2891 Brighton Blvd., Denver, Colorado

Bike station footprint is 279 sq. ft

SERIES OF 2017

("Executive Director"), in the Executive Director's sole and absolute discretion, Permittee shall pay

all cost and expense of the portion of the sewer affected by the permitted structure. The extent of the affected portion to be replaced or relocated by Permittee shall be determined by the Executive Director. Any and all replacement or repair of facilities of the Denver Water and/or drainage facilities for water and sewage of the City attributed to the Permittee shall be made by the Denver Water and/or the City at the sole expense of the Permittee. In the event Permittee's facilities are damaged or destroyed due to the Denver Water or the City's repair, replacement and/or operation of its facilities, repairs will be made by the Permittee at its sole expense. Permittee agrees to defend, indemnify and save the City harmless and to repair or pay for the repair of any and all damages to said sanitary sewer, or those damages resulting from the failure of the sewer to properly function as a result of the permitted structure.

- (e) Permittee shall comply with all requirements of affected utility companies and pay for all costs of removal, relocation, replacement or rearrangement of utility company facilities. Existing telephone facilities shall not be utilized, obstructed or disturbed.
- (f) All construction in, under, on or over the Encroachment Area shall be accomplished in accordance with the Building Code of the City. Plans and specifications governing the construction of the Encroachments shall be approved by the Executive Director and the Director of Building Inspection Division prior to construction. Upon completion, a reproducible copy of the exact location and dimensions of the Encroachments shall be filed with the Executive Director.
- (g) The sidewalk and street/alley over the Encroachment Area shall be capable of withstanding an HS-20 loading in accordance with the latest AASHTO Specifications. The installations within the Encroachment Area shall be constructed so that the paved section of the street/alley can be widened without requiring additional structural modifications. The sidewalk shall be constructed so that it can be removed and replaced without affecting structures within the Encroachment Area.
- (h) Permittee shall pay all costs of construction and maintenance of the Encroachments. Upon revocation of the permit or upon abandonment, Permittee shall pay all costs of removing the Encroachments from the Encroachment Area and return the Encroachment Area to its original condition under the supervision of the City Engineer.
- (i) Permittee shall remove and replace any and all street/alley paving, sidewalks, and curb and gutter, both inside the Encroachment Area and in the rights-of-way adjacent thereto, that become broken, damaged or unsightly during the course of construction. In the future, Permittee shall also remove, replace or repair any street/alley paving, sidewalks, and curb and gutter that become broken or damaged when, in the opinion of the City Engineer, the damage has been caused

by the activity of the Permittee within the Encroachment Area. All repair work shall be accomplished without cost to the City and under the supervision of the City Engineer.

- (j) The City reserves the right to make an inspection of the Encroachments contained within the Encroachment Area. An annual fee, subject to change, of \$200.00 shall be assessed.
- (k) This revocable Permit shall not operate or be construed to abridge, limit or restrict the City in exercising its right to make full use of the Encroachment Area and adjacent rights-of-way as public thoroughfares nor shall it operate to restrict the utility companies in exercising their rights to construct, remove, operate and maintain their facilities within the Encroachment Area and adjacent rights-of-way.
- (I) During the existence of the Encroachments and this Permit, Permittee, its successors and assigns, at its expense, and without cost to the City, shall procure and maintain a single limit comprehensive general liability insurance policy with a limit of not less than \$500,000.00. All coverages are to be arranged on an occurrence basis and include coverage for those hazards normally identified as X.C.U. during construction. The insurance coverage required herein constitutes a minimum requirement and such enumeration shall in no way be deemed to limit or lessen the liability of the Permittee, its successors or assigns, under the terms of this Permit. All insurance coverage required herein shall be written in a form and by a company or companies approved by the Risk Manager of the City and authorized to do business in the State of Colorado. A certified copy of all such insurance policies shall be filed with the Executive Director, and each such policy shall contain a statement therein or endorsement thereon that it will not be canceled or materially changed without written notice, by registered mail, to the Executive Director at least thirty (30) days prior to the effective date of the cancellation or material change. All such insurance policies shall be specifically endorsed to include all liability assumed by the Permittee hereunder and shall name the City as an additional insured.
- (m) Permittee shall comply with the provisions of Article IV (Prohibition of Discrimination in Employment, Housing and Commercial Space, Public Accommodations, Educational Institutions and Health and Welfare Services) of Chapter 28 (Human Rights) of the Revised Municipal Code of the City and County of Denver. The failure to comply with any such provision shall be a proper basis for revocation of this Permit.
 - (n) The right to revoke this Permit is expressly reserved to the City.
- (o) Permittee shall agree to indemnify and always save the City harmless from all costs, claims or damages arising, either directly or indirectly, out of the rights and privileges granted by this Permit.

1	Section 3. That the Permit hereby granted shall be revocable at any time that the Council
2	of the City and County of Denver shall determine that the public convenience and necessity or the
3	public health, safety or general welfare require such revocation, and the right to revoke the same is
4	hereby expressly reserved to the City; provided however, at a reasonable time prior to City Council
5	action upon such revocation or proposed revocation, opportunity shall be afforded to Permittee, its
6	successors and assigns, to be present at a hearing to be conducted by the City Council upon such
7	matters and thereat to present its views and opinions thereof and to present for consideration action
8	or actions alternative to the revocation of such Permit.
