Councilmember Kashmann

October 30, 2017

Councilmembers,

I move to amend **Bill No. 17-1125** as follows:

- 1) On page 3, after line 22, add a new section “(d) entitled, **Reporting Requirement. The Denver Police Department shall prepare a report concerning tickets issued pursuant to this ordinance and distribute it to the City Council quarterly.**”

PURPOSE OF THE AMENDMENT

The purpose of the amendment is to give Council opportunity to re-evaluate the smoking ordinance to assure that the enactment is for public benefit and positive health outcomes and that certain populations are not unnecessarily impacted by the ordinance in negative outcomes.
