The CCD shall complete budget preparation and analysis and inform the JSPC monthly of budgetary trends and expenditures.

The CCD shall bill eligible costs monthly to the Division of Youth Services for reimbursement from the State.

The CCD shall utilize a variety of accounting procedures, such as, cash reconciliation, shared expense allocation, rent/lease routine, debit card journal, petty cash register, and payroll expense allocation at minimum 6 times per year to ensure accurate tracking and reporting of income and expenditures.

1. Accounting systems

The CCD shall utilize a double entry accounting system that complies with Generally Accepted Accounting Principles (GAAP). The initial review of the program-related expenditures will be completed by the CYDC coordinator. Upon completion of their review, the CYDC coordinator will give all approved expenditures to the Program Manager who will review all operational programmatic and payroll expenditures to ensure each expenditure is allowable based on the contract and contains the appropriate backup to support the expenditure. Once approved by the Program Manager, the expenditures will be given to the fiscal manager within the Department of Safety Office who will allocate the expenditure to the appropriate budget line item in the DYS Excel Budget Development and Tracking System. Prior to distribution of payment, the Program Manager will complete a final review to ensure expenditures have been coded appropriately.

The CCD shall employ numerous fiscal safeguards and accountability procedures to reduce the risk of fraud and ensure accurate financial records. These safeguards and procedures shall include the segregation of duties, safeguarding of cash, account reconciliation, regular review of transactional data, and other policies and procedures aimed at strengthening the internal control environment. The CCD's internal control structure shall be reviewed annually by an independent third-party CPA firm.

The CCD records shall always be current and available for inspection. An independent CPA firm shall perform an annual audit of the CCD financial statements, which includes auditing the books and records of all CYDC programs managed by CCD.

In the event there is a discrepancy in regard to financial reporting, the Program Manager will review the discrepancy with the CYDC Coordinator and service provider to resolve the issue in a timely manner. A monthly financial report will be provided to the CYDC Coordinator which will be reviewed with the Program Manager. The report will also be provided to the Juvenile Services Planning Committee (JSPC) for distribution at the monthly JSPC meetings. The Program Manager will provide an oral report out on the monthly financial statements and will be available to answer any questions.

2. Cash flow

The CCD shall use appropriated city dollars to cover all CYDC expenditures which will expedite payment to service providers as well as ensure all CYDC staff are paid according to the city payroll schedule.

B. Employment Services

The CCD shall provide all human resources related services for any employees working on behalf of this contract. Services shall include, but are not limited to, payroll and benefits administration, compensation management, compliance, onboarding, offboarding, training, and evaluations.

1. Quality Assurance

Staff training needs are assessed annually with the 2nd Judicial District's CYDC Coordinator. All employees in the 2nd Judicial District CYDC program shall be required to complete training related to new employee orientation, HIPAA, Motivational Interviewing, CJRA and TRAILS. On an annual rotating basis, the CCD shall coordinate training for employees on various topics related to their work.

To record and facilitate efficient time management and paid leave reporting, a monthly web-based timesheet shall be used by each employee to track hours worked and paid and/or unpaid leave taken. The timesheet shall account for overtime hours (per Fair Labor Standards Act) when worked within the defined workweek. This timesheet shall be submitted by the employee and approved by their supervisor and shall provide the base documentation for the payroll process. The CCD shall review these timesheets for accuracy and alignment with position requirements as stated in the annual CYDC and MTR and TSF Plans.

The CCD shall supervise the CYDC Coordinator and work with the 2nd Judicial District's JSPC to implement the annual plan and ensure that tasks are performed effectively, timely and accurately. Supervision of line-staff is the responsibility of the CYDC Coordinator and/or their designee. Supervisors shall conduct annual performance evaluations of their staff. Copies shall be forwarded to the CCD for review and kept in the employee's personnel file.

The CCD annual performance evaluation of the CYDC Coordinator is based on the job description criteria and expectations stated in the local JSPC's RFP requirements and annual plan. A document shall be created and disbursed via email to select JSPC members, staff, agencies, and law enforcement individuals for performance feedback. The results shall be compiled and reviewed with the Coordinator and appropriate JSPC member(s). Future goals for improvement and career growth shall be discussed and stated in writing by the Coordinator and referenced in future evaluations. Copies shall be forwarded to the CCD for review and kept in the Coordinator's personnel file.

The CCD, as the CYDC Coordinator's employer of record, shall require that performance and employment issues be processed through the CCD's Human Resource Department for compliance with policies and procedures and employment law.

Direct supervision of line-staff shall be the responsibility of the CYDC Coordinator and/or their designee. The CCD shall provide guidance and advice relating to personnel and workplace issues.

2. Role with JSPC

The CCD shall engage in a shared process with the JSPC regarding the selection and supervision of the CYDC Coordinator and staff.

The JSPC defines the job expectations of the Coordinator. The CCD, as the employer of record, shall be responsible for the supervision of the Coordinator but shall rely on input from the JSPC through formal (performance evaluation process) and informal communication when determining if performance goals are being met.

When it comes to line staff, the JSPC, in the process of plan development, defines the CYDC personnel positions and core responsibilities of each position. The CCD shall use the plan to create job descriptions for each of the approved positions. These job descriptions shall be the criteria for the supervision and oversight of CYDC employees throughout the plan year.

C. Subcontracts

The CCD shall negotiate and execute contracts with service providers identified by the Coordinator and the 2nd Judicial District's JSPC as necessary to fulfill the annual CYDC, MTR, and TSF Juvenile Services Plans.

1. Quality Assurance for Provision of Services

On an annual basis, the CCD shall utilize a business attorney to assist with the review of their subcontractor agreement that is used to engage service providers. The primary purpose of the review is to ensure that the subcontract agreement adheres to the same standards/requirements contained in the CCD contract with the State, including, but not limited to, indemnifying, and holding the State harmless.

The CCD shall require all subcontractors to provide a proposal that outlines the services to be provided and the fees for each service, as well as proof that the required insurances, background checks and other requirements are met per the contract. A secure cloud-based contract management system shall be utilized to assist with compliance reminders, allowing the Coordinator instant access to review contracts. Throughout each contract year a review of subcontractors, the available services, and needs of the community shall be addressed with the Coordinator and Juvenile Services Planning Committee.

The CCD shall work directly with the CYDC Coordinator to review service provider performance and compliance. All contracts entered for CDYC programming shall be fee-for-service. When a service provider fails to meet outcomes or compliance requirements the coordinator may elect to discontinue referrals to the noncompliant service provider.

2. Quality Assurance for Following Policy 1.6 and Insurance

The CCD shall maintain subcontractor files and monitor subcontractors at least three times a year for compliance with contract requirements as well as adherence to service provision expectations.

New employee information for both the CCD and subcontractors shall be submitted to the designated DYS Regional Office. The Regional Office shall submit a request to the Colorado Department of Human Services Background Investigation Unit to complete the background check required by the State of Colorado and DYS, as a State Agency.

The CCD shall participate in the E-Verify system used to verify employee identity and employment authorization and, per Colorado Revised Statute (C.R.S) 8-2122, shall complete an Affirmation of Legal Work Status form for all new employees.

The CCD shall ensure that insurance shall be maintained by contracted providers according to the same terms and conditions that the CCD has with the State Division of Youth Services, Policy 1.6.
