<i>Current Contract Term</i>	<i>Added Time</i>	<i>New Ending Date</i>
1/1/25	n/a	12/31/25

Scope of work:

Case management includes the following activities:

- Introduction of the vision of R2R and co-creation of goal planning with participants
- Triaging of needs, discuss options and available resources, address immediate needs including safe housing/sheltering,
- Provision of motivational interviewing to support participant in reaching recovery or stability goals,
- Provision of connections to services based on individual needs including making introduction, setting up intake meetings, providing ongoing communication to ensure access occurs, and accompaniment with participant to meetings or intakes as needed,
- Provision of transportation for program participants,
- Regular meetings and communication with participants to coach, track progress, and plan for next steps, and
- Coordinate with partners who are involved with R2R and specific R2R participants to ensure service follow through.

Reciprocity Collective will:

- Process new intakes per guidance from DDPHE and R2R leadership,
- Ensure all documentation in city case management system is completed in a timely manner,
 - Ideally within 2 working days of an encounter, but at minimum before the start of a new work week.
- Provide updates on participants and request support as needed to assist moving participants along the stages of change and into treatment or other stability services,
- Maintain internal list of participants assigned to the Reciprocity Collective, including those that are “active” and “inactive,”
- Provide DDPHE with regular updates on current capacity and challenges, and
- Provide DDPHE with information on who to contact when the program manager is out of office, and
- Ensure all staff working on R2R follow city protocols and complete trainings related to accessing city systems.
