- **Phone:** 303.446.3535
- **Email:** william.kennedy@denvergov.org

5. **Contact Person:** (With actual knowledge of proposed ordinance/resolution who will present the item at Mayor-Council and who will be available for first and second reading, if necessary.)

- **Name:** Angela Casias
- **Phone:** 720.913.8529
- **Email:** angela.casias@denvergov.org

6. **General description of proposed ordinance including contract scope of work if applicable:** This is extension one to the existing contract with Deighton Assoc., LTD, to provide asset management consulting services for the following tasks;

- Collection of distress data on all city maintained public streets. This assessment is done roughly every five years which contributes to the bulk of the monetary increase to the current budget.
- Perform a network analysis of streets using newly collected distress data to provide recommendations for a multi-year paving program.
- Perform an analysis of the inventory data of pedestrian ramps in the City to provide recommendations and prioritization of rehabilitation of those ramps.
- Develop a mobile data collection application to inventory and assess the alley network within the City.
- Provide annual support and maintenance of the asset management software developed by Deighton and used by the City for asset management purposes.

**\*\*Please complete the following fields:** (Incomplete fields may result in a delay in processing. If a field is not applicable, please enter N/A for that field.)

- a. **Contract Control Number:** 201627262
