10

11 **BE IT ENACTED BY THE COUNCIL OF THE CITY AND COUNTY OF DENVER:**

12 **Section 1.** That chapter 24, article II shall be amended by adding the language underlined, to
13 read as follows:

14 **Sec. 24-16. - General powers and duties.**

15 (a) The manager of public health and environment, as provided under the Charter, shall
16 exercise a general supervision over the public health and environment of the city, and shall have full
17 power:

18 (1) To take all measures necessary to promote the health and cleanliness of the city and its
19 inhabitants and visitors;

20 (2) To abate all nuisances related to public health and environment of every description on
21 public and private property;

23 infectious diseases, and to remove, detail, isolate or quarantine any person attacked by or having any
24 such disease, or who has been exposed thereto;

25 (4) To adopt in reference to any such person, any rules, regulations, restrictions or
26 measures that may by the manager be deemed advisable;

27 (5) To procure suitable shelter in cases of public health and environment emergencies and
28 to establish rules and regulations for the government of the same; and

29 (6) To prevent, by such rules or regulations as the manager may deem expedient and adopt,
30 the introduction or the spreading of contagious or infectious diseases within the city and its environs.

31 (7) It shall be unlawful for any person to violate a rule or regulation adopted by the manager
32 pursuant to this section.

33 (b) The manager may not order the removal of any shelter, as defined in section 38-
34 86.2(e)(1), if forty-eight (48) hours prior to the order of removal the external ambient temperature is
35 predicted by the National Weather Service to be thirty-two (32) degrees Fahrenheit or lower during the

1 period when the removal will occur or within two (2) hours after anticipated completion of the removal.

2 (1) It shall be an exception to this subsection (b) if the manager certifies in the order of
3 removal, by reasons of facts stated in writing, that removal of a shelter is necessary to mitigate a
4 condition that would cause greater imminent peril to the health or safety of any person than the threat
5 to health posed by exposure to existing weather conditions.

6 (2) Nothing in this subsection (b) shall prohibit an agency or department from offering
7 medical or human services assistance, including but not limited to, mental health treatment, drug or
8 alcohol rehabilitation, homeless services assistance, or temporary or permanent housing solutions
9 regardless of the external ambient temperature.

10 **Section 2.** That chapter 38, article III, division 1 shall be amended by deleting the language
11 stricken, and adding the language underlined, to read as follows:

12 **Sec. 38-86.2. - Unauthorized camping on public or private property prohibited.**

13 (c) No law enforcement officer shall issue a citation, make an arrest, or otherwise enforce
14 this section against any person unless:

15 (1) The external ambient temperature is predicted by the National Weather Service to be
16 thirty-two (32) degrees Fahrenheit or higher during the period of citation, arrest, or other enforcement;
17 or

18 (2) The manager of the Department of Public Health and Environment has certified, by
19 reasons of facts stated in writing, that enforcement is or was necessary to mitigate a condition that
20 would cause greater imminent peril to the health or safety of any person than the threat to health
21 posed by exposure to existing weather conditions; and

22 ~~(1)(3)~~ The officer orally requests or orders the person to refrain from the alleged violation of this
23 section and, if the person fails to comply after receiving the oral request or order, the officer tenders a
24 written request or order to the person warning that if the person fails to comply the person may be
25 cited or arrested for a violation of this section; and

26 ~~(2)(4)~~ The officer attempts to ascertain whether the person is in need of medical or human
27 services assistance, including, but not limited, to mental health treatment, drug or alcohol
28 rehabilitation, or homeless services assistance. If the officer determines that the person may be in
29 need of medical or human services assistance, the officer shall make reasonable efforts to contact and
30 obtain the assistance of a designated human service outreach worker, who in turn shall assess the
31 needs of the person and, if warranted, direct the person to an appropriate provider of medical or
32 human services assistance in lieu of the person being cited or arrested for a violation of this section. If
33 the officer is unable to obtain the assistance of a human services outreach worker, if the human
34 services outreach worker determines that the person is not in need of medical or human services

1 assistance, or if the person refuses to cooperate with the direction of the human services outreach
2 worker, the officer may proceed to cite or arrest the person for a violation of this section so long as the
3 warnings required by paragraph (43) of this subsection have been previously given.

4 (d) Nothing in subsection (c) above shall be construed to prohibit an agency or department
5 from offering medical or human services assistance, including but not limited to, mental health
6 treatment, drug or alcohol rehabilitation, homeless services assistance, or temporary or permanent
7 housing solutions regardless of the external ambient temperature.

8 (de) For purposes of this section:

13 in this article, "manager") is authorized to remove or to order the removal of any article, vehicle or thing
14 whatsoever encumbering any street, alley, sidewalk, parkway or other public way or place (any such
15 thing hereinafter in this article to be called an "encumbrance"). The manager may prescribe
16 appropriate methods, specifications, placement and materials for encumbrances in the public right-of-
17 way.

18 (b) The manager may not order the removal of any shelter, as defined in section 38-
