6 (a) In order to preserve and protect a victim's rights to justice and due process, the  
7 police department, the city attorney, the court, and the probation department are responsible for  
8 ensuring that each victim of a crime, as specified in section 14-151(1), has the following rights:

9 (1) The right to be treated with fairness, respect, and dignity, and to be free from  
10 intimidation, harassment, or abuse, throughout the criminal justice process.

11 (2) The right to be informed of and be present by appearing in person, by phone,  
12 virtually by audio or video, or similar technology for all critical stages of the criminal justice process  
13 as specified in section 14-151(3); except that the victim shall have the right to be informed of,  
14 without being present for critical stages described in C.R.S. sections 24-4.1-302(2)(a), (2)(a.5),  
15 (2)(a.7), (2)(e.5), (2)(k.3), (2)(n), (2)(p), (2)(q), (2)(r), and (2)(u).

16 (3) The right to receive a free copy of the general offense report from the police  
17 department; except that the release of a document associated with the investigation is at the  
18 discretion of the police department based on the status of the case or security and safety  
19 concerns in a correctional facility. The general offense report must contain, at a minimum, the  
20 victim's name, the offender's name, the date of the crime, the charges, and a summary of the  
21 incident so the victim has sufficient detail to help the victim with, including but not limited to,  
22 insurance claims, employer intercession, protection orders, and landlord-tenant notification. The  
23 police department may redact the names of other victims involved in the incident who are not  
24 related to the victim requesting the report and any personal identifying information, including but  
25 not limited to social security numbers, driver's license numbers, telephone numbers, e-mail  
26 addresses, and physical addresses related to parties or witnesses in the case. The police  
27 department shall notify the city attorney of the information the victim received in the general  
28 offense report and when it was provided to the victim. The city attorney shall provide this  
29 information to any defendant involved in the case through the discovery process.

30 (4) The right to be informed when a person accused or convicted of a crime committed  
31 against the victim is released or discharged from a correctional facility, escapes from a  
32 correctional facility, or absconds from probation.

33 (5) The right to be heard at any critical stage of the criminal justice process, as defined

1 in section 14-151(3).

2 (6) If a victim is unavailable to be present for a critical stage and the victim wishes to be  
3 heard, the right to request that the court arrange and provide the means for the victim to be heard,  
4 which may include, but need not be limited to, appearing by phone, virtually by video or audio, or  
5 similar technology.

6 a. For purposes of this paragraph (6), "unavailable" means that the victim is  
7 physically unable to attend the court hearing, may sustain a financial hardship to attend the court  
8 hearing, is concerned for their safety if they attend the court hearing, may suffer significant  
9 emotional impact by attending the hearing, or is unavailable for other good cause.

10 b. The victim shall notify the city attorney that the victim is unavailable to attend  
11 the court hearing. The city attorney's office shall then inform the court that the victim, due to the  
12 victim's unavailability, is requesting the court to arrange for and provide the means to address the  
13 court, which must include but need not be limited to appearing by phone, virtually by video or  
14 audio, or similar technology. The city attorney shall inform the victim of the available options to  
15 appear remotely.

16 c. This paragraph (6) applies to a victim who is incarcerated or otherwise being  
17 held in a correctional facility but is limited to participation by telephone or appearing virtually by  
18 video or audio, or similar technology.

19 (7) The right to consult with the city attorney after any crime committed against the  
20 victim has been charged, prior to any post-filing diversion offer, prior to any disposition of the  
21 case, or prior to any trial of the case, and the right to be informed of the final disposition of the  
22 case. The right to consult with the city attorney must include an explanation of the possibility that  
23 the defendant may not serve the defendant's entire sentence in a correctional facility because the  
24 defendant may receive good time credits or earned time while incarcerated.

25 (8) The right to be informed if the city attorney grants early termination to an offender  
26 participating in a diversion program and the date of termination from the diversion program.

27 (9) The right to be informed by the police department, prior to the filing of charges with  
28 the court, or by the city attorney, after the filing of charges with the court, of the status of any case  
29 concerning a crime committed against the victim, and any scheduling changes or cancellations, if  
30 such changes or cancellations are known in advance.

31 (10) The right to be present at the sentencing hearing and to inform the city attorney and  
32 the court, in writing by a victim impact statement and by an oral statement, of the harm that the  
33 victim has sustained as a result of the crime, with the determination of whether the victim makes

1 written input or oral input, or both, to be made at the sole discretion of the victim.

2 (11) The right to have the court determine the amount, if any, of restitution to be paid to a  
3 victim pursuant to section 14-62 by any person convicted of committing a crime against such  
4 victim for the actual pecuniary damages that resulted from the commission of the crime.

5 (12) The right to be informed of the victim's right to pursue a civil judgment against any  
6 person convicted of a crime committed against the victim for any damages incurred by the victim  
7 as a result of the commission of the crime regardless of whether the court has ordered such  
8 person to make restitution to the victim.

9 (13) The right to be informed of any proceeding at which any postconviction release from  
10 confinement in a correctional facility is being considered for any person convicted of a crime  
11 committed against the victim and the right to be present by appearing in person, by phone, or  
12 virtually by video or audio, or similar technology, and heard at any such proceeding or to provide  
13 written information.

14 (14) The right, at the discretion of the city attorney, to view all or a portion of the  
15 presentence report of the probation department.

16 (15) The right, upon request, to obtain any incident recording or body-worn camera as  
17 described in C.R.S. section 24-31-902.

18 (16) The right to promptly receive any property that belongs to a victim and that is being  
19 held by the city attorney or the police department unless there are evidentiary reasons for the  
20 retention of such property.

21 (17) The right to be informed of the availability of and the application process for financial  
22 assistance and community services for victims, the immediate families of victims, and witnesses,  
23 including crisis intervention services, victim compensation funds, victim assistance resources,  
24 legal resources, mental health services, social services, medical resources, rehabilitative services,  
25 financial assistance services, and the U-visa certification process.

26 (18) The right to be informed about the possibility of restorative justice practices, as  
27 defined in C.R.S. section 18-1-901(3)(o.5).

28 (19) The right to be informed about the steps that can be taken by a victim or witness in  
29 the event of intimidation or harassment by a defendant accused or convicted of a crime committed  
30 against the victim or by any person acting on behalf of the defendant, including information  
31 regarding protection services.

32 (20) The right to be provided with appropriate employer intercession services to  
33 encourage the victim's employer to cooperate with the criminal justice system in order to minimize

1 the loss of employment, pay, or other benefits resulting from a victim's court appearances or other  
2 required meetings with criminal justice officials.

3 (21) The right to be assured that, in any criminal proceeding, the court, the prosecutor,  
4 and other law enforcement officials will take appropriate action to achieve a swift and fair  
5 resolution of the case.

6 (22) The right to be provided, whenever practicable, with a secure waiting area during  
7 court proceedings that does not require a victim or a witness to be seen or to be in close proximity  
8 to the person accused or convicted of a crime committed against the victim or such person's  
9 family or friends.

10 (23) The right to be informed when a person convicted of a crime committed against the  
11 victim is placed in or transferred to a less secure correctional facility.

12 (24) The right to be informed of the results of a probation revocation hearing.

13 (25) The right to be informed of any rights which the victim has pursuant to the  
14 constitution of the United States or the state of Colorado.

15 (26) The right to be informed of the process for enforcing compliance with this article  
16 pursuant to C.R.S. section 13-10-104.5(4).

17 (27) The right to prevent any party at any court proceeding from compelling testimony  
18 regarding the current address, telephone number, place of employment, or other locating  
19 information of the victim unless the victim consents or the court orders disclosure upon a finding  
20 that a reasonable and articulable need for the information exists. Any proceeding conducted by  
21 the court concerning whether to order disclosure shall be held *in camera*.

22 (28) The right to have the city attorney, police department, or the probation department  
23 make all reasonable efforts to exclude or redact a victim's or witness's social security number from  
24 a criminal justice document or record created or compiled as a result of a criminal investigation  
25 when the document or record is released to anyone other than the victim, the defense attorney of  
26 record, the defense attorney's agent, or a criminal justice agency.

27 (29) The right to be notified of how to request protection of their address.

28 (30) The right to receive a copy of the victim impact statement form from the city  
29 attorney's office.

30 (31) The right to be notified of a hearing concerning any motion filed for or petition for  
31 sealing of records described in C.R.S. section 24-72-708, filed by a defendant in the criminal case  
32 who was charged or convicted for a crime as described in section 14-15(2).

33 (32) The right to be informed of the existence of a criminal protection order issued

1 pursuant to section 14-33(f)(2) and, upon request of the victim, information about provisions of the  
2 protection order that may be added or modified, and the process for requesting such an addition  
3 or modification.

4 (b) Nothing in this section shall be construed to imply that any victim who is incarcerated  
5 by any correctional facility has a right to be released to attend any hearing or that a correctional  
6 facility has any duty to transport such incarcerated victim to any hearing.

7 **Sec. 14-153. Procedures for ensuring rights of victims.**

8 (a) The Police Department shall protect the rights of victims of crimes specified in  
9 section 14-151(1) by ensuring:

10 (1) That the address, telephone number, place of employment, or other personal  
11 information of such victim or members of such victim's immediate family is kept confidential.

12 (2) That all reasonable attempts are made to protect any victim or the victim's  
13 immediate family from harm, harassment, intimidation, or retaliation arising from cooperating in  
14 the reporting, investigation, and prosecution of a crime.

15 (3) That reasonable efforts are made to minimize contact between the victim and  
16 victim's immediate family and the defendant and the relatives of the defendant before, during, and  
17 immediately after judicial proceedings. Whenever possible, a waiting area shall be provided that  
18 is separate in both proximity and sight from that of the defendant, the defendant's relatives, and  
19 any defense witnesses.

20 (4) That, when a victim's property is no longer needed for evidentiary reasons and upon  
21 the request of the victim, such property is returned to the victim within five working days unless the  
22 property is contraband or subject to nuisance abatement or forfeiture proceedings.

23 (5) That each victim is informed as to the availability of the following services:

24 a. Follow-up support for the victim and the victim's immediate family in order to  
25 ensure that the necessary assistance is received by such persons;

26 b. Services for child victims and elderly victims, and services for victims who are  
27 persons with disabilities, which are directed to the special needs of such victims;

28 c. Referral to special counseling facilities and community service agencies by

32 resources, rehabilitative services, financial assistance, and other support services;

33 d. Transportation and household assistance to promote the participation of any

2 e. Assistance in dealing with creditors and credit reporting agencies to deal with  
3 any financial setbacks caused by the commission of a crimes;

4 f. Interpretation services and information printed in languages other than the  
5 English language;

6 g. Childcare services to enable a victim or the victim's immediate family to give  
7 testimony or otherwise participate in the prosecution of a criminal proceeding; and

8 h. The existence of a criminal protection order pursuant to section 14-33(f)(2)  
9 and, upon request of the victim, information about provisions of the protection order that may be

14 b. Information concerning the availability of victim assistance, medical, and  
15 emergency services;

20 committing a crime against the victim, including protective court orders; and

21 e. The right of a victim to request a copy of the police report and other

24 police department based on the status of the case.

25 (7) That, in a case of an alleged sex offense that has not resulted in a conviction or plea

32 (b) The Denver City Attorney's Office shall protect the rights of victims of crimes

6 city attorney to sequester the victim from any critical stage in the case. The city attorney shall  
7 inform the court of the victim's position on the motion or the city attorney's decision, if any. If a

11 (3) That, after a case has been filed, unless inconsistent with the requirements of  
12 investigative activities, the victim is consulted, if practicable, concerning the reduction of charges,  
13 negotiated pleas, diversion, dismissal, or other disposition. The city attorney shall explain to the  
14 victim the possibility that the defendant may not serve the defendant's entire sentence in jail  
15 because the defendant may receive good time credits or earned time while incarcerated. Failure  
16 to comply with this paragraph (3) does not invalidate any decision, agreement, or disposition. This  
17 paragraph (3) shall not be construed as a restriction on or delegation of the city attorney's  
18 authority under the constitution, the laws of this state, the Charter, or the Denver Revised  
19 Municipal Code.

20 (4) That all reasonable attempts are made to protect any victim or the victim's  
21 immediate family from harm, harassment, intimidation, or retaliation arising from cooperating in  
22 the reporting, investigation, and prosecution of a crime. The city attorney shall provide reasonable  
23 efforts to minimize contact between the victim and the victim's immediate family and the defendant  
24 and the relatives of the defendant before, during, and immediately after judicial proceedings.  
25 Whenever possible, a waiting area shall be provided that is separate in both proximity and sight  
26 from that of the defendant, the defendant's relatives, and any defense witnesses.

27 (5) That a victim or an individual designated by the victim may be present at all critical  
28 stages of a criminal proceeding regarding any crime committed against such victim unless the  
29 court or the city attorney determines that exclusion of the victim is necessary to protect the  
30 defendant's right to a fair trial or the confidentiality of juvenile proceedings. If the victim is present,  
31 the court, at the victim's request, may permit the presence of an individual or court facility dog, as  
32 defined in C.R.S. section 16-10-404, to provide support to the victim.

33 a. A victim may be present at the phase of the trial at which the defendant is

1 determined to be guilty or not guilty and may be heard at such phase of the trial if called to testify  
2 by the city attorney, defense, or court if any such statement would be relevant.

3 b. The court shall make all reasonable efforts to accommodate the victim upon  
4 the return of a verdict by the jury. If the court is informed by the city attorney that the victim is en  
5 route to the courtroom for the reading of the verdict, the court shall state on the record that it has  
6 considered the information provided by the city attorney prior to the return of the verdict by the  
7 jury.

8 (6) That, when a victim's property is no longer needed for evidentiary reasons and upon  
9 the request of the victim, such property is returned to the victim within five working days unless the  
10 property is contraband or subject to nuisance abatement or forfeiture proceedings.

11 (7) That, when a victim submits a U-visa certification form pursuant to part 4 of article 4.1 of  
12 Title 24 of the Colorado Revised Statutes, said certification form is timely executed and signed  
13 within the appropriate completion deadlines, pursuant to C.R.S. section 24-4.1-402, and with due  
14 consideration given to relevant factors, pursuant to C.R.S. section 24-4.1-403.

15 (8) That each victim is informed as to the availability of the following services:

16 a. Follow-up support for the victim and the victim's immediate family in order to  
17 ensure that the necessary assistance is received by such persons;

18 b. Services for child victims and elderly victims, and services for victims who are  
19 persons with disabilities, which are directed to the special needs of such victims;

20 c. Referral to special counseling facilities and community service agencies by  
21 providing the names and telephone numbers of such facilities or agencies, whether public or  
22 private, which provide such services as crisis intervention services, victim compensation funds,  
23 victim assistance resources, legal resources, mental health services, social services, medical  
24 resources, rehabilitative services, financial assistance, and other support services;

25 d. Transportation and household assistance to promote the participation of any

1 and, upon request of the victim, information about provisions of the protection order that may be  
2 added or modified and the process for requesting such an addition or modification.

3 (9) That the victim is informed of the following:

4 a. The filing of a case against the person accused of committing any of the  
5 crimes specified in section 14-151(1) against the victim, including an explanation of the charges  
6 when necessary;

7 b. Any of the critical stages as defined in section 14-151(3) of a criminal  
8 proceeding relating to a person accused of a crime against the victim; except that the city attorney  
9 shall not be obligated to inform the victim of any appellate review undertaken by the attorney  
10 general's office;

11 c. Any critical stage as defined in section 14-151(3) relating to a hearing  
12 concerning a petition for the expungement of juvenile records, which records concern a crime

13 proposed to the court for consideration;

15 f. The date, time, and location of any hearing for modification of sentence;  
16 except that a city attorney is not required to inform each victim of a resentencing following a  
17 probation revocation hearing or a request for early termination of probation. For both probation  
18 revocation hearings and requests for early termination, it is the responsibility of the probation  
19 department to notify the victim if the victim has requested post-sentencing notification.

20 1. If a hearing for modification of sentence is not scheduled and the court  
21 has reviewed a written motion for modification of sentence and is considering granting any part of  
22 the motion without a hearing, the court shall inform the city attorney, and the city attorney shall  
23 notify and receive input from the victim to give to the court before the court rules on the motion.

24 2. If the court has reviewed and denied the written motion without a  
25 hearing, the city attorney is not required to notify the victim regarding the filing of or ruling on the  
26 motion.

27 3. This paragraph (f) does not modify the probation department's  
28 responsibility to notify a victim that has opted to receive notifications described in section 14-  
29 153(d).

30 g. Any motion to modify the terms and conditions of an unsupervised deferred  
31 sentence for which the city attorney's office is the monitoring agency. The procedures for notifying  
32 victims outlined in subparagraphs 1. and 2. of paragraph f of this subsection apply to the city  
33 attorney and the court with regard to a motion contemplated in this paragraph g.

6 postconviction DNA testing, the victim shall be notified of the court proceedings by the city  
7 attorney's office that prosecuted the charges resulting in the entry of the judgment of conviction  
8 challenged by the defendant. If the attorney general's office is the agency that decides to conduct  
9 postconviction DNA testing, the attorney general's office is responsible for notifying the victim.

14 by ensuring:

15 (1) That, if practicable, the victim is informed of any pending motion or decision by the  
16 city attorney to sequester the victim from a critical stage in the case. If the city attorney informs the  
17 court that the victim has objected, then the court, before granting the sequestration order, shall  
18 state in writing or on the record that the victim's objection was considered and state the basis for  
19 the court's decision.

21 defined in section 14-151(3), regarding any crime, as specified in section 14-151(1), committed  
22 against such victim unless the court or the city attorney determines that exclusion of the victim is  
23 necessary to protect the defendant's right to a fair trial or the confidentiality of juvenile  
24 proceedings. If the victim is present, the court, at the victim's request, may permit the presence of  
25 an individual or court facility dog, as defined in C.R.S. section 16-10-404, to provide support to the  
26 victim.

27 a. A victim may be present at the phase of the trial at which the defendant is  
28 determined to be guilty or not guilty and may be heard at such phase of the trial and if called to  
29 testify by the city attorney, defense, or court if any such statement would be relevant.

30 b. The court shall make all reasonable efforts to accommodate the victim upon  
31 the return of a verdict by the jury. If the court is informed by the city attorney that the victim is en  
32 route to the courtroom for the reading of the verdict, the court shall state on the record that it has  
33 considered the information provided by the city attorney prior to the return of the verdict by the

1 jury.

3 performed pursuant to C.R.S. sections 18-3-415, 25-4-408(6), or 25-4-412, are disclosed to any

5 comply with the requirements of C.R.S. section 25-4-410(2).

6 (4) That, at any critical stage specified in section 14-151(3), the court inquires whether

10 Criminal Procedure for the production of the privileged records of a victim pursuant to C.R.S.  
11 section 13-90-107 or a subpoena requesting the compensation records of a victim pursuant to  
12 C.R.S. section 24-4.1-107.5, files with the court and serves on any opposing party:

13 a. A copy of the subpoena;

14 b. A certificate stating that the party has a good-faith belief that there is a lawful  
15 basis for issuing the subpoena;

19 d. A motion stating the party's lawful basis for the subpoena and, if subject to a  
20 claim of privilege pursuant to C.R.S. section 13-90-107, a good-faith claim that the victim has

24 records protected by privilege pursuant to C.R.S. section 13-90-107 unless the court finds, based  
25 upon evidence, that a victim expressly or impliedly waived the statutory privilege.

26 a. In considering whether to receive and release any records relating to the  
27 victim, the court shall determine whether:

28 1. There is a reasonable likelihood that the subpoenaed records exists;

29 2. The subpoenaed records are evidentiary and relevant;

30 3. The subpoenaed records cannot be reasonably procured in advance of  
31 the trial despite due diligence;

32 4. The party cannot properly prepare for trial without production and  
33 inspection of the subpoenaed records, and failure to inspect the subpoenaed records in advance

1 may unreasonably delay the trial; and

2 5. The application to review the subpoenaed records is made in good  
3 faith.

4 b. If the court conducts a hearing on the application for the issuance of  
5 subpoenaed records, the court shall proceed only after input from the victim, unless the victim is  
6 unavailable and the court finds that the city attorney notified the victim or made all reasonable  
7 efforts to notify the victim.

8 c. If after the hearing, the court orders the production of records, the court shall  
9 enter orders to set a timeline of no less than seven days for the party to arrange production of the  
10 records to the court; except that the court may order production in less than seven days to avoid  
11 the delay of a jury trial.

12 (7) That, before any hearing regarding any request by the probationer for early  
13 termination of probation or any change in the terms and conditions of probation, the court informs  
14 the probation department and the city attorney's office.

15 (8) That the court provides the victim with translation or interpretation services as  
16 needed during all critical stages of the hearing.

17 (9) That the court requires the defendant to be present by appearing in person, by  
18 phone, or virtually by audio or video, or similar technology, during the sentencing hearing to hear  
19 the victim's impact statement, unless the court excludes the defendant for good cause.

20 (10) That the court or its designee ensures that victim information be provided to any  
21 entity responsible for victim notification after the defendant is sentenced. The court shall notify the  
22 victim of petitions or motions filed to cease sex offender registration pursuant to C.R.S. sections  
23 16-22-103(5) and 16-22-113(2) and (2.5).

24 (d) Denver County Court Probation shall protect the rights of victims by ensuring that,  
25 following a sentence to probation and upon the written request of a victim, the victim is notified of  
26 the following information regarding any person who was charged with or convicted of a crime, as  
27 specified in section 14-151(1), against the victim:

28 (1) The location and telephone number of the probation department responsible for the  
29 supervision of the person;

30 (2) The date of the person's termination from probation supervision;

32 or period of probation, including notification of the victim's right to be present and heard at the  
33 hearing and notification of the results of such a hearing. If a hearing is not scheduled and the court

1 has reviewed a written motion for early termination of probation and is considering granting the  
2 motion without a hearing, the court shall inform the probation department and the city attorney's  
3 office, and the probation department shall notify and receive input from the victim to give to the  
4 court before the court rules on the motion. If the court has reviewed and denied such a request  
5 without a hearing, the probation department is not required to notify the victim regarding the filing  
6 of or ruling on the request.

7 (4) Any probation revocation or modification hearing at which the person's sentence  
8 may be reconsidered or modified and any changes in the scheduling of the hearings, including  
9 notification of the victim's right to be present and heard at the hearing and notification of the  
10 results of such a hearing. If a hearing is not scheduled and the court has reviewed a written  
11 motion for modification of sentence and is considering granting any part of the motion without a  
12 hearing, the court shall inform the probation department and the city attorney's office, and the  
13 probation department shall notify and receive input from the victim to give to the court before the  
14 court rules on the motion. If the court has reviewed and denied the written motion without a

16 on the motion.

18 to modify the terms and conditions of probation as described in C.R.S. section 18-1.3-204 or 19-

9 underlying factual basis of which includes an act of domestic violence, the city attorney who  
10 initially meets with the victim after the charges are filed should make a reasonable effort to remain  
11 the prosecuting attorney throughout the proceeding. Failure to comply with this subsection (b)  
12 does not invalidate any decision, agreement, or disposition in the case. This subsection (b) shall  
13 not be construed as a restriction on or delegation of the city attorney's authority under the  
14 constitution, the laws of this state, the Charter, or the Denver Revised Municipal Code.

15 (c) Guilty or nolo contendere pleas. A person charged with the commission of a crime,  
16 the underlying factual basis of which includes an act of domestic violence, shall not be entitled to  
17 plead guilty or nolo contendere to an offense which does not include the domestic violence  
18 designation required in C.R.S. section 16-21-103, unless the city attorney makes a good faith  
19 representation on the record that the city attorney would not be able to establish a prima facie

21 finding by the court.

5 violence, the court shall order the defendant to refrain from possessing or purchasing any firearm  
6 or ammunition in accordance with the provisions of C.R.S. section 18-6-801(8).

8 underlying factual basis of which has been found by the court on the record to include an act of  
9 domestic violence, the person shall be ordered, as a condition of probation, to complete a  
10 treatment evaluation and treatment program that has been approved by the state domestic  
11 violence offender management board or other similar board created by statutes of the state.  
12 Nothing in this section shall preclude the court from ordering such treatment in any appropriate  
13 case. Conditions of probation shall be consistent with the conditions described in C.R.S. section  
14 18-1.3-204(2).

15           (5) Nothing in this subsection is intended to prohibit a court from ordering a deferred  
16 sentence for a person accused or convicted of a crime, the underlying factual basis of which has  
17 been found by the court on the record to include an act of domestic violence.

18           (e2) Habitual domestic violence offender. Any municipal violation that includes an act of  
19 domestic violence is a class 1 offense if the defendant, at the time of sentencing, has been  
20 previously convicted of two (2) or more prior offenses that included an act of domestic violence  
21 and that were separately brought and tried and arising out of separate criminal episodes.

23 attorney. For the purposes of this section, "conviction" includes any federal, state, or municipal  
24 conviction for a felony, misdemeanor, or municipal ordinance violation.

25           (2)-b. For trials in cases alleging that the defendant is a habitual domestic violence  
26 offender pursuant to this subsection (2), the trier of fact shall determine whether an offense  
27 charged includes an act of domestic violence.

28           (3)-c. Following a conviction for an offense which underlying factual basis includes an act  
29 of domestic violence:

30           a1. If any prior conviction included a determination by a jury or was admitted by  
31 the defendant that the offense included an act of domestic violence, the court shall proceed to  
32 sentencing without further findings as to that prior conviction by the jury or by the court, if no jury  
33 trial was had;

1           ~~b2.~~ For any prior conviction in which the factual basis was found by the court to  
2 include an act of domestic violence, but did not include a finding of domestic violence by a jury or  
3 that was not admitted by the defendant, the trial court shall proceed to a sentencing stage of the  
4 proceedings. The prosecution shall present evidence to the trier of fact that the prior conviction  
5 included an act of domestic violence. The prosecution has the burden of proof beyond a  
6 reasonable doubt.

7           ~~c3.~~ At the sentencing stage, ~~referenced in paragraph 2 of this sub-subsection c.~~  
8 the following applies:

9           ~~1. i.~~ A finding of domestic violence made by a court at the time of the prior  
10 conviction constitutes prima facie evidence that the crime involved domestic violence;

12 certified documents under seal, or the court may take judicial notice of a prior conviction;

13           ~~3. iii.~~ Evidence admitted at the guilt stage of the trial, including testimony of  
14 the defendant and other acts admitted at trial, may be considered by the finder of fact.

15           ~~(4) d.~~ Any person convicted as an habitual domestic violence offender under this  
16 subsection (2) for a third or subsequent domestic violence offense shall, for each offense, be  
17 sentenced in accordance with the provisions of section 1-14 of this Code.

18           ~~(f) Additional responsibilities of the court. In any case filed with the court, the underlying~~  
19 ~~factual basis of which includes an act of domestic violence as defined in section 14-68(a), the~~
