**Purpose:**
This is a Grant IGA with Colorado Department of Transportation (CDOT) to provide funding for Preliminary and Final Design, Environmental Clearance (CatEx), ROW and Utility Clearances including Construction of an underpass for the High Line Canal at Mississippi and S. Parker Road located in the City and County of Denver (West & South) and Arapahoe County (North & East). The underpass is 14-feet wide, containing a 10-foot tall box culvert, approximately 160 feet in length, located north of the high line canal and north of the existing trail along the canal.

**Scope of services** with performance bench marks: See purpose above.

**Cost/value: f. Contract Amount (indicate amended amount and new contract total):**
CDOT FASTER Roadway Safety Funding with 80% state participation and 20% local match distributed one-half each by Denver and Arapahoe Counties (under a separate not-yet executed IGA). Local 20% match is $800,400 and Denver's is $400,200.00. Federal share of 80% is $3,201,600.00

**Source of funds:** 38830/5011102/ PR01817_001G /CDOT FASTER Funds

**Benefit**: This IGA will allow the local agencies to provide a continuous multi-use trail which bypasses the busy intersection of Hampden Avenue and Colorado Boulevard. to In addition to providing connectivity across two busy arterials, the trail will also accommodate bicycles and pedestrians by providing covered bicycle parking spaces, ADA/AASTO compliant lighting, and way finding signage with destination and distance information.
