Methodology

- From March-July 2024, HAND outreach team of 3-5 members (most with houseless experience) conducted surveys (175) & interviews (60) at 4 hotel sites:
 - Best Western
 - Comfort Inn
 - Double Tree
 - Radisson
- Respondents were given \$15 gift cards to thank them for their time
- Paper surveys were then entered & analyzed

Survey respondent site demographics

Out of 175 total survey respondents:

- Double Tree 40.0% ($n=70$)
- Best Western 24.6% ($n=43$)
- Comfort Inn 14.3% ($n=25$)
- Radisson 10.9% ($n=19$)
- (Left blank) 6.3% ($n=11$)
- (Unclear) 2.9% ($n=5$)
- (Fusion) 1.1% ($n=2$)

Lengths of stay:

- Average 4 months
- Minimum 1 day
- Maximum 9 months
- Median 4 months
- Mode 3 months

Topics covered:

Amenities & maintenance

Case management

Food & health

Rules

Safety

Amenities & maintenance

"The health inspector also told me it's a possibility the fridge is not running properly because mice could have chewed wiring cords inside the wall in the back of my fridge & I also wanted to let everyone know that shortly after the Mouse trap caught a mouse in the mousetrap inside the wall panel, the drawers near my sink in my kitchen started moving... which makes me think my suspicions were correct and accurate that there's a Nest back in the back wall behind my Kitchen sink, & that there are two or more mice living back there" - Best Western resident

Life essentials: water & bathroom access

Out of 115 responses across sites >

At individual sites:

- Double Tree 80.8% (n=42)
- Best Western 82.8% (n=24)
- Comfort Inn 90.0% (n=9)
- Radisson 100.0% (n=8)

City and County of Denver Response to “39th & Ulster Encampment” Requests

1. **Request:** Migrants will cook their own food with fresh, culturally appropriate ingredients provided by the City instead of premade meals - rice, chicken, flour, oil, butter, tomatoes, onions, etc... Also people will not be punished for bringing in & eating outside food.

Response: Newcomer residents at DCC will be permitted to cook their own, fresh, culturally appropriate meals for the duration of their shelter stay. We are always happy to review shelter policies regarding food storage, with resident safety being our top priority.

2. **Request:** Shower access will be available without time limits & can be accessed whenever - we are not in the military, we're civilians.

Response: Shower trailers will be, and always have been, available on site for use by DCC guests. As each trailer's capacity is limited, time limits may need to be in place depending on the number of guests in the facility to ensure our shower trailers remain operational.

Are residents connected to sobriety support?

Of 115 total responses:

- Yes 60.9% (n=70)
- No 15.7% (n=18)
- Unsure 9.6% (n=11)
- (Left blank) 9.6% (n=11)
- "N/A" (write-in) 4.3% (n=5)
