6. General description of proposed ordinance including contract scope of work if applicable:

Since 1899 the Trust has been the legal and/or beneficial owner of an approximately 155 acre parcel known as the Park Hill Golf Course. The revenue from the golf course helps further the goals of the Trust by providing early childhood education services to more than 17,000 children in the Denver community and throughout the State of Colorado. The golf operator, Arcis Golf, has notified the Trust that it does not intend to renew its lease at the end of the lease term, December 31, 2018. Due to the anticipated loss of revenue, Clayton has engaged in discussions with the community to seek input on opportunities for repurposing the property to generate new revenue for the Trust.

The Agreement addresses the following items:

1. Termination of the existing Agency Agreement between CCD and the Trust dated October 23, 2000.
2. CCD acquires approximately 50% of the property for \$10M.
3. CCD leases the remaining property for a term of thirty (30) years at \$350,000 per year. The lease gives CCD an option to purchase the property which could be exercised at any time.
4. The Trust shall continue to engage the neighboring community in the Vision Plan and Master Planning process.
5. The aggregate consideration for the purchase and sale and lease transactions shall be equal to the sum of \$20.50M over the thirty-year term.
