Section 6. Subject to the approval of voters as provided in Section 7 of this ordinance, Chapter 27, Article V, Division 4, D.R.M.C. concerning dedicated funding for affordable housing repealed and re-enacted to read as follows:

1
2 **DIVISION 4. – AFFORDABLE DENVER FUND.**

3 **Sec. 27-170. – Legislative Intent.**

4 (a) The City Council finds, determines, and declares:

5 (1) According to the 2024 Regional Housing Needs Assessment conducted by the
6 Denver Regional Council of Governments (“DRCOG”), the Denver Metro Region has not
7 produced enough housing to keep pace with population and job growth, with an anticipated
8 gap of 44,000 units under 100% of area median income (“AMI”) in the next 10 years. The
9 study also found that a lack of dedicated funding and financing tools inhibits Denver’s ability
10 to meet this demand of affordable housing;

11 (2) A 2019 study conducted by Root Policy Research found a nearly 50,000 unit
12 shortage of affordable housing in Denver, with most need at 60% of AMI or below. The same
13 study found that only 7% of the overall housing stock in Denver is income-restricted, falling
14 short of the more than 130,000 households with incomes at or below 80% of AMI who do not
15 have access to fair market housing;

16 (3) According to the 2023 Point in Time (“PIT”) study by the Metro Denver Homeless
17 Initiative, there are more than 5,800 people experiencing homelessness on a single night in
18 Denver, and over 24,000 people experience homelessness in a given year in Denver
19 according to the region’s Homeless Management Information System (“HMIS”). Data in both
20 the PIT and HMIS show the high cost of housing as the top cause of homelessness;

21 (4) According to the Denver Housing Market Analysis by Root Policy Research,
22 between 2010 and 2019, 10,595 low-income households, or 21% of households between 0-
23 60% of AMI, have been forced to move out of Denver in order to obtain affordable housing,
24 harming the city’s cultural diversity and economic growth while reducing economic mobility;

25 (5) According to the 2022 U.S. Census Bureau, wages have risen in Denver by
26 110% since 2000 and the cost of housing has risen 220%, meaning the average Denver
27 resident’s income no longer keeps pace with their ability to pay a rent or mortgage;

28 (6) According to the 2022 American Community Survey (ACS) data from the U.S.
29 Census Bureau, more than 50% of Denver’s renter households are housing burdened,
30 including 80% of all renter households earning less than \$75,000 annually;

31 (7) The COVID-19 pandemic worsened the housing affordability crisis in Denver,
32 leading to historic eviction rates for households unable to pay rent. In 2023, Denver had over
33 12,900 eviction actions, when the annual average over the past 15 years was a little over
34 8,000. More and more households each year are unable to make ends meet due to the high

1 cost of housing;

2 (8) In Denver’s Comprehensive Plan 2040, adopted by Denver City Council in May
3 2019, there are 3 goals focused on housing affordability in Denver, including building housing
4 as a continuum to serve residents across a range of incomes, ages, and needs, developing
5 housing that is affordable to residents of all income levels, and preserving existing affordable
6 housing. Investment is needed to advance these goals and create an equitable, inclusive city
7 with a high quality of life for all residents, regardless of income level, race, gender, ability or
8 age;

9 (9) The Department of Housing Stability’s (HOST) 5-Year Strategic Plan, approved
10 by City Council in 2021, identifies key areas of investment for housing affordability, including
11 the creation and preservation of affordable homes, the creation of new units of supportive
12 housing, the creation of more truly mixed-income housing, increased homeownership, and
13 expanding rental subsidies to create a healthy, housed, and connected Denver;

14 (10) It is the intent of City Council that the monies in this fund will:

15 a. support the goals of Comprehensive Plan 2040 and HOST’s periodic strategic
16 plans;

17 b. assist in efforts to increase the pace at which the affordable units are provided
18 to all Denver residents for whom costs have outstripped affordability, while prioritizing areas
19 of highest demonstrated community need;

20 c. reduce displacement of renters and homeowners who cannot afford prevailing
21 housing costs, and those on fixed incomes, promote long-term affordability and neighborhood
22 stability, and avoid increased concentration of poverty;

23 d. promote equity and remedy historic and structural inequity and disinvestment
24 and to increase public participation and control over affordable housing assets; and

25 e. support exploration of new financing models and the benefits of cross-
26 subsidization and mixed-income development to catalyze additional affordable housing for
27 owners and renters;

28 (11) A dedicated, additional funding source is necessary to increase the supply of
29 affordable housing for owners and renters, to provide financial and service-related assistance
30 to owners and renters, and to ensure Denverites can afford to live in the City and County of
31 Denver long-term; and

32 (12) Therefore, the City Council has determined that the question of whether the City
33 shall be authorized to impose a 0.5% sales and use tax for the purposes and in the manner
34 set forth in this ordinance should be submitted to the registered electors of the City at the

1 special municipal election to be conducted in coordination with the state general election on
2 November 5, 2024.

3 **Sec. 27-171. – Permitted uses of revenue in the Affordable Denver Fund.**

4 (a) Revenue received in the Affordable Denver Fund (the “fund”) shall be used
5 exclusively for the following purposes:

6 (1) To increase the supply of affordable housing units, for renters and homeowners
7 earning one-hundred (100) percent or less of area median income (“AMI”), through
8 production, preservation, financing, acquisition, conversion, subsidies, or any other method;

9 (2) To provide financial and service-related assistance to renters and other persons
10 in need of housing earning one-hundred (100) percent or less of AMI; and

11 (3) To support homebuyer assistance programs and programs to reduce housing
12 costs for homeowners and persons seeking to purchase homes earning one-hundred twenty
13 (120) percent or less of AMI including by way of example, down payment and mortgage
14 assistance, and community land trusts.

15 (b) *Cap on administrative costs.* Monies in the fund may be expended to pay the
16 costs incurred by the city associated directly with the administration of the funds; except that,
17 in no event may the amount expended from the fund for city administrative expenses in any
18 year exceed three (3) percent of the amount of revenue received in the fund in that year.

19 (c) *Fund earnings.* Any interest earned on the balance of the fund accrues to the
20 Fund.

21 (d) *Administration of funds.* The manager of finance shall manage the fund.

22 (g) *Definition of area median income.* As used in this section, the term area median
23 income shall have the same meaning as provided in section 27-150.

24 (e) *Permanency.* If the monies in the fund are not expended at the end of the fiscal
25 year, such monies must remain in the fund to be expended in subsequent fiscal years.

28 review, and make recommendations regarding a first year-plan for use of the funds in 2025.
29 No later than January 30, 2025, the first-year plan shall be submitted for City Council approval.
30 If the Council fails to act, within thirty (30) days, either affirmatively or negatively on the first-
31 year plan, the plan shall be deemed to be approved. Subsequently, intended uses of the fund
32 shall be included in action plans and strategic plans for city housing expenditures as outlined
33 in section 27-164. To the extent available, such plans shall include proposed expenditures in
34 the manner outlined in subsection (g).

1 (g) *Reporting.* The executive director of the department of housing stability shall
2 incorporate into annual progress and intermittent reports made pursuant to section 27-
3 164 information on the number of units produced, preserved, financed, constructed, or
4 otherwise acquired for supportive and affordable housing, including the income levels for
5 which those units were produced, and the number of renters and owners that avoided
6 displacement, due to the monies expended from the fund. Such reports shall also include
7 information on city control or ownership interest in affordable housing assets, including any
8 public debt leveraged in whole or in part by such assets or revenues in the fund, and any
9 other pertinent financial information.

10 (h) *Review of fund.* The executive director of the department of housing stability
11 and the manager of finance shall jointly conduct a policy review of the fund created in this
12 division and report the findings and any recommendations to the city council no later than
