THIS AGREEMENT is made between the **CITY AND COUNTY OF DENVER**, a municipal corporation of the State of Colorado (the “City”) and **THE DENVER RESCUE MISSION**, a Colorado nonprofit corporation, whose address is 6100 Smith Rd, Denver, CO, 80216 (the “Contractor”), individually a “Party” and jointly the “Parties.”

NOW, THEREFORE, in consideration of the mutual covenants and agreements hereinafter set forth and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. **COORDINATION AND LIAISON**: The Contractor shall fully coordinate all services under this Agreement with the Executive Director (“Director”) of the Department of Housing Stability (“Agency” or “HOST”) or the Director’s designee.
2. **SERVICES TO BE PERFORMED**: As the Director directs, the Contractor shall diligently undertake, perform, and complete all of the services and produce all the deliverables set forth in **Exhibit A**, Scope of Work, to the City’s satisfaction. The Contractor is ready, willing, and able to provide the services required by this Agreement. The Contractor shall faithfully perform the services in accordance with the standards of care, skill, training, diligence, and judgment provided by highly competent individuals performing services of a similar nature to those described in this Agreement and in accordance with the terms of this Agreement.
3. **TERM**: This Agreement will commence on November 1, 2023 and will expire, unless sooner terminated, on December 31, 2024 (the “Term”).
4. **COMPENSATION AND PAYMENT**
 - 4.1. **Budget**: The City shall pay, and the Contractor shall accept as the sole compensation for services rendered and costs incurred and paid under this Agreement payment not to exceed the line budget amounts set forth in **Exhibit A**. Amounts billed may not exceed the budget amounts set forth in **Exhibit A**.
 - 4.2. **Reimbursable Expenses**: There are no reimbursable expenses allowed under this Agreement. All the Contractor’s expenses are contained in the budget in **Exhibit A**. The City will not be obligated to pay the Contractor for any other fees, costs, expenses, or charges of any nature that may be incurred and paid by the Contractor in performing services under this Agreement including but not limited to personnel, benefits, contract labor, overhead, administrative costs, operating costs, supplies, equipment, and out-of-pocket expenses.
 - 4.3. **Invoicing**: The Contractor shall provide the City with a monthly invoice in a format and with a level of detail acceptable to the City including all supporting documentation required by the City. The City’s Prompt Payment Ordinance, §§ 20-107 to 20-118, D.R.M.C., applies to invoicing and payment under this Agreement.
 - 4.4. **Maximum Contract Amount**
 - 4.4.1. Notwithstanding any other provision of this Agreement, the City’s maximum payment obligation will not exceed NINE MILLION, THREE HUNDRED AND FORTY NINE THOUSAND, FOUR HUNDRED AND FORTY-EIGHT DOLLARS (\$9,349,448.00) (the “Maximum Contract Amount”). The City is not obligated to execute an agreement or any amendments for any further services, including any services performed by the Contractor beyond that specifically described in **Exhibit A**. Any services performed beyond those in

Exhibit A or performed outside the Term are performed at the Contractor's risk and without authorization under this Agreement.

4.4.2. The City's payment obligation, whether direct or contingent, extends only to funds appropriated annually by the Denver City Council, paid into the Treasury of the City, and encumbered for the purpose of this Agreement. The City does not by this Agreement irrevocably pledge present cash reserves for payment or performance in future fiscal years. This Agreement does not and is not intended to create a multiple-fiscal year direct or indirect debt or financial obligation of the City.

4.4.3. If, as a result of any audit or program review relating to the performance of the Contractor or its officers, agents or employees under this Agreement, there are any irregularities or deficiencies in any audit or review, then the Contractor will, upon notice from the City, correct all identified irregularities or deficiencies within the time frames designated in the City's written notice. If corrections are not made by such date, then the final resolution of identified deficiencies or disputes shall be deemed to be resolved in the City's favor unless the Contractor obtains a resolution in its favor from the responsible official conducting the audit or review. In any event, the Contractor shall be responsible to indemnify and save harmless the City, its officers, agents, and employees, from and against all disallowed costs.

5. LICENSE: During the Term of this Agreement, for the sole purpose of performing the services described herein, the City hereby grants to the Contractor, its agents and invitees, a revocable license for the occupancy and use of that certain portion of City-leased real property located at 4600 E 48th Avenue as further described and set forth in **Exhibit B**, attached and incorporated by this reference (the "Premises"). Contractor shall occupy and use the Premises pursuant to the terms and conditions set forth in **Exhibit B-1** for the sole purpose of performing its services under this Agreement. Upon expiration or earlier termination of the Term, the Contractor shall vacate the Premises and shall ensure that its agents and invitees vacate the Premises within thirty (30) days from such date of expiration or date of earlier termination.

6. PERFORMANCE MONITORING/INSPECTION: The Contractor shall permit the Director to monitor and review the Contractor's performance under this Agreement. The Contractor shall make available to the City for inspection all files, records, reports, policies, minutes, materials, books, documents, papers, invoices, accounts, payrolls and other data, whether in hard copy or electronic format, used in the performance of any of the services required hereunder or relating to any matter covered by this Agreement to coordinate the performance of services by the Contractor in accordance with the terms of this Agreement. All such monitoring and inspection shall be performed in a manner that will not unduly interfere with the services to be provided under this Agreement.

7. STATUS OF CONTRACTOR: The Contractor is an independent contractor retained to perform professional or technical services for limited periods of time. Neither the Contractor nor any of its employees are employees or officers of the City under Chapter 18 of the Denver Revised Municipal Code, or for any purpose whatsoever.

8. TERMINATION

8.1. The City has the right to terminate this Agreement with cause upon written notice effective immediately, and without cause upon ten (10) days prior written notice to the Contractor.

However, nothing gives the Contractor the right to perform services under this Agreement beyond the time when its services become unsatisfactory to the Director.

- 8.2. Notwithstanding the preceding paragraph, the City may terminate this Agreement if the Contractor or any of its officers or employees are convicted, plead *nolo contendere*, enter into a formal agreement in which they admit guilt, enter a plea of guilty or otherwise admit culpability to criminal offenses of bribery, kickbacks, collusive bidding, bid-rigging, antitrust, fraud, undue influence, theft, racketeering, extortion or any offense of a similar nature in connection with the Contractor's business. Termination for the reasons stated in this paragraph is effective upon receipt of notice.
- 8.3. Upon termination of this Agreement, with or without cause, the Contractor shall have no claim against the City by reason of, or arising out of, incidental or relating to termination, except for compensation for work duly requested and satisfactorily performed as described in this Agreement.
- 8.4. If this Agreement is terminated, the City is entitled to and will take possession of all materials, equipment, tools, and facilities it owns that are in the Contractor's possession, custody, or control by whatever method the City deems expedient. The Contractor shall deliver all documents in any form that were prepared under this Agreement and all other items, materials and documents that have been paid for by the City to the City. These documents and materials are the property of the City. The Contractor shall mark all copies of work product that are incomplete at the time of termination "DRAFT-INCOMPLETE."
9. **EXAMINATION OF RECORDS AND AUDITS:** Any authorized agent of the City, including the City Auditor or his or her representative, has the right to access, and the right to examine, copy and retain copies, at City's election in paper or electronic form, any pertinent books, documents, papers and records related to the Contractor's performance pursuant to this Agreement, provision of any goods or services to the City, and any other transactions related to this Agreement. The Contractor shall cooperate with City representatives and City representatives shall be granted access to the foregoing documents and information during reasonable business hours and until the latter of three (3) years after the final payment under this Agreement or expiration of the applicable statute of limitations. When conducting an audit of this Agreement, the City Auditor shall be subject to government auditing standards issued by the United States Government Accountability Office by the Comptroller General of the United States, including with respect to disclosure of information acquired during the course of an audit. No examination of records and audits pursuant to this paragraph shall require the Contractor to make disclosures in violation of state or federal privacy laws. The Contractor shall at all times comply with D.R.M.C. 20-276.
10. **WHEN RIGHTS AND REMEDIES NOT WAIVED:** In no event will any payment or other action by the City constitute or be construed to be a waiver by the City of any breach of covenant or default that may then exist on the part of the Contractor. No payment, other action, or inaction by the City when any breach or default exists will impair or prejudice any right or remedy available to it with respect to any breach or default. No assent, expressed or implied, to any breach of any term of this Agreement constitutes a waiver of any other breach.

11. **INSURANCE**

- 11.1. General Conditions:** The Contractor agrees to secure, at or before the time of execution of this Agreement, the following insurance covering all operations, goods or services provided pursuant to this Agreement. The Contractor shall keep the required insurance coverage in force at all times during the term of this Agreement, including any extension thereof, and during any warranty period. The required insurance shall be underwritten by an insurer licensed or authorized to do business in Colorado and rated by A.M. Best Company as "A-VIII" or better. Each policy shall require notification to the City in the event any of the required policies be canceled or non-renewed before the expiration date thereof. Such written notice shall be sent to the parties identified in the Notices Section of this Agreement. Such notice shall reference the City contract number listed on the signature page of this Agreement. Said notice shall be sent thirty (30) days prior to such cancellation or non-renewal unless due to non-payment of premiums for which notice shall be sent ten (10) days prior. If such written notice is unavailable from the insurer, the Contractor shall provide written notice of cancellation, non-renewal and any reduction in coverage to the parties identified in the Notices Section by certified mail, return receipt requested within three (3) business days of such notice by its insurer(s) and referencing the City's contract number. The Contractor shall be responsible for the payment of any deductible or self-insured retention. The insurance coverages specified in this Agreement are the minimum requirements, and these requirements do not lessen or limit the liability of the Contractor. The Contractor shall maintain, at its own expense, any additional kinds or amounts of insurance that it may deem necessary to cover its obligations and liabilities under this Agreement.
- 11.2. Proof of Insurance:** The Contractor may not commence services or work relating to this Agreement prior to placement of coverages required under this Agreement. The Contractor certifies that the certificate of insurance attached as **Exhibit C**, preferably an ACORD form, complies with all insurance requirements of this Agreement. The City requests that the City's contract number be referenced on the certificate of insurance. The City's acceptance of a certificate of insurance or other proof of insurance that does not comply with all insurance requirements set forth in this Agreement shall not act as a waiver of the Contractor's breach of this Agreement or of any of the City's rights or remedies under this Agreement. The City's Risk Management Office may require additional proof of insurance, including but not limited to policies and endorsements.
- 11.3. Additional Insureds:** For Commercial General Liability, Auto Liability and Excess Liability/Umbrella (if required), the Contractor and subcontractor's insurer(s) shall include the City and County of Denver, its elected and appointed officials, employees, and volunteers as additional insured.
- 11.4. Waiver of Subrogation:** For all coverages required under this Agreement, with the exception of Professional Liability – if required, the Contractor's insurer shall waive subrogation rights against the City.
- 11.5. Subcontractors and Subconsultants:** The Contractor shall confirm and document that all subcontractors and subconsultants (including independent contractors, suppliers or other entities providing goods or services required by this Agreement) procure and maintain coverage as approved by the Contractor and appropriate to their respective primary business risks considering the nature and scope of services provided.

- 11.6. Workers' Compensation and Employer's Liability Insurance:** The Contractor shall maintain the coverage as required by statute for each work location and shall maintain Employer's Liability insurance with limits of \$100,000 per occurrence for each bodily injury claim, \$100,000 per occurrence for each bodily injury caused by disease claim, and \$500,000 aggregate for all bodily injuries caused by disease claims.
- 11.7. Commercial General Liability:** The Contractor shall maintain a Commercial General Liability insurance policy with minimum limits of \$1,000,000 for each bodily injury and property damage occurrence, \$2,000,000 products and completed operations aggregate (if applicable), and \$2,000,000 policy aggregate. Policy shall not contain an exclusion for sexual abuse, molestation, or misconduct.
- 11.8. Automobile Liability:** The Contractor shall maintain Automobile Liability with minimum limits of \$1,000,000 combined single limit applicable to all owned, hired, and non-owned vehicles used in performing services under this Agreement.
- 11.9. Professional Liability (Errors & Omissions):** The Contractor shall maintain minimum limits of \$1,000,000 per claim and \$1,000,000 policy aggregate limit. The policy shall be kept in force, or a Tail policy placed, for three (3) years for all contracts except construction contracts for which the policy or Tail shall be kept in place for eight (8) years.
- 11.10. Cyber Liability:** The Contractor shall maintain Cyber Liability coverage with minimum limits of \$1,000,000 per occurrence and \$1,000,000 policy aggregate covering claims involving privacy violations, information theft, damage to or destruction of electronic information, intentional and/or unintentional release of private information, alteration of electronic information, extortion and network security. If Claims Made, the policy shall be kept in force, or a Tail policy placed, for three (3) years.

12. DEFENSE AND INDEMNIFICATION

- 12.1.** The Contractor agrees to defend, indemnify, reimburse and hold harmless the City, its appointed and elected officials, agents and employees for, from and against all liabilities, claims, judgments, suits or demands for damages to persons or property, including injuries or death of any person rightfully on the Premises for any purpose whatsoever, arising out of, resulting from, or relating to the services performed and the occupancy and use of the Premises under this Agreement ("Claims"), unless such Claims have been specifically determined by the trier of fact to be the sole negligence or willful misconduct of the City. This indemnity shall be interpreted in the broadest possible manner to indemnify the City for any acts or omissions of the Contractor or its subcontractors either passive or active, irrespective of fault, including the City's concurrent negligence whether active or passive, except for the sole negligence or willful misconduct of the City.
- 12.2.** The Contractor's duty to defend and indemnify the City shall arise at the time written notice of the Claim is first provided to the City regardless of whether Claimant has filed suit on the Claim. The Contractor's duty to defend and indemnify the City shall arise even if the City is the only party sued by claimant and/or claimant alleges that the City's negligence or willful misconduct was the sole cause of claimant's damages.
- 12.3.** The Contractor shall defend any and all Claims which may be brought or threatened against the City and shall pay on behalf of the City any expenses incurred by reason of such Claims

including, but not limited to, court costs and attorney fees incurred in defending and investigating such Claims or seeking to enforce this indemnity obligation. Such payments on behalf of the City will be in addition to any other legal remedies available to the City and will not be the City's exclusive remedy.

12.4. Insurance coverage requirements specified in this Agreement in no way lessen or limit the liability of the Contractor under the terms of this indemnification obligation. The Contractor is responsible to obtain, at its own expense, any additional insurance that it deems necessary for the City's protection.

12.5. This defense and indemnification obligation shall survive the expiration or termination of this Agreement.

13. COLORADO GOVERNMENTAL IMMUNITY ACT: In relation to this Agreement, the City is relying upon and has not waived the monetary limitations and all other rights, immunities and protection provided by the Colorado Governmental Act, C.R.S. § 24-10-101, *et seq.*

14. TAXES, CHARGES AND PENALTIES: The City is not liable for the payment of taxes, late charges or penalties of any nature, except for any additional amounts that the City may be required to pay under the City's prompt payment ordinance D.R.M.C. § 20-107, *et seq.* The Contractor shall promptly pay when due, all taxes, bills, debts, and obligations it incurs performing the services under this Agreement and shall not allow any lien, mortgage, judgment, or execution to be filed against City property.

15. ASSIGNMENT; SUBCONTRACTING: The Contractor shall not voluntarily or involuntarily assign any of its rights or obligations, or subcontract performance obligations, under this Agreement without obtaining the Director's prior written consent. Any assignment or subcontracting without such consent will be ineffective and void and will be cause for termination of this Agreement by the City. The Director has sole and absolute discretion whether to consent to any assignment or subcontracting, or to terminate this Agreement because of unauthorized assignment or subcontracting. In the event of any subcontracting or unauthorized assignment: (i) the Contractor shall remain responsible to the City; and (ii) no contractual relationship shall be created between the City and any subconsultant, subcontractor, or assign.

16. INUREMENT: The rights and obligations of the Parties to this Agreement inure to the benefit of and shall be binding upon the Parties and their respective successors and assigns, provided assignments are consented to in accordance with the terms of this Agreement.

17. NO THIRD-PARTY BENEFICIARY: Enforcement of the terms of this Agreement and all rights of action relating to enforcement are strictly reserved to the Parties. Nothing contained in this Agreement gives or allows any claim or right of action to any third person or entity. Any person or entity other than the City or the Contractor receiving services or benefits pursuant to this Agreement is an incidental beneficiary only.

18. NO AUTHORITY TO BIND CITY TO CONTRACTS: The Contractor lacks any authority to bind the City on any contractual matters. Final approval of all contractual matters that purport to obligate the City must be executed by the City in accordance with the City's Charter and the Denver Revised Municipal Code.

19. SEVERABILITY: Except for the provisions of this Agreement requiring appropriation of funds and limiting the total amount payable by the City, if a court of competent jurisdiction finds any provision

of this Agreement or any portion of it to be invalid, illegal, or unenforceable, the validity of the remaining portions or provisions will not be affected, if the intent of the Parties can be fulfilled.

20. CONFLICT OF INTEREST

20.1. No employee of the City shall have any personal or beneficial interest in the services or property described in this Agreement. The Contractor shall not hire, or contract for services with, any employee or officer of the City that would be in violation of the City’s Code of Ethics, D.R.M.C. § 2-51, *et seq.*, or the Charter §§ 1.2.8, 1.2.9, and 1.2.12.

20.2. The Contractor shall not engage in any transaction, activity or conduct that would result in a conflict of interest under this Agreement. The Contractor represents that it has disclosed any and all current or potential conflicts of interest. A conflict of interest shall include transactions, activities or conduct that would affect the judgment, actions or work of the Contractor by placing the Contractor’s own interests, or the interests of any party with whom the Contractor has a contractual arrangement, in conflict with those of the City. The City, in its sole discretion, will determine the existence of a conflict of interest and may terminate this Agreement if it determines a conflict exists, after it has given the Contractor written notice describing the conflict.

22. WAGE REQUIREMENTS: This Section shall apply to certain covered services provided to the City on City-owned or leased properties as defined and required by law. The Contractor shall be solely responsible for determining which, if any, wage language applies and compliance therewith. The Contractor’s failure to perform, as required, may, in addition to other remedies set forth in this

Agreement, result in readjustment of the amount of funds the City is otherwise obligated to pay to the Contractor pursuant to the terms hereof.

22.1. PAYMENT OF CITY MINIMUM WAGE: The Contractor shall comply with, and agrees to be bound by, all requirements, conditions, and City determinations, as applicable, regarding the City's Minimum Wage Ordinance, Sections 20-82 through 20-84 D.R.M.C., including, but not limited to, the requirement that every covered worker shall be paid no less than the City Minimum Wage in accordance with the foregoing D.R.M.C. By executing this Agreement, the Contractor expressly acknowledges that the Contractor is aware of the requirements of the City's Minimum Wage Ordinance and that any failure by the Contractor, or any other individual or entity acting subject to this Agreement, to strictly comply with the foregoing D.R.M.C. Sections shall result in the penalties and other remedies authorized therein.

22.2. PAYMENT OF PREVAILING WAGES: Employees of the Contractor or the Contractor's subcontractors may be subject to the payment of prevailing wages pursuant to § 20-76, D.R.M.C., depending upon the nature of their work. 22.2.1. PREVAILING WAGE REQUIREMENTS

22.2.1.1. The Contractor shall comply with, and agrees to be bound by, all requirements, conditions and City determinations regarding the Payment of Prevailing Wages Ordinance, §§ 20-76 through 20-79, D.R.M.C. including, but not limited to, the requirement that every covered worker working on a City owned or leased building or on City-owned land shall be paid no less than the prevailing wages and fringe benefits in effect on the date the bid or request for proposal was advertised. In the event a request for bids, or a request for proposal, was not advertised, the Contractor shall pay every covered worker no less than the prevailing wages and fringe benefits in effect on the date funds for this Agreement were encumbered.

22.2.1.2. Prevailing wage and fringe rates will adjust on the yearly anniversary of the actual date of bid or proposal issuance, if applicable, or the date of the written encumbrance if no bid/proposal issuance date is applicable. Unless expressly provided for in this Agreement, the Contractor will receive no additional compensation for increases in prevailing wages or fringe benefits. The Contractor shall provide the Auditor with a list of all subcontractors providing any services under this Agreement. The Contractor shall provide the Auditor with electronically-certified payroll records for all covered workers employed under this Agreement.

22.2.1.4. If the Contractor fails to pay workers as required by the Prevailing Wage Ordinance, the Contractor will not be paid until documentation of payment satisfactory

Pursuant to § 20-80, D.R.M.C., the Contractor shall pay every Covered Worker, as defined in § 20-80(a) D.R.M.C., employed by the Contractor directly upon the site of the work under this Agreement, the full amounts accrued at the time of payment, computed at wage rates not less than that specified in § 20-80(c), D.R.M.C., regardless of any contractual relationship which may be alleged to exist between the Contractor or any subcontractor and such workers. The Contractor shall post in a prominent place which is easily accessible to the Covered Workers that scale of wages to be paid to such workers.
- 22.3.2.** The Contractor shall furnish to the City Auditor or his authorized representative, upon the Auditor's request, a true and correct copy of the payroll records of all Covered Workers working under this Agreement, either for the Contractor or any subcontractor. - 22.3.3.** Increases in living wages pursuant to § 20-80, D.R.M.C., effective after the date of this Agreement shall not be mandatory on either the Contractor or the subcontractors if the term of this Agreement is less than one year. Increases in the living wages pursuant to § 20-80, D.R.M.C., shall be mandatory for the Contractor and the Contractor's subcontractors if the term of this Agreement is longer than one year, effective on the anniversary date of this Agreement. In no event shall any increases in living wages over the amount stated in this Agreement result in any increased liability on the part of the City, and the possibility and risk of any such increase is assumed by the Contractor. Decreases in living wages after the date of this Agreement shall not be permitted.
- 22.3.4.** If any worker to whom the living wages are to be paid, employed by the Contractor or any subcontractor to perform work hereunder, has been or is being paid a rate of wages less than that required by this section, the Manager may, at the Manager's option, by written notice to the Contractor, withhold further payment to the Contractor or suspend or terminate the Contractor's right to proceed with the work or such part of the work as to which there has been a failure to pay the required wages. In the event of termination, the Contractor shall be liable to the City for any excess costs occasioned to the City thereby.

- 23. DISPUTES:** All disputes between the City and the Contractor arising out of or regarding this Agreement will be resolved by administrative hearing pursuant to the procedure established by § 56-106(b)-(f), D.R.M.C. For the purposes of that administrative procedure, the City official rendering a final determination shall be the Director as defined in this Agreement.
- 24. GOVERNING LAW; VENUE:** This Agreement will be construed and enforced in accordance with applicable federal law, the laws of the State of Colorado, and the Charter, Revised Municipal Code, ordinances, regulations and Executive Orders of the City and County of Denver, which are expressly incorporated into this Agreement. Unless otherwise specified, any reference to statutes, laws, regulations, charter or code provisions, ordinances, executive orders, or related memoranda, includes amendments or supplements to same. Venue for any legal action relating to this Agreement will be in the District Court of the State of Colorado, Second Judicial District (Denver District Court).
- 25. NO DISCRIMINATION IN EMPLOYMENT:** In connection with the performance of work under this Agreement, the Contractor may not refuse to hire, discharge, promote, demote, or discriminate in matters of compensation against any person otherwise qualified, solely because of race, color, religion, national origin, ethnicity, citizenship, immigration status, gender, age, sexual orientation, gender identity, gender expression, marital status, source of income, military status, protective hairstyle, or disability. The Contractor shall insert the foregoing provision in all subcontracts.
- 26. NO DISCRIMINATION IN PROGRAM ASSISTANCE:** In connection with the performance of work under this Agreement, the Contractor may not, in providing program assistance, discriminate against a program beneficiary or prospective program beneficiary on the basis of race, color, religion, national origin, ancestry, gender, age, military status, sexual orientation, gender identity or gender expression, marital or domestic partner status, political beliefs or affiliation, familial or parental status—including pregnancy, medical condition, military service, protective hairstyle, genetic information, or physical or mental disability. The Contractor shall insert the foregoing provision in all subcontracts.
- 27. FAITH BASED ORGANIZATIONS AND SECTARIAN ACTIVITIES:** The Contractor shall not engage in inherently religious activities, such as worship, religious instruction, or proselytizing as part of the programs or services funded under this Agreement.
- 28. COMPLIANCE WITH ALL LAWS:** The Contractor shall perform or cause to be performed all services in full compliance with all applicable laws, rules, regulations and codes of the United States, the State of Colorado; and with the Charter, ordinances, rules, regulations and Executive Orders of the City and County of Denver.
- 29. LEGAL AUTHORITY:** The Contractor represents and warrants that it possesses the legal authority, pursuant to any proper, appropriate, and official motion, resolution or action passed or taken, to enter into this Agreement. Each person signing and executing this Agreement on behalf of the Contractor represents and warrants that he has been fully authorized by the Contractor to execute this Agreement on behalf of the Contractor and to validly and legally bind the Contractor to all the terms, performances and provisions of this Agreement. The City shall have the right, in its sole discretion, to either temporarily suspend or permanently terminate this Agreement if there is a dispute as to the legal authority of either the Contractor or the person signing this Agreement to enter into this Agreement.

- 30. NO CONSTRUCTION AGAINST DRAFTING PARTY:** The Parties and their respective counsel have had the opportunity to review this Agreement, and this Agreement will not be construed against any Party merely because any provisions of this Agreement were prepared by a particular Party.
- 31. ORDER OF PRECEDENCE:** In the event of any conflicts between the language of this Agreement and the exhibits, the language of this Agreement controls.
- 32. INTELLECTUAL PROPERTY RIGHTS:** The City and the Contractor intend that all property rights to any and all materials, text, logos, documents, booklets, manuals, references, guides, brochures, advertisements, URLs, domain names, music, sketches, web pages, plans, drawings, prints, photographs, specifications, software, data, products, ideas, inventions, and any other work or recorded information created by the Contractor and paid for by the City pursuant to this Agreement, in preliminary or final form and on any media whatsoever (collectively, “Materials”), shall belong to the City. The Contractor shall disclose all such items to the City and shall assign such rights over to the City upon completion of the Project. To the extent permitted by the U.S. Copyright Act, 17 USC § 101, *et seq.*, the Materials are a “work made for hire” and all ownership of copyright in the Materials shall vest in the City at the time the Materials are created. To the extent that the Materials are not a “work made for hire,” the Contractor (by this Agreement) sells, assigns and transfers all right, title and interest in and to the Materials to the City, including the right to secure copyright, patent, trademark, and other intellectual property rights throughout the world and to have and to hold such rights in perpetuity. The Parties agree that all materials, text, logos, documents, booklets, manuals, references, guides, brochures, advertisements, URLs, domain names, music, sketches, web pages, plans, drawings, prints, photographs, specifications, software, data, products, ideas, inventions, and any other work or recorded information of the Contractor made available, directly or indirectly, by the Contractor to the City as part of the Scope of Services (collectively, “Contractor Materials”), are the exclusive property of the Contractor or the third parties from whom the Contractor has secured the rights to use such product. Contractor Materials, processes, methods, and services shall at all times remain the property of the Contractor; however, the Contractor hereby grants to the City a nonexclusive, royalty free, perpetual, and irrevocable license to use Contractor Materials. The Contractor shall mark or identify all such Contractor Materials to the City.
- 33. SURVIVAL OF CERTAIN PROVISIONS:** The terms of this Agreement and any exhibits and attachments that by reasonable implication contemplate continued performance, rights, or compliance beyond expiration or termination of this Agreement survive this Agreement and will continue to be enforceable. Without limiting the generality of this provision, the Contractor’s obligations to provide insurance and to indemnify the City will survive for a period equal to any and all relevant statutes of limitation, plus the time necessary to fully resolve any claims, matters, or actions begun within that period.
- 34. Each of the Parties may disclose (a “Disclosing Party”) or permit the other Party (the “Receiving Party”) access to the Disclosing Party’s Confidential Information in accordance with the following terms. Except as specifically permitted in this Agreement or with the prior express written permission of the Disclosing Party, the Receiving Party shall not: (i) disclose, allow access to, transmit, transfer or otherwise make available any Confidential Information of the Disclosing Party to any third party other than its employees, subcontractors, agents and consultants that need to know such information to fulfil the purposes of this Agreement, and in the case of non-employees, with whom it has executed a non-disclosure or other agreement which limits the use, reproduction and disclosure of the Confidential Information on terms that afford at least as much protection to the Confidential Information as the provisions of this Agreement; or (ii) use or reproduce the Confidential Information of the Disclosing Party for any reason other than as reasonably necessary to fulfil the purposes of this Agreement. This Agreement does not transfer ownership of Confidential Information or grant a license thereto. The City will retain all right, title, and interest in its Confidential Information.
- 35.2.** The Contractor shall provide for the security of Confidential Information and information which may not be marked, but constitutes personally identifiable information, HIPAA, CJIS, or other federally or state regulated information (“Regulated Data”) in accordance with all applicable laws, rules, policies, publications, and guidelines. The Parties understand that all materials exchanged under this Agreement, including Confidential Information, may be subject to the Colorado Open Records Act., § 24-72-201, *et seq.*, C.R.S., (the “Act”). In the event of a request to the City for disclosure of confidential materials, the City shall advise the Contractor of such request in order to give the Contractor the opportunity to object to the disclosure of any of its materials which it marked as, or otherwise asserts is, proprietary or confidential. If the Contractor objects to disclosure of any of its material, the Contractor shall identify to the City the legal basis under the Act for any right to withhold. In the event of any action or the filing of a lawsuit to compel disclosure, the Contractor agrees to intervene in such action or lawsuit to protect and assert its claims of privilege against disclosure of such material or waive the same. If the

matter is not resolved, the City will tender all material to the court for judicial determination of the issue of disclosure. The Contractor further agrees to defend, indemnify and save and hold harmless the City, its officers, agents and employees, from any claim, damages, expense, loss or costs arising out of the Contractor's intervention to protect and assert its claim of privilege against disclosure under this Article, including but not limited to, prompt reimbursement to the City of all reasonable attorney fees, costs, and damages that the City may incur directly or may be ordered to pay.

Unless the City provides security protection for the information it discloses to the Contractor, the Contractor shall implement and maintain reasonable security procedures and practices that are both appropriate to the nature of the Protected Information disclosed and that are reasonably designed to help safeguard Protected Information from unauthorized access, use, modification, disclosure, or destruction. Disclosure of Protected Information does not include disclosure to a third party under circumstances where the City retains primary responsibility for implementing and maintaining reasonable security procedures and practices appropriate to the nature of the Protected Information, and the City implements and maintains technical controls reasonably designed to safeguard Protected Information from unauthorized access, modification, disclosure, or destruction or effectively eliminate the third party's ability to access Protected Information, notwithstanding the third party's physical possession of Protected Information. If the Contractor has been contracted to maintain, store, or process personal information on the City's behalf, the Contractor is a "Third-Party Service Provider" as defined by § 24-73-103(1)(i), C.R.S., and shall maintain security procedures and practices consistent with §§24-73-101, et seq., C.R.S.

The Contractor shall protect against threats or hazards to the security or integrity of data; protect against unauthorized disclosure, access to, or use of any data; restrict access to data as necessary; and ensure the proper use of data. The Contractor shall not engage in "data mining" except as specifically and expressly required by law or authorized in writing by the City. All data and Protected Information shall be maintained and securely transferred in accordance with industry standards. Unless otherwise required by law, the City has exclusive ownership of all data it discloses under this Agreement, and the Contractor shall have no right, title, or interest in data obtained in connection with the services provided herein.

36.5. Upon termination of this Agreement, the Contractor shall securely delete or securely transfer all data, including Protected Information, to the City in an industry standard format as directed by the City; however, this requirement shall not apply to the extent the Contractor is required by law to retain data, including Protected Information. Upon the City's request, the Contractor shall confirm the data disposed of, the date disposed of, and the method of disposal. With respect to any data in the Contractor's exclusive custody, the City may request that the Contractor preserve such data outside of its usual record retention policies. The City will promptly coordinate with the Contractor regarding the preservation and disposition of any data and records relevant to any current or anticipated litigation, and the Contractor shall continue to preserve the records until further notice by the City. Unless otherwise required by law or regulation, when paper or

electronic documents are no longer needed, the Contractor shall destroy or arrange for the destruction of such documents within its custody or control that contain Protected Information by shredding, erasing, or otherwise modifying the Protected Information in the paper or electronic documents to make it unreadable or indecipherable.

- 36.6. Software and Computing Systems:** At its reasonable discretion, the City may prohibit the Contractor from the use of certain software programs, databases, and computing systems with known vulnerabilities to collect, use, process, store, or generate data and information, with Protected Information, received as a result of the Contractor's services under this Agreement. The Contractor shall comply with all requirements, if any, associated with the use of software programs, databases, and computing systems as reasonably directed by the City. The Contractor shall not use funds paid by the City for the acquisition, operation, or maintenance of software in violation of any copyright laws or licensing restrictions. The Contractor shall maintain commercially reasonable network security that, at a minimum, includes network firewalls, intrusion detection/prevention, enhancements, or updates consistent with evolving industry standards, and periodic penetration testing.
- 36.7. Background Checks:** The Contractor will ensure that, prior to being granted access to Protected Information, the Contractor's agents, employees, subcontractors, volunteers, or assigns who perform work under this Agreement have all undergone and passed all necessary criminal background screenings, have successfully completed annual instruction of a nature sufficient to enable them to effectively comply with all data protection provisions of this Agreement and Data Protection Laws, and possess all qualifications appropriate to the nature of the employees' duties and the sensitivity of the data.
- 36.8. Subcontractors and Employees:** If the Contractor engages a subcontractor under this Agreement, the Contractor shall impose data protection terms that provide at least the same level of data protection as in this Agreement and to the extent appropriate to the nature of the services provided. The Contractor shall monitor the compliance with such obligations and remain responsible for its subcontractor's compliance with the obligations of this Agreement and for any of its subcontractors acts or omissions that cause the Contractor to breach any of its obligations under this Agreement. Unless the Contractor provides its own security protection for the information it discloses to a third party, the Contractor shall require the third party to implement and maintain reasonable security procedures and practices that are appropriate to the nature of the Protected Information disclosed and that are reasonably designed to protect it from unauthorized access, use, modification, disclosure, or destruction. Any term or condition within this Agreement relating to the protection and confidentiality of any disclosed data shall apply equally to both the Contractor and any of its subcontractors, agents, assigns, employees, or volunteers. Upon request, the Contractor shall provide the City copies of its record retention, data privacy, and information security policies.

The Contractor shall fully cooperate with the City regarding recovery, lawful

notices, investigations, remediation, and the necessity to involve law enforcement, as determined by the City and Data Protection Laws. The Contractor shall preserve and provide all information relevant to the Security Breach to the City; provided, however, the Contractor shall not be obligated to disclose confidential business information or trade secrets. The Contractor shall indemnify, defend, and hold harmless the City for any and all claims, including reasonable attorneys' fees, costs, and expenses incidental thereto, which may be suffered by, accrued against, charged to, or recoverable from the City in connection with a Security Breach or lawful notices.

36.10. Request for Additional Protections and Survival: In addition to the terms contained herein, the City may reasonably request that the Contractor protect the confidentiality of certain Protected Information or other data in specific ways to ensure compliance with Data Protection Laws and any changes thereto. Unless a request for additional protections is mandated by a change in law, the Contractor may reasonably decline the City's request to provide additional protections. If such a request requires the Contractor to take steps beyond those contained herein, the Contractor shall notify the City with the anticipated cost of compliance, and the City may thereafter, in its sole discretion, direct the Contractor to comply with the request at the City's expense; provided, however, that any increase in costs that would increase the Maximum Contract Amount must first be memorialized in a written amendment complying with City procedures. Obligations contained in this Agreement relating to the protection and confidentiality of any disclosed data shall survive termination of this Agreement, and the Contractor shall continue to safeguard all data for so long as the data remains confidential or protected and in the Contractor's possession or control.

- 37. TIME IS OF THE ESSENCE:** The Parties agree that in the performance of the terms, conditions, and requirements of this Agreement, time is of the essence.
- 38. PARAGRAPH HEADINGS:** The captions and headings set forth herein are for convenience of reference only and shall not be construed to define or limit the terms and provisions hereof.
- 39. CITY EXECUTION OF AGREEMENT:** This Agreement will not be effective or binding on the City until it has been fully executed by all required signatories of the City and County of Denver, and if required by Charter, approved by the City Council.

- 41. USE, POSSESSION OR SALE OF ALCOHOL OR DRUGS:** The Contractor shall cooperate and comply with the provisions of Executive Order 94 and its Attachment A concerning the use, possession or sale of alcohol or drugs. Violation of these provisions or refusal to cooperate with implementation of the policy can result in contract personnel being barred from City facilities and from participating in City operations.

signature under this Agreement, may be signed electronically by the City in the manner specified by the City. The Parties agree not to deny the legal effect or enforceability of this Agreement solely because it is in electronic form or because an electronic record was used in its formation. The Parties agree not to object to the admissibility of this Agreement in the form of an electronic record, or a paper copy of an electronic document, or a paper copy of a document bearing an electronic signature, on the ground that it is an electronic record or electronic signature or that it is not in its original form or is not an original.
