REVIEW CRITERIA - AFFIRM THE PROPOSED ADU REZONING COMPLIES WITH THE CRITERIA BELOW BY CHECKING THE BOX NEXT TO EACH CRITERION

Consistency with Adopted Plans: The proposed official map amendment is consistent with the City's adopted plans, or the proposed rezoning is necessary to provide land for a community need that was not anticipated at the time of adoption of the City's Plan.

Denver Comprehensive Plan 2040

The proposed map amendment is consistent with the strategies in the adopted Denver Comprehensive Plan 2040, including:

- Goal 2, Strategy A. Equitable, Affordable and Inclusive "Create a greater mix of housing options in every neighborhood for all individuals and families" (p. 28). The proposed zone district allows for an additional dwelling unit that is accessory to the primary single-unit dwelling use. Accessory dwelling units can provide housing for individuals or families with different incomes, ages, and needs compatible with the single-unit neighborhoods.
- Goal 8, Strategy A. Environmentally Resilient "Promote infill development where infrastructure and services are already in place" (p. 54). The proposed map amendment will allow an additional housing unit on the site of an existing home where infrastructure and services such as water, stormwater, and streets already exist. This allows Denver to grow responsibly and promotes land conservation.

Blueprint Denver

The proposed map amendment is consistent with the applicable neighborhood context, places, street type, and strategies in *Blueprint Denver*, including:

Policy 4, Strategy E - Diversify housing choice through the expansion of accessory dwelling units throughout all
residential areas.

Uniformity of District Regulations and Restrictions: The proposed official map amendment results in regulations and restrictions that are uniform for each kind of building throughout each district having the same classification and bearing the same symbol or designation on the official map, but the regulations in one district may differ from those in other districts.

Public Health, Safety and General Welfare: The proposed official map amendment furthers the public health, safety, and general welfare of the City.

The proposed map amendment furthers the public health, safety, and general welfare of the city through implementation of the city's adopted plan, including Blueprint Denver which recommends "the expansion of accessory dwelling units throughout all residential areas" (*Blueprint Denver*, p. 84).

	Justifying Circumstances - One of the following circumstances exists: Since the date of the approval of the existing Zone District, there has been a change to such a degree that the proposed rezoning is in the public interest. Such change may include:
Additional Review Cri- teria for Non-Legislative Rezonings: The proposal	a. Changed or changing conditions in a particular area, or in the city generally; or,
	b. A City adopted plan; or
	c. That the City adopted the Denver Zoning Code and the property retained Former Chapter 59 zoning.
must comply with both of the additional review criteria. (Check boxes to affirm.)	The proposed map amendment application identifies the adoption of <i>Blueprint Denver</i> as the Justifying Circumstance. As discussed above, <i>Blueprint Denver</i> specifically recommends the city diversify housing choice through the expansion of accessory dwelling units throughout all residential areas. The plan was adopted after the date of approval of the existing zone districts. Therefore, this is an appropriate justifying circumstance for the proposed rezoning.
DZC Sec. 12.4.10.8	The proposed official map amendment is consistent with the description of the applicable points have
	hood context, and with the stated purpose and intent of the proposed Zone District.
	The proposed map amendment is consistent with the neighborhood context description, stated purpose and intent of the proposed $E-SU-DIX$ Zone District.

1901 Oneida St REZONING REQUEST

Explanation of Project-

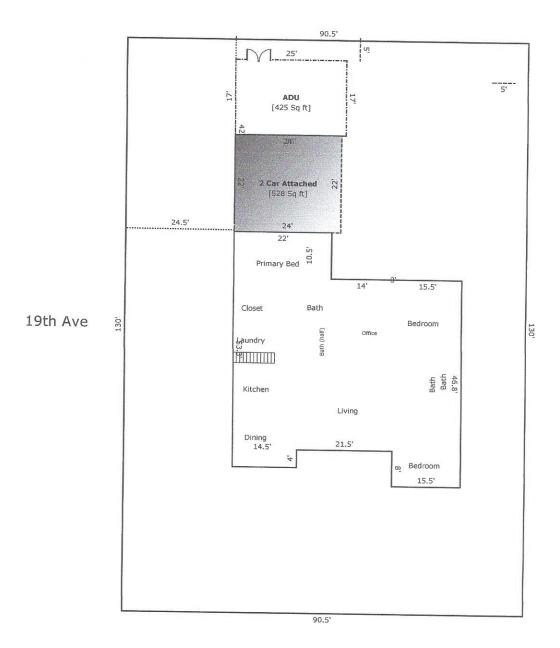

My husband and I just purchased this house. It just so happens that I grew up in the house across the street at 6808 E 19th Ave. We purchased it from the same people who owned it when I was growing up. I have always wanted to get back to the neighborhood. We have also always wanted a ranch-style home so we can grow old in the home. We are very excited to make this our "forever home"!

However, our parents are aging, and we know that soon we will need to care for at least one, maybe two of them (at different times). The main house only has room for three bedrooms. So, we are requesting a rezoning so that we may build an ADU to have the ability to keep our parents close by so that we may care for them. We plan to build a modest 400 SF, one-bedroom unit near the west end of the property.

I have also attached a rough sketch of the site plan. We have hired an architect and engineer.

Outreach-

I have emailed our City Counsel office. I also emailed the Greater Park hill Community. I have spoken to several of my neighbors about the rezoning as well.
