5. General description or background of proposed request. Attach executive summary if more space needed:

The wireless access points (APs) at DPL have reached end of life with the manufacturer. Due to renovations, changing traffic/use patterns, we are doing a site survey as well to measure coverage and determine where additional APs may need to be installed or where existing APs should be relocated. We will also be streamlining our wireless network design and adding additional security. This contract covers the site services, installation, licensing and professional services for this project.

6. City Attorney assigned to this request (if applicable): Andrew Riester

7. City Council District: City wide
