It primarily modifies existing regulations pertaining to the notification requirements and process and review criteria for official map amendments (Rezoning). Public notice is intended to provide an the opportunity for public participation or public information regarding land use and development applications under this Code.

12.3.4.2 Types of Public Notice

There are three types of public notice addressed by this Section:

When required by Section 12.2.9, Summary Table of Authority and Notice, “Notice of Public Hearings” provides the public with advance notice of a required hearing at which a review- or decision-making body will take action on an application under this Code. Such notice may be provided in writing (mailed), by posting (signs), or by publication.

B. Informational Notice

When required by Section 12.2.9, Summary Table of Authority and Notice, “Informational Notice” provides the public with notice of Community Planning and Development’s receipt of an application for review (e.g., a zoning permit or site development plan), and/or the approving authority’s final decision on such application and available avenues for appeal. Such notice may be provided in writing (mailed) and/or by posting (signs).

C. Notice of Community Information Meetings

When required by Section 12.2.9, Summary Table of Authority and Notice, a “community information meeting” provides the opportunity for the public to learn directly from the applicant about a potential application before it is submitted. Notice of the community information meeting shall be provided in writing (mailed) and by posting signs.

12.3.4.3 Public Notice – When Required

Required public notices are summarized in the table shown in Section 12.2.9, Summary Table of Authority and Notice. More detailed information may be included with each specific zoning procedure described in Division 4 of this Article 12.
