COUNCIL BILL NO. CB23-1802
COMMITTEE OF REFERENCE:
Finance & Governance

A BILL

For an ordinance making a rescission from completed or deferred capital improvement projects.

WHEREAS, each year, the Capital Planning and Programming Division of the Department of Finance conducts an annual review of Project and Capital Program Budgets to perform regular cleanups of remaining unspent funds on completed projects; and

WHEREAS, in certain instances, funding may remain where project contingency was not fully expended, or project costs came in under initial estimates; and

WHEREAS, specific language within the appropriation limits these funds from being spent further; and

WHEREAS, this rescission is a companion to the 2024 Annual Appropriation Ordinance No. 1682, Series of 2023, and releases these dollars from completed projects so the remaining funds can be used to support other projects in 2024; and

WHEREAS, the City wishes to rescind \$4,196,356.20 in savings from completed capital improvement projects;

NOW, THEREFORE, BE IT ENACTED BY THE COUNCIL OF THE CITY AND COUNTY OF DENVER:
