaire will remain liable for all payments or other sums due under this Agreement up to and including the date of termination, and for all damages suffered by City because of Concessionaire’s breach of any of the covenants of this Agreement including, but not limited to, all cost of relicensing, reasonable attorney’s fees, repairs, and improvements. Cause for termination includes, but are not limited to the following:

1. The failure or omission by Concessionaire to perform any material obligations under this Agreement or the material breach of any terms, conditions, and covenants required herein.
2. The failure to pay, in full, to City within five (5) days of when due any fees, costs, expenses damages, or other charges applicable hereunder except where such failure is cured within ten (10) days after written notice by City of Concessionaire’s failure to pay.

3. Concessionaire's material breach under any other agreement with City at DEN that is not cured within any applicable cure period set forth therein.
4. The appointment of a Trustee, custodian, or receiver of all or a substantial portion of Concessionaire's assets.
5. The divestiture of Concessionaire's estate herein by operation of law, by dissolution, or by liquidation, not including a merger or sale of assets.
6. The insolvency of Concessionaire; or if Concessionaire will take the benefit of any present or future insolvency statute, will make a general assignment for the benefit of creditors, or will seek a reorganization or the readjustment of its indebtedness under any law or statute of the United States or of any state thereof including the filing by Concessionaire of a voluntary petition of bankruptcy or the institution of proceedings against Concessionaire for the adjudication of Concessionaire as bankrupt pursuant thereto.
7. Concessionaire's cancellation or other expiration of the Surety without City's prior written consent, and not reestablished promptly after written notice by City.
8. An assignment, sublicense, or transfer of Concessionaire's interest under this Agreement by reason of death, operation of law, assignment, sublease, sale in bulk of any of its assets, or otherwise to any other person or business entity other than in compliance with the provisions of this Agreement.
9. If Concessionaire abandons, deserts, vacates, or ceases operations under this Agreement for five (5) consecutive business days, unless undergoing repairs or renovations first approved by City.
10. Concessionaire's failure to maintain any type of insurance or level of insurance coverage required hereunder (and in the event Concessionaire has failed to remedy such failure within ten (10) days after notice thereof from City, City may affect such coverage and recover the cost thereof immediately from the Surety or from Concessionaire).
11. Any lien or attachment to be filed against the Premises, DEN, or other City property because of any act or omission of Concessionaire, and such lien or attachment is not discharged or contested by Concessionaire in good faith by proper legal proceedings within fifteen (15) days after receipt of notice thereof by Concessionaire.
12. Concessionaire use, permission to use, or failure to prevent use of any portion of DEN made available to Concessionaire for its use under this Agreement for any illegal purpose.
13. Concessionaire's license or franchise agreement related to the Concession it is authorized to operate at DEN is terminated, expires, or is amended so that compliance with the amended provisions will cause Concessionaire to be in breach of its obligations under this Agreement.

14. Concessionaire's failure to pay any fees or charges required hereunder after the expiration of the ten (10) day cure period as proscribed hereunder.
15. The conduct of any business or performance of any acts at DEN not specifically authorized in this Agreement or by any other agreement between City and Concessionaire, and Concessionaire's failure to discontinue that business or those acts within thirty (30) days of receipt by Concessionaire of City's written notice to cease said business or acts.
16. Any other breach of this Agreement by Concessionaire that is not cured within thirty days of receipt by Concessionaire of City's written notice.

Nothing in this Section shall be construed to grant a right to Concessionaire to cure a material breach, which by its nature is not capable of being cured. City reserves the right, in its sole discretion, to treat each Concessions Location individually for the purpose of declaring a material breach and terminating this Agreement for Cause.

SECTION 13.02 CITY'S REMEDIES IN LIEU OF TERMINATION

In the event of any of the foregoing events listed in Section 13.01, and following fifteen (15) days' notice by City and Concessionaire's failure to remedy, City, at its election, may in lieu of termination for cause exercise any one or more of the following remedies, the exercise of any of which will not be deemed to preclude the exercise of any other remedy herein listed or otherwise provided by statute or general law. Unless the cause for termination, as stated in such notice, is by its nature curable and shall have been cured within such fifteen (15) days. City Remedies are as follows:

1. Allow this Agreement to continue in full force and effect and enforce City's right to collect Compensation as it becomes due together with past due interest and draw upon the Surety in any amount necessary to satisfy the damages sustained or reasonably expected from Concessionaire's material breach; and/or
2. Treat this Agreement as remaining in existence, and reenter and take possession of the Premises and expel Concessionaire and those claiming through or under Concessionaire and remove the effects of as may be necessary with or without process of law, without liability for trespass, using such force as may be necessary, and without prejudice to any remedies for damages or breach. No such reentry shall be construed as an election on City's part to terminate this Agreement. City reserves the right to terminate the Agreement at any time after reentry. Following reentry, City may relicense the Premises, and make alterations, repairs or improvements as City deems appropriate for relicensing. City shall not be responsible for any failure to relicense the Premises or any failure to collect compensation due for such relicensing. City shall not be liable to Concessionaire for any claim for damages resulting from remedial action by City. Concessionaire shall continue to be liable for all amounts due as under this Agreement on the dates specified plus interest thereon at the Past Due Interest Rate together with such amounts as would be payable, including costs, attorney's fees, repairs, and improvements.

No delay, failure, or omission of City to re-enter the Premises or to exercise any right, power, privilege, or option arising from any material breach nor subsequent acceptance of fees or

charges then or thereafter accrued will impair any such right, power, privilege, or option, or be construed to be a waiver of any such breach or relinquishment, or acquiescence of the Premises. No option, right, power, remedy, or privilege of City will be construed as being exhausted or discharged by the exercise thereof in one or more instances. It is agreed each and all of the rights, powers, options, or remedies given to City by this Agreement are cumulative and that the exercise of one right, power, option, or remedy by City will not impair its rights to any other right, power, option, or remedy available under this Agreement or provided by law. In the event City terminates this Agreement or reclaims the Premises under this Section 13.02, City has no liability to Concessionaire for any Unamortized Investment or any other costs or expenses incurred by Concessionaire.

ARTICLE XIV. INDEMNIFICATION

SECTION 14.01 DEFENSE AND INDEMNIFICATION

- A. Concessionaire hereby agrees to defend, indemnify, reimburse and hold harmless City, its appointed and elected officials, agents and employees for, from and against all liabilities, claims, judgments, suits or demands for damages to persons or property arising out of, resulting from, or relating to the work performed under this Agreement (“Claims”), unless such Claims have been specifically determined by the trier of fact to be the sole negligence or willful misconduct of the City. This indemnity shall be interpreted in the broadest possible manner to indemnify City for any acts or omissions of Concessionaire or its subcontractors either passive or active, irrespective of fault, including City’s concurrent negligence whether active or passive, except for the sole negligence or willful misconduct of City.
- B. Concessionaire’s duty to defend and indemnify City shall arise at the time written notice of the Claim is first provided to City regardless of whether Claimant has filed suit on the Claim. Concessionaire’s duty to defend and indemnify City shall arise even if City is the only party sued by claimant and/or claimant alleges that City’s negligence or willful misconduct was the sole cause of claimant’s damages.
- C. Concessionaire will defend any and all Claims which may be brought or threatened against City and will pay on behalf of City any expenses incurred by reason of such Claims including, but not limited to, court costs and attorney fees incurred in defending and investigating such Claims or seeking to enforce this indemnity obligation. Such payments on behalf of City shall be in addition to any other legal remedies available to City and shall not be considered City’s exclusive remedy.
- D. Insurance coverage requirements specified in this Agreement shall in no way lessen or limit the liability of the Concessionaire under the terms of this indemnification obligation. The Concessionaire shall obtain, at its own expense, any additional insurance that it deems necessary for the City’s protection.
- E. This defense and indemnification obligation shall survive the expiration or termination of this Agreement.

ARTICLE XV. INSURANCE

SECTION 15.01 INSURANCE REQUIREMENTS

- A. Concessionaire shall obtain and keep in force all of the minimum insurance coverage forms and amounts set forth in **Exhibit D (“Insurance Requirements”)** during the entire Term of

this Agreement, including any holdover periods, extensions of the Agreement, or other extended period stipulations stated in **Exhibit D**. All certificates of insurance must be received and accepted by the City before any airport access or work commences.

- B. Concessionaire shall ensure and document that all subcontractors performing services or providing goods hereunder procure and maintain insurance coverage that is appropriate to the primary business risks for their respective scopes of performance. At minimum, such insurance must conform to all applicable requirements of DEN Rules and Regulations Part 230 and all other applicable laws and regulations.
- C. The City in no way warrants or represents the minimum limits contained herein are sufficient to protect Concessionaire from liabilities arising out of the performance of the terms and conditions of this Agreement by Concessionaire, its agents, representatives, employees, or subcontractors. Concessionaire shall assess its own risks and maintain higher limits and/or broader coverage as it deems appropriate and/or prudent. Concessionaire is not relieved of any liability or other obligations assumed or undertaken pursuant to this Agreement by reason of its failure to obtain or maintain insurance in sufficient amounts, duration, or types.
- D. In no event shall the City be liable for any of the following: (i) business interruption or other consequential damages sustained by Concessionaire; (ii) damage, theft, or destruction of Concessionaire's inventory, or property of any kind; or (iii) damage, theft, or destruction of an automobile, whether or not insured.
- E. The Parties understand and agree that the City, its elected and appointed officials, employees, agents and volunteers are relying on, and do not waive or intend to waive by any provisions of this Agreement, the monetary limitations and any other rights, immunities and protections provided by the Colorado Governmental Immunity Act, C.R.S. §§ 24-10-101 to 120, , or otherwise available to the City, its elected and appointed officials, employees, agents and volunteers.
- F. City reserves the right to modify any Insurance Requirements stated herein. The Parties agree to modify **Exhibit D** by written notice executed by DEN to reflect any such modifications, without need for formal amendment to this Agreement.

ARTICLE XVI. SURETY FOR PERFORMANCE

SECTION 16.01 FORM OF SURETY

- A. To secure payment for compensation, fees, charges and other payments required hereunder, Concessionaire will post with City a Surety in the form specified in and the amount calculated in accordance with the Concessions Handbook. The Surety will be maintained throughout the Term of this Agreement and any holdover or extension until released by City in accordance with Section 16.03. The Surety will be issued by a bank or surety provider acceptable to City and authorized to do business in the State of Colorado. The Surety may be issued for a one (1) year period, provided however, Concessionaire covenants and agrees that evidence of renewal or replacement of the Surety must be submitted annually by Concessionaire to City, without prompt, at least sixty (60) days prior to the expiration date of the instrument. The Surety shall contain language that the issuing financial institution shall notify City in writing within forty-five (45) days of a determination that the Surety is to be terminated and or is not going to be renewed.

- B. Notwithstanding any provision herein to the contrary, if at any time City deems the amount of Surety insufficient to properly protect City from loss hereunder because Concessionaire is or has been in arrears with respect to such monetary obligations or because Concessionaire has, in the opinion of City, violated other terms of this Agreement, Concessionaire covenants that after receiving notice, it will increase the Surety to the amount required by City, provided however, the percentage increase shall not exceed five (5%) of the annual percentage increase that has occurred with respect to Concessionaire's compensation, fees, and charges.
- C. Concessionaire shall furnish the Surety at least thirty (30) days prior to the Required Opening Date as security for the full performance of every provision of this Agreement by Concessionaire. Failure to maintain the Surety as set forth herein shall be a material breach of this Agreement.

SECTION 16.02 APPLICATION OF SURETY

In the event Concessionaire fails to perform the payment terms and conditions of this Agreement, City, in addition to any other rights and remedies available by law or in equity, may, at any time, apply the Surety or any part thereof toward the payment of Concessionaire's obligations under this Agreement. In such an event, within thirty (30) days after notice, Concessionaire will restore the Surety to its original amount. City will not be required to pay Concessionaire any interest on the Surety. Concessionaire understands and agrees that failure to maintain or replenish the Surety shall constitute a material breach of this Agreement and, in addition to all other remedies available to City, City may, in its sole discretion, terminate this Agreement.

SECTION 16.03 RELEASE OF SURETY

The release of the Surety will be subject to the satisfactory performance by Concessionaire of all terms, conditions, and covenants contained herein. Concessionaire acknowledges and agrees release of the Surety shall be in accordance with the procedures identified in the Concessions Handbook. In the event of a dispute between the Parties, only the amount in dispute will be retained for remedy.

ARTICLE XVII. PROPERTY DAMAGE

SECTION 17.01 COMPLETE DESTRUCTION

- A. If Premises, the Concourse in which the Premises is located, or any portion thereof is destroyed or damaged to an extent that renders it unusable, City may rebuild or repair any portions of the building structure destroyed or damaged, and if the cause was beyond the control of Concessionaire, Concessionaire's obligation to pay the Compensation hereunder shall abate as to such damaged or destroyed portions during the time they are unusable. If City elects not to proceed with the rebuilding or repair of the building structure, it shall give notice of its intent within ninety (90) days after the destruction or damage. At its option, Concessionaire may then terminate this Agreement effective as of the date of such event.
- B. If City elects to rebuild, Concessionaire must replace all Premises Improvements at its sole cost and in accordance with the Capital Investment, subject to increase for inflation. Such replacements must be in accordance with the performance standards set forth herein. City and Concessionaire shall cooperate with each other in the collection of any insurance proceeds that may be payable in the event of any loss or damage.

SECTION 17.02 DAMAGE TO CONCESSIONION

Concessionaire shall defend and hold City harmless from and hereby waives any claims arising out of damage to the same or damage to Concessionaire's business, including subrogation claims by Concessionaire's insurance carrier. Concessionaire shall give immediate telephone notice to City in case of fire, casualty, or accidents in the Premises or in the building of which the Premises is a part, of defects therein, or in any fixtures or equipment. Concessionaire shall promptly thereafter confirm such notice in writing. Redecoration, replacement, and refurbishment of furniture, fixtures, equipment, and supplies will be the responsibility of, paid for by Concessionaire, and will be of equivalent quality to that originally installed hereunder. City will not be responsible to Concessionaire for any claims related to loss of use, loss of profits, or loss of business resulting from any partial, extensive, or complete destruction of the Premises regardless of the cause of damage.

SECTION 17.03 ALTERNATE SPACE

City will use its best efforts to provide Concessionaire with alternate areas acceptable to Concessionaire to continue its operation while City makes repairs to the Premises, in accordance with the terms of this Article, except for damages caused by Concessionaire's acts, omissions, or negligence.

SECTION 17.04 WAIVER OF SUBROGATION

To the extent insurance permits, and then only to the extent collected or collectable by Concessionaire under its property insurance coverage, Concessionaire waives any and all claims against City and its directors, officers, agents, servants and employees for loss or damage to property.

ARTICLE XVIII. DAMAGING ACTIVITIES

SECTION 18.01 PROHIBITED STORAGE OR USE OF CERTAIN GOODS, MATERIALS, MACHINERY, OR HAZARDOUS SUBSTANCES.

- A. No goods or materials will be kept, stored, or used in or on the Premises that are flammable, explosive, hazardous, or that may be offensive or cause harm to the general public or cause damage to the Premises.
- B. Concessionaire is responsible for compliance and shall require its Contractors to comply with all federal, state, and local environmental rules, regulations, and requirements, including as they may be amended after the Effective Date. This includes compliance with DEN's Rule and Regulation, Rule 180 incorporated hereto by reference.
- C. Concessionaire shall obtain all necessary federal, state, local, and DEN permits and comply with all permit requirements.
- D. Nothing will be done on the Premises other than as provided in this Agreement that will increase the rate of or suspend the insurance on the Premises or on any structure of City.
- E. No machinery or apparatus will be used or operated on the Premises that will damage the Premises or adjacent areas; provided, however, that nothing in this Article will preclude Concessionaire from bringing or using on or about the Premises, with approval by City, such

materials, supplies, equipment, and machinery as are appropriate or customary in the operation of Concessionaire's business under this Agreement.

- F. Concessionaire agrees that nothing shall be done or kept on the Premises that might impair the value of City's property or that would constitute waste.
- G. Concessionaire covenants that all materials, equipment, and all other items used in the performance of this Agreement will be kept in compliance with Occupational Safety and Health Administration (OSHA).

SECTION 18.02 PROTECTION OF INFRASTRUCTURE

Concessionaire agrees that nothing shall be done or kept on the Premises and no improvements, changes, alterations, additions, maintenance, or repairs made that might impair the structural soundness of the building; result in an overload of utility, plumbing, or HVAC systems serving the Terminal and/or Concourses; or interfere with electric, electronic, or other equipment at DEN. In the event of violations hereof, Concessionaire agrees immediately to remedy the violation at Concessionaire's own cost and expense.

SECTION 18.03 DAMAGE CAUSED BY OPERATIONS

Concessionaire shall be responsible for any damage caused by Concessionaire to the Premises, other DEN property or operations, other City property or operations, or the property of any other concessionaire, person, or entity, either by act, omission, or because of the operations of Concessionaire. In the event of such damage, Concessionaire will give City immediate notice thereof, and Concessionaire will immediately make the necessary repairs at its own cost and expense. Concessionaire shall be required to comply with the obligations set forth in Article X with respect to all work required to be performed in accordance with this Section. City reserves the right, if in the best interest of City, to perform the necessary repairs immediately itself. Concessionaire covenants to reimburse City, for the costs and expenses associated with necessary repairs plus an administrative fee of fifteen percent (15%). If Concessionaire causes the same type of damage, such as a water leakage, electrical service interruption, or other damage, more than once in a twelve (12) month period, then Concessionaire shall submit a Remediation Plan, as set forth in Section 7.01.

ARTICLE XIX. COMPLIANCE WITH LAWS, REGULATIONS, ORDINANCES, AND RULES

SECTION 19.01 COMPLIANCE

Concessionaire, its officers, authorized officials, employees, agents, subcontractors, or those under its control, will at all times comply with all applicable existing and future federal, state, and local laws and regulations, DEN's Rules and Regulations, Policies, Procedures and Operating Directives as are now or may hereinafter be prescribed by City, all applicable health rules and regulations and other mandates whether existing or as promulgated from time to time by the federal, state, or local government, or City including, but not limited to, permitted and restricted activities, security matters, parking, ingress and egress, environmental and storm water regulations and any other operational matters related to the operation of DEN, including as these authorities may be amended after the Effective Date. Concessionaire covenants to faithfully observe and comply with the standards, procedures, requirements, directives, delegations of authority, directions, and instructions governing the operations of concessions at DEN as identified in the Concessions Handbook. Concessionaire's failure to keep and observe said laws,

regulations, ordinances, rules, and Handbook shall constitute a material breach of the terms of this Agreement in the same manner as if these were stated directly in this Agreement.

ARTICLE XX. AIRPORT SECURITY

SECTION 20.01 FAA AND TSA REQUIREMENTS

Concessionaire, its officers, authorized officials, employees, agents, subcontractors, and those under its control, will comply with safety, operational, or security measures required of Concessionaire or City by the FAA or TSA. If Concessionaire, its officers, authorized officials, employees, agents, subcontractors or those under its control fail or refuse to comply with said measures and such non-compliance results in a monetary penalty being assessed against City, then, in addition to any other remedies available to City, Concessionaire covenants to fully reimburse City any fines or penalties levied against City, and any attorney fees or related costs paid by City as a result of any such violation. This amount must be paid by Concessionaire within fifteen (15) days from the date of the invoice or written notice.

SECTION 20.02 CHANGES IN REQUIREMENTS

Concessionaire understands and acknowledges that its ability to remain open and conduct operations under this Agreement is subject to changes in alert status as determined by TSA, which is subject to change without notice. If the security status of DEN changes, Concessionaire shall take immediate steps to comply and assist its employees, agents, independent Contractors, invitees, successors, and assigns in complying with security modifications that occur as a result of the changed status. At any time, Concessionaire may obtain current information from DEN's Security Office regarding DEN's security status in relation to Concessionaire's operations at the DEN.

ARTICLE XXI. GENERAL PROVISIONS

SECTION 21.01 AMERICANS WITH DISABILITIES ACT

Concessionaire will comply with the applicable requirements of the Americans with Disabilities Act of 1990 ("ADA") 42 USC § 12101 *et seq.*, and any similar or successor laws, ordinances, rules, standards, codes, guidelines and regulations and will cooperate with City concerning the same subject matter. In the event that compliance cannot be achieved, Concessionaire shall proceed formally to the federal, state, or local agency having jurisdiction for a waiver of compliance.

SECTION 21.02 FAA APPROVAL

This Agreement may be subject to approval of the FAA. If the FAA disapproves this Agreement, it will become invalid, and both Parties will bear their own expenses relative to this Agreement, up to the date of disapproval.

SECTION 21.03 RIGHT OF FLIGHT

Concessionaire's privilege to use the Premises for the purposes set forth in this Agreement shall be secondary and subordinate to the operation of DEN. Concessionaire acknowledges that because of the location of the Premises at DEN, noise, vibrations, fumes, debris, and other interference with the Permitted Use(s) will be caused by DEN operations. Concessionaire hereby

waives all rights or remedies against City arising out of any noise, vibration, fumes, debris, and/or interference that is caused by the operation of DEN. City specifically reserves for itself and for the public a right of flight for the passage of aircraft in the airspace above the surface of DEN. Additionally, City reserves for itself the right to cause in said airspace such noise, vibration, fumes, debris, and other interference as may be inherent in the present and future operation of aircraft. Concessionaire expressly agrees for itself, its successors, and assigns, to prevent any use of the Premises, which would interfere with or adversely affect the operation or maintenance of DEN, or otherwise constitute an airport hazard.

SECTION 21.04 FEDERAL RIGHT TO RECLAIM

In the event a United States governmental agency demands and takes over the entire facilities of DEN or the portion thereof wherein the Premises are located, for public purposes, for a period in excess of ninety (90) consecutive days, then this Agreement will terminate and City will be released and fully discharged from any and all liability hereunder. In the event of such termination, Concessionaire's obligation to pay compensation will cease; however, nothing herein will be construed as relieving either Party from any of its liabilities relating to events or claims of any kind whatsoever prior to this termination.

SECTION 21.05 PROPERTY RIGHTS RESERVED

If City proposes any changes in the schedule of compensation, fees, and charges, City will give notice thereof to Concessionaire no less than ninety (90) days before the same is to become effective. Concessionaire may decline to pay Compensation at the new rate(s) if such proposed compensation, fees, and charges result in an increase of more than five percent (5%) in the dollar amount of Compensation paid by Concessionaire under Article V of this Agreement for the previous calendar year. conduct of its business.

Concessionaire may reserve the right to contest such taxes, fees, or assessments and withhold payment upon written notice to City of its intent to do so, so long as the nonpayment does not result in a lien against the real property or any improvements thereon or a direct liability on the part of City. Concessionaire shall pay to City, with each payment of Premises Compensation, Support Space Compensation, Privilege Fee, and Concession Services Fees to City, all sales or other taxes which may be due with respect to such payments, and upon receipt, City shall remit such taxes to the applicable taxing authorities.

It is further expressly agreed, covenanted, and stipulated that if for any reason service of such process is not possible, and Concessionaire does not have a duly noted resident agent for service of process, as an alternative method of service of process, Concessionaire may be personally served with such process out of this State, by the registered mailing of such complaint and process to Concessionaire at the address set out in this Agreement. Such service will constitute valid service upon Concessionaire as of the date of mailing. Concessionaire will have thirty (30) days from date of mailing to respond thereto. It is further expressly understood that Concessionaire hereby agrees to the process so served, submits to the jurisdiction of the court, and waives any and all obligation and protest thereto, any laws to the contrary notwithstanding.

SECTION 21.22 COMPLIANCE WITH PUBLIC RECORDS LAW

- A. **Agreement Subject to Colorado Open Records Act.** Concessionaire acknowledges, understands, and accepts that City is subject to the provisions of the Colorado Open Records Act, Colorado Revised Statutes §24-72-201 *et seq.* Concessionaire agrees that it will fully cooperate with the City in the event of a request or lawsuit arising under such act for the disclosure of any materials or information which Concessionaire asserts is confidential or otherwise exempt from disclosure. Concessionaire acknowledges all documents prepared or provided by Concessionaire under this Agreement may be subject to the provisions of the Colorado Open Records Act. Any other provision of this Agreement notwithstanding, including Exhibits, Attachments, and other documents incorporated into this Agreement by reference, all materials, records, and information provided by Concessionaire to City shall be considered confidential by City only to the extent provided in the Open Records Act, and Concessionaire agrees that any disclosure of information by City consistent with the provisions of the Open Records Act shall result in no liability of City. Concessionaire agrees to defend, indemnify, hold harmless, and fully cooperate with City in the event of a request for disclosure or legal process arising under such act for the disclosure of any documents or information, which Concessionaire asserts is confidential and exempt from disclosure.
- B. **Indemnification in Event of Objection.** In the event of a request to City for disclosure of such information, time, and circumstances permitting, City will make a good faith effort to advise Concessionaire of such request in order to give Concessionaire the opportunity to object to the disclosure of any material Concessionaire may consider confidential, proprietary, or otherwise exempt from disclosure. In the event Concessionaire objects to disclosure, City, in its sole and absolute discretion, may file an application to the Denver District Court for a determination of whether disclosure is required or exempted. In the

event a lawsuit to compel disclosure is filed prior to City's application, City will tender all such material to the court for judicial determination of the issue of disclosure. In both situations, Concessionaire agrees it will either waive any claim of privilege or confidentiality or intervene in such legal process to protect materials Concessionaire does not wish disclosed. Concessionaire agrees to defend, indemnify, and hold harmless City, its officers, agents, and employees from any claim, damages, expense, loss, or costs arising out of Concessionaire's objection to disclosure including prompt reimbursement to City of all reasonable attorney fees, costs, and damages that City may incur directly or may be ordered to pay by such court, including but not limited to time expended by the City Attorney Staff, whose costs shall be computed at the rate of two hundred dollars and no cents (\$200.00) per hour of City Attorney time.

Violation of these provisions or refusal to cooperate with implementing this alcohol and drug policy can result in City barring Concessionaire from City facilities or participating in City operations.

SECTION 21.24 CITY'S SMOKING POLICY

Concessionaire agrees that it will prohibit smoking by its employees and the public in the Premises. Concessionaire further agrees to not sell or advertise tobacco products. Concessionaire acknowledges that smoking is not permitted in DEN buildings and facilities except for designated areas. Concessionaire and its officers, agents, and employees shall cooperate and comply with the provisions of City's Executive Order No. 99 dated December 1, 1993, Executive Order No. 13 dated July 31, 2002, the provisions of D.R.M.C., §§ 24-301 to 317 et seq., and the Colorado Clean Indoor Air Act, C.R.S. §§ 25-14-201 et seq. and DEN's Rules and Regulations Rules 30 and 40.

SECTION 21.25 WAIVERS

No waiver by City at any time of any of the terms, conditions, covenants, or agreements of this Agreement, or noncompliance therewith, will be deemed or taken as a waiver at any time thereafter of the same or any other term, condition, covenant or agreement herein contained, nor of the strict and prompt performance thereof by Concessionaire. No delay, failure or omission of City to exercise any right, power, privilege or option arising from any breach, material breach, nor subsequent payment of charges then or thereafter accrued, will impair any such right, power, privilege or option, or be construed to be a waiver of any such breach or material breach, or relinquishment thereof or acquiescence therein. No notice by City will be required to restore or revive time as being of the essence hereof after waiver by City or breach in one or more instances. No option, right, power, remedy, or privilege of City will be construed as being exhausted or discharged by the exercise thereof in one or more instances. It is agreed that each and all of the rights, powers, options, or remedies given to City by this Agreement are cumulative and no one of them will be exclusive of the other or exclusive of any remedies provided by law, and that the exercise of one right, power, option or remedy by City will not impair its rights to any other right, power, option or remedy.

SECTION 21.26 COMPLETE CONTRACT

This Agreement, together with the Concession Handbook and the Tenant Work Permit Handbook, including as they may be amended, represents the complete understanding between the Parties, and any prior Contracts or representations, whether written or verbal, are hereby superseded. This Agreement may subsequently be amended only by written instrument signed by the Parties hereto, unless provided otherwise within the terms and conditions of this Agreement. In the event of any conflict between this Agreement and any other document incorporated herein, this Agreement will control.

SECTION 21.27 BROKER'S COMMISSION

Concessionaire represents and warrants that it has not caused nor incurred any claims for brokerage commissions or finder's fees in connection with the execution of this Agreement. Concessionaire shall defend, indemnify, and hold City harmless against all liabilities arising from any such claims caused or incurred by it (including the cost of attorney fees in connection therewith).

This Agreement does not, and shall not be deemed or construed to, confer upon or grant to any Third Party or parties (except parties to whom the Concessionaire may assign this Agreement in accordance with the terms hereof, and except any successor to City) any right to claim damages or to bring any suit, action or other proceeding against either City or the Concessionaire because of any breach hereof or because of any of the terms, covenants, agreements and conditions herein.

Contractor is solely responsible for ensuring all formal policy endorsements are issued by their insurers to support the requirements.

EXHIBIT F
EcoPass Program

Exhibit F

EcoPass Program

1. The City may, in its discretion, annually execute a contract (the “**RTD Master Contract**”) with the Regional Transportation District (“**RTD**”) to allow Concessionaire and other eligible DEN concessionaires to enroll their Eligible Employees in RTD’s EcoPass Program (as the terms “**Eligible Employee**” and “**EcoPass Program**” are defined in the applicable RTD Master Contract). The City will execute these contracts for the benefit of the concessionaires who the City and RTD determine are eligible to participate in the EcoPass Program, on the condition that each eligible concessionaire participates in the EcoPass Program and compensates the City for its proportional number of Eligible Employees. The City is under no obligation to execute an RTD Master Contract and may at its sole discretion elect not to.

2. Every RTD Master Contract that the City executes for the above purpose will by its existence obligate the Concessionaire to participate in the EcoPass Program under the terms of this Exhibit. Concessionaire will enroll all Eligible Employees at DEN in the EcoPass Program. Concessionaire agrees that this obligation extends to all Eligible Employees that are employed by Concessionaire at DEN, including Eligible Employees that work at concession locations that are not under this Agreement, regardless of whether these obligations are found in the respective contracts for such other concession locations.

3. Any terms or conditions from an RTD Master Contract that by their nature implicate Concessionaire and require certain performance by Concessionaire for the City to fulfill its obligations under the RTD Master Contract are by reference incorporated in this Exhibit. Any dispute or ambiguity regarding Concessionaire’s obligations in connection with any RTD Master Contract will be resolved by the City in the City’s reasonable discretion.

4. Within 30 days after notice from the City, Concessionaire will provide the City with the total number of Eligible Employees to be enrolled in the following year’s EcoPass Program.

5. Concessionaire will pay in full the amount billed for its Eligible Employees within 30 days from the date of the City’s invoice. Late payments are subject to accrued interest according to the Agreement’s terms for late payment. Payments that are over 10 days late may be treated as a default, permitting the City to draw from the applicable Surety, Performance Bond, or Letter of Credit, or exercise any other right or remedy available for default under the Agreement.

6. Concessionaire will promptly provide any relevant documentation requested by the City or RTD in connection with Concessionaire’s Eligible Employees’ participation in the EcoPass Program.

7. Concessionaire is solely responsible for administering the EcoPass Program for its Eligible Employees in accordance with RTD’s guidance and requirements.

8. The City makes no guarantee or warranty regarding Concessionaire’s satisfaction with or use of the EcoPass Program. Concessionaire will hold the City harmless for any loss, damage, injury, or claim that may arise from Concessionaire’s participation in the EcoPass Program, including but not limited to early termination by the City or RTD of the EcoPass Program.

9. Because the form and substance of a given RTD Master Contract and the EcoPass Program may change over time, if any ambiguity arises in this Exhibit due to changes in party names, program titles, definitions, or other terms in an RTD Master Contract, the ambiguity will be resolved by the City in its reasonable discretion.

10. The Parties agree that unforeseen changes to the EcoPass Program or the terms and conditions of the RTD Master Contract may require the Parties to modify their obligations under this Exhibit to give effect to its intent. Therefore, the Parties agree that the City may amend this Exhibit by letter executed by the CEO or the CEO's Authorized Representative, without the need for formal amendment.

MWBE EDI Plan **September 2023 – September 2024**

We are committed to providing the best possible workplace for our employees, fostering the best possible relationships with subcontractors, subconsultants, and suppliers/service providers, and delivering the best possible experience to DEN travelers through a plan of Equity, Diversity, and Inclusion (EDI). By incorporating the seven elements of MWBE equity, diversity, and inclusion, our plan provides a solid stage to ensure all are welcome, comfortable, respected, and safe, and through which opportunity is possible at all levels via the broadest net feasible.

MWBE Utilization Strategies

Every business has to start from somewhere and that somewhere generally isn't a solo start; meaning, most businesses need help with introductions, leads, networking, mentorships, and so forth. We aren't so big that we have forgotten our business start. Developing strategies and tactics to increase participation of new and existing MWBE businesses in contracting opportunities is a commitment we highly regard.

What concretely does this mean? It means we will comply with Article III of the D.R.M.C. It means we will comply with the minimum 25% MWBE Participation assigned to these projects. It means that subcontractors, subconsultants, suppliers, and other service providers will be assured of prompt payment and prompt resolution of any dispute. It means that when we begin MWBE outreach on a new contract and employ how we will work to secure new subcontractors, subconsultants, and suppliers we go directly to the best sources available for outreach and connection. Our current best sources are through the DEN Commerce Hub and the DEN Division of Small Business Opportunity (DSBO).

Historically, some of the MWBE businesses we have support include: AMB Janitorial Services, Brekhuis Tile & Stone, MMW (architectural services), Diamond Plumbing, Ramirez Johnson & Associates, Aurora Builders, Pacific Air, Floors B Gone, and Grady's Food Service Equipment & Supplies.

Since projects under this plan are brand new, we have yet to launch our MWBE outreach; however, at the proper time, our MWBE outreach strategy will encompass the following steps to include other certified MWBE contractors:

1. Partnership with the DEN Commerce Hub, which holds outreach events to promote historically underutilized businesses (HUBs), including small business and those owned by minorities, women, veterans, LGBTQ+, and individuals living with disabilities and those in economically distressed or redlined neighborhoods, with the purpose of identifying new businesses to be utilized for construction or professional services.
2. Through partnership with the DEN Commerce Hub, we will commit to attend two events each year to champion and increase our access to MWBE businesses in contracting opportunities. We anticipate "Meet the Prime" events to be a focus with our VP of Operations as representative attendee.
3. Partnership with DSBO, which also helps small businesses grow through gaining certification through various qualifying factors such as being minority- or woman-owned, or otherwise being a disadvantaged business.
4. Through partnership with DSBO, we will commit to participate in two events each year to champion and increase our access to MWBE businesses in contracting/promotion opportunities. We anticipate DSBO Equity & Empowerment Council meetings, MWBE Panel Discussions, CWCC Founder's Forums, Annual Reverse Trade Fair, or similar opportunities to be a focus with our VP of Operations as representative attendee.

Technical Assistance & Support Services

Since projects under this plan are brand new, we have yet to launch Technical Assistance & Support Services; however, at the proper time, each MWBE business selected to participate in our projects will have direct access to mentorship from the Chief Operating Officer (COO), VP of Operations and/or General Contractor who will walk them through the details of the following:

1. Security and logistics protocols related to working in the Denver Airport.
2. Construction schedule development overview and understanding of how their role fits into the bigger picture of the job.
3. Construction project management process and technology.
4. Denver Airport-specific construction process details.

Procurement Process

Since projects under this plan are brand new, we have yet to launch our Procurement Process; however, at the proper time, procurement efforts to promote equity and remove barriers for all tiers of subcontractors and subconsultants will encompass the following:

1. Needs Assessment
 - a. We will identify the specific areas of our construction project where minority subcontractors are needed.
2. Market Research
 - a. We will use DEN Business Hub, DSBO, and other similar minority business resources to help identify MWBE-certified companies that operate in the Denver area.
 - b. We will review the most current DSBO Semi Annual Report and website information for upcoming opportunities to meet qualified MWBE companies.
3. Prequalification
 - a. We will develop prequalification criteria to ensure that potential subcontractors, subconsultants, and professional service providers/suppliers meet project requirements (e.g., certifications, experience, bonding, and financial stability).
4. Outreach and Networking
 - a. We will attend minority business networking events (as outlined above under MWBE Utilization Strategies), join relevant organizations as appropriate, and engage with minority business chambers of commerce as appropriate to help identify as many MWBE-certified subcontractors, subconsultants, professional service providers/suppliers as possible.
5. Advertise and Postings
 - a. We will advertise/announce relevant opportunities through our company website and minority business associations.
6. Proposal Evaluation
 - a. We will review and evaluate proposals from MWBE-certified subcontractors, subconsultants, professional service providers/suppliers, considering factors such as cost, experience, and qualifications.
7. Negotiation
 - a. We will initiate negotiations with the selected MWBE-certified subcontractors, subconsultants, and professional service providers/suppliers regarding terms, pricing, and scope of work.

8. Contract Award
 - a. Any contract awarded to any MWBE-certified subcontractor, subconsultant, professional service provider/supplier will clearly define terms and expectations.
9. Documentation
 - a. We will ensure that all necessary documentation, including insurance certificates, permits, licenses, and compliance with minority business requirements, is in place.
 - i. We will help and assist them in this process if they have not worked in the airport setting previously.
10. Monitoring and Reporting
 - a. We will continuously monitor the performance of MWBE subcontractors, subconsultants, and professional service providers/suppliers throughout the project and maintain records of their contributions.
11. Payment and Compliance
 - a. We will make timely payments to MWBE subcontractors, subconsultants, professional service providers/suppliers, and ensure they maintain compliance with the terms and conditions of the contract.
12. Feedback and Improvement
 - a. We will seek feedback from our MWBE-certified subcontractors, subconsultants, professional service providers/suppliers as means to further improve our procurement process for future projects.

Our Chief Operating Officer (COO) and VP of Operations will have shared ownership of the Procurement Process.

Communication & Vendor Management

Since projects under this plan are brand new, we have yet to launch Communication & Vendor Management; however, at the proper time, our strategy will encompass the following:

- Commitment to open, honest, and direct communication made safe at all levels achieved through quarterly engagement meetings with internal and external stakeholders.
- These quarterly meetings may be in-person, virtual, or audio conference and will focus on/vary by topic(s), including review of scheduling requirements and deadlines, safety protocols, performance expectations, and open dialogue/discussion to address any questions/concerns that may be needed.

Our VP of Operations will be the prime point person for MWBE Communication & Vendor Management while all our employees – at all levels – share responsibility for ensuring a respectful, inclusive, harassment-free environment internally. Any employee who feels they (or a fellow employee) have been harassed in any way, are required to immediately notify Human Resources at HRhelp@Skyportco.com, their immediate supervisor, or any other manager of their choosing.

Our workforce represents different races, backgrounds, and genders, bringing many different experiences and opinions. We welcome, foster, and encourage these differences, believing the collective sum of individual uniqueness, life experience, knowledge, inventiveness, innovation, self-expression, and talent are beneficial to the whole of our business and those whom we serve. As it is with those we employ internally, we likewise expect our external partners to treat every person with dignity and respect and to uphold inclusion at the highest level.

Through specific company policies clearly stated in our organization's Employee Handbook (e.g., Open Door Communication, Anti-Harassment, EDI, Workplace Violence Prevention, and Equal Opportunity Employment), it is our intent to prohibit intentional and unintentional harassment of any kind by anyone based on actual or perceived race, color, creed, religion, national origin, ancestry, citizenship status, age, sex or gender (including pregnancy, childbirth and pregnancy-related conditions), gender identity or expression (including transgender status), sexual orientation, marital status, military service and veteran status, physical or mental disability, genetic information, or any other characteristic whatsoever protected by applicable federal, state, or local laws.

Our VP of Operations will be the prime point person for MWBE Communication & Vendor Management while all our employees – at every level – are responsible to uphold a respectful, inclusive, harassment-free environment internally. Any employee who feels that they (or a fellow employee) have been harassed in any way, are required to immediately notify Human Resources at HRhelp@Skyportco.com, their immediate supervisor, or any other manager of their choosing.

While we recognize misunderstandings or conflicts can arise in any organization, no matter the issue, complaint, or suggestion, it is our protocol to actively listen and bring clarity of understanding and best practice resolution.

To this end, and specific to a dispute related to MWBE Communication & Vendor Management, concrete resolution will be sought as follows:

1. Anyone with a question, complaint, or suggestion is welcome to bring the matter to any supervisor, manager, director, or executive within our organization.
2. The issue will then be directed to our VP of Operations who is the point person for MWBE Communication & Vendor Management.
3. In the case of a complaint, the VP of Operations may partner with others within the organization as appropriate (e.g., the Director of Human Resources or Chief of Staff, for example) to investigate the complaint.
4. When needed, a prompt, thorough, and confidential (to the highest extent possible) investigation will be conducted. If any violation of policy or contract requirements/expectations has occurred, remedial actions – or other warranted actions – will be taken.
5. In the case of a question or suggestion, our VP of Operations may or may not involve others within the organization to address or bring closure to the matter.
6. While there may not be an easy answer or solution to every issue or concern, and there may be situations in which not all parties are fully satisfied, it is our goal in every circumstance to hear every voice and to consider the most appropriate action to achieve the best resolution.

Past Performance

Since projects under this plan are brand new, we have elected to highlight the critical area of employee recruitment to specifically address Past Performance. Hiring is a top challenge for nearly every business today and without people to work no business can exist.

Historically we have partnered with, and continue to partner with, a variety of organizations, including Denver Workforce Services, Colorado Refugee Services Program, African Community Center (ACC), Ethiopian Community Development Council (ECDC), International Rescue Committee in Denver, Aurora Mental Health Center, Lutheran Family Services, The Fritz Knoebel School of Hospitality Management which offers educational training focused on refugee employment (specifically, Ready for American

Hospitality (RAH) immersive serving-learning), Latina SafeHouse which works to provide placement of domestic violence victims, as well as a number of Denver area high schools and local colleges.

Specific to our partnership with The African Community Center (ACC), we have hired 12 candidates through their refugee program in the past year. ACC serves refugees of varying English levels, education backgrounds, work histories, and career goals. Refugee community members work with ACC staff upon arrival to prepare for jobs in the U.S. We are proud of our relationship with ACC and partnership with ACC employment specialists to pair their qualified refugee candidates with a solid opportunity within our organization. Moreover, we are proud to contribute financially/sponsor efforts of ACC in support of the various refugee populations they serve, including sponsorship of ACC's upcoming 18th Annual Refugee First Thanksgiving event this November.

Our job openings are advertised through a number of external posting outlets, including FlyDenver, Craigslist, Indeed, Snagajob, Culinary Agents, Poached, and LinkedIn; and we regularly attend job fairs, hiring events, as well as conduct on-the-spot interviews. Historically, we have attended the Colorado Refugee Job Fair, DEN Concession Job Fair (annual), Lutheran Family Services Hiring Fair, Metro Denver Retail Partnership (MDRP) Job Fair and Conference, Mile High United Way Career Fair, and The Village Exchange Center Job and Resource Fair. Internally, job opportunities are routinely promoted through our company referral program and 7Shifts Technology.

Bottom line: We are always recruiting and always open to finding new resources to match people to great opportunities within our organization.

Our Culture

If even just one person (or one category/group of people) is unintentionally overlooked, or, worse yet, intentionally excluded, belonging is undermined and inequity and division sparked. EDI is what we have known, understood, and practiced for years.

It has been our long-held commitment to build policies and practices based upon the belief that *every* individual has priceless intrinsic value. By honoring this fundamental philosophy we have been successful in attracting and retaining a naturally diverse population (please see Diversity graphs below).

For example, our policies or practices regarding recruitment and onboarding are critical to our culture. For years we have worked to develop, enhance, and strengthen partnerships and relationships with a blend of organizations as detailed in the "Past Performance" above. We highly desire to engage with any applicant who meets minimum qualifications, providing them an opportunity to be a part of something greater than themselves that they value and need, and which, in turn, values and needs them. We endeavor to make a reasonable accommodation of an otherwise qualified applicant or employee related to an individual's physical or mental disability, sincerely held religious beliefs and practices, and/or any other reason required by applicable law. Any employee with questions or concerns about equal employment opportunities in the workplace is encouraged to bring their concerns to Human Resources. We do not tolerate any form of retaliation against any individual who raises issue(s) of equal employment opportunity. Any employee who feels they have been subjected to any such retaliation is encouraged to bring the matter to Human Resources via HRhelp@skyportco.com.

Given the importance of acknowledging that everyone has biases, our recruiting strategy also dictates an acute embrace and understanding of diversity (please read detail about diversity training below). Promotion of diversity within our organization helps fill potential gaps in knowledge and perspectives, builds connection and community, and ultimately lowers the rate of employee turnover.

Our training and development opportunities include activities designed to ensure that employees are well-equipped to create and participate in a work environment that is equitable, diverse, and inclusive. We start with the end in mind to ensure that all activities map directly back to the learning objectives that are specific to, and will best serve, our organization, our team members, and our guests. For example, at the start of this year we implemented an online training program for all employees through EasyLlama highlighting diversity & inclusion (e.g., unconscious bias, cultural competency, gender identity, harassment, belonging, microaggressions, and sexual harassment). This training activity required 30 minutes of paid time away from work for each of our hourly employees and 60 minutes of time away from work for each of our salaried employees and provided trackable results through testing and certification. Similar training may also be extended to our MWBE-certified subcontractors, subconsultants, and professional service providers/suppliers.

Our onboarding process was specifically designed, and is reevaluated no less than annually, to ensure the most comprehensive, most welcoming experience for new hires. It begins with our Onboarding Specialist personally meeting and greeting each new hire at Security and then assisting them in completion of their new hire paperwork, including sharing and explaining important information about the Company (e.g., key policies and procedures, expectations, code of conduct standards, etc.). After orientation and onboarding is complete, the new employee is escorted to their location and introduced to their manager who will tour the employee through their location, introduce them to co-workers, and provide whatever instruction and/or initial training necessary for their specific role and responsibilities. This protocol is a safeguard for laying a strong connection, partnership, and collaboration from Day 1. To further inclusion and foster a sense of belonging, management also meets personally with each of their new employees 1:1 at 30-, 60-, and 90-days to listen, receive feedback, and address any needs, concerns, comments, suggestions, or questions.

In growing our teams, we look inside first. Given the open, approachable communication our management teams are expected to build, foster, and maintain with their employees – and the training and development opportunities identified and applied through gaining knowledge of their employees' skills, abilities, and desires – promotion from within and particularly/specifically to those employees historically underrepresented, such as racial and ethnic minorities, women, and persons with disabilities has been achieved by attentiveness followed by action. Concretely, this means that by knowing our employees – what is important to them, what they want, what they desire – we are able to discuss and create a plan to support their growth via whatever training or other support may be required to advance them to the next level.

We will let the data speak for itself:

- In 2021, our internal promotions represented 76% female and 68% BIPOC (black, indigenous and people of color)
- YTD 2023, our internal promotions represent 65% female and 65% BIPOC
- In 2021, our operations hourly represented 58% female and 75% BIPOC
- YTD 2023, our operations hourly represent 57% female and 81% BIPOC
- Our executive team is currently represented by 60% female and senior leadership is represented by 46% female and 51% BIPOC

Future Initiatives

We believe success means doing what is right, the right way, at the right time; not as a game won by whoever does the most. To do too many things at once is to do none well. Therefore, in creating this roadmap of Future Initiatives, we are presenting two plans – one external and one internal.

Externally, specific to MWBE, to promote equity, diversity, and inclusion over the next five years we intend to:

Year 1 – Assessment and Benchmarking

- Conduct an initial assessment of current MWBE participation levels;
- Benchmark those participation levels against industry standards and/or similar organizations; and
- Identify specific areas where MWBE participation is lacking.

Year 2 – Stakeholder Engagement

- Engage with MWBE firms, industry associations, and/or advocacy groups (as previously referenced in this document plan) to gather input and feedback; and
- Establish a cross-functional task force internally re: MWBE engagement. This task force will meet on a semi-annual basis to help ensure compliance and record achievements.

Year 3 – Capacity Building

- Partner with MWBE businesses to identify and implement meaningful ways to enhance their capabilities; and
- Offer assistance through mentorship and/or technical assistance.

Year 4 – Transparency, Accountability, and Impact

- Expand supplier diversity, with monitoring, tracking, and reporting on a semi-annual basis;
- Create assessment to measure impact/effectiveness of MWBE engagement efforts;
- Use this assessment tool to conduct/score the first (annual) evaluation; and
- Adjust strategy as appropriate to maximize impact.

Year 5 – Marketing, Community Engagement, and Celebration

- Recognize and celebrate the successes of MWBE firms and the organization's commitment to diversity and inclusion.
- Share success stories to inspire others.
- Foster goodwill through community involvement and support (e.g., volunteer support, donor/sponsorship opportunities, etc.).

Internally, we have purposefully chosen to focus on one goal at a time, under each of the three key EDI elements to allow meaningful and appropriate time to complete each goal. Our starting initiatives to promote equity, diversity, and inclusion, are as follow:

1. Authentic EQUITY requires that all individuals be treated fairly, impartially, and have the resources to aid their success. It also requires an environment of trust in which open, honest, direct, respectful communication is safeguarded.
 - Supervisors/managers will host regular quarterly one-on-one listening sessions with employees to assess job satisfaction and learn what is important to employees. Findings requiring action/assistance/additional consideration or attention will be communicated to the VP of Operations, the Directors of Operations, and/or Human Resources as appropriate.
2. Authentic DIVERSITY points to individual uniqueness and how it may make an organization better as a whole or, put another way, makes an organization a whole lot better.
 - We will conduct a thorough review and reevaluation of all job descriptions and job postings with the specific intent to more completely and thoroughly detail required duties and responsibilities. Then, partnering with a select number of our recruitment partners (detailed in “Past Performance” section), work to redefine, to the extent possible, job requirements to help widen the pool of available and qualified candidates.
3. Authentic INCLUSION broadens knowledge, perspectives, connections, relationships, and community. Our expectation is for our employees not just to take a seat at the table, but to be a voice at the table.
 - Supported by means of open, honest, direct, respectful communication, we will conduct regular (quarterly) training and/or open forum to address comments, suggestions, questions, or concerns relative to company policies specifically related to ensuring a safe, inclusive work environment (e.g., equal opportunity, ADA, reasonable accommodation, referral program, anti-harassment, open door policy, violence-free workplace, drug and alcohol free workplace, etc.). Additionally, we will solicit feedback from employees through quarterly 1:1s (please see Equity above) to ensure transparency, accountability, and ongoing improvement.

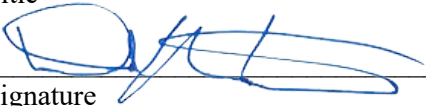

Working collaboratively, our Senior Leadership Team will have shared ownership of the success of these Future Initiatives.

If the Concessionaire transfers its obligation to another, the transferee is obligated in the same manner as the Concessionaire.

This provision obligates the Concessionaire for the period during which the property is owned, used or possessed by the Concessionaire and the airport remains obligated to the Federal Aviation Administration. This provision is in addition to that required by Title VI of the Civil Rights Act of 1964.

4. **Information and Reports.** The Concessionaire will provide all information and reports required by the Acts, Regulations, or directives issued pursuant thereto and will permit access to its books, records, accounts other sources of information, and its facilities as may be determined by the sponsor or the Federal Aviation Administration (FAA) to be pertinent to ascertain compliance with such Acts, Regulations, and instructions. 5. **Sanctions for Noncompliance.** In the event of a Concessionaire's noncompliance with the nondiscrimination provisions of this Agreement, the sponsor will impose such Contract sanctions as it or the FAA may determine to be appropriate including, but not limited to:

- a. Withholding of payments to the Concessionaire under this Agreement until the Concessionaire complies; and/or

Provided, that if the Concessionaire becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the Concessionaire may request the sponsor to enter into such litigation to protect the
