Subject: FY2023 Community Project Funding Grant: Fully Executed Grant Agreement
B-23-CP-CO-0293

Dear Michelle Jeske:

The HUD Office of Community Planning and Development, Congressional Grants Division is providing the fully executed Grant Agreement to you for the subject grant. This Grant Agreement, signed by both parties, provides the terms and conditions for this grant. This executed Grant Agreement readies you to be able to spend your grant funds and submit requests for reimbursement in accordance with program and environmental review requirements. Please retain this document as part of your grant records.

As a reminder, all HUD-assisted activities require some level of environmental review, even projects that only involve exempt or categorically excluded activities. Further information on the environmental review requirements is provided in the Grant Guide and codified in the Grant Agreement. In addition, this Community Project Funding (CPF) Environmental FAQ (https://www.hud.gov/sites/dfiles/CPD/documents/CPF-ER-One-Pager_CLEAN_5.24.23.pdf) provides additional directions regarding the environmental review requirements.

For grants involving acquisition, rehabilitation, and other construction-related activities, please consult your Grant Officer and Environmental Review Specialist prior to incurring any “hard costs.” Contact information is found on the program website here: <https://www.hud.gov/sites/dfiles/CPD/documents/Community-Project-Funding-Portfolio-Assignments.pdf>.

Regarding the Disaster Recovery Grant Reporting (DRGR) system, the administrator for your account will receive notification when the new user account has been created. The user for the account is the individual listed as the point of contact per your SF424 (under Applicant Information). They will receive an email from the DRGR Helpdesk with the User ID and temporary password. The DRGR PIN for this grant is provided here: 30293. The email will include additional instructions on accessing DRGR for the first time.

The DRGR Administrator for your organization will need to add at least one additional user to complete the draw down process. Please refer to the DRGR Quick Guide for additional guidance. Additional guidance on DRGR, the environmental review requirements and other CPF program requirements can be found at the website link further above and on the HUD Exchange website here: <https://www.hudexchange.info/programs/cpf/>.

If you have any questions regarding the next steps to access HUD's Disaster Recovery Grant Reporting (DRGR) system (i.e., grant set up, grantee user set up, uploading the approved "Action Plan", etc.) please review the attached DRGR Quick Guide and then contact your DRGR System Officer, Janai C. Streat, at Janai.C.Streat@hud.gov for assistance. You may continue to contact your Grant Officer, Vaughn Watson, CPD Congressional Grants Division, at Vaughn.A.Watson@hud.gov with all other CPF related questions.

Thank you for your attention to this matter. HUD looks forward to working with you on this project.

Sincerely,

A handwritten signature in black ink that reads "Holly A. Kelly". The signature is written in a cursive, slightly slanted style.

ARTICLE II. Total Grant Amount

Subject to the provisions of the Grant Agreement, HUD will make grant funds in the amount of \$750,000 available to the Grantee.

ARTICLE III. Award-Specific Requirements

A. Federal Award Description. The Grantee must use the Federal funds provided under this Grant Agreement (Grant Funds) to carry out the Grantee's "Project." Unless changed in accordance with Article III, section C of this Grant Agreement, the Grantee's Project shall be as described in the Project Narrative that is approved by HUD as of the date that HUD signs this Grant Agreement. For reference, HUD will attach this approved Project Narrative as Appendix 1 to the Grant Agreement on the date that HUD signs this Grant Agreement.

C. Project and Budget Changes. All changes to the Grantee's Project or Approved Budget must be made in accordance with 2 CFR 200.308 and this Grant Agreement. To request HUD's approval for a change in the Project or Approved Budget, the Grantee must submit a formal letter to the Director of HUD's Office of Economic Development - Congressional Grants Division through the assigned Grant Officer. The letter must be submitted by email to the assigned Grant Officer and must provide justification for the change. The email submitting the letter must also include a revised project narrative or revised line-item budget, as applicable, that includes the requested change. The Grantee is prohibited from making project or budget changes that would conflict with the Applicable Appropriations Act Conditions described in Article III, section D of this Grant Agreement. The assigned Grant Officer for this grant is provided in the Award Letter for this grant and found on HUD's website. The HUD Office of Economic Development – Congressional Grants Division will notify the Grantee in writing, by email, whether HUD approves or disapproves the change. Before the Grantee expends Grant Funds in accordance with any change approved by HUD or otherwise allowed by 2 CFR 200.308, the Grantee must update its grant information in Disaster Recovery Grant Reporting (DRGR) to reflect that change.

D. Applicable Appropriations Act Conditions. The conditions that apply to the Grant Funds as provided by the Consolidated Appropriations Act, 2023 and the Explanatory Statement are hereby incorporated and made part of this Grant Agreement. In the event of a conflict between those conditions, the conditions provided by the Act will govern. The Grant Funds are not subject to the Community Development Block Grants regulations at 24 CFR part 570 or Title I of the Housing and Community Development Act of 1974.

E. In accordance with 2 CFR 200.307(b), costs incidental to the generation of program income may be deducted from gross income to determine program income, provided these costs have not been charged to the grant. As authorized under 2 CFR 200.307(e)(2), program income may be treated as an addition to the Federal award, provided that the Grantee uses that income for allowable costs under this Grant Agreement. In accordance with 2 CFR 200.307(b), costs incidental to the generation of program income may be deducted from gross income to determine program income, provided these costs have not been charged to the grant. Any program income that cannot be expended on allowable costs under this Grant Agreement must be paid to HUD before closeout of the grant, unless otherwise specified by an applicable Federal statute.

F. The Grantee must use the Grant Funds only for costs (including indirect costs) that meet the applicable requirements in 2 CFR part 200 (including appendices). The Grantee's indirect cost rate information is as provided in Appendix 3 to this Grant Agreement. Unless the Grantee is an Institution of Higher Education, the Grantee must immediately notify HUD upon any change in the Grantee's indirect cost rate during the Period of Performance, so that HUD can amend the Grant Agreement to reflect the change if necessary. Consistent with 2 CFR Part 200, Appendix III (C.7), if the Grantee is an Institution of Higher Education and has a negotiated rate in effect on the date this Grant Agreement is signed by HUD, the Grantee may use only that rate for its indirect costs during the Period of Performance.

G. The Grantee must comply with any specific award conditions that HUD may attach to this Grant Agreement as provided by 2 CFR 200.208. If applicable, these conditions will be listed or added as Appendix 5 to this Grant Agreement.

H. The Grantee is responsible for managing the Project and ensuring the proper use of the Grant Funds. The Grantee is also responsible for ensuring the completion of the Project, the grant closeout, and compliance with all applicable federal requirements. The Grantee may subaward all or a portion of its funds to one or more subrecipients, as identified in the Project Narrative (Appendix 1) or as may be approved by HUD in accordance with 2 CFR 200.308. All subawards made with funding under this Grant Agreement are subject to the subaward requirements under 2 CFR Part 200, including 2 CFR 200.332, and other requirements provided by this Grant Agreement. The Grantee is responsible for ensuring each subrecipient complies with all requirements under this Grant Agreement, including the general federal requirements in Article IV. A subaward may be made to a for-profit entity only if HUD expressly approves that subaward and the for-profit entity is made subject to the same Federal requirements that apply to all other subrecipients, including the requirements 2 CFR part 200 provides for a "non-Federal entity" that receives a subaward.

ARTICLE IV. General Federal Requirements

A. If the Grantee is a unit of general local government, a State, an Indian Tribe, or an Alaskan Native Village, the Grantee is the Responsible Entity (as defined in 24 CFR part 58) and agrees to assume all of the responsibilities for environmental review and decision-making and action, as specified and required in regulations issued by the Secretary pursuant to section 305(c) of the Multifamily Housing Property Disposition Reform Act of 1994 and published in 24 CFR Part 58.

B. If the Grantee is a housing authority, redevelopment agency, academic institution, hospital or other non-profit organization, the Grantee shall request the unit of general local government, Indian Tribe or Alaskan Native Village, within which the Project is located and which exercises land use responsibility, to act as Responsible Entity and assume all of the responsibilities for environmental review and decision-making and action as specified in paragraph A above, and the Grantee shall carry out all of the responsibilities of a grantee under 24 CFR Part 58.

C. After December 29, 2022, neither the Grantee nor any of its contractors, subrecipients and other funding and development partners may undertake, or commit or expend Grant Funds or local funds for, project activities (other than for planning, management, development and administration activities), unless a contract requiring those activities was already executed on or before December 29, 2022, until one of the following occurs: (i) the Responsible Entity has completed the environmental review procedures required by 24 CFR part 58, and HUD has approved the environmental certification and given a release of funds; (ii) the Responsible Entity has determined and documented in its environmental review record that the activities are exempt under 24 CFR 58.34 or are categorically excluded and not subject to compliance with environmental laws under 24 CFR 58.35(b); or (iii) HUD has performed an environmental review under 24 CFR part 50 and has notified Grantee in writing of environmental approval of the activities.

D. Following completion of the environmental review process, the Grantee (recipient) shall exercise oversight, monitoring, and enforcement as necessary to assure that decisions and mitigation measures adopted through the environmental review process are carried out during project development and implementation.

E. The Grantee must comply with the generally applicable HUD and CPD requirements in 24 CFR Part 5, subpart A, including all applicable fair housing, and civil rights requirements. If the Grantee is a Tribe or a Tribally Designated Housing Entity (TDHE) as established under 24 CFR 1000.206, the Grantee must comply with the nondiscrimination requirements in 24 CFR 1000.12 in lieu of the nondiscrimination requirements in 24 CFR 5.105(a). The Grantee must report data on the race, color, religion, sex, national origin, age, disability, and family characteristics of persons and households who are applicants for, participants in, or beneficiaries or potential beneficiaries of the Grantee's Project, consistent with the instructions and forms provided by HUD in order to carry out its responsibilities under the Fair Housing Act, Executive Order 11063, Title VI of the Civil Rights Act of 1964, and Section 562 of the Housing and Community Development Act of 1987 (e.g. HUD-27061).

F. The Grantee must comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 CFR part 200, as may be amended from time to time. If 2 CFR part 200 is amended to replace or renumber sections of part 200 that are cited specifically in this Grant Agreement, the part 200 requirements as renumbered or replaced by the amendments will govern the obligations of HUD and the Grantee after those amendments become effective.

G. The Grantee must comply with the Award Term in Appendix A to 2 CFR Part 25 ("System for Award Management and Universal Identifier Requirements") and the Award Term in Appendix A to 2 CFR Part 170 ("Reporting Subawards and Executive Compensation"), which are hereby incorporated into and made part of this Grant Agreement.

H. If the Total Grant Amount, as provided in Article II of this Grant Agreement, is greater than \$500,000, the Grantee must comply with the Award Term and Condition for Grantee Integrity and Performance Matters in Appendix 4 to this Grant Agreement.

I. Unless the Grantee is exempt from the Byrd Amendment as explained below, the Grantee must comply with the provisions of Section 319 of Public Law 101-121, 31 U.S.C. 1352, (the Byrd Amendment) and 24 CFR Part 87, which prohibit recipients of Federal contracts, grants, or loans from using appropriated funds for lobbying the executive or legislative branches of the Federal Government in connection with a specific contract, grant, loan, or cooperative agreement. The Grantee must include in its award documents for all sub-awards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements), the requirements for the certification required by Appendix A to 24 CFR Part 87 and for disclosure using Standard Form- LLL (SF-LLL), "Disclosure of Lobbying Activities." In addition, the Grantee must obtain the executed certification required by Appendix A and an SF-LLL from all covered persons. "Person" is as defined by 24 CFR Part 87. Federally recognized Indian tribes and TDHEs established by Federally recognized Indian tribes as a result of the exercise of the tribe's sovereign power are excluded from coverage of the Byrd Amendment. State-recognized Indian tribes and TDHEs established only under state law must comply with this requirement.

J. The Grantee must comply with drug-free workplace requirements in Subpart B of 2 CFR Part 2429, which adopts the governmentwide implementation (2 CFR Part 182) of sections 5152-5158 of the Drug-Free Workplace Act of 1988, Pub. L. 100-690, Title V, Subtitle D (41 U.S.C. 701-707).

K. The Grantee must comply with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA) as implemented by regulations at 49 CFR Part 24. The URA applies to acquisitions of real property and relocation occurring as a direct result of the acquisition, rehabilitation, or demolition of real property for Federal or Federally funded programs or projects. Real property acquisition that receives Federal financial assistance for a program or project, as defined in 49 CFR 24.2, must comply with the acquisition requirements contained in 49 CFR part 24, subpart B. Unless otherwise specified in law, the relocation requirements of the URA and its implementing regulations at 49 CFR part 24, cover any displaced person who moves from real property or moves personal property from real property as a direct result of acquisition, rehabilitation, or demolition for a program or project receiving HUD financial assistance

L. If Grant Funds are used for purchase, lease, support services, operation, or work that may disturb painted surfaces, of pre-1978 housing, you must comply with the lead-based paint evaluation and hazard reduction requirements of HUD's lead-based paint rules (Lead Disclosure; and Lead Safe Housing (24 CFR part 35)), and EPA's lead-based paint rules (e.g., Repair, Renovation and Painting; Pre-Renovation Education; and Lead Training and Certification (40 CFR part 745)).

M. The Grantee must comply with Section 3 of the Housing and Urban Development Act of 1968 (Section 3), 12 U.S.C. 1701u, and HUD's regulations at 24 CFR part 75, as applicable, including the reporting requirements in 24 CFR 75.25. Grants made to Tribes and TDHEs are subject to Indian Preference requirements in Section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 5307(b)). As stated in 24 CFR 75.3(c), grants to Tribes and TDHEs are subject to Indian Preference requirements in lieu of Section 3. Grantees that are not exempt from Section 3 must submit annual reports of Section 3

accomplishment Performance Measures in DRGR in January of the calendar year. This report reflects Section 3 accomplishments for the previous calendar year.

N. The Grantee must not use any Grant Funds to support any Federal, state, or local project that seeks to use the power of eminent domain, unless eminent domain is employed only for a public use. Public use includes use of funds for mass transit, railroad, airport, seaport, or highway projects, and utility projects which benefit or serve the general public (including energy-related, communication-related, water-related, and waste water-related infrastructure), other structures designated for use by the general public or with other common-carrier or public-utility functions that serve the general public and are subject to regulation and oversight by the government, and projects for the removal of an immediate threat to public health and safety or brownfields, as defined in the Small Business Liability Relief and Brownfields Revitalization Act (Pub. L. 107-118). Public use does not include economic development that primarily benefits private entities.

O. The Grantee must not use any Grant Funds to maintain or establish a computer network that does not block the viewing, downloading, and exchanging of pornography. This requirement does not limit the use of funds necessary for any Federal, State, tribal, or local law enforcement agency or any other entity carrying out criminal investigations, prosecution, or adjudication activities.

P. The Grantee must administer its Grant Funds in accordance with the Conflict of Interest requirements set forth in Appendix 6 of this Grant Agreement.

B. The Grantee must use HUD's Disaster Recovery Grant Reporting (DRGR) system to draw down Grant Funds and report to HUD on activities.

C. The Grantee must enter activity and budget information in DRGR that is consistent with the Grantee's Project and Approved Budget as described in Article III, sections A and B of this Grant Agreement and complies with HUD's instructions for entering information in DRGR found in the document titled "Grant Award Instructions" that accompanies the Grant Agreement.

D. The Grantee must only enter activities in DRGR that are described in the Approved Budget.

E. The Grantee must expend all Grant Funds in accordance with the activity and budget information in DRGR.

F. Each drawdown of Grant Funds constitutes a representation by the Grantee that the funds will be used in accordance with this Grant Agreement.

G. The Grantee must use DRGR to track the use of program income and must report the receipt and use of program income in the reports the Grantee submits to HUD under Article VI of this Grant Agreement. The Grantee must expend program income before drawing down Grant Funds through DRGR.

H. Notwithstanding any other provision of this grant agreement, HUD will not be responsible for payment of any Grant Funds after the date Treasury closes the account in accordance with 31 U.S.C. § 1552. Because Treasury may close the account up to one week before the September 30 date specified by 31 U.S.C. § 1552, the Grantee is advised to make its final request for payment under the grant no later than September 15, 2031.

ARTICLE VI. Program-Specific Reporting Requirements

In addition to the general reporting requirements that apply under other provisions of this Agreement, the following program-specific reporting requirements apply to the Grantee:

A. The Grantee must submit a performance report in DRGR on a semi-annual basis and must include a completed Federal financial report as an attachment to each performance report in DRGR. Performance reports shall consist of a narrative of work accomplished during the reporting period. During the Period of Performance, the Grantee must submit these reports in DRGR no later than 30 calendar days after the end of the 6-month reporting period. The first of these reporting periods begins on the first of January or June (whichever occurs first) after the date this Grant Agreement is signed by HUD.

B. The performance report must contain the information required for reporting program performance under 2 CFR 200.329(c)(2) and (d), including a comparison of actual accomplishments to the objectives of the Project as described in Article III, section A of this Grant Agreement, the reasons why established goals were not met, if appropriate, and additional pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.

C. Financial reports must be submitted using DRGR or such future collections HUD may require and as approved by OMB and listed on the Grants.gov website (<https://www.grants.gov/web/grants/forms/post-award-reporting-forms.html>).

D. The performance and financial reports will undergo review and approval by HUD. If a report submission is insufficient, HUD will reject the report in DRGR and identify the corrections the Grantee must make.

E. No drawdown of funds will be allowed through DRGR while the Grantee has an overdue performance or financial report.

F. The Grantee must report and account for all property acquired or improved with Grant Funds as provided by 2 CFR part 200 using the applicable common forms approved by OMB and provided on the Grants.gov website (<https://www.grants.gov/web/grants/forms/post-award-reporting-forms.html>). This reporting obligation includes submitting status reports on real property at least annually as provided by 2 CFR 200.330, accounting for real and personal property acquired or improved with Grant Funds as part of Project Closeout, and promptly submitting requests for disposition instructions as provided by 2 CFR 200.311(c), 200.313(e), and 200.314(a).

ARTICLE VII. Project Closeout

A. The grant will be closed out in accordance with 2 CFR part 200, as may be amended from time to time, except as otherwise specified in this Grant Agreement.

B. The Grantee must submit to HUD a written request to closeout the grant no later than 30 calendar days after the Grantee has drawn down all Grant Funds and completed the Project as described in Article III, section A of this Grant Agreement. HUD will then send the Closeout Agreement and Closeout Certification to the Grantee.

C. At HUD's option, the Grantee may delay initiation of project closeout until the resolution of any findings as a result of the review of semi-annual activity reports in DRGR. If HUD exercises this option, the Grantee must promptly resolve the findings.

D. The Grantee recognizes that the closeout process may entail a review by HUD to determine compliance with the Grant Agreement by the Grantee and all participating parties. The Grantee agrees to cooperate with any HUD review, including reasonable requests for on-site inspection of property acquired or improved with Grant Funds.

E. No later than 120 calendar days after the Period of Performance, Grantees shall provide to HUD the following documentation:

1. A Certification of Project Completion.
2. A Grant Closeout Agreement.
3. A final financial report giving the amount and types of project costs charged to the grant (that meet the allowability and allocability

requirements of 2 CFR part 200, subpart E); a certification of the costs; and the amounts and sources of other project funds.

4. A final performance report providing a comparison of actual accomplishments with the objectives of the Project, the reasons for slippage if established objectives were not met and additional pertinent information including explanation of significant cost overruns.
5. A final property report, if specifically requested by HUD at the time of closeout.

ARTICLE VIII. Default

A default under this Grant Agreement shall consist of any use of Grant Funds for a purpose other than as authorized by this Grant Agreement, any noncompliance with statutory, regulatory, or other requirements applicable to the Grant Funds, any other material breach of this Grant Agreement, or any material misrepresentation in the Grantee's submissions to HUD in anticipation of this award. If the Grantee fails to comply with the terms and conditions of the Grant Agreement, HUD may adjust specific conditions of this Grant Agreement as described in 2 CFR part 200, as may be amended from time to time. If HUD determines that noncompliance cannot be remedied by imposing additional conditions, HUD may take one or more of the remedies for noncompliance described in 2 CFR part 200, as may be amended from time to time. HUD may also terminate all or a part of this award as provided by 2 CFR 200.340 and other applicable provisions of 2 CFR part 200, as may be amended from time to time. Nothing in this Grant Agreement shall be construed as creating or justifying any claim against the Federal government or the Grantee by any third party.

ARTICLE IX. HUD Contact Information

Except where this Grant Agreement specifically states otherwise, all requests, submissions, and reports the Grantee is required to make to HUD under this Grant Agreement must be made in writing via email to CPFGGrants@hud.gov.

**APPENDIX 4 –
Award Term and Condition for Grantee Integrity and Performance Matters**

Reporting of Matters Related to Grantee Integrity and Performance

1. General Reporting Requirement

If the total value of the Grantee's currently active grants, cooperative agreements, and procurement contracts from all Federal awarding agencies exceeds \$10,000,000 for any period of time during the period of performance of this Federal award, then during that period of time the Grantee must maintain the currency of information reported to the System for Award Management (SAM) that is made available in the designated integrity and performance system (currently the Federal Awardee Performance and Integrity Information System (FAPIIS)) about civil, criminal, or administrative proceedings described in paragraph 2 of this award term and condition. This is a statutory requirement under section 872 of Public Law 110-417, as amended (41 U.S.C. 2313). As required by section 3010 of Public Law 111-212, all information posted in the designated integrity and performance system on or after April 15, 2011, except past performance reviews required for Federal procurement contracts, will be publicly available.

2. Proceedings About Which Grantee Must Report

During any period of time when the Grantee is subject to the requirement in paragraph 1 of this award term and condition, the Grantee must submit the information required about each proceeding that:

- a. Is in connection with the award or performance of a grant, cooperative agreement, or procurement contract from the Federal Government;
- b. Reached its final disposition during the most recent five-year period; and
- c. Is one of the following:
 - (1) A criminal proceeding that resulted in a conviction, as defined in paragraph 5 of this award term and condition;
 - (2) A civil proceeding that resulted in a finding of fault and liability and payment of a monetary fine, penalty, reimbursement, restitution, or damages of \$5,000 or more;
 - (3) An administrative proceeding, as defined in paragraph 5. of this award term and condition, that resulted in a finding of fault and liability and the Grantee's payment of either a monetary fine or penalty of \$5,000 or more or reimbursement, restitution, or damages in excess of \$100,000; or
 - (4) Any other criminal, civil, or administrative proceeding if:
 - (i) It could have led to an outcome described in paragraph 2.c.(1), (2), or (3) of this award term and condition;

- (ii) It had a different disposition arrived at by consent or compromise with an acknowledgment of fault on the Grantee's part; and
- (iii) The requirement in this award term and condition to disclose information about the proceeding does not conflict with applicable laws and regulations.

3. Reporting Procedures

During any period of time when the Grantee is subject to the requirement in paragraph 1 of this award term and condition, the Grantee must enter in the SAM Entity Management area the information that SAM requires about each proceeding described in paragraph 2 of this award term and condition. The Grantee does not need to submit the information a second time under assistance awards that the Grantee received if the Grantee already provided the information through SAM because the Grantee was required to do so under Federal procurement contracts that the Grantee was awarded.

4. Reporting Frequency

During any period of time when the Grantee is subject to the requirement in paragraph 1 of this award term and condition, the Grantee must report proceedings information through SAM for the most recent five-year period, either to report new information about any proceeding(s) that the Grantee has not reported previously or affirm that there is no new information to report. If the Grantee has Federal contract, grant, and cooperative agreement awards with a cumulative total value greater than \$10,000,000, the Grantee must disclose semiannually any information about the criminal, civil, and administrative proceedings.

5. Definitions

For purposes of this award term and condition:

a. Administrative proceeding means a non-judicial process that is adjudicatory in nature in order to make a determination of fault or liability (e.g., Securities and Exchange Commission Administrative proceedings, Civilian Board of Contract Appeals proceedings, and Armed Services Board of Contract Appeals proceedings). This includes proceedings at the Federal and State level but only in connection with performance of a Federal contract or grant. It does not include audits, site visits, corrective plans, or inspection of deliverables.

b. Conviction, for purposes of this award term and condition, means a judgment or conviction of a criminal offense by any court of competent jurisdiction, whether entered upon a verdict or a plea, and includes a conviction entered upon a plea of nolo contendere.

c. Total value of currently active grants, cooperative agreements, and procurement contracts includes—

(1) Only the Federal share of the funding under any Federal award with a cost share or match requirement; and

(2) The value of all expected funding increments under a Federal award and options, even if not yet exercised.

APPENDIX 5 – Specific Award Conditions
NONE.

APPENDIX 6 – Conflict of Interest Requirements

1. *Conflicts Subject to Procurement Regulations.* When procuring property or services, the grantee and its subrecipients shall comply with the applicable conflict-of-interest rules in 2 CFR 200.317 and 2 CFR 200.318(c). In all cases not governed by 2 CFR 200.317 and 2 CFR 200.318(c), the Grantee and its subrecipients must follow the requirements contained in paragraphs 2-5 below.

2. *General prohibition.* No person who is an employee, agent, consultant, officer, or elected or appointed official of the Grantee or subrecipient and who exercises or has exercised any functions or responsibilities with respect to assisted activities, or who is in a position to participate in a decision making process or gain inside information with regard to such activities, may obtain a financial interest or benefit from the activity, or have a financial interest in any contract, subcontract, or agreement with respect thereto, or the proceeds thereunder, either for himself or herself or for those with whom he or she has immediate family or business ties, during his or her tenure or for one year thereafter. Immediate family ties include (whether by blood, marriage or adoption) the spouse, parent (including a stepparent), child (including a stepchild), sibling (including a stepsibling), grandparent, grandchild, and in-laws of a covered person.

3. *Exceptions.* HUD may grant an exception to the general prohibition in paragraph (ii) upon the Grantee's written request and satisfaction of the threshold requirements in paragraph (iv), if HUD determines the exception will further the Federal purpose of the award and the effective and efficient administration of the Grantee's Project, taking into account the cumulative effects of the factors in paragraph (v).

4. *Threshold requirements for exceptions.* HUD will consider an exception only after the Grantee has provided the following documentation:

- a. A disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how that disclosure was made; and
- b. An opinion of the Grantee's attorney that the interest for which the exception is sought would not violate state or local law.

5. *Factors to be considered for exceptions.* In determining whether to grant a requested exception after the Grantee has satisfactorily met the threshold requirements in paragraph (iii), HUD will consider the cumulative effect of the following factors, where applicable:

- a. Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project that would otherwise not be available;
- b. Whether an opportunity was provided for open competitive bidding or negotiation;
- c. Whether the person affected is a member of a group or class of low- or moderate-income persons intended to be the beneficiaries of the assisted activity, and the exception

will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;

d. Whether the affected person has withdrawn from his or her functions or responsibilities, or the decision-making process regarding the assisted activity in question;

e. Whether the interest or benefit was present before the affected person was in a position as described in paragraph (ii);

f. Whether undue hardship will result either to the Grantee or the person affected when weighed against the public interest served by avoiding the prohibited conflict; and

g. Any other relevant considerations.

6. *Disclosure of potential conflicts of interest.* The Grantee must disclose in writing to HUD any potential conflict of interest.

Project Narrative

Grant No. B-23-CP-CO-0293

PROJECT NAME: Denver Public Library: Teen Library at Central Library
LOCATION: 10 West 14th Ave Parkway, Denver, Colorado, 80204
GRANT: B-23-CP-CO-0293
GRANTEE: City & County of Denver

PROJECT PURPOSE

As part of the renovation of the Denver Public Library (DPL) Central Library, the new Teen Library will connect youth and their families to a network of services ranging from trauma-informed programs, vocational support, recreation activities, social-emotional learning, and other critical wrap-around services.

PROJECT SCOPE

This CPF grant project supports the Central Library Teen Library, a vital component of the major renovation of the DPL Central Library. This 540,000 square foot building is the most visited location in the DPL system, and serves both as a branch library for the diverse downtown Denver area and as a major tourist destination and cultural landmark for the State of Colorado.

Started through the Elevate Denver bond program, the \$58M renovation project includes a reimagined Children's Library and Great Hall, a new dedicated hub for teen services and large community event space, and a wide range of safety and infrastructure improvements.

The CPF grant supports the development of the teen space at Central Library through funding furniture and technology improvements. The grant is planned to support funding for seating, tables, customer service desks, public and staff computers, meeting room audio visual equipment, and youth gaming equipment. The project reflects active work with Denver's Office of Children's Affairs, aligns with Denver's [Youth Violence Prevention Comprehensive Plan](#), and aims at creating safe and welcoming spaces for teens in Denver's downtown corridor.

PROJECT PURPOSE

The Teen Library directly responds to community needs around youth violence prevention and supportive services to families and youth ages 12-18. The Teen Library is a model based on a public health approach, leveraging strategies identified by a coalition of City agencies and community organizations to take action on youth violence prevention. Further, it supports the health and vibrancy of downtown Denver as a safe, engaging community for youth and their families and caregivers.

Central Library is located in the Golden Triangle neighborhood, which is one of the original violence hotspots identified by Denver's Department of Safety. The Teen Library would support a neighborhood that hosts a portion of Denver's 2,124 unhoused youth as identified by the Colorado Department of Education, an increase from 1,849 in 2020. Of those unhoused youth, 110 are unaccompanied. Some of

these youth already frequent Central Library to utilize free indoor space and resources. The Teen Library will increase and enhance the available resources, offering more opportunities for support and connection.

There are eight neighborhoods surrounding the Central Library that are easily accessible to the Central Library either by public transportation or walking. These neighborhoods include Auraria, Capitol Hill, Civic Center, Downtown, Five Points, Lincoln Park, North Capitol Hill, and Union Station. When comparing these eight neighborhoods to Denver's demographics: one has a higher BIPOC population; six have higher numbers of individuals in poverty; six out of the eight neighborhoods with available data included areas the City of Denver identified as areas of least opportunity with few social facilities like libraries, recreation centers, and child care facilities; and eight out of eight of the neighborhoods included areas where youth particularly were disconnected from opportunities. The Teen Library would ensure more opportunities to meaningfully serve youth in Denver and is meant to serve as a program model which could be replicated.

PROJECT ACTIVITIES

The renovation of the Central Library includes modernization and improvement of building systems, redesigned Children's Library, new Teen space, new large community event space, redesigned entries and central hall, improved cafe space, and other health and safety upgrades.

The grant project activities include providing furniture, technology, and program services for youth in the Teen Library, including desks, seating, computers, audio visual equipment, gaming equipment, and targeted outreach and services.

Will there be any subrecipients?

No, there will not be subrecipients for this grant.

PROJECT TIMELINE

The Central Library renovation project began in 2020 and will be completed by November 2024.

The Teen Library project will begin in the second quarter 2024 and will extend through 2028. Funds will be used to purchase furniture and technology for the Teen Library. Starting in late 2024 through 2026, the grant will be used to support programs and services for youth and families. In 2026, the grant will be used to assess and replace any damaged or obsolete technology in alignment with the DPL asset management plan.

ENVIRONMENTAL REVIEW CONSIDERATIONS

This project was reviewed by the Denver Department of Housing Stability (HOST) as a Responsible Entity per 24 CFR 58.2(a)(7). The review found that this project is "Categorically Excluded Not Subject to" per 24 CFR 58.35(b)(4). The Environmental Review Record was completed on March 8, 2024.

PROJECT GOALS

This project aligns with DPL strategic objectives to create spaces that enhance the customer experience and to provide a trauma-informed and culturally responsive service model that meets community needs. DPL has been actively prioritizing the development of youth spaces that reflect the needs of different age groups and is supported by staff trained to youth-specific development needs.

In developing a plan for youth spaces, DPL staff considered elements that can enhance the experience for library youth customers, including activity space, furniture, signage, and technology. Each of these elements is incorporated in the design and planning for the Teen Library. Further, DPL staff are outlining plans for outreach to youth and activation of this new space to the downtown area. This design planning and program and service development serve the project goals to support youth violence prevention.

ANTICIPATED OUTPUTS & OUTCOMES

To ensure that values are put in action at the library, DPL measures indicators for services, as well as completes a community survey every two to three years. For the Central Library renovation and the Teen Library project, DPL will track outputs for number of customer visits, number of programs provided, and circulation of materials. DPL anticipates an increase in all three metrics for the Central Library.

For the Teen Library, DPL staff will track program attendance for teen programs and services and track participation in a Central Library Teen Advisory Board, a program run by DPL Teen Services staff to create space for youth voice in library program, services, and planning. Key outcomes identified for the Teen Library project include that teens will report positive impact of programs and spaces, that teens will view the library as a trusted community hub, and that teens feel welcome while at the library. These outcomes will be tracked through surveys and program exit tickets.
