To Community Planning and Development:

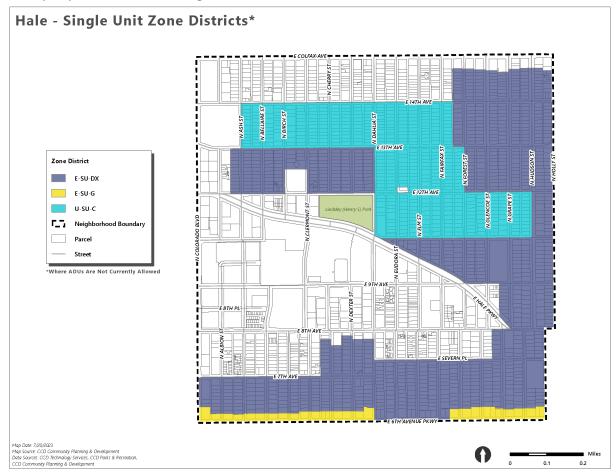

We are asking Community Planning and Development to prepare a rezoning of the single unit residential zone districts in the Hale statistical neighborhood to allow for accessory dwelling units (ADUs). This request encompasses the single-unit properties in the legal description of this application.

We recognize ADUs as a tool to help provide wealth-building opportunities and affordable housing, two items the community identified as important during the East Area Plan. To gauge the community's opinions on a potential rezoning, our offices worked closely with Hale residents as well as community partners as we considered the role ADUs could play. We utilized a variety of methods to solicit feedback from the community including townhall meetings with translation services, a survey, a website, social media, district newsletters, door flyers, and mailers. We addressed questions regarding possible unintended consequences, worked directly with numerous agencies to discuss concerns, including the Denver Fire Department, the Assessor's Office, Community Planning and Development, HOST, the West Denver Renaissance Collaboration, and Excise and Licenses and shared these entities' feedback with the community.

In reviewing community feedback, we have documented neighborhood support for the proposed rezoning. With this support from the community, we are excited to sponsor this legislative rezoning on behalf of Hale.

Sincerely,

Councilwoman Amanda Sawyer

## Hale properties zoned single unit to be rezoned to allow for ADUs

## Hale Rezoning Application

#### 1. Consistency with Adopted Plans

The following adopted plans apply to this application:

- Denver Comprehensive Plan 2040 (2019)
- Blueprint Denver (2019)
- Housing an Inclusive Denver (2018)
- East Area Plan (2020)

#### Overview

Several of the adopted plans, detailed below, recommend allowing accessory dwelling units (ADUs) as one tool in a broader strategy to diversify the types of housing that are available and provide affordable housing options. This rezoning, which is intended to allow ADUs throughout the Hale neighborhood, removes the barrier of zoning to building ADUs.

#### Denver Comprehensive Plan 2040

Comprehensive Plan 2040 lays out the City's overarching planning vision for the next 20 years. This rezoning is in alignment with the following recommendations:

#### **Equitable, Affordable and Inclusive**

Goal 2, Strategy A – "Create a greater mix of housing options in every neighborhood for all individuals and families" (p. 28).

Goal 2, Strategy D – "Increase the development of senior-friendly and family-friendly housing, including units with multiple bedrooms in multifamily developments" (p. 28).

 E-SU-D1x, E-SU-G1, and U-SU-C1 will allow Hale to add a new housing type: accessory dwelling units (ADUs). ADUs can house individuals or families from a variety of incomes, ages, and needs; adding variety in a neighborhood that is currently primarily single-unit homes.

#### **Strong and Authentic Neighborhoods**

Goal 1, Strategy B – "Ensure neighborhoods offer a mix of housing types and services for a diverse population" (p. 34).

This rezoning would create another option for homeowners to diversify the
current housing stock in Hale. ADUs add additional housing to the neighborhood
and create an option that is less expensive than home ownership which might
not be possible or desirable for all residents of Hale.

#### **Environmentally Resilient**

Goal 8, Strategy A – "Promote infill development where infrastructure and services are already in place" (p. 54).

 ADUs are built on property that has already been developed instead of using greenfield development. ADUs are also able to tap into existing infrastructure and services in established neighborhoods.

#### **Blueprint Denver**

Blueprint Denver was adopted in 2019 as a supplement to Comprehensive Plan 2040 and establishes an integrated framework for the city's land use and transportation decisions. There are four key components of Blueprint Denver that apply to this rezoning application:

#### Land Use and Built Form: Housing

Recommendation 4 – "Diversify housing choice through the expansion of accessory dwelling units throughout all residential areas" (p. 84).

• This rezoning will allow ADUs to be built on any lot previously zoned for single-unit housing which is the majority of the neighborhood's housing stock.

Recommendation 5 – "Remove barriers to constructing accessory dwelling units and create context-sensitive form standards" (p. 84).

- Strategy A recommends "consider[ing] programs and resources to help reduce barriers to ADUs for homeowners" (p. 84).
- This legislative rezoning removes the burden on individual homeowners to rezone their own property (saving them time and money) and instead rezones an entire neighborhood at once

#### Land Use and Built Form: General

Recommendation 5 – "Integrate mitigation of involuntary displacement of residents and/or businesses into major city projects" (p. 74).

 A zone district allowing for ADUs would support homeowners in building wealth, thus reducing the potential for involuntary displacement. This rezoning proposal also gives homeowners the opportunity to add living space and potential income without having to modify their existing homes.

Recommendation 11 – "Implement plan recommendations through city-led rezonings and text amendments" (p. 79). 3

This is a city-led legislative rezoning.

#### **Neighborhood Context**

Urban Edge — "The urban edge context areas are predominantly residential and tend to act as a transition between urban and suburban areas" (p. 205). The urban edge context hosts "single-unit and two-unit uses, with some low-scale multi-unit embedded throughout" (p. 206).

 ADUs are consistent with the future neighborhood context identified in Blueprint Denver for Hale. Hale is an urban edge context and E-SU-D1x and E-SU-G1 are zone districts within the urban edge context. The E-SU-D1x and E-SU-G1 rezoning in this proposal is consistent with the identified neighborhood context in that it allows two-unit residential uses in addition to the existing single-unit uses.

Urban – "Homes vary from multi-unit developments to compact single-unit homes. Development in this context should be sensitive to the existing neighborhood character and offer residents a mix of uses, with good street activation and connectivity. Residents living in this context have access to varied transit options and amenities."

 ADUs are consistent with the future neighborhood context identified as the increase in diversity of housing stock matches with the existing character of housing diversity in the Hale neighborhood.

#### **Future Place**

Urban Edge - Low and Low-Medium Residential — "Predominantly single- and two-unit uses on small or medium lots. Accessory dwelling units and duplexes are appropriate and can be thoughtfully integrated where compatible" (p. 214) & "Mix of low- to midscale multi-unit residential options. Small-scale multi-unit buildings are interspersed between single- and two-unit residential" (p. 214).

• Hale is designated as a Low and Low-Medium Residential area on the future places map. E-SU-D1x and E-SU-G1 are single-unit residential districts that allow for an additional dwelling unit accessory to an established single-family home, which is consistent with the Low and Low-Medium Residential future place description. This zoning would allow the Urban House building form, which has a maximum height of 2.5 stories. E-SU-D1x allows the Suburban House building form, which has a maximum height of 2.5 stories, and is also consistent with the future places map.

Urban – Low Residential, "Predominately single- and two-unit uses on smaller lots. Accessory dwelling units and duplexes are appropriate and can be thoughtfully integrated where compatible" (p. 230).

• The plan itself calls for ADUs as appropriate here in the future places in Hale.

#### **Street Type**

Local – "Local streets are designed for the highest degree of property access and the lowest amount of through movement" (p. 154).

Residential – "Primarily residential uses, but may also include schools, civic uses, parks, small retail nodes and other similar uses. Buildings on residential streets usually have a modest setback" (p. 160).

Mixed-Use – "Driveways are more frequent than main streets but still limited to provide a friendly street for people walking or rolling and riding bicycles" (p. 159).

Main – "Characterized by a mix of uses including retail, services and restaurants, as well as residential" (p. 158).

Street types indicate the "appropriateness of the intensity of the adjacent development" (p.67). Hale has majority local and residential streets, as well as residential arterial (6th Ave, 13<sup>th</sup> Ave, & 14<sup>th</sup> Ave), residential collector (Hale Pkwy), Mixed-Use Arterial (Colorado Blvd) and main street arterial (Colfax Avenue). ADUs are an appropriate intensity level of development for these street types.

#### **Growth Area Strategy**

All Other Areas of the City – "10% jobs and 20% housing by 2040" (p. 51).

• Growth Area Strategy identifies the aspiration for future growth distribution in Denver (p. 51). Hale is part of the "All other areas of the city" and "Community Centers and Corridors" growth areas. These areas anticipate experiencing around 20% & 25% of new housing growth and 10% % 20% of new employment growth, respectively, by 2040 (p. 51). This growth area is "mostly residential areas with embedded local centers and corridors, [and] take a smaller amount of growth intended to strengthen the existing character of our neighborhoods" (p. 49). The proposed rezoning to E-SU-D1x, E-SU-G1, and U-SU-C1 will support low to medium intensity growth.

#### **Access to Opportunity**

Less Access – "...it is important to guide change in ways that increase access to basic goods, services and amenities to improve quality-of-life" (p. 35).

Hale is rated as having less access on the equity index which measures "social determinants of health (including educational attainment and income level); access to parks and full-service grocery stores; access to first trimester health care; childhood obesity; and life expectancy" (p. 35). Hale includes Colfax Avenue and Colorado Blvd, major transit and retail corridors. Adding the ability to build ADUs will increase the housing stock and availability of homes near transit, neighborhood parks, and retail centers.

#### **Vulnerability to Involuntary Displacement**

More vulnerable – This rating is based on the median household income, percentage of renters, and percentage of population with less than a college degree (p. 54).

 A zone district allowing for ADUs would support homeowners in building wealth, thus reducing the potential for involuntary displacement. This rezoning proposal also gives homeowners the opportunity to add living space and potential income without having to modify their existing homes.

#### **Housing Diversity**

Moderate Diversity – This rating is based on Hale missing middle-density housing, less home size diversity, disproportionate ownership vs. renting, housing costs, and affordable units.

 This zoning proposal will rezone all E-SU-DX, E-SU-G, and U-SU-C lots in Hale to E-SU-D1x, E-SU-G1, and U-SU-C1 to allow for ADUs. This will help address the need for missing-middle housing. The new zone district would allow for more diverse housing options for families of different sizes, ages, and incomes, especially by providing a smaller, lower-cost option for tenants.

#### **Job Diversity**

• Hale has more retail than the city's overall job mix. The proposed rezoning will not have a direct impact on job diversity in the neighborhood.

#### Housing an Inclusive Denver

Housing an Inclusive Denver "outlines strategies to create and preserve strong and opportunity-rich neighborhoods with diverse housing options that are accessible and affordable to all Denver residents" (p. 6). There are two recommendations from this plan that this proposal supports:

#### **Land-use Regulations**

Legislative and Regulatory Priorities, Recommendation 2 – "Expand and strengthen land-use regulations for affordable and mixed-income housing. Through Blueprint Denver and supplemental implementation actions such as zoning modifications, the City should support land-use regulations that incentivize affordable and mixed-use housing, including expanding the development of accessory dwelling units."

 This zoning proposal supports the goal of creating affordable and mixed-income housing options by modifying zoning to allow homeowners the option to build accessory dwelling units, adding housing stock across a variety of price points.

#### **Attainable Homeownership**

Recommendation 1 — "Promote programs that help households maintain their existing homes. The City and its partners should target existing homeowner rehabilitation programs to residents in vulnerable neighborhoods, promote financial literacy education for prospective and existing homeowners, and promote the development of accessory dwelling units as a wealth- building tool for low and moderate-income homeowners."

 This zoning proposal allows homeowners in a vulnerable neighborhood to build accessory dwelling units, creating the opportunity for homeowners to build wealth and maintain their existing homes.

#### East Area Plan

The East Area Plan addresses a geographic area that includes the Hale neighborhood. This plan "provides a vision and policy guidance for land use, urban design, housing, mobility, parks, and the local economy for the next 20 years" (p. 2). There are six recommendations from this plan that this proposal supports:

#### **Zoning and Regulations**

Recommendation L6 — "Ensure East Area neighborhoods are inclusive places by thoughtfully integrating compatibly-designed missing middle housing and accessory dwelling units (ADUs) in appropriate locations" (p. 39). Part D recommends we "implement adopted citywide polices in *Blueprint Denver* to diversify housing choice through expansion of ADUs throughout all residential areas while also addressing context-sensitive ADU design and removing barriers to ADU construction. 1. While

missing middle housing (2-4 units) should be integrated into appropriate locations, ADUs should be allowed on all lots. 2. Until a citywide ADU approach is complete, consider neighborhood-wide rezonings to allow ADUs" (p. 39).

• This zoning proposal will rezone all single unit lots in Hale to allow for ADUs. This will help address the need for missing-middle housing.

#### **Affordable Housing**

Recommendation E1 – "Stabilize residents at risk of involuntary displacement" (p. 52). Part D recommends we "Integrate resources and strategies to address equity considerations and mitigate involuntary displacement of residents with the implementation of major City investments and projects, including regulatory changes, legislative rezonings, and transportation infrastructure improvements. Strategies include incentives or requirements for affordable housing and targeted engagement to connect vulnerable residents with resources" (p. 52).

• This proposed legislative rezoning supports the creation of additional income sources for homeowners who are at risk of involuntary displacement while also providing tenants with increased access to lower-cost housing options in the neighborhood. The Hale neighborhood includes Hale Avenue, a major transit corridor that is slated for significant infrastructure improvements and the neighborhood has been identified as at risk of involuntary displacement.

Recommendation E3 – "Create new affordable housing with access to transit and amenities" (p. 53). Part D, section 3 says, "Ensure new affordable housing meets community needs, including: Designed to accommodate a range of households, including families, multi-generational living, aging in place, residents with disabilities, and residents needing supportive services." (p. 53).

ADUs accomplish this goal by increasing the housing stock and allowing families
to house relatives close to home in a neighborhood, like Hale, with many transit
options nearby.

Recommendation E4 – "Expand diversity of housing types and affordability to support households of different sizes, ages, and incomes in all neighborhoods" (p. 54). Part C recommends we "Integrate accessory dwelling units (ADUs) and missing middle housing in appropriate locations (See Policy L6) with strategies for affordability and wealth-building for low- and moderate-income residents, such as: 1. Providing technical assistance and reducing barriers in permitting and construction for existing homeowners. 2. Exploring an adaptation of the West Denver Single Family Plus (WDSF+) ADU pilot program that provides technical assistance and financial incentives to help existing homeowners build ADUs. An East pilot program should offer forgivable loans or grants in exchange for a long-term affordability commitment, pre-approved prototype designs (with universal design features), and streamlined access to lenders and builders" (p. 54).

 This zoning proposal removes barriers for homeowners to add diverse housing stock in Hale, allowing for more diverse living arrangements and increased options for families of different sizes, ages, and incomes. This legislative rezoning would reduce structural and financial barriers by eliminating the need for homeowners to pursue individual rezonings.

#### Hale Land Use

Recommendation H-L2B – "Integrate accessory dwelling units and missing middle housing in appropriate locations" (p. 187).

• Single unit zoned areas are appropriate for ADUs as they will gently add density and missing middle housing.

#### **Hale Economy**

Recommendation H-E3 – "Create new affordable housing with access to transit and amenities" (p. 190).

 ADUs contribute to affordable housing by increasing the housing stock of a neighborhood and Hale is an excellent neighborhood for access to transit with two planned BRT lines bordering it.

Recommendation H-E4 – "Expand diversity of housing types and affordability to support households of different sizes, ages, and incomes in all neighborhoods." (p. 190)

• ADUs expand the housing diversity of a neighborhood and help to support affordability by increasing the supply of housing.

#### **Future Places**

Low Residential: Single-Unit – "This subcategory is recommended in areas where single-unit homes with accessory dwelling units are appropriate" (p. 27).

Low-Medium Residential: Two-Unit – "these places include a mix of low- to mid-scale multi-unit residential options and some single- and two-unit homes" (p. 27).

 Hale has the above future place designations. The majority of Hale's residential properties could support accessory dwelling units. This proposal removes barriers to allow homeowners to build ADUs in line with the recommendation.

#### 2. Uniformity of District Regulations and Restrictions

The proposed rezoning would result in the uniformity of district regulations and restrictions.

#### 3. Public Health, Safety and General Welfare

Rezoning Hale to allow for ADUs supports the public health, safety and general welfare of the community. ADUs prevent involuntary displacement and provide wealth-building opportunities. Low- and moderate-income homeowners can create an additional avenue for income on their property by building an ADU. Homeowners are then able to stay on their property and build generational wealth. ADUs increase affordable housing options, allowing tenants to stay housed in the community of their choice. Older adults can age in place, near family if desired. This adds to emotional, financial, and physical wellbeing while simultaneously providing privacy and keeping families together.

ADUs create a sustainable and environmentally friendly housing option due to their smaller size compared to single and multi-family homes. Additionally, ADUs are built on property that has already been developed instead of using greenfield development. ADUs are also able to tap into existing infrastructure in established neighborhoods.

ADUs maintain the character of the neighborhood because they are located behind the main house of the property. Current research shows ADUs provide a housing option that does not add to parking issues in neighborhoods as well.

# Hale ADU Survey Data

DENVER DISTRICT 5 \* CONNECTING PEOPLE & GOVERNMENT

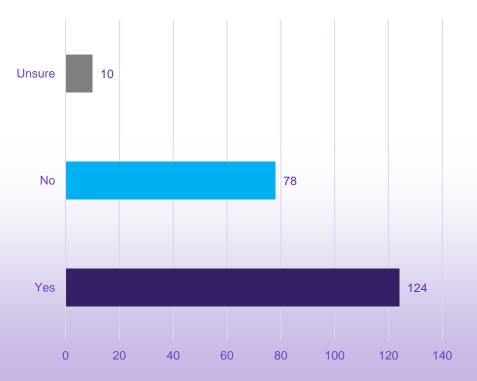

# **Overall Statistics**

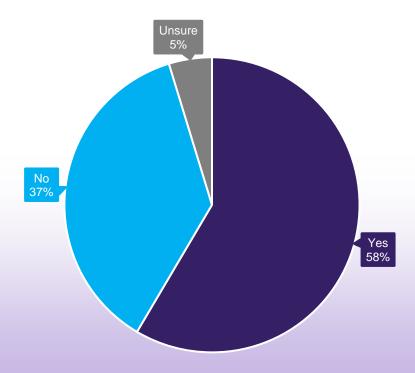

- 382 Total responses
- 212 Responses were considered
- Denver Assessor has 1457 unique parcels in Hale and Census data says approximately 6000 people live in statistical neighborhood.
- Survey represents  $\sim$  14% of parcels in subject area and  $\sim$  4% of the population.
- At 95% confidence levels the margin of error for these data is 6.5%

## Hale Respondents Heat Map

# **Comments – General**

## People in support

 Most people cited increasing housing stock or value add to their property as the reason they are in favor.

## People in opposition

 Had the same reasons as why they wouldn't build one, detriments of increased density and loss of neighborhood character.

# **Conclusions**

- This survey accurately reflects the neighborhood based on the statistical analysis and by observing the spread of responses evenly across the neighborhood and the size of the sample.
- Even with the margin of error maxed out we could still expect support to be over 50%.

## **Appendix B: Survey Comments**

See attached comments N.B. some comments are from respondents outside the Hale neighborhood.

47	I could potentially be on-board with allowing ADUs on property, but you absolutely have to address parking as an issue before giving blanket approval. If you're going to double the number of livable units on an already overburdened street, you can't just assume everyone is going to have room to park their 2 additional cars per unit on the street. It's not feasable. I like ADUs for increasing affordability and flexibility in an expensive Denver housing market, but NOT WITHOUT FINDING PARKING SOLUTIONS FIRST. Otherwise, people will not be able to access their homes from the street.	9/18/2023 8:35 AM
48	I don't own property. But I would definitely rent an ADU if it were affordable. And , in general, Denver needs more affordable housing everywhere. I think ADUs could be a good piece of the puzzle to help address our housing crisis.	9/18/2023 7:52 AM

50	Not qualify	9/18/2023 1:15 AM
51	I'm not interested in one on my property	9/17/2023 10:03 PM
52	Do not see a need for it in our lives now or in the future	9/17/2023 8:34 PM
53	Not a single family home	9/17/2023 8:03 PM

54	There is enough building on property on EColfax. The infrastructure can not accommodate all this building and the most important is what the water situation for Colorado and Denver	9/17/2023 6:46 PM
55	I don't live in the boundary.	9/17/2023 5:04 PM
56	My property is not zoned as single family. I would love to build an ADU over my garage though and would be great addition to my property.	9/17/2023 4:01 PM
57	There isn't enough room on the lot	9/17/2023 3:41 PM
58	Renting	9/17/2023 3:11 PM
59	Most properties are not large enough to support Adu units, traffic parking homeless low income housing are already crowding our neighborhoods	9/17/2023 2:59 PM
60	creates too much density, degrades neighborhood, parking problem	9/17/2023 2:57 PM
61	Adds too much neighborhood parking , trash can congestion on streets.	9/17/2023 2:37 PM
62	Not enough lot space.	9/17/2023 2:01 PM
63	We're too old.	9/17/2023 1:48 PM
64	Lot spaces in our area would not allow this and maintain a level of privacy and comfort to the adjacent property. We should not be encouraging ADU in our Neighborhood as this will be utilized for commercial purposes, rather than for family purposes	9/17/2023 1:30 PM
65	Backyard too small	9/17/2023 1:10 PM
66	Empty units will be seized by the city and used for homeless people.	9/17/2023 12:37 PM
67	Increased congestion (traffic, on street parking), more temporary occupants, more risk to walkers/bikers/children, loss of sense of neighborhood, more risk (traffic, emergencies, fire, crime), infrastructure not designed for ADU.	9/17/2023 11:46 AM
68	Don't have a need to at this time	9/17/2023 11:44 AM
69	Would make housing too dense	9/17/2023 11:01 AM
70	I do not support rezoning for adu's	9/17/2023 10:54 AM
71	Not cost effective	9/17/2023 10:43 AM
72	This neighborhood does not need more population density, more cars, more traffic than it already does. This ADU idea is extremely stupid, promulgated by the left wing and woke among us. By the way, it is "an ADU" not "and ADU" but why am I not surprised?	9/17/2023 10:15 AM
73	I want a stable, beautiful, inner city lifestyle neighborhood. I do NOT NOT NOT want more renters or AirB&Bs, or tiny dwellings on current properties. Stop pushing for this, Amanda Sawyer! Stop doing stupid policies! We have a tiny rental across the street and the landlord is a slum lord. Home renters do not care about the neighborhood, investing and improving the property, etc. We own a condo in the mountains and those who rent outare unruly, young, noisy, crappy people for the most part. You know there is extensive research that shows short-term mentality of renters. Stop this!	9/17/2023 10:07 AM
74	Overcrowds the neighborhood	9/17/2023 10:01 AM
75	ADUs destroy established older neighborhoods.	9/17/2023 9:54 AM
76	I don't believe my lot would allow it. In addition I do not need one to accommodate extended family or for additional income. But for those who do, I think it's a great idea	9/17/2023 9:46 AM
77	Have no desire. I bought my home 20 years ago because I loved the neighborhood as is. Would not like to see more density.	9/17/2023 9:25 AM
78	I don't live in the area and an ADU at my home would be impractical. I would like to leave this matter to those who live in the affected area.	9/17/2023 9:21 AM
79	I live in a condominium. If I lived in a single family home, I would consider building an ADU.	9/17/2023 9:17 AM
80	Would take up yard space.	9/17/2023 9:12 AM
81	Having a neighbor that added a patio on top of his garage that looks directly into my kitchen	9/17/2023 9:11 AM

has been eye opening to how much the aud can take away privacy of your neighbors. From that vantage point, he can look into everyone's yard and house.

	that variage point, he can look into everyone's yard and house.	
82	Currently no need, no room to do this.	9/17/2023 9:10 AM
83	Reduce property values. Lack of parking. Reduction in neighborhood quality.	9/17/2023 9:06 AM
84	I live in Hilltop and don't think its my place to decide what goes on in the Hale Mayfair area	9/16/2023 10:25 AM
85	I bought my home in a desirable tree covered single family area after living in a multi unit complex with traffic and parking problems. I do not want to live in an area filled with multiple renters, multiple cars, and who have little interest in maintaining the property.	9/15/2023 6:32 PM
86	Ruins the feel of the residential neighborhood. Stop trying to add density and transiency in non-urban neighborhoods.	9/15/2023 12:26 PM
87	Construction cost, especially utilities, would be prohibitive as an investment.	9/15/2023 12:16 PM
88	It would degrade and ruin the integrity of the neighborhood by calling for higher density, more cars, traffic and congestion.	9/15/2023 10:31 AM
89	Like the single family zoning	9/15/2023 10:08 AM
90	I am opposed to increased density on properties that are already stressed by parking. I am also worried that support services such as police and trash removal will not keep up with density. Additionally roads and transportation needs are not considered in the ADU proposal. Totally against this idea	9/15/2023 9:48 AM
91	I rent, I do not have that ability at the moment.	9/15/2023 9:20 AM
92	Would have to eliminate our garage. We don't feel it's safe to park our vehicles on the street.	9/14/2023 5:02 PM
93	Too dense and not enough parking	9/12/2023 8:41 AM
94	neighborhood is already too dense. traffic is an issue, I think this is a really bad idea	9/12/2023 8:31 AM
95	Not consistent with single-family residential use. Disregards parking, traffic and other detrimental impacts to neighborhood	9/11/2023 4:25 PM
96	This is an increased density that was not designed for single family areas. If the City is truly interested in affordable housing the church at Colorado Blvd and Leetsdale should be redeveloped along with other open parcels even if the city needs to start with condemnation proceedings to acquire the property.	9/11/2023 3:57 PM
97	not needed	9/11/2023 3:55 PM
98	I would not build an ADU and make my neighbors suffer from road or walking noise between my house and my neighbors. Nor would I potentially damage the foundation or walls of my house or my neighbors' homes. These homes are older. This idea of ADUs is wrong. Packing more people into SF neighborhoods is Agenda 21 nonsense personified. We worked hard to buy our SF home, not going to let Denver destroy our hard work.	9/11/2023 3:41 PM
99	It will negatively impact the character of the neighborhood like what happened in the Hilltop neighborhood.	9/11/2023 1:21 PM
100	Not needed	9/11/2023 1:10 PM
101	This area is severely overcrowded. We cannot increase the population in this area until traffic and infrastructure issues are dealt with. Increasing the population before solving the core issues will only make this area less desirable than it has become under Amanda's 'leadership'.	9/11/2023 10:48 AM
102	I own a condo - less than 1/2 block from Hale Parkway - never would be able to build an ADU, but do not care if other people do - as long as they include sufficient parking, because parking is not great in the area already - maybe make parking part of the agreement to build an ADU	9/11/2023 10:33 AM
103	This neighborhood already suffers from a lack of parking for the apartments along hale and in the area between 13th and Colfax. This would be adding additional congestion. I believe that this rezoning plan would either 1) do nothing except adversely impact property values or 2) change the neighborhood to an extent that it is unrecognizable.	9/11/2023 9:26 AM
104	I don't live in the Bellevue-Hale Mayfair area. I live in Montclair.	9/11/2023 9:20 AM

105	my lot is not big enough	9/11/2023 7:59 AM
106	It would be a big financial decision. Also, it appears that our block is not included in the ADU plans. Very curious as to why not.	9/11/2023 5:34 AM
107	No money. I like my yard. With \$1 mill homes happening why . Don't want to be landlord it's a headache most renters do not care for property.	9/10/2023 9:22 PM
108	I live in a townhouse	9/10/2023 9:10 PM
109	Doesn't effect me since I'm out of the zoning space, but I think increased density is good	9/10/2023 6:32 PM
110	Too much for these neighborhoods and streets Too many chances for crazy high rent	9/10/2023 3:51 PM
111	city is too crowded	9/10/2023 3:35 PM
112	I live in Cherry Creek North	9/10/2023 3:06 PM
113	An ADU is not appropriate for my property, it would impact my neighgors and contribute to ruining the aesthetics of our neighborhood. Most of them are not very attractive, and would likely be used for short term rentals, which is not good.	9/10/2023 2:43 PM
114	I'm retired and am the only occupant of my house - would not need an ADU.	9/10/2023 2:18 PM
115	Increased congestion, safety, more transient residents, higher crime more probable, existing infrastructure not designed for it, more risk of fire and inability of emergency vehicles to access property.	9/10/2023 2:13 PM
116	Old infrastructure, parking issues, less green space, more congestion, quality of life loss	9/10/2023 2:11 PM
117	I dont need one. More importantly I think unlimited ADUs in this neighborhood of small homes and small garages will cause parking and garbage problems. A detached or attached horizontal ADU will remove an existing garage causing everyone to park on the street. Noise levels will increase by doubling household size, pet population will increase as well. The lots and houses in this neighborhood are simply too small. I would like Mayfair to remain singe family zoned.	9/10/2023 11:52 AM
118	It attracts low income tenants and an increased crime rate.	9/10/2023 11:47 AM
119	I have a townhome and I don't think the hoa would allow it	9/10/2023 11:42 AM
120	This has potential of destroying our neighborhoods. Parking is already past capacity in most areas turning many streets to one lane roadways. Don't trust there will be oversight of construction style. This is evident with all the modern construction allowed among older homes. If you can't control community aesthetics now why would we believe AUDs would be any different?	9/10/2023 11:41 AM
121	You seem to be intent on ruining the quality of life in East Denver. If I wanted to liver in LosAngeles I would move there. This is a tax and developer's grab for money, money , money.	9/10/2023 11:36 AM
122	Not sure we'd want to use our space that way. But other people should have the option, Denver really needs more housing.	9/10/2023 11:26 AM
123	Adds to already congested city streets. Adding lower value ADUs only depresses the home values of existing single families. Obviously, not in the best interest of existing home owners, but isn't good for the county which relies on property taxes to fund its budget.	9/10/2023 10:58 AM
124	I own a duplex and we have a very small lot	9/10/2023 10:55 AM
125	I live in a condo building	9/10/2023 10:49 AM
126	No room on my property.	9/10/2023 10:12 AM
127	Personally, I do not need or want one.	9/10/2023 10:01 AM
128	Too much density	9/10/2023 9:52 AM
129	Prefer existing home and lot.	9/10/2023 9:51 AM
130	Don't need to	9/10/2023 9:47 AM
131	I firmly believe that single family homes should remain single family homes. ADUs will materially change the essence of wha a single family home neighborhood is. If a large number	9/10/2023 9:47 AM

	of ADUs are built, street parking will increase as well as the look and feel of the neighborhood. I am acutely aware of the shortage of affordable housing in Denver and I am sympathetic, but ADUs are not the solution to the housing crises.	
132	It doesn't suit our needs right now, but I want my neighbors and community to have the flexibility to create space for more people	9/10/2023 9:39 AM
133	I want to preserve the neighborhood as it was originally intended, single family homes	9/10/2023 9:38 AM
134	We need less density and more parks. You have build enough apartments, stop with this density thing. You are KILLING quality of life in Denver. Have you driven down Colorado, Monaco or Evans at 2 in the afternoon? I would guess not.	9/10/2023 9:35 AM
135	I expect negative impacts to the neighborhood culture (increased noise, less space, crowded streets), and environment (tree destruction, additional impervious surface) which I don't support at all.	9/10/2023 9:33 AM
136	There is no control over who rents to whom	9/10/2023 9:24 AM
137	Terrible way to treat your neighbors, packing more people, construction, and more cars onto these properties	9/10/2023 9:22 AM
138	Insufficient room on our lot	9/10/2023 9:21 AM
139	Do not want one	9/10/2023 9:15 AM
140	Depends on need	9/10/2023 9:13 AM
141	Don't need additional income	9/10/2023 9:12 AM
142	I do not support ADU's because it is too easy to flout the rules of specific use, where only family members get to live in them. Neighborhoods get lots of tourists coming in and out of neighborhoods since they end up being used as short term rentals. ADUs also tend to benefit wealthier (often white) homeowners. Low & medium income homeowners who can't afford to build an ADU and/or don't have the knowledge to navigate the complicated design and permitting processes are either priced out of building one or sometimes decide to sell their home in the face of changing neighborhood demographics and hard-to-ignore cash offers.	9/10/2023 9:10 AM
143	The poor city zoning	9/10/2023 9:08 AM
144	Cost of renovation/desire to use as ADU or guest suite for family.	9/9/2023 10:43 AM
145	Parking is a problem since changed to multi family (not related) number of occupants	9/9/2023 7:35 AM
146	ADU's will get out of control and destroy the character of neighborhoods in District 5. They might be appropriate elsewhere in the city.	9/7/2023 6:53 PM
147	AT no time do you address street parking, increased traffic and increase in crime, speeding and traffic accidents	9/7/2023 11:17 AM
148	There is no way to get access to the back on our property. We have no alley and no land wide enough on the side to run a driveway.	9/6/2023 2:14 PM
149	ADU's make homeowners landlords and most do not have the experience with ordering background checks, screenings and tenant relations far as contracts and security goes. Hale/Mayfair is full of old, young, families and couples who bike, stroll with kids, dogs, etc Turning single family zoning into multi family plots of land in my opinion lowers property values sadly as seen in neighborhoods that have enacted this measure. Denver neighborhood streets are overcrowded as it is like Hale/Mayfair, Congress Park, Cap Hill and now with southeast neighborhoods limiting vehicle traffic and parking access due to the new Denver Bikeway program that is tearing through the center of our city this does not make sense. The current quantity of new rental units being built in Denver metro consistently grows each year. I would recommend focus be on rent controlled units based on income in the new construction being built instead of encroaching on single family zoned lots. Each building would have to allow a certain number of units for those making under a certain dollar amount. I've seen it work in San Francisco in some of the most expensive areas. Also ADU's most likely will take the space of where garages once sat, so now streets are again being pushed to brink with more cars. Does Denver have the quantity of personnel to oversee permitting is being done by homeowners, we have a neighbor who decided to add a second story on their garage, to use as ADU, it was not permitted and now encroaches on the Alley, neighbors to the north, south and west not to	9/6/2023 12:34 PM

	mention rubbing the power lines. No one at the city so far has enforced the removal. So who would police illegal non permitted building in these ADU neighborhoods? I am totally against I hope you will not push this through creating higher density and changing Denvers charming neighborhoods!	
150	Expense and the loss of backyard space, and our view.	9/6/2023 9:45 AM
151	Crime and Property Value	9/5/2023 6:48 PM
152	Lowers property values.	9/4/2023 3:04 PM
153	I really wish you guys would stop pushing the population density thing for these outer neighborhoods. I understand the people in Lodo and Rhino love these packed in like sardines lifestyles, but the reason we live in areas like Mayfair, Montclair and Park hill is to have some space and lower density has lesser crime rates which to be honest you guys are completly incapable of keeping up with anymore. The amount of people I see with expired plates and blowing through stop lights now is out of this world, I honestly wish I had the time to get a count just to make the point of how bad the city of Denver has left this place. It's also a complete trash dump with litter everywhere. I do appriciate you are the one and only council member that does parks cleanup, but the rest do not care at all and it never goes further than parks. For being a blue city it sure as heck isn't a GREEN city.	9/4/2023 12:34 PM
154	No need for one, and street parking is already very crowded. ADU's would worsen the parking problem.	9/3/2023 11:26 PM
155	Too much density. Keep my rights. If someone wants an ADU- they can apply	9/3/2023 1:52 PM
156	Too much density already. Let the applicant go individually. Not all areas are appropriate for ADUs as the EAP states. Flood areas.	9/3/2023 12:16 PM
157	There is no proof that Denver Water can support all of the needs of the growth and unbridled development in Denver. Additionally, there has not be a valid and viable alternative transportation plan in conjunction with the development. Exceptionally short sighted and thoughtless - as home owners' taxes are going raise beyond belief. SHAMEFUL!!!	9/2/2023 11:25 AM
158	Two reasons: 1. As great as the idea of ADUs is, Denver has regulations for them that significantly constrain the potential to build them in a useful and attractive way. 2. Construction is wildly expensive these days.	9/1/2023 8:24 PM
159	If it made sense for my family, I would, but may be too tight based on south requirement and where sewer is. Still, I think they should be allowed in the neighborhood, even if I can't put one on my property.	9/1/2023 5:35 PM
160	Not your business why	9/1/2023 2:56 PM
161	I don't have space for one	9/1/2023 2:49 PM
162	I'm a senior and do not need this	9/1/2023 11:27 AM
163	don't support increasing density increased number of cars, increased traffic, increased demand on services, recreation, and schools	9/1/2023 11:25 AM
164	I don't need the space at the moment, but I think the city needs more housing, so I'm in favor.	9/1/2023 11:01 AM
165	First of all I want to thank you for including me in this survey even though I live quite a ways from this neighborhood. My daughter and son-in-law live in the Montclair Neighborhood and I did not know you could have ADU's there. All this said, I worry about ruining these beautiful historic neighborhoods with new ADU's potentially de-valuing properties. Without knowing enough about ADU's, my first instinct is to not allow legislation for this kind of activity.	9/1/2023 10:51 AM
166	We might need help as we age and/or we might have a family member who needs to move close to us. It is good to have the possibility of building in the future.	9/1/2023 10:15 AM
167	Denver is dense enough already. If I wanted to live in California, I would move there.	9/1/2023 10:03 AM
168	It reduces the value of the house	9/1/2023 10:00 AM
169	Too much housing density already exists	9/1/2023 9:58 AM
170	I live in a condo. Allowing ADU's to be built across the city is a good idea.	9/1/2023 7:13 AM

171	renting	9/1/2023 6:22 AM
172	Don't have a reason to	9/1/2023 5:58 AM
173	I don't live in that wealthy area, and wonder why the zoning change seems to be concentrated in that area.	9/1/2023 4:37 AM
174	Dumb question, if we do not want ADUs, why would we build one?	9/1/2023 4:08 AM
175	Not feasible with current structure	9/1/2023 2:18 AM
176	Already too crowded in this area	8/31/2023 11:31 PM
177	Lack of parking, more congestion and it is not right to impose this dramatic change in a neighborhood forcing homeowners to live with the consequence of the city's actions. If homeowners wanted to live in a high density neighborhood, they would have bought homes in high density neighborhoods.	8/31/2023 10:10 PM
178	Congestion and infrastructure. Traffic increase, parking decrease, infrastructure not designed for added density. Erode neighborhood feel. Decrease safety. Increase transient dwellers. Run down existing property with more transient dwellers. Benefits concentrated in existing home owners that decide to stuff their property. Increases fire risk to all neighbors due to density and restricted access for fire fighting equipment.	8/31/2023 10:01 PM
179	Not cost efficient	8/31/2023 9:58 PM
180	I am not located within the proposed zone. I am several blocks to the southeast.	8/31/2023 9:42 PM
181	I have no interest in having tenants at my property	8/31/2023 9:38 PM
182	I live in a townhouse	8/31/2023 9:38 PM
183	Adding ADUs does not preserve the character of the neighborhood and density does not belong in all neighborhoods. There are plenty of high density areas that can continue with that type of growth downtown and RINO.	8/31/2023 8:59 PM
184	Do not one	8/31/2023 8:50 PM
185	I do not think my garage would be a suitable ADU	8/31/2023 8:22 PM
186	I think the property lines are such that do not allow for another building, whether attached or unattached. And I don't want a high building next to me, taking away my sun in my garden So I wouldn't do any of that to my neighors!	8/31/2023 8:15 PM
187	Too dense. Streets crowded. No parking. Utility issues. Changes the fabric of the neighborhood.	8/31/2023 8:00 PM
188	Not interested in living in an overly built up area	8/31/2023 7:57 PM
189	I think it would put people in overpriced poor housing conditions, and jeopardize the security of single family homes in the neighborhood with unknown renters that do not value family safety on the roads and alleys.	8/31/2023 7:36 PM
190	too much crowding and people	8/31/2023 7:34 PM
191	I have no need of one.	8/31/2023 7:03 PM
192	Streets are full enough we don't need more occupants on tiny lots	8/31/2023 7:03 PM
193	To much risk: congestion, unclear codes (high probability of poorly constructed and energy inefficient, even unsafe living conditions), relative strangers on my property, increased insurance costs and other costs too many risks to make it worth it.	8/31/2023 6:53 PM
194	My property is not big enough and it is directly off Quebec, it would be noisy.	8/31/2023 6:52 PM
195	I oppose this change and allowance of these structures in the neighborhood. I will definitely look to move from the neighborhood should this pass and be allowed.	8/31/2023 6:50 PM
196	I live in a townhome community.	8/31/2023 6:16 PM
197	I think it's a terrible idea	8/31/2023 6:09 PM
198	Over crowded as it already is. There is no more parking for all these cars from the renters	8/31/2023 6:08 PM

	already!	
199	Increased density destroys established and functioning neighborhoods.	8/31/2023 5:58 PM
200	There's really not a lot of extra space in these lots. I could see building another story on the garage, but that would probably necessitate a new garage.	8/31/2023 5:58 PM
201	Density issues, crime increase, parking, noise	8/31/2023 5:53 PM
202	НОА	8/31/2023 5:53 PM
203	I don't have space for an ADU, but I think it's a good idea for people who can and we need some way to deal with the housing crisis we're in	8/31/2023 5:53 PM
204	Degrades the neighborhood and reduces the value of my home.	8/31/2023 5:48 PM
205	another stupid idea from amanda	8/31/2023 5:43 PM
206	\$	8/31/2023 5:39 PM
207	Leave zoning alone for our neighborhood. Take care of speeding cars, shootings, homeless encampments and theft in our established & beautiful neighborhoods. Why don't You focus on these issues and help our new Mayor get a grip on what is important. We can't even park our cars at DIA without the thought of high rates of theft. SERIOUSLY, city council members should be embarrassed when we make NATIONAL NEWS with these topics GET BUSY WITH IMPORTANT ITEMS not ADU's !!!!!!!!!!!	8/31/2023 5:23 PM
208	townhome	8/31/2023 5:21 PM
209	If the Casita was for my personal use / office I might be willing. However to provide extra housing for other I'm not interested.	8/31/2023 5:20 PM
210	The lost size I live on is too small. This is not a solution. It will create more density on lots that are already developed. Water becomes an issue. Double the people double the water. Swayer must have some construction or water lobby filling her purse.	8/31/2023 5:16 PM
211	I am against ADUs in our neighborhood because they will cause flooding, loss of privacy, loss of our tree canopy, and loss of open space/permeable ground in our neighborhood. Without building new flood water-capture areas to take in the additional runoff, adding ADUs to our neighborhood will cause more flooding issues during our ever-increasing heavy storms. Newly developed neighborhoods are required to put in flood control measures, and our Park Hill neighborhood was NOT designed to handle infill such as ADUs or building covering up more permeable ground, therefore, the city planners should protect our neighborhood by not allowing for more permeable ground to be covered by ADUs.	8/31/2023 5:15 PM
212	Denver is overcrowded and our area has too much traffic congestion as it is. Building on every little piece of land will cause flooding as need open space - too much concrete and buildings is not good.	8/31/2023 5:13 PM
213	overcrowding, parking issues, transients	8/31/2023 5:11 PM
214	Will change the quiet residential character of the neighborhood, increase traffic, create parking disputes with neighbors, and turn the neighborhood into more like capital hill/congress park. If I wanted to live in those neighborhoods I would.	8/31/2023 5:11 PM

	The traffic, crime, density and over taxed infrastructure are already combining to make it challenging to enjoy life in Denver. Why would you want to make Denver even less livable.  Also, didn't you propose this scheme just 6 months ago. Why can't you take no for an answer?	8/30/2023 8:46 PM
224	Dont want it	8/30/2023 5:56 PM

227	Unneeded	8/30/2023 12:46 PM
228	We bought in this neighborhood for the charm and for feeling like we were in a suburb without leaving Denver. We are concerned that with ADUs, there would be an increase in traffic, people and construction demo is hung the charm of our neighborhood.	8/30/2023 8:08 AM

232	Plenty of housing in Adams County, N-Arapahoe County, Jefferson County. Not everyone must/has to live inside Denver County. Why not live in county where you can afford instead of squeeezing existing Denver county land.	8/29/2023 11:09 AM
233	Too much density in the neighborhood. Our lots are already small	8/29/2023 10:34 AM

236	Potential Over-crowding. If it's too expensive, maybe it's not the right city for you	8/28/2023 12:38 PM
237	This will inherently change the character of the neighborhood from single-family parcels to multi-family parcels. It will add more traffic, congestion, density, and potentially crime to the neighborhood.	8/28/2023 12:08 PM
238	Additional Cars in alleys, trash cans in the street. It isn't going to increase density enough to drop prices. You need to build affordable housing. Not these futile attempts to increase density.	8/25/2023 12:19 PM

247	Not enough space in our yard.	8/23/2023 7:17 PM
248	There is not enough space on our property to comfortably build an ADU without giving up a lot of yard.	8/23/2023 7:11 PM
249	Lots are small afford little privacy. Congested streets are already a problem. Why add more traffic to an area not built to handle it	8/21/2023 7:27 AM
250	I specifically looked for a neighborhood zoned for single family only occupancy when I was looking to buy a house. If I had thought that the zoning would change I would not have chosen to live here. I believe that permitting ADUs to be rented to non-family will change the character of the neighborhood, and likely cause more traffic on the side streets along with parking issues. The lot size in my neighborhood is too small to permit ADUs. The houses are already	8/19/2023 4:41 PM

	too close together for adequate comfort and privacy. The additional footprint of detached ADUs will also decrease green space. Adding ADUs will just overall change things for the worse.	
251	Increasing density in residential neighborhoods decreases quality of life for all residents-traffic, parking shortages, more water usage, more pollution, less greenspace and tree canopy	8/19/2023 3:43 PM
252	Do not need one	8/18/2023 1:58 PM

254	Cost prohibitive	8/16/2023 8:59 PM
255	Make the neighborhood too crowded & loud with a denser population	8/16/2023 7:44 AM
256	I do not have space to build an ADU. My lot coverage is approaching the zoned maximum. Addition of an ADU would require a complete reconfiguration of my lot. I do not want to remove trees or change the characteristics of my 1950s style house. I also specifically purchased a house in a single family neighborhood since I wanted to live in a lower density area and not a rental neighborhood.	8/16/2023 6:21 AM
257	No need, financially or for more space.	8/15/2023 5:21 PM
258	There is already too much density in and around our neighborhood and very limited open space given the number of new, and soon to be coming, residents. We don't need to create even more density in a neighborhood already neglected by the City.	8/15/2023 2:48 PM

261	cost	8/15/2023 11:33 AM

263	Cost	8/15/2023 9:56 AM
264	too expensive to build, don't wish to have additional housing in my small yard, location is already too busy and loud with major traffic arterials at both ends of the block	8/15/2023 9:36 AM
265	Increases congestion (car traffic, delivery services, emergency services, parking constraints, etc) beyond ability of infrastructure to safely function. Neighborhoods are not designed to handle the planned level of congestion - sewer, water, electrical, fire suppression, emergency services, parking, foot traffic (side walks may not be in all areas, too small, poorly maintained - all forcing people of all ages to walk in the street). ADU will make the neighborhood more transitory, more congested (cars, service vehicles like garbage and recycling, and delivery vehicles of all types. People tend to speed (~60%) and also using cell phone (~40%), which equates to ~25% of all cars are distracted speeders. More cars of all types will make the area more dangerous. All in, ADUs will lead to eroding of a neighborhood's sense of community. It will end up being like Seattle's neighborhoods of Fremont, Capital Hill, Wallingford, Queen Anne; in short destroyed communities for profit, not living.	8/15/2023 9:29 AM
266	city has become too dense. ADUs will create even more density and overcrowding, along with too many cars on small streets.	8/15/2023 9:27 AM
267	Not currently in the stage of life where it would be needed, and other home improvements would take priority. But I would like the possibility available as parents age and for others in the neighborhood.	8/15/2023 9:11 AM
268	I feel the benefit is nominal. Certainly not solving any pressing issues and there is a ton of unused real estate on Colfax.	8/14/2023 6:44 PM
269	Because I don't want to.	8/14/2023 6:09 PM

3	Do this for Hale and the whole city!	9/28/2023 11:12 AM
4	I see this as a great opportunity to give young people a chance to actually live and afford a spot in Denver with easy property management by tenants who live in the same location. Should this pass, my family would be highly interested in building an ADU and charging a relatively affordable rent to those friends and family members who wouldn't normally be able to afford to live here.	9/28/2023 10:25 AM
5	If these are actually long-term rentals meaning one year plus that would be cool. And a reasonable livable places for people making minimum wage or just above. And at that rate, who am I to see what you do on your property.	9/27/2023 9:06 PM
6	Blanket rezoning significantly diminishes property rights, privacy, and parking congestion. Also increases pressure to remove limitations on residency requirements and expose neighborhood to absentee landlords.	9/27/2023 7:12 PM
7	-Given the cost to construct ADUs it is highly unlikely that these will meaningfully contribute to affordable housing stockMost likely use is short-term rentals for owners looking to supplement income to the detriment of other neighborsWhy are Hilltop and Cherry Creek not included in this proposed rezoning?	9/27/2023 12:02 PM

11	Increase the density limit throughout the neighborhood. Allow multifamily development in the areas zoned for single family if they match the existing character building character.	9/26/2023 2:12 PM
12	Adu provide flexibility for different family setups and affordable units without changing neighborhood character. The first step among many needed to provide affordability and support transit options to our neighborhood	9/26/2023 11:56 AM
13	Disappointed the survey, marketing and presentation did not include the fact that the Hilltop RNO serves a segment of this community/proposal.	9/25/2023 12:53 PM
14	Denver residential parking is currently making changes to neighborhood parking without consideration for ADU impact. Coordination is required between these efforts, and without coordination zoning changes should not be made.	9/25/2023 11:58 AM
15	Please do not push this initiative	9/24/2023 1:55 PM
16	We need more green space, green energy transportation, and dog parks.	9/24/2023 10:28 AM
17	Our area is proximal to downtown and would become a zone oof short term rentals with all the problems that would bring.	9/23/2023 10:04 AM

23	I think ADUs are a good way to build density while still maintaining the positives of single family home (yard,garage, ect)	9/20/2023 4:41 PM
24	My concerns are increased density in single family lots/homes. There are many multi family units in the area that have been built and are being built. Also, zoning along the Colfax corridor is zoned or is being considered for multi family zoning. (As an aside, with this increased density, when and if the current plan for BRT is implemented, with the closing of two travel lanes, this will create a traffic nightmare in the various neighbor hoods pushing the traffic to 13th and 14th Avenue, 17th Avenue, Montview, 23rd avenue, etc.) Also, there has been in the past a history of over building, which we may be seeing, which could change the dynamics of the local housing situation.	9/19/2023 9:54 PM
25	Concerned about folks trying to make a buck by renting out ADUs along with primary residences. Some folks don't care if they need a license.	9/19/2023 7:21 PM
26	Not convinced that services (utilities) would be able to keep up, especially electric, gas and water. Like the concept and appreciate the need, but living next to a rental with a lot of illegal activity has left me wary. If the city cannot adequately control existing rentals, adding quite a few smaller ones feels like it could get chaotic.	9/19/2023 7:20 PM

29	I STRONGLY OPPOSE ADU DWELLINGS IN MAYFAIR. YOU WILL RUIN OUR QUIET AND PEACEFUL NEIGHBORHOOD.	9/19/2023 11:55 AM
30	Lived in Hale f0r >10y.individual ADU permits should go thru existing process with adjacent neighbor input. Not in favor of automatic zoning.	9/19/2023 10:59 AM
31	not related to ADUs, but we support Vamos bike network. We live in Winston Downs. TY!	9/19/2023 10:22 AM
32	Please work with the city to actually create affordable housing in Mayfair/hale. So many abandoned buildings and no one is using them. Instead they want to make ADUs possible so rich white folks can get richer. Such a scam.	9/19/2023 9:15 AM
33	I think this rezoning is an important step in making sure Denver can support the population growth and house prices. Blueprint Denver calls for ADU's to be allowed across all Denver neighborhoods Hale should be no different.	9/18/2023 9:35 PM
34	ADU use will be too difficult to monitor and will result in unnecessary congestion and density.	9/18/2023 8:42 PM
35	Thank you for asking the opinion of your constituents.	9/18/2023 6:30 PM
36	Denver needs to limit density. Not increase it. Enough traffic in our neighborhoods already. LEt's not add to it.	9/18/2023 3:52 PM
37	This is a developers dream and will once again cause people to have to move out of the neighborhood due to new construction and massive homes taking over the small lots n	9/18/2023 1:42 PM
38	No more exclusionary housing codes or policies !!!	9/18/2023 10:57 AM
39	Address parking concerns before giving blanket approval to ADUs. It's critical.	9/18/2023 8:36 AM
40	I fully support ADUs and I would vote in favor of them. Thanks!	9/18/2023 7:54 AM
41	Feel individuals can file own request for an additional dwelling on their property.	9/18/2023 7:33 AM
42	ADU's make sense on a street or in a block that is solely SFH's - where there aren't already existing multi-unit dwellings such as a duplex, an apartment building, carriage house etc. Also, many of the SFH's in the district you propose are rentals and landlord-owners could indiscriminately build solely for income without consideration for people who actually live in the area. The area you propose is already dense w plenty of multi-dwelling units; plus being close to the high rises on 8th Ave & 9 Co = traffic! parking! noise! lighting! MIL/ADU's belong in areas that are mostly SFH, not already highly mixed use. We know there was pushback in the more Residential SFH Areas, but that's where ADU's are more appropriate. Allowing ADU's in other than creates more problematic & invasive density = reduced quality of life, which is	9/18/2023 2:08 AM

	contrary to the spirit of ADU's. Perhaps there are appropriate pockets for them, without requiring re-zoning entire areas? Sure a little more complicated but better quality of life. Thanks for reaching out for feedback!	
43	I think these should be approved on a case-by-case basis, rather than through a rezoning of the entire neighborhood.	9/17/2023 10:04 PM
44	Our concerns are the density of the the city. With the many high rises that are going up and the rezoning of neighborhoods that is taking place, the population density is uncontrolled. Along with that comes additional traffic, crime, etc.	9/17/2023 8:37 PM
45	I support all ways to provide additional housing that is TRULY affordable and I support finding ways to house the unhoused and those experiencing homelessness, including in our neighborhoods Hale/Mayfair.	9/17/2023 8:06 PM
16	Again there are numerous buildings and lots dances on East Colfax and the impact to the neighborhood will be significant. Then to add other structures on properties will only add to the congestion and the change of neighborhood	9/17/2023 6:49 PM
47	Thanks for creating this survey and asking the neighborhood for their opinion	9/17/2023 4:02 PM
48	Crime overcrowding, ridiculous taxes and rising costs on utilities ADU ARE NOT THE SOLUTION!!! Would only add to the problem	9/17/2023 3:04 PM
49	if any adu is authorized it must be required to provide off street parking	9/17/2023 2:58 PM
50	Let's do it. it is a drop in the bucket in terms of increased affordable housing, but it is at least something, and it has other benefits to homeowners in the neighborhood, and especially those who want to actually built an ADU. It saves the money.	9/17/2023 2:03 PM
51	While we live in Hilltop, not Bellevue-Hale or Mayfair, I support ADU's throughout your district and the city, including Hilltop.	9/17/2023 1:49 PM
52	Lot spaces in our area would not allow this and maintain a level of privacy and comfort to the adjacent property. We should not be encouraging ADU in our Neighborhood as this will be utilized for commercial purposes, rather than for family purposes	9/17/2023 1:31 PM
53	ADUs are great ideas, good for families, the environment, and welfare.	9/17/2023 1:11 PM
54	ADUs will create unwanted urban density.	9/17/2023 12:38 PM
55	AREA WE ARE IN SOMETIMES IS CALLED HILLTOP.IT IS SKINNER BROTHERS. ALSO, REFERED TO AS HALE.	9/17/2023 12:01 PM
56	Cars: forced on street parking becomes limited, traffic due to delivery services, increased population density, more difficult for traffic flow, reduces effectiveness of emergency response, increased risk to pedestrians and bicyclists, more drivers that are speeding and distracted (on cell phones, etc).	9/17/2023 11:49 AM
57	I like the idea of having multiple approaches to solving the housing crisis. I think this is a reasonable one.	9/17/2023 11:45 AM
58	No	9/17/2023 11:01 AM
59	I don't agree with rezoning neighborhoods to allow for ADU. This should be done on a individual basis with immediate neighbor input	9/17/2023 10:45 AM
60	My chief concern is that the city council and most of its members are either totally incompetent or intent on destroying Denver - as evidenced by the massive crime increase of the last few years, increase in homelessness and increase in taxes and fees for everything.	9/17/2023 10:18 AM
61	I miss our previous councilperson as Amanda Sawyer does not represent our area and Sawyer wants density at all costs. Including destroying what's good about these venerable, inner city neighborhoods. NO NO NO on tiny dwelling zoning!	9/17/2023 10:10 AM
62	Density is for downtown not historic quaint neighborhoods	9/17/2023 10:02 AM
63	As noted above, for those who need to accommodate extended family or need extra income, I think it's a great idea. It also adds to the economic diversity of the district, which I believe is a positive. We need residential options at the full range of price points.	9/17/2023 9:51 AM

64	I think ADUs are the solution to a more sustainable future. Urban sprawl and expanding single family homes further from central city cores will consume and emit substantially more carbon. ADUs also allow for intergenerational family units on one property, which is looking to be more and more likely as interest rates make home ownership less attainable for younger generations.	9/17/2023 9:21 AM
65	I'd like to understand why your office isn't proposing SDUs in neighborhoods to the south of Bellevue Hale that have larger lots and therefore it could more easily accommodate ADUs, like Hilltop and Crestmoor. If we're going to rezone in this way, we should be rezoning all neighborhoods in the same way, and not excluding any due to affluence. If it's good enough for my backyard then it's good enough for your backyard if you or your neighbors choose to construct one.	9/17/2023 9:16 AM
66	I would not want ADUs to be used for short term rentals. I think they should only be used for long term rentals, family/friends, or other personal use.	9/17/2023 9:13 AM
67	I truly feel projects like this should be done on a case by case basis.	9/17/2023 9:13 AM
68	This is just ine of the many good ideas needed to confront the housing crisis	9/17/2023 9:11 AM
69	Whenever someone wants to alter zoning there is usually a greed-head developer involved. The scenario: buy property, buy council person, get rezoned, sell property at a profit. It's important that Ms. Sawyer show she has ABSOLUTELY NO FINANCIAL LINKS TO ANY REAL ESTATE ENTITY OR HAVE ANY FINANCIAL INTEREST IN A ZONING CHANGE. Also, this rule change should included a clause that the requirement of owner-occupancy cannot be changed for 50 years. The voters already rejected this idea once. How dense can we be (so to speak)?	9/15/2023 12:24 PM
70	I support any efforts to increase housing supply in Denver!	9/15/2023 9:21 AM
71	We appreciate the public outreach and opportunity to express our support. We are disappointed that BRT has moved forward and done very little for public outreach. The organizers of BRT had a meeting on the same evening as Dist 5 ADU Zoom meeting to explain where cars will park when spaces are removed from Colfax. They will park on adjoining residential streets. We signed up to receive notice about BRT public meetings. We never received information about the meeting on 9/13. The BRT organizers don't want to hear about any opposition to this project. We are adamently opposed to BRT that takes away lanes on Colfax and redirects vehicles to residential streets and to 13th/14th. Please Councilwoman Sawyer - do not support BRT as it is being currently planned.	9/14/2023 5:12 PM
72	This seems silly to have to do the entire city this way based on limited & flawed information & understanding about what this allows & how it changes things for the neighborhood. When are elected people going to have the cajunas to allow these everywhere there's space? We are way too SLOW moving forward with these opportunities	9/14/2023 8:45 AM
73	We need more housing to make living in Denver more affordable	9/13/2023 6:25 PM
74	there are already developers working on adding more units to the Hale Park area. I am very concerned about what is going on currently. I have not seen the need for these additions other than it being a money source and that seems to be driving every decision in this town right now.	9/12/2023 8:34 AM
75	Irresponsible to change the zoning in this manner	9/11/2023 4:26 PM
76	parking/traffic	9/11/2023 3:56 PM
77	Amanda, stop this nonsense with ADUs.	9/11/2023 3:42 PM
78	Please allow ADUs in our area and anywhere in the city! ADUs should be allowed everywhere. They are a great way to add housing options to our neighborhoods.	9/11/2023 2:10 PM
79	Stop cramming people in likes rats in cages and start having smart, reasonable development. Denver is a city center - it does not need to have a continuous growth model to succeed to sustain. Denver is not a suburb and shouldn't be treated like one.	9/11/2023 10:49 AM
80	The much bigger concern for me is that the grass medians are kept along Hale Parkway - I had heard they may be removed - that would be a complete disaster turning the parkway into basically a 6 lane highway - there are schools, parks, and a hospital bordering it - these need	9/11/2023 10:36 AM

to stay to slow down traffic, and to have an area for kids and people to walk their pups, or to walk to the park -- VERY concerned about this.

	walk to the park VERY concerned about this.	
81	I love this plan to make our neighborhood housing more affordable.	9/11/2023 9:27 AM
82	Hope this is approved	9/11/2023 9:21 AM
83	I am very concerned about the high cost of housing in Denver and I firmly believe that they only way to ease that is to add additional housing. But I am also worried about urban sprawl and traffic. Adding units in an area close to Colfax where a new dedicated bus lane is being installed makes a lot of sense for all of those concerns - it adds additional, smaller (less expensive) units close to public transportation. While this is not going to solve the city's housing crisis, it would add one important piece to the larger puzzle.	9/11/2023 9:07 AM
84	The housing situation in general is a tight market, ADU's provide an option to individuals willing to compromise their current living situation downsizing leaves a smaller footprint, using less energy, adus are very efficient these days and can be constructed in a short amount of time. Good luck!	9/11/2023 6:19 AM

96	The city of Denver desperately needs affordable housing for the middle class. We regularly have 30-something's quitting and leaving Denver now because of the unaffordable housing and gridlock traffic. We also desperately need much better public transit, like NYC or Boston have. It is so unhealthy to live in this gridlock. Everyone is getting so fat (and angry) from so much sitting.	9/10/2023 10:52 AM

With the lack of affordable house and insane condo rents, ADUs provide housing opportunities that wouldn't otherwise exist and provides homeowners income opportunities at a time when inflation is far exceeding wage increases (outside of Denver min wage)  The city can't even control the speeding on 13th and 14th how does it intend to handle more traffic!!! - Will I be able to block off the space in front of my house or will you provide a 2 hr parking limit? for dealing with the homeless population, I want the city cleaned up. It's an embarrassment and makes people feel unsafe, as well as being on sanitary. We don't currently have the properties to put people in permanent housing, so clean, temporary, individual shelters for individuals and couples is the best option at this point. The dorm like shelters that they have at Samaritan house and others in the city, are not safe for individuals. They have been robbed and assaulted, they can't be with their partners, and they can't bring the pets who provide them with companionship and solace. The city also has to look at a lot of the options for housing on Colfax. Right up the street from where I live, at Colfax and Hudson, are two abandoned properties that could be used by the city to create housing. One was used as a hotel that was always cheap so it probably just needs updating. Denver has to be proactive like Houston and Philadelphia to get people into housing and then get them services. The other property is a very large lot that could be used to build a five story housing complex in line with the zoning for Colfax. Once people learn that this type of housing helps everyone, especially in relation to the cost of emergency medical treatment and jail, and that the encampments are perfectly safe for the neighborhoods so long as the housing is strictly controlled with rules of behavior, the neighborhoods will end up changing any beliefs they have against providing the housing. That's exactly what happened in Parkhill when the people sued the Methodist Church for the tent housing that was provided there when all it did was make people safer who were at the site and nothing negative happened.	
I think ADUs are a great way to increase housing stock in older neighborhoods, without impacting density or changing a neighborhood's character.	9/6/2023 9:47 AM

We need more trees than just in the hell strips, we need back yard trees also, why are we seeing so many houses with 3 trees scraped off and then in it's place we get a house with maybe 1 tree. These ADU's are also going to just cut out more impervious ground and we lose even more trees. Why are you Democrats so Anti-tree now?	9/4/2023 12:36 PM

115	We don't need more cars in the neighborhood.	9/3/2023 11:28 PM
116	This is submitted on behalf of s. Redwood	9/3/2023 1:53 PM
117	The density proposed in the City for ADUs is much more than in the suburbs but there is more land in the burbs. Building to the alley way invades the privacy of the neighbors to the back and to either side of the ADU lot. Currently residency is required but in the future this could change. The ADU will only increase the property price for the next buyer making it even more difficult for home ownership. The worse neighborhoods have the density in Denver. We should maintain our property rights as is per EAP and that there is no guarantee that residency will be required in the future. To have a community you need present landowners who want to be part of the community. Planners are on the record that we do not have the infrastructure. We need to consider permeability and tree canapy.	9/3/2023 12:23 PM
118	My street is already zoned for ADUs on a single plot. I don't have an ADU myself but two of my neighbors have built them and we've seen absolutely no issues as a result (aside from the temporary disruption due to construction). An ADU allows for extra income for the homeowner and the ability to stay longer in their home in the event they need or want to also house aging parents or adult children. In many instances, it also keeps the income opportunity with the original homeowners - who live in the neighborhood - rather than an absent landlord who builds a building and then isn't onsite to get to know the residents or tend to issues that might arise. There are two additional elements I'd like to see in ADU re-zoning: (1) Provide tax incentives for homeowners to either rent the ADU *long-term* or use it to extend their family unit on one plot. (2) Assess additional taxes for those who use the ADU as a short-term rental unit. Note: The neighborhood graphic at the beginning of this survey was nearly impossible to see on a phone, and still difficult on a laptop computer. It's worth adding a link on that page to a new GoogleDoc where the user can zoom into the document to see more detail. Additionally, it'd be helpful to get some more detail there about what the purple zones mean, etc. aside from the cryptic key already in the graphic.	9/3/2023 8:14 AM
119	I would like statistical and analytical evidence that Denver Water has the required water resources - WITHOUT HAVING TO ROB PETER TO PAY PAUL - for all of the unbridled development in Denver as well as a viable public transportation plan; not relying on bicycle and scooter options ONLY. There is no real street car, hydrogen/electric bus, or rail plan in place and in conjunction with this crazy development.	9/2/2023 11:30 AM
120	More ADUs and more density is a great thing!	9/1/2023 8:24 PM
121	People are more likely to speak up against something Please don't take a smattering of negative comments as representative of the neighborhood if that's what you get the first go. I suspect a true poll would show the people who want to stay here are in favor And if they don't want to stay here (and just care about resale values), then honestly I don't put weight on what they think is best for our neighborhood. I care about what the people who plan to BE here want.	9/1/2023 5:39 PM
122	I don't want ADUs in the neighborhood. This is a highly densely populated neighborhood and it would become more that way, with more cars. Traffic on 13th and 14th is already fast moving and there are many accidents and more people mean more cars and traffic.	9/1/2023 2:51 PM
123	Concerns are the ADUS actually being used as Airbnbs. Increased parking needs, congestion on the block that may make it difficult for service vehicles. What will prevent someone from renting both original home (as is currently happening) and the ADU with no owner on site? I would prefer only ADUs that are within the original home (such as a basement apartment with separate entrance).	9/1/2023 11:35 AM
124	I will try to attend your meetings to better understand what you are up to. My guess is this legislations is already in motion and will be approved.	9/1/2023 10:53 AM

allowing more ADUs in our city will make Denver more affordable for lower income households and it will also increase the quality of life for the same households as it will allow them the option to live in a detached dwelling in an established and quiet neighborhood instead of their only option being an apartment.

134	The increased density will erode home owner value by making the neighborhood less livable and safe.	8/31/2023 10:03 PM
135	We really can't preserve the quality of life in this neighborhood if we increase density before we address the horrible traffic issues we have especially when Colfax loses a traffic lane to the bus and traffic on 13th and 14th, which is already dangerous, goes out of control with nothing effective in the works to improve the problem	8/31/2023 9:40 PM

144	The city of Denver has a major housing shortage and part of the problem is unnecessary regulations dictating what property owners can do with their homes.	8/31/2023 7:14 PM
145	Recently heard of the rapid transit plans for Colfax. I'm not in support of this work. Will just send more cars to 13th and 14th which are full of people who drove way too fast.	8/31/2023 7:04 PM
146	I do not want to see ADUs coming into Hale/Mayfair. It looks to me that such units would not be regulated well enough and will result in potentially unsafe and unsustainable living conditions for the occupants, increased traffic and potential for crime, and general chaos, with property owners doing whatever they want a bad idea all around.	8/31/2023 6:56 PM
147	This is such a bad idea and will create more congestion in the neighborhood and will add to the over use of districts already marginalized services. I see a deterioration of the neighborhood. I will look to move to an area that supports the neighborhood I want to live in which doesn't include ADU's.	8/31/2023 6:55 PM
148	We want them provision in Mayfair too. ADU's should be a right to build on at least 90% of Denver's zoned lots. There are very few circumstances that anyone should ever be denied the right to do what they choose with their property. Sheesh.	8/31/2023 6:21 PM

154	Many: Declare any vehicle partially or fully powered by a motor to be a motor vehicle. REQUIRE All motor vehicles to be registered and all riders/drivers to acknowledge, in writing, a full understanding that ALL motor vehicles must abide by the same traffic laws. 2: Recognize one of Denver's greatest problems is air pollution. Further, any and all changes in traffic patterns, street markings, street barriers, and traffic signals MUST be done to minimize the impact on air pollution. Currently, every single proposal has ignored this and is or will increase air pollution as there are zero recommendations which serve to reduce the inefficient operation of internal combustion powered vehicles. Conversely, many recommendations, including any which slow vehicle traffic, serve to increse pollution.	8/31/2023 5:45 PM

158	I hope the extra checks Swayer is getting help her sleep well at night!	8/31/2023 5:17 PM
159	I am against ADUs in our neighborhood because they will cause flooding, loss of privacy, loss of our tree canopy, and loss of open space/permeable ground in our neighborhood. Without building new flood water-capture areas to take in the additional runoff, adding ADUs to our neighborhood will cause more flooding issues during our ever-increasing heavy storms. Newly developed neighborhoods are required to put in flood control measures, and our Park Hill neighborhood was NOT designed to handle infill such as ADUs or building covering up more permeable ground, therefore, the city planners should protect our neighborhood by not allowing for more permeable ground to be covered by ADUs.	8/31/2023 5:15 PM
160	See earlier comments. Not all neighborhoods in denver need to have high density and wall to wall people. Crestmoor and hill top both have lots that are 2 to 3 times the size of those in mayfair. Plenty of room for adu's in those neighborhoods.	8/31/2023 5:13 PM
161	ADUs are one of many tools that should be used to combat the housing affordability crisis. Millennial and Gen-Z Denverites will never be able to afford homes without drastic action to increase the housing supply citywide.	8/31/2023 5:09 PM
162	Not every lot is suitable in this area for an ADU. They need to be approved on a case by case basis	8/31/2023 5:09 PM

164	Strong supporter of ADUs!	8/31/2023 5:05 PM
165	I think this is a wonderful idea and I wholeheartedly support it. I have aging parents, and would welcome the opportunity to add an ADU for them to live in so they could be close to me and have care while also having their own living space.	8/31/2023 5:05 PM
166	I wasn't sure if residents of other parts of the district were supposed to respond here. Please disregard my response if no. But I strongly support ADUs.	8/31/2023 5:04 PM
167	You asked this question 6 months ago and people said NO! Why do you keep trying to push ADU's on your constituents? Turning our neighborhood into another high density concrete canyon with unaffordable cracker box condos is not why people voted for you.	8/30/2023 8:54 PM
168	Dont disrupt the neighborhood in this way!	8/30/2023 5:57 PM
169	Introduce legislation please!	8/30/2023 3:59 PM
170	Yes understand that developers and contractors contribute a large amount of funds and finance to the campaigns of our political representatives but am disappointed that this leads to the promotion of density and destruction of our communities.	8/30/2023 1:07 PM
171	Street Parking will become much more difficult. The sensible limits on height, size, parking will be changed quickly by denver planning. At the same time traffic on 13, 14, 17 will increase and parking will become difficult as under-parking-garaged condos etc are built along Colfax. There is a fantasy that millennials do not have cars and that the Colfax bus will be so attractive that	8/30/2023 12:57 PM

	all will use it. Unlikely short term and without considerable investment unlikely longer term. Generally support ADUs but have little confidence any rules will be sustained by the city.	
172	please relax zoning restrictions to ease home expansion projects.	8/29/2023 8:29 PM
173	Strongly support for ADUs for all reasons listed. Denver needs to embrace its urban environment and increased density and this is a way to do that in our neighborhood.	8/29/2023 7:26 PM
174	Please, please don't do this. You will ruin our great community	8/29/2023 6:26 PM
175	Higher density housing is fine if you have public transportation that supports non drivers which we do not have in Denver. Also, everyone has a car in Denver so for every ADU you are adding 1 to two cars to a street. I am opposed to LOHI density but ok with some ADU uses of single family homes. Must be careful not to increase the density to the point that public transport and parking facilities can not support. Denver is not ready for much higher density yet due to the lack of transportation infrastructure and the fact that everyone right now must have a car. Look at Boulder, major parking issues due to to much density.	8/29/2023 5:50 PM
176	I'm a proponent of ADUs. It helps with affordability and gives homeowners more flexibility	8/29/2023 4:14 PM
177	I sincerely hope that Council Member Sawyer just does the right thing here and supports as much ADU development (and other development) as possible. It's so hard for younger people to get into Denver now and if it's a city just for the old and the rich it becomes another San Francisco, and that's just a shame.	8/29/2023 3:12 PM
178	I believe ADUs offer multiple benefits including affordable housing, residential opportunities for aging parents and people with disabilities, and income for property owners who are squeezed in this market. In the case of my family, an ADU could serve as a housing option for my 45 yo autistic brother for whom there are little to no affordable options for around-the-clock care after my parents are deceased. Without ADUs as an option, I'm not sure how we will solve this looming crisis for my family.	8/29/2023 3:09 PM
179	ADUs should be covered by reasonable design guidelines, e.g. not visible from street or of a certain size, so as to maintain an appealing neighborhood look.	8/29/2023 9:22 AM
180	I support ADU for rental purpose to increase affordable family housing. I am concerned about parking as there is restricted street parking hours and length and that would have to be addressed.	8/29/2023 8:53 AM
181	The lack of dense housing is a blight on this neighborhood and Denver in general. We need more density in Denver to allow for more walkable spaces. If Amanda votes no on resining for ADUs I would not vote for her in the next election	8/28/2023 6:36 PM
182	How many of your home owning constituents are actually asking for this?	8/28/2023 12:40 PM
183	This is a bad plan for the neighborhood that can only come from someone who does not live in it and thus does not value the character of the neighborhood.	8/28/2023 12:09 PM
184	I think we will want to consider a height/width cap put into effect as a law.	8/26/2023 10:57 AM
185	I'm in District 5 in Country Club. I support ADUs where appropriate.	8/26/2023 10:31 AM
186	More ADUs!!	8/26/2023 9:07 AM
187	This is a great idea! I did not understand the implications of the colors on the Matthew has though. You should clarify that.	8/24/2023 6:05 AM
188	I am deeply concerned about a neighborhood full of short term rentals, which I do not want.	8/23/2023 8:33 PM
189	I live outside of the area considered and really would want to be included in this rezoning discussion. This is a livelihood situation for someone who has been hustling hard and would like some future security (retirement) and financial peace of mind.	8/23/2023 8:30 PM
190	I have no problems with ADUs, but there is no way that their adoption will make even a slight dent in our housing problems. This is really a dead end. Nobody is going to build an ADU in their back yard and rent it out. rent it out, to put it bluntly.	8/23/2023 8:25 PM
191	If ADUs are allowed, I think parking needs to be addressed if the ADU is to be used as a VRBO or AirBnB.	8/23/2023 8:24 PM
192	I already have an ADU technically — my Garage. I would just like to rebuild it and add a	8/22/2023 8:20 AM

personal office on top of it (within reasonable height limits).

	personal office of top of it (within reasonable fieight limits).	
193	See previous comments.	8/19/2023 4:44 PM
194	Stop promoting density and over development in residential neighborhoods	8/19/2023 3:44 PM
195	I do not want to see more density	8/18/2023 2:00 PM
196	This is a great idea to enable more affordable housing in Denver and to help ease urban sprawl. I know my neighbors are concerned about parking, though.	8/16/2023 3:55 PM
197	I love the beautiful Tudor homes. I understand my neighbor hood is not a historical district but I wish the character of the neighborhood could be better preserved. I would much rather have a ADU that fits in with the character than a giant white farmhouse style single family home that dwarfs the other homes!	8/16/2023 7:48 AM
198	ADUs on the surface are appealing but they require space to be built. Most houses in this neighborhood are at or near their zoned maximum. The easiest conversions would be to convert existing garages but that would result in a parking issue. Alternatively homeowners/developers could tear down existing housing and replace with McMansions that are at/or near the lot square footage and building envelope maximum. ADUs can be executed effectively with the proper planning and purpose built design. Unforutantely rezoning the neighborhood will open flood gates for developers to incorporate in poorly executed ADUs into new scrap & builds and they will be sold to prospective buyers as a way to "house hack". If the buyer isn't interested in renting out an ADU this added square footage will simply be used by the owner themselves. I would prefer that the city make the process for individual homeowners easier to add an ADU. But I would like some specification that the ADU cannot be used for short term rentals and that the homeowner must live on site for a minimum of X years.	8/16/2023 6:32 AM
199	Lack of parking for new ADU residents. ADU's will look like some new homes, not enough like existing homes, and losing neighborhood character, who judges this? What are the criteria for judging this?	8/15/2023 5:27 PM
200	The proposed closure of two lanes of traffic on Colfax to accommodate the BRT is going to divert more traffic to 13th and 14th, both of which are already a constant safety concern given the number of accidents on these streets. Adding more housing and more density will only exacerbate the issue. Why aren't ADUs proposed for other neighborhoods such as County Club, 7th Avenue Parkway, 17th Avenue Parkway, and the like? I submit that those neighborhoods would never allow them. So why propose them for Bellevue-Hale whose resources and condition are already taxed and neglected? See for instance Hale Parkway which is a complete disgrace all weeds and dead trees that were only planted a year ago. While the City takes good care of 7th and 17th Avenue Parkways, Wash Park, Congress Park, and other open spaces in the more expensive neighborhoods, look at the condition of Lindsley Park where the City does virtually nothing to enhance the Park's desirability. We don't need more people and density. We need less neglect on the part of the City.	8/15/2023 3:06 PM
201	Personally I think it's a great idea!	8/15/2023 2:02 PM
202	Would love to see this extend to Monaco, between 8th and Colfax	8/15/2023 1:53 PM
203	I support adding density to a fairly sprawling neighborhood. Parking should not be anyone's concern based on the amount of off-street parking available in the area.	8/15/2023 11:40 AM
204	I am concerned about regulating the population that would live in the ADUs	8/15/2023 11:34 AM
205	How do you ensure these ADUs are not being built by owners who are going to rent out the main house and now an additional ADU?	8/15/2023 10:39 AM
206	ADUs are awesome.	8/15/2023 10:20 AM
207	This is a money grab with no long term considerations by owners that do not know what their actions will lead to. Try to get around in those previous mentioned Seattle neighborhoods. The congestion destroys the sense of community and increases short term living, with no sense of belonging to the community. The existing infrastructure is not designed for the added congestion and will be especially difficult for fire fighting and other emergency services.	8/15/2023 9:34 AM
208	Focus efforts on homelessness and crime. Not creating more density,	8/15/2023 9:28 AM
209	ADUs are great because normal residents can get extra income by providing housing for others	8/15/2023 9:27 AM

	in the community - it's as close to a win-win policy as exists anywhere!	
210	I believe ADUs are not only an essential tool in the affordable housing toolbox. I believe there is an ethical mandate for addressing our housing crisis across our city and gentle density is a no brainer way to solve that crisis and prevent future displacement and homelessness.	8/15/2023 9:20 AM
211	I support rezoning to allow ADUs and hope Councilwoman Sawyer will propose this change.	8/15/2023 9:12 AM
212	I wish our representatives wouldn't waste time on this AUD issue. It will not make a dent in the homeless population. What about crime, boarded up buildings with fencing, lack of city services, etc?	8/14/2023 6:50 PM
213	I will not support ADU's if they can be used for short term rental (Airbnb). What did previous questions that I won't answer have to do with my support for ADU's?	8/14/2023 6:13 PM
214	100% endorse building ADUs. This helps address the housing concerns, maintain neighborhood character, and allows people to adapt their property to changing demands. There is no concern of car parking as the neighborhood has ample, if not excessive, available street parking due to almost all homes having driveways and/or garages. At the end of the day, as long as there is no danger to people and the character of the larger area is maintained, homeowners should be able to build on their land what they see fit.	8/14/2023 4:44 PM
215	The direction for Denver is changing so much primarily due to big development and City Council buying into it!!	8/14/2023 4:42 PM
216	This is a great idea and something that would keep us in the neighborhood longer	8/14/2023 3:27 PM
217	How would parking be addressed? If a garage is replaced with an adu there will be more cars in the street. Backyards are part of the beauty of living in a mostly single family neighborhood. Yards would be replaced with adus. How would an adu next door impact your property value? Honestly if i wanted to live in a dense neighborhood i would have bought a condo or a townhome.	8/14/2023 2:03 PM
218	The Hale-Mayfair area is one where people of modest means can have a house with privacy, and quiet, uncongested streets. Why don't you propose ADUs for Hilltop or Bonnie Brae! You know it would never fly in wealthier areas. You're proposing ADUs in lower-income areas because you can make them less desirable without influential citizens stopping it.	8/14/2023 11:19 AM
219	My mother lives with us because she can't afford to live alone and needs help and we'd build a ADU so she could have her own space.	8/12/2023 10:07 AM
220	Legalize ADUs!	8/12/2023 9:57 AM
221	I strongly support the allowing of ADUs to be built.	8/12/2023 9:55 AM
222	Idk why I'm filling out this survey when you'll do anything you can to not build more housing. Prove me wrong. Allow ADUs (which is literally the least one can do to provide more housing) in all of D5.	8/12/2023 8:51 AM
223	Our neighborhood should definitely be rezoned to allow for ADU's! Currently, so many houses in the area are being scraped and rebuilt to bring millions in income to developers who do not reside in our neighborhood. As a single homeowner, I cannot afford to scrape and rebuild. But I can afford to build a small ADU and this will help me keep income in my neighborhood as well as providing affordable living to a long term renter. Having an ADU will also allow my property value to keep up with the new multimillion dollar homes currently being built around the corner from me. Please support small landholders by rezoning our neighborhood.	8/9/2023 1:51 PM
224	I do not want people to buy homes and rent the home and the attached ADU!	8/2/2023 6:58 PM
225	I truly believe ADUs would help with the housing crisis in our city. I also think they could help diversify our neighborhood, which favors the wealthy and caucasians.	8/1/2023 7:44 AM

## THE FACTS

- The proposed rezoning would save interested residents time, money, and effort.
- 2) An ADU and the main house must be owned by the same owner.
- The ADU cannot be sold sperately and the property can't be divided.
- 4) Many rules restrict the size, height, and materials of an ADU. It must be smaller than the main house and fit in with the neighborhood.
- 5) This would not make any other zoning change concerning what can be built in the area. It would not upzone properties to allow apartment buildings, row homes, or townhomes, nor allow commercial development in residential areas.

## WHY ADU'S?

- Neighborhood Character: ADUS allow for preservation of existing neighborhood character while allowing a growing city to accomadate increasing density.
- Financial Stability: ADUs allow for the homeowners to obtain extra income via optional rent charging for the allowing in the ADU.
- 2) Family Strength: ADUs provide existing residents the ability to house additional family members, helps allowed the providence of the providence and keep families together, which can also save on senior living and/or bill/strengesher.

## Bellevue-Hale and Mayfair ADU Rezoning Proposal

My office is considering putting forward legislation to allow the construction of accessory dwelling units (ADUs) throughout the Bellevue-Hale neighborhood, including western Mayfair. An ADU is a small, single apartment located at the back of a property separate from the main house, or built adjacent to a main house such as a basement unit with a separate entrance. ADUs are also commonly known as granny-flats, in-law units, casitas, carriage houses or guest houses.

We have already had several successful single property rezonings to allow ADUs in the Bellevue-Hale and Mayfair neighborhoods. By rezoning the entire neighborhood at once, it would save residents time and money, and create the ability to add to the diversity of housing stock in a District 5 neighborhood. Learn more about this potential rezoning by visiting the Bellevue-Hale and Mayfair ADU website.
