

Amendment to CB17-0311 amending the Denver Zoning Code

Councilmember Susman

April 17, 2017

Councilmembers,

I move to amend **CB17-0311**, as follows:

On page 2, line 17, strike “April 27, 2017” and replace with “May 5, 2017”.

PURPOSE OF AMENDMENT

Aligns the effective date of the proposed text amendment bundle to coincide with the proposed amendment to the small lot parking exemptions. By aligning the dates, the city is able to save republishing costs and reduce redundant staff time.
