Written Narrative Explaining Project

We are excited about Denver's vision for the use of ADUs to meet the housing needs of our growing city. We are requesting a rezoning to allow a 2nd dwelling unit on our large suburban lot with the vision that another resident can enjoy the amenities of this South Denver location.

Narrative Describing Outreach

Subsequent to meeting with associate city planner Jen Kim on 11.28.23 we reached out to our District 4 city council team via e-mail.

In addition, we sent e-mails to the groups listed on Denver's RNO website as follows:

- From INC president@denverinc.org, excomm@denverinc.org
- From Denver Strong DenverVoters@gmail.com

We are regular walkers and gardeners which leads us to spend a lot of time outdoors in our community. We socialize with many of our neighbors and contribute to planning a block party aligned with the Denver Days events. Through casual interactions with neighbors we have verbally shared our vision for an additional housing unit along the south/Dartmouth side of our corner lot. Especially when we describe the desire for this street to feel more residential to walkers and drivers, neighbors have shared excitement about that possibility.
