Any payment allowed under this Grant and in individual Subproject Scope of Work/Budget shall comply with State Fiscal Rules and be made in accordance with the provisions of this Grant or such Exhibit. Subrecipient shall initiate any payment request by submitting invoices or reimbursement requests (referred to as "invoices" herein) to the State in the form and manner set forth and approved by the State.

ii. Interest

The State shall not pay interest on Subrecipient invoices. The State shall fully pay each invoice within 45 days of receipt thereof if the amount represents performance by Subrecipient previously accepted by the State. The State shall not pay interest on Subrecipient invoices.

iii. Available Funds-Contingency-Termination

The State is prohibited by law from making fiscal commitments beyond the term of the State's current fiscal year. Therefore, Subrecipient's compensation is contingent upon the continuing availability of State appropriations as provided in the Colorado Special Provisions, set forth below. If federal funds are used with this Grant in whole or in part, the State's performance hereunder is contingent upon the continuing availability of such funds. Payments pursuant to this Grant shall be made only from available funds encumbered for this Grant and the State's liability for such payments shall be limited to the amount remaining of such encumbered funds. If State, federal funds are not fully appropriated, or otherwise become unavailable for this Grant, the State may terminate this Grant in whole or in part to the extent of funding reduction without further liability in accordance with the provisions herein.

iv. Erroneous Payments

At the State's sole discretion, payments made to Subrecipient in error for any reason, including, but not limited to overpayments or improper payments, and unexpended or excess funds received by Subrecipient, may be recovered from Subrecipient by deduction from subsequent payments under this Grant or other grants or agreements between the State and Subrecipient or by other appropriate methods and collected as a debt due to the State. Such funds shall not be paid to any party other than the State. The closeout of a federal award does not affect the right of HUD or DHSEM to disallow costs and recover funds on the basis of a later audit or other review. Any cost disallowance recovery is to be made within the record retention period.

v. Recapture. Upon completion of activity for which funds were awarded recipient shall report and certify whether additional funds were received for disaster-related expenses, the amount, and when funds were received. If additional funds were received that are determined to be duplicative, the awarded recipient must repay the State the total amount of additional funds received.

vi. Advance Payments. To maximize the use of Grant Funds, the State shall evaluate Subrecipient's expenditure of the Grant Funds for timeliness and compliance with the terms of this Grant and Subproject Scope of Work/Budget. DOLA reserves the right to recapture advanced Grant Funds when Subrecipient has not or is not complying with the terms of this Grant and/or the Subproject Scope of Work/Budget.

vii. Repayment. Subrecipient shall conduct, in a satisfactory manner as determined by the State, the Project as set forth in this Grant Agreement. The discretionary right of the State to terminate for convenience under §15(C) notwithstanding, it is expressly understood and agreed by Subrecipient that the State shall have the right to terminate the Grant Agreement and to recapture, and be reimbursed for any payments

made by the State (i) that exceed the maximum allowable HUD rate; (ii) that are not allowed under applicable laws, rules, and regulations; or (iii) that are otherwise inconsistent with this Grant Agreement, including any unapproved expenditures.

One year after completion of Subproject for which funds were awarded, the recipient must report and certify whether additional funds were received for disaster-related expenses, the amount, and when funds were received. If additional funds were received that are determined to be duplicative, the recipient must repay the State the total amount of additional funds received.

viii. Retroactive Payments

As specified **§5.1** in the Subproject Scope of Work/Budget, the State shall pay Subrecipient for costs or expenses incurred or performance by the Subrecipient prior to the Effective Date, only if (1) the Grant Funds involve federal funding and (2) federal laws, rules and regulations applicable to the Work provide for such retroactive payments to the Subrecipient. Any such retroactive payments shall comply with State Fiscal Rules and be made in accordance with the provisions of this Grant or such Exhibit. Subrecipient shall initiate any payment request by submitting invoices to the State in the form and manner set forth and approved by the State.

C. Use of Funds

Grant Funds shall be used only for eligible costs so identified in the Budget. Subrecipient may request budget modifications by submitting a written Grant Change Request to the State. In response to such requests, the State may, in its sole discretion, agree to modify, adjust, and revise the Budget, delivery dates, and the goals and objectives for the Work, and make such other modifications that do not change the total amount of the Budget.

D. Other Funds

The Subrecipient shall provide Other Funds as provided in and individual Subproject Scope of Work/Budgets. The Subrecipient's obligation to pay all or any part of any matching funds, whether direct or contingent, only extends to funds duly and lawfully appropriated for the purposes of this Agreement by the authorized representatives of the Subrecipient and paid into the Subrecipient's treasury or bank account. The Subrecipient represents to the State that the amount designated "Other Funds" in and individual Subproject Scope of Work/Budgets has been legally appropriated for the purposes of this Grant by its authorized representatives and paid into its treasury or bank account. The Subrecipient does not by this Grant irrevocably pledge present cash reserves for payments in future fiscal years, and this Agreement is not intended to create a multiple-fiscal year debt of the Subrecipient. The Subrecipient shall not pay or be liable for any claimed interest, late charges, fees, taxes or penalties of any nature, except as required by the Local Agency's laws or policies. Subrecipient shall provide Other Funds in accordance with a specific Subproject Scope of Work/Budget.

E. Reimbursement of Subrecipient Costs

The State shall reimburse the Subrecipient's allowable costs, not exceeding the maximum total amount described in Attachment A-1(a) and §7. The State shall reimburse the Subrecipient for the federal share of properly documented allowable costs related to the Work after review and approval thereof, subject to the provisions of this Agreement and Exhibit B. However, any costs incurred by the Subrecipient prior to the Effective Date shall not be reimbursed absent specific allowance of Pre-award Costs and indication that the Federal Award funding is retroactive. Allowable costs shall be:

- i. **Reasonable and Necessary.** Reasonable and necessary to accomplish the Work and for the Goods and Services provided.
- ii. **Net Cost.** Actual net cost to the Subrecipient (i.e. the price paid minus any items of value received by the Subrecipient that reduce the cost actually incurred).

F. Close Out

The Subrecipient shall close out this Grant within 90 days after the End Date. Grant close out entails submission to the State by the Subrecipient of all documentation defined in this Grant, and Subrecipient's final reimbursement request. The State can withhold 5% of the allowable costs until all final project documentation has been submitted and accepted by State as substantially complete.

If the State's principal representative is not then serving, such notice and copies shall be delivered to the Executive Director of the Department of Public Safety.

Any and all subgrants and subcontracts entered into by Subrecipient related to its performance hereunder shall comply with all applicable federal and state laws and shall provide that such subgrants and subcontracts be governed by the laws of the State of Colorado.

The State reserves the right to inspect the Work at all reasonable times and places during the term of this Grant, including any extension. If the Work fails to conform to the requirements of this Grant, the State may require Subrecipient promptly to bring the Work into conformity with Grant requirements, at Subrecipient's sole expense. If the Work cannot be brought into conformance by re-performance or other corrective measures, the State may require Subrecipient to take

necessary action to ensure that future performance conforms to Grant requirements and exercise the remedies available under this Grant, at law or inequity in lieu of or in conjunction with such corrective measures.

14. BREACH

A. Defined

In addition to any breaches specified in other sections of this Grant, the failure of either Party to perform any of its material obligations hereunder in whole or in part or in a timely or satisfactory manner, constitutes a breach. The institution of proceedings under any bankruptcy, insolvency, reorganization or similar law, by or against Subrecipient, or the appointment of a receiver or similar officer for Subrecipient or any of its property, which is not vacated or fully stayed within 20 days after the institution or occurrence thereof, shall also constitute a breach.

B. Notice and Cure Period

In the event of a breach, notice of such shall be given in writing by the aggrieved Party to the other Party in the manner provided in **§16**. If such breach is not cured within 30 days of receipt of written notice, or if a cure cannot be completed within 30 days, or if cure of the breach has not begun within 30 days and pursued with due diligence, the State may exercise any of the remedies set forth in **§15**. Notwithstanding anything to the contrary herein, the State, in its sole discretion, need not provide advance notice or a cure period and may immediately terminate this Grant in whole or in part if reasonably necessary to preserve public safety or to prevent immediate public crisis.

15. REMEDIES

Except for the remedies listed in **§15(E)** which do not require a notice and cure period for Subrecipient's breach and may be immediately exercised by the State, if Subrecipient is in breach under any provision of this Grant or if the State terminates this Grant pursuant to **§15(B)**, the State shall have all of the remedies listed in this **§15** in addition to all other remedies set forth in other sections of this Grant following the notice and cure period set forth in **§14(B)**, if applicable. The State may exercise any or all of the remedies available to it, in its sole discretion, concurrently or consecutively.

A. Termination for Cause and/or Breach

If Subrecipient fails to perform any of its obligations hereunder with such diligence as is required to ensure its completion in accordance with the provisions of this Grant and in a timely manner, the State may notify Subrecipient of such non-performance in accordance with the provisions herein. If Subrecipient thereafter fails to promptly cure such non-performance within the cure period, the State, at its option, may terminate this entire Grant or such part of this Grant as to which there has been delay or a failure to properly perform. Exercise by the State of this right shall not be deemed a breach of its obligations hereunder. Subrecipient shall continue performance of this Grant to the extent not terminated, if any.

i. Obligations and Rights

To the extent specified in any termination notice, Subrecipient shall not incur further obligations or render further performance hereunder past the effective date of such notice, and shall terminate outstanding orders and subgrants/subcontracts with third parties. However, Subrecipient shall complete and deliver to the State all Work, Services and Goods not cancelled by the termination notice and may incur obligations as are necessary to do so within this Grant's terms. At the sole discretion of the State, Subrecipient shall assign to the State all of Subrecipient's right, title, and interest under such terminated orders or subgrants/subcontracts. Upon termination, Subrecipient shall take timely, reasonable and necessary action to protect and preserve property in the possession of Subrecipient in which the State has an interest. All materials owned by the State in the possession of Subrecipient shall be immediately returned to the State. All Work Product, at the option of the State, shall be delivered by Subrecipient to the State and shall become the State's property.

ii. Payments

The State shall reimburse Subrecipient only for accepted performance up to the date of termination. If, after termination by the State, it is determined that Subrecipient was not in breach or that Subrecipient's action or inaction was excusable, such termination shall be treated as a termination in the public interest and the rights and obligations of the Parties shall be the same as if this Grant had been terminated in the public interest, as described herein.

iii. Damages and Withholding

Notwithstanding any other remedial action by the State, Subrecipient also shall remain liable to the State for any damages sustained by the State by virtue of any breach under this Grant by Subrecipient and the State may withhold any payment to Subrecipient for the purpose of mitigating the State's damages, until such time as the exact amount of damages due to the State from Subrecipient is determined. The State may withhold any amount that may be due to Subrecipient as the State deems necessary to protect the State, including loss as a result of outstanding liens or claims of former lien holders, or to reimburse the State for the excess costs incurred in procuring similar goods or services. Subrecipient shall be liable for excess costs incurred by the State in procuring from third parties replacement Work, Services or substitute Goods as cover.

B. Early Termination in the Public Interest

The State is entering into this Grant for the purpose of carrying out the public policy of the State of Colorado, as determined by its Governor, General Assembly, and/or Courts. If this Grant ceases to further the public policy of the State, the State, in its sole discretion, may terminate this Grant in whole or in part. Exercise by the State of this right shall not constitute a breach of the State's obligations hereunder. This subsection shall not apply to a termination of this Grant by the State for cause or breach by Subrecipient, which shall be governed by **§15(A)** or as otherwise specifically provided for herein.

i. Method and Content

The State shall notify Subrecipient of such termination in accordance with **§16**. The notice shall specify the effective date of the termination and whether it affects all or a portion of this Grant.

ii. Obligations and Rights

Upon receipt of a termination notice, Subrecipient shall be subject to and comply with the same obligations and rights set forth in **§15(A)(i)**.

iii. Payments

If this Grant is terminated by the State pursuant to this **§15(B)**, Subrecipient may be liable for reimbursement to the State for payments made under this Grant agreement.

C. Termination for Convenience

In addition to the Remedies found in **§15** of the main Grant agreement, the State may in its sole discretion terminate this Grant at any time the State desires. The State shall effect such termination by giving written notice of termination to the Subrecipient and specifying the effective date thereof, at least twenty (20) days before the effective date of such termination. In that event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports or other material prepared by the Contract or under this Contract shall, at the opinion of the State, become its property. In addition to the Remedies listed in **§15** of the main Grant agreement, this Grant may be terminated in whole or part as follows:

- i.** By the State with consent of the Subrecipient in which case the Subrecipient and State shall agree upon the termination conditions including the effective date and in the case of partial termination, the portion to be terminated.
- ii.** By the Subrecipient upon written notification to the State, setting forth the reasons for such termination, the effective date, and in the case of partial termination, the portion to be terminated. However, if, in the case of a partial termination, the States determines that the remaining portion of the Grant will not accomplish the purposes for which the Grant was made, the State may terminate the Grant in its entirety.

D. Untimely Expenditure of Funds

The CDBG-DR appropriation (the Disaster Relief Appropriations Act, 2013 (Pub. L. 113-2)) requires that all funds must be fully expended within 24 months of the date HUD obligates the State's allocation. HUD requires that the State implement procedures to determine timely expenditures of Subrecipients. To fulfill this requirement, the State will track performance measures and expenditures as described in the overall Statement of Project, **Exhibit B**, in a specific Subproject Scope of Work/Budget and in the Subproject's Project Performance Plan (collectively, the "**Milestones**"). If, at any time during the term of this Grant, State determines the Project or any individual Subproject is not proceeding timely in accordance with its Milestones, State may elect to take one or more of the following actions, which shall not be deemed a breach of its obligations hereunder:

- i. Technical Assistance.** State may elect to conduct on-site monitoring and work closely with Subrecipient until the Project/Subproject is back on schedule. State shall provide prior written notice to Subrecipient if it elects to conduct on-site monitoring, which shall be conducted during normal business hours and shall not unduly disrupt Subrecipient's business operations.
- ii. Terminate Grant.** The State, at its option, may terminate this entire Grant or such Subproject as to which there has been a failure to properly meet its Milestones. Subrecipient shall continue performance of this Grant to the extent not terminated, if any.
 - a) Method and Content.**
The State shall notify Subrecipient of such termination in accordance with **§16**. The notice shall specify the effective date of the termination and whether it affects all or a portion of this Grant.
 - b) Obligations and Rights.**
Upon receipt of a termination notice and to the extent specified in such termination notice, Subrecipient shall be subject to and comply with the same obligations set forth in **§15(A)(i)**.
 - c) Deobligation of Grant Funds; Repayment by Subrecipient of Received Funds.**
If this Grant is terminated by the State pursuant to this **§15(D)(ii)**, State shall de-obligate any remaining unexpended Grant Funds for the Project and/or Subproject, as applicable, and shall provide notice to Subrecipient that such Project and/or Subproject has failed to meet its Milestones and the corresponding HUD timeliness requirements and that as a result, Subrecipient is required to immediately return to the State any previously received Grant Funds for the Project and/or Subproject.

E. Remedies Not Involving Termination

The State, at its sole discretion, may exercise one or more of the following remedies in addition to other remedies available to it:

i. Suspend Performance

Suspend Subrecipient’s performance with respect to all or any portion of this Grant pending necessary corrective action as specified by the State without entitling Subrecipient to an adjustment in price/cost or performance schedule. Subrecipient shall promptly cease performance and incurring costs in accordance with the State’s directive and the State shall not be liable for costs incurred by Subrecipient after the suspension of performance under this provision.

ii. Withhold Payment

Withhold payment to Subrecipient until corrections in Subrecipient’s performance are satisfactorily made and completed.

iii. Deny Payment

Deny payment for those obligations not performed, that due to Subrecipient’s actions or inactions, cannot be performed or, if performed, would be of no value to the State; provided, that any denial of payment shall be reasonably related to the value to the State of the obligations not performed.

iv. Removal

Demand removal of any of Subrecipient’s employees, agents, or Subgrantees whom the State deems incompetent, careless, insubordinate, unsuitable, or otherwise unacceptable, or whose continued relation to this Grant is deemed to be contrary to the public interest or not in the State’s best interest.

v. Intellectual Property

If Subrecipient infringes on a patent, copyright, trademark, trade secret or other intellectual property right while performing its obligations under this Grant, Subrecipient shall, at the State’s option **(a)** obtain for the State or Subrecipient the right to use such products and services; **(b)** replace any Goods, Services, or other product involved with non-infringing products or modify them so that they become non-infringing; or, **(c)** if neither of the foregoing alternatives are reasonably available, remove any infringing Goods, Services, or products and refund the price paid therefore to the State.

Notwithstanding any other provision to the contrary, nothing herein shall constitute a waiver, express or implied, of any of the immunities, rights, benefits, protection, or other provisions of the Colorado Governmental Immunity Act, CRS §24-10-101, et seq., as amended. Liability for claims for injuries to persons or property arising from the negligence of the State of Colorado and the Subrecipient, their respective departments, institutions, agencies, boards, officials, and employees is controlled and limited by the provisions of the Governmental Immunity Act and the risk management statutes, CRS §24-30-1501, et seq., as amended.

Such performance information shall be entered into the statewide Contract Management System at intervals established herein and a final Evaluation, Review and Rating shall be rendered within 30 days of the end of the Grant term. Subrecipient shall be notified following each performance Evaluation and Review, and shall address or correct any identified problem in a timely manner and maintain work progress.

Should the final performance Evaluation and Review determine that Subrecipient demonstrated a gross failure to meet the performance measures established hereunder, the Executive Director of the Colorado Department of Personnel and Administration (Executive Director), upon request by the Division of Homeland Security and Emergency Management, and showing of good cause, may debar Subrecipient and prohibit Subrecipient from bidding on future Grants. Subrecipient may contest the final Evaluation, Review and Rating by: (a) filing rebuttal statements, which may result in either removal or correction of the evaluation (CRS §24-105-102(6)), or (b) under CRS §24-105-102(6), exercising the debarment protest and appeal rights provided in CRS §§24-109-106, 107, 201 or 202, which may result in the reversal of the debarment and reinstatement of Subrecipient, by the Executive Director, upon a showing of good cause.

Subject to

2 CFR, 200, The Office of Management and Budget Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (“Uniform Guidance”),

Federal Register, Vol. 78, No. 248, 78590

The Grant agreement to which these Uniform Guidance Supplemental Provisions are attached has been funded, in whole or in part, with an award of Federal Funds. In the event of a conflict between the provisions of these Supplemental Provisions, the Special Provisions, the Grant agreement or any attachments or exhibits incorporated into and made a part of the Grant agreement, the provisions of these Uniform Guidance Supplemental Provisions shall control. In the event of a conflict between the provisions of these Supplemental Provisions and the FFATA Supplemental Provisions, the FFATA Supplemental Provisions shall control.

1. Definitions. For the purposes of these Supplemental Provisions, the following terms shall have the meanings ascribed to them below.

1.1. “Award” means an award by a Recipient to a Subrecipient funded in whole or in part by a Federal Award. The terms and conditions of the Federal Award flow down to the Award unless the terms and conditions of the Federal Award specifically indicate otherwise. 2 CFR §200.38

1.2. “Federal Award” means an award of Federal financial assistance or a cost-reimbursement contract under the Federal Acquisition Requirements by a Federal Awarding Agency to a Recipient. “Federal Award” also means an agreement setting forth the terms and conditions of the Federal Award. The term does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program.

1.3. “Federal Awarding Agency” means a Federal agency providing a Federal Award to a Recipient. 2 CFR §200.37

1.4. “FFATA” means the Federal Funding Accountability and Transparency Act of 2006 (Public Law 109-282), as amended by §6202 of Public Law 110-252.

1.5. “Grant” or “Grant Agreement” means an agreement setting forth the terms and conditions of an Award. The term does not include an agreement that provides only direct Federal cash assistance to an individual, a subsidy, a loan, a loan guarantee, insurance, or acquires property or services for the direct benefit of use of the Federal Awarding Agency or Recipient. 2 CFR §200.51.

1.6. “OMB” means the Executive Office of the President, Office of Management and Budget.

1.7. “Grantee” means a Colorado State department, agency or institution of higher education that receives a Federal Award from a Federal Awarding Agency to carry out an activity under a Federal program. The term does not include Subrecipients. 2 CFR §200.86

1.8. “State” means the State of Colorado, acting by and through its departments, agencies and institutions of higher education.

1.9. “Subrecipient” means a non-Federal entity receiving an Award from a Recipient to carry out part of a Federal program. The term does not include an individual who is a beneficiary of such program.

1.10. “Uniform Guidance” means the Office of Management and Budget Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, which supersedes requirements from OMB Circulars A-21, A-87, A-110, and A-122, OMB Circulars A-89, A-102, and A-133, and the guidance in Circular A-50 on Single Audit Act follow-up. The terms and conditions of the Uniform Guidance flow down

to Awards to Subrecipients unless the Uniform Guidance or the terms and conditions of the Federal Award specifically indicate otherwise.

1.11. “Uniform Guidance Supplemental Provisions” means these Supplemental Provisions for Federal Awards subject to the OMB Uniform Guidance, as may be revised pursuant to ongoing guidance from relevant Federal agencies or the Colorado State Controller.

2. Compliance. Subrecipient shall comply with all applicable provisions of the Uniform Guidance, including but not limited to these Uniform Guidance Supplemental Provisions. Any revisions to such provisions automatically shall become a part of these Supplemental Provisions, without the necessity of either party executing any further instrument. The State of Colorado may provide written notification to Subrecipient of such revisions, but such notice shall not be a condition precedent to the effectiveness of such revisions.

3. Procurement Standards.

3.1 Procurement Procedures. Subrecipient shall use its own documented procurement procedures which reflect applicable State, local, and Tribal laws and regulations, provided that the procurements conform to applicable Federal law and the standards identified in the Uniform Guidance, including without limitation, §§200.318 through 200.326 thereof.

3.2 Procurement of Recovered Materials. If Subrecipient is a State Agency or an agency of a political subdivision of a state, its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

4. Access to Records. Subrecipient shall permit Recipient and auditors to have access to Subrecipient’s records and financial statements as necessary for Recipient to meet the requirements of §200.331 (Requirements for pass-through entities), §§200.300 (Statutory and national policy requirements) through 200.309 (Period of performance), and Subpart F-Audit Requirements of the Uniform Guidance. 2 CFR §200.331(a)(5).

5. Single Audit Requirements. If Subrecipient expends \$750,000 or more in Federal Awards during Subrecipient’s fiscal year, Subrecipient shall procure or arrange for a single or program-specific audit conducted for that year in accordance with the provisions of Subpart F-Audit Requirements of the Uniform Guidance, issued pursuant to the Single Audit Act Amendments of 1996, (31 U.S.C. 7501-7507). 2 CFR §200.501.

5.1 Election. Subrecipient shall have a single audit conducted in accordance with Uniform Guidance §200.514 (Scope of audit), except when it elects to have a program-specific audit conducted in accordance with §200.507 (Program-specific audits). Subrecipient may elect to have a program-specific audit if Subrecipient expends Federal Awards under only one Federal program (excluding research and development) and the Federal program's statutes, regulations, or the terms and conditions of the Federal award do not require a financial statement audit of Recipient. A program-specific audit may not be elected for research and development unless all of the Federal Awards expended were received from Recipient and Recipient approves in advance a program-specific audit.

5.2 Exemption. If Subrecipient expends less than \$750,000 in Federal Awards during its fiscal year, Subrecipient shall be exempt from Federal audit requirements for that year, except as noted in 2 CFR §200.503 (Relation to other audit requirements), but records shall be available for review or audit by appropriate officials of the Federal agency, the State, and the Government Accountability Office.

5.3 Subrecipient Compliance Responsibility. Subrecipient shall procure or otherwise arrange for the audit required by Part F of the Uniform Guidance and ensure it is properly performed and submitted when due in accordance with the Uniform Guidance. Subrecipient shall prepare appropriate financial statements, including the schedule of expenditures of Federal awards in accordance with Uniform Guidance §200.510 (Financial statements) and provide the auditor with access to personnel, accounts, books, records, supporting documentation, and other information as needed for the auditor to perform the audit required by Uniform Guidance Part F-Audit Requirements.

6. Contract Provisions for Subrecipient Contracts. Subrecipient shall comply with and shall include all of the following applicable provisions in all subcontracts entered into by it pursuant to this Grant Agreement.

6.1 Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 shall include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”

“During the performance of this contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin.

(3) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(4) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(5) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(6) In the event of the contractor's non-compliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(7) The contractor will include the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance: *Provided, however*, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the contractor may request the United States to enter into such litigation to protect the interests of the United States.”

6.2 Davis-Bacon Act. Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or Subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

6.3 Rights to Inventions Made Under a Contract or Agreement. If the Federal Award meets the definition of “funding agreement” under 37 CFR §401.2 (a) and Subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” Subrecipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

6.4 Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended. Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

6.5 Debarment and Suspension (Executive Orders 12549 and 12689). A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), “Debarment and Suspension.” SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

6.6 Byrd Anti-Lobbying Amendment (31 U.S.C. 1352). Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not

used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal Funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

7. Certifications. Unless prohibited by Federal statutes or regulations, Recipient may require Subrecipient to submit certifications and representations required by Federal statutes or regulations on an annual basis. 2 CFR §200.208. Submission may be required more frequently if Subrecipient fails to meet a requirement of the Federal award. Subrecipient shall certify in writing to the State at the end of the Award that the project or activity was completed or the level of effort was expended. 2 CFR §200.201(3). If the required level of activity or effort was not carried out, the amount of the Award must be adjusted.

8. Event of Default. Failure to comply with these Uniform Guidance Supplemental Provisions shall constitute an event of default under the Grant Agreement (2 CFR §200.339) and the State may terminate the Grant upon 30 days prior written notice if the default remains uncured five calendar days following the termination of the 30 day notice period. This remedy will be in addition to any other remedy available to the State of Colorado under the Grant, at law or in equity.

9. Effective Date. The effective date of the Uniform Guidance is December 26, 2013. 2 CFR §200.110. The procurement standards set forth in Uniform Guidance §§200.317-200.326 are applicable to new Awards made by Recipient as of December 26, 2015. The standards set forth in Uniform Guidance Subpart F-Audit Requirements are applicable to audits of fiscal years beginning on or after December 26, 2014.

10. Performance Measurement

The Uniform Guidance requires completion of OMB-approved standard information collection forms (the PPR). The form focuses on outcomes, as related to the Federal Award Performance Goals that awarding Federal agencies are required to detail in the Awards.

Section 200.301 provides guidance to Federal agencies to measure performance in a way that will help the Federal awarding agency and other non-Federal entities to improve program outcomes.

The Federal awarding agency is required to provide recipients with clear performance goals, indicators, and milestones (200.210). Also, must require the recipient to relate financial data to performance accomplishments of the Federal award.

EXHIBIT B – OVERALL STATEMENT OF WORK - REPORTING**1. GENERAL DESCRIPTION OF THE PROJECT(S).**

- 1.1 **Purpose.** On September 14, 2013, President Barack Obama signed FEMA-DR-4145-CO; subsequent amendments to date have declared 18 counties as a Presidential Disaster Area: Adams, Arapahoe, Boulder, Clear Creek, Crowley, Denver, El Paso, Fremont, Gilpin, Jefferson, Lake, Larimer, Lincoln, Logan, Morgan, Sedgwick, Washington, and Weld. On December 16, 2013, the U.S. Department of Housing and Urban Development (“**HUD**”) published a notice in the Federal Register at Fed. Reg. 76,154 – 76,160 (December 16, 2013), which allocates Community Development Block Grant-Disaster Recovery (“**CDBG-DR**”) funds to the State of Colorado (the “**Colorado Notice**”). Boulder, Larimer, and Weld counties have been designated as the “most impacted and distressed” counties in the Colorado Notice, and 80% of the CDBG-DR allocation provided under the Colorado Notice must address unmet needs within these three counties.
