Section 2.01. Representations and Agreements of the City. The City represents and agrees, for the benefit of the Lessor and to the extent allowed by law and subject to renewal of this Lease and Appropriation as set forth herein, as follows:

- (a) The City is a municipal corporation and political subdivision duly organized and existing as a home rule city under the provisions of Article XX of the constitution and laws of the State and the Charter with full power and authority to enter into this Lease and the transactions contemplated hereby and to perform all of its obligations hereunder.
- (b) The City is authorized to enter into this Lease and to carry out its obligations hereunder. The City has duly authorized the execution and delivery of this Lease by proper action of its City Council or by other appropriate official approval. The City Council has authorized and directed, and hereby authorizes and directs, the Manager of Finance to execute and deliver the Escrow Agreement on behalf of the City.
- (c) No event or condition that constitutes, or with the giving of notice or the lapse of time or both would constitute, an Event of Default exists at the date hereof.
- (d) The City has complied with applicable procurement requirements, if any, related to this Lease and the acquisition of the Equipment pursuant to the terms of this Lease.
- (e) During the Lease Term, the Equipment will be used by the City only for the purpose of performing essential governmental or proprietary functions of the City consistent with the permissible scope of the City's authority.

- (f) The Manager of Finance will annually provide the Lessor with current financial statements, budgets and certificates in respect of Appropriation for the ensuing Fiscal Year as the same may be requested in writing by the Lessor to the Manager of Finance.
- (g) The City has an immediate need for the Equipment and, after the City Representative has delivered the Acceptance Certificate to the Lessor, expects to make immediate use of the Equipment. The City's need for the Equipment is not temporary and the City does not expect the need for the Equipment to diminish in the foreseeable future including the maximum Lease Term. This statement is subject to and qualified by the provisions of this Lease, including but not limited to the provisions of Section 3.03.
- (h) The City will comply with all applicable provisions of the Code, including without limitation Sections 103 and 148 thereof, and the applicable regulations of the Treasury Department to maintain the exclusion of the interest components of Rental Payments from gross income for purposes of federal income taxation.

Upon the Commencement Date, the City will use the proceeds of this Lease as soon as practicable and with all reasonable dispatch for the purpose set forth in this Lease. No part of the proceeds of this Lease shall be invested in any securities, obligations or other investments or used, at any time, directly or indirectly, in a manner which, if such use had been reasonably anticipated on the date of issuance of this Lease, would have caused any portion of this Lease to be or become "arbitrage bonds" within the meaning of Section 103(b)(2) or Section 148 of the Code and the Treasury Regulations promulgated thereunder.

Section 2.02. Representations and Agreements of the Lessor. The Lessor represents and agrees, for the benefit of the City, as follows:

- (a) The Lessor is a Kansas corporation with full power and authority to enter into this Lease and the transactions contemplated hereby and to perform all of its obligations hereunder. The Lessor is authorized to enter into this Lease and to carry out its obligations hereunder. The Lessor has duly authorized the execution and delivery of this Lease by proper corporate action.
- (b) So long as no Event of Default or Event of Nonappropriation has occurred and is then existing, the Lessor shall not pledge, assign, mortgage, encumber or grant a security interest in its right, title and interest in, to and under this Lease or the Equipment, except as may be permitted under Section 11.01.
- (c) The Lessor agrees to deposit into the Acquisition Fund the amount set forth in Section 5.01, provided that the Lessor has received from the City, on or before the date of this Lease, the following:

- (1) An opinion of the City Attorney in respect of this Lease in substantially the form attached hereto as Exhibit G.
- (2) An opinion of outside expert tax counsel in respect of this Lease that the interest component of the Rental Payment is exempt from federal income taxation in substantially the form attached hereto as Exhibit H.
- (3) All other documentation relating directly to this Lease and the Equipment, as mutually agreed by the Lessor and the City and in form satisfactory to both the Lessor and the City.

In order to facilitate the Lessor's deposit into the Acquisition Fund, the Lessor has agreed in Section 5.01 hereof to receive executed documents by facsimile or electronic means.

Section 2.03. Nature of this Lease. The annually renewable obligations of the City under this Lease are payable solely from funds for which an Appropriation has been effected by the City and shall not constitute or give rise to a general obligation or other indebtedness of the City or a multiple fiscal year direct or indirect debt or other financial obligation whatsoever of the City, within the meaning of any constitutional, Charter or statutory provision or limitation nor a mandatory charge or requirement against the City in any ensuing Fiscal Year beyond the then current Fiscal Year. This Lease may not be renewed in the event that funds are not specifically budgeted and available from an Appropriation which has been effected by the City to continue making all Rental Payments and other amounts that may be due hereunder during the next occurring Fiscal Year, and that the act of effecting an Appropriation budgeting funds is a governmental act and, as such, is solely within the discretion of the City.

ARTICLE III

Section 3.01. Lease of Equipment. The Lessor hereby demises, leases, transfers, and lets to the City, and the City acquires, rents, leases and hires from the Lessor, the Equipment in accordance with the terms hereof.

The Lease Term may be continued, solely at the option of the City, at the end of the Original Term or any Renewal Term for the next succeeding Renewal Term up to the maximum Lease Term set forth in greater detail in <u>Exhibit C</u>. At the end of the Original Term and at the end of each Renewal Term until the maximum Lease Term has been completed, the City shall be deemed to have exercised its option to continue this Lease for the next Renewal Term unless the City shall have terminated this Lease pursuant to the provisions of this Lease, including but not limited to the provisions of Sections 3.03, 5.01 and 10.01.

The terms and conditions during any Renewal Term shall be the same as the terms and conditions during the Original Term, except that the Rental Payments in respect of each Fiscal Year shall be as provided in <u>Exhibit C</u>.

Section 3.02. Continuation of Lease Term. As of the date of this Lease, the City currently intends, subject to the provisions of this Lease, including but not limited to the provisions of Sections 3.03 and 5.01, to continue the Lease Term of this Lease through the Original Term and all Renewal Terms and to pay the Rental Payments hereunder during the Lease Term. The City Representative reasonably believes that legally available funds in an amount sufficient to make all Rental Payments during the maximum Lease Term can be obtained by Appropriation. Notwithstanding the foregoing, it is the intention of the City that any decision to effect an Appropriation for the Rental Payments shall be made solely by the City and the actions of the officials of the City as further provided in this Lease, including but not limited to the provisions of Sections 3.03 and 5.01.

Section 3.03. Nonappropriation. If sufficient funds are not appropriated by the City for Rental Payments due in any Fiscal Year, an Event of Nonappropriation shall be deemed to have occurred. The City Representative shall deliver notice thereof to the Lessor promptly, but not later than thirty (30) days after the occurrence of an Event of Nonappropriation. Failure to give such notice shall not prevent the Lessor from declaring an Event of Nonappropriation or from taking any remedial action otherwise available to the Lessor.

Upon the occurrence of an Event of Nonappropriation, the City agrees that the Lessor may reclaim possession of the Equipment and make demand upon the City for immediate payment of all other amounts (other than subsequent Rental Payments) then due and outstanding under this Lease, to the extent permitted by law and, if and only if an Appropriation for the payment of such amounts has been effected by the City for this purpose. The City agrees to peaceably deliver the Equipment in accordance with Section 12.02.

The making of Rental Payments and the payment of any other obligations of the City contained in this Lease are subject to annual Appropriation by the City. In the event that the City does not effect an Appropriation in respect of any Renewal Term, thereby renewing this Lease for the related Fiscal Year and allowing the City to continue paying the related Rental Payments, regardless of the reason therefore or the failure of the City to act, this Lease shall automatically terminate on the last day of the Fiscal Year in respect of which such an Appropriation to make Rental Payments had been effected, and the Equipment shall be returned to the Lessor without further obligation of the City for any amount, fee, penalty, interest or damage whatsoever.

The exercise of the City's annual option to appropriate Rental Payments shall be conclusively determined by whether or not the City has, on or before the last day of each Fiscal Year, effected an Appropriation to make Rental Payments for the ensuing Fiscal Year. In any Fiscal Year in which this Lease shall be in effect, the City Representative or other officer of the City then charged with the responsibility of formulating budget proposals in respect of this Lease is hereby directed to include or cause to be included in the annual budget proposals submitted to the City Council items for all payments required for the next subsequent Renewal Term under this Lease. Notwithstanding this directive regarding the formulation of budget proposals, it is the intention of the City that any

decision to effect an Appropriation for the Rental Payments shall be made solely by the City and the actions of the officials of the City as provided in this Section 3.03.

ARTICLE IV

Section 4.01. Rental Payments. If the City has effected an Appropriation to make Rental Payments in the Original Term and any Renewal Term as provided in Article III, the City shall promptly pay Rental Payments, exclusively from legally available funds, in lawful money of the United States of America to the Lessor on the dates and in such amounts as provided in this Lease, including but not limited to Exhibit C.

The City shall pay the Lessor a charge on any Rental Payment not paid within five (5) business days after the date the City Representative shall have received written notice from the Lessor that such Rental Payment is due during the related Renewal Term at the rate of 12% per annum or the maximum amount permitted by law, whichever is less, from such fifth (5th) business day, provided that such charge shall only be paid from funds for which an Appropriation has been effected by the City. Rental Payments consist of principal and interest components as more fully detailed on Exhibit C, the interest on which begins to accrue as of the Commencement Date.

Section 4.02. Rental Payments to Constitute a Current Expense of the City. The Lessor and the City acknowledge and agree that the Rental Payments shall constitute currently budgeted expenditures of the City, if an Appropriation has been effected for such purpose. The City's obligation to pay Rental Payments under this Lease shall be from Fiscal Year to Fiscal Year only (as further provided in Section 2.03 and Article III), shall extend only to moneys for which an Appropriation has been effected by the City and shall not constitute a mandatory charge, requirement or liability in any ensuing Fiscal Year beyond the then current Fiscal Year. No provision of this Lease shall be construed or interpreted as a delegation of governmental powers or as creating a multiple fiscal year direct or indirect debt or other financial obligation whatsoever of the City or a general obligation or other indebtedness of the City within the meaning of any constitutional, Charter or statutory debt limitation, including without limitation Article X, Section 20 or Article XI, Sections 1, 2 and 6 of the Constitution of the State. This Lease shall not directly or indirectly obligate the City to make any payments beyond those for which an Appropriation has been effected by the City for the City's then current Fiscal Year. The City shall be under no obligation whatsoever to exercise its option to purchase the Equipment. No provision of this Lease shall be construed to pledge or to create a lien on any City moneys, nor shall any provision of this Lease restrict the future issuance of any bonds or obligations of the City payable from any City moneys.

Section 4.03. Rental Payments to be Unconditional. The obligations of the City to make Rental Payments in any Fiscal Year for which an Appropriation has been effected by the City for the payment thereof and to perform and observe the other agreements contained in this Lease shall be absolute and unconditional without abatement, diminution, deduction, set-off or defense, for any reason, including without limitation any defects, malfunctions, breakdowns or infirmities in the Equipment after Acceptance thereof or any accident, condemnation or unforeseen circumstances.

ARTICLE V

Section 5.01. Acquisition Fund Deposit; Delivery, Installation and Testing of Equipment; Acceptance. The Lessor agrees that if it has received executed documents (which may be by facsimile or electronic means) the Lessor will deposit \$13,551,014.00 into the Acquisition Fund created under the Escrow Agreement in order that such moneys may be used after Acceptance to pay for the acquisition, delivery, installation and testing of the Equipment.

The City agrees to order the Equipment and cause the Equipment to be delivered, installed and tested at the location specified on Exhibit A, all pursuant to the Related Vendor Contract. After the Equipment has been delivered, installed and tested, the City agrees to accept the Equipment provided that the Equipment satisfies the requirements of the City as set forth in the Related Vendor Contract. If the Equipment satisfies the requirements of the City therefor, all as set forth in the Related Vendor Contract, the City Representative shall promptly notify the Lessor of Acceptance of the Equipment and direct the Escrow Agent to pay the Vendor pursuant to the Escrow Agreement by executing and delivering to the Lessor and the Escrow Agent the Acceptance Certificate.

Within three (3) days of the receipt of the Acceptance Certificate and pursuant to the terms of the Escrow Agreement, the Lessor shall approve the payment of the invoice of the Vendor for the delivery, installation and testing of the Equipment as such invoice shall be attached to and approved in the Acceptance Certificate.

In the event that the Equipment Acceptance Date has not occurred such that title to Equipment in at least two of the first three Acceptance Certificates has not been provided to the Lessor by the first Rental Payment Date set forth on Exhibit C:

- (a) the City and the Lessor may agree to amend this Agreement to revise Exhibit C as to the Rental Payment dates and to provide for payment of additional interest required by the extension at the same interest rate set forth on Exhibit C; or
- (b) the City may terminate this Lease in which event (i) the City and the Lessor shall direct the Escrow Agent to return to the Lessor the original amount (as set forth above) deposited by the Lessor to the Acquisition Fund and pay to the City any interest income earned on investments of the Acquisition Fund prior to the delivery of such direction, (ii) the City shall pay to the Lessor a final Rental Payment, subject to Appropriation as set forth in Section 4.01, determined by multiplying the original amount deposited by the Lessor to the Acquisition Fund by the per annum interest rate used to calculate the interest component of the Rental Payment by the number of days from the Commencement Date through the day prior to the designated termination date, computed on the basis of a 360-day year of twelve 30-day months, and (iii) assign to the Lessor the rights to the Equipment in the Related Vendor Contract, deliver to the Lessor any Equipment received by the City, and direct undelivered Equipment be delivered to the Bank, and (iv) no other amount, fee, penalty, interest or damages whatsoever shall be due hereunder and this Lease shall be deemed null and void from the designated termination date.

Any such termination may be effected by the mailing of a notice of such termination, including the statement of the City's designated termination date, by the City Representative to the Lessor and the Escrow Agent.

IF LESS THAN ALL PROCEEDS ARE USED, THE CITY MAY REQUEST ESCROW AGENT REFUND THOSE PROCEEDS TO THE CITY FOR USE AS RENTAL PAYMENTS..

Section 5.02. Enjoyment of Equipment. After Acceptance, the Lessor shall provide the City with quiet use and enjoyment of the Equipment during the Lease Term, and the City shall peaceably and quietly have, hold and enjoy the Equipment during the Lease Term, without suit, trouble or hindrance from the Lessor, except as otherwise expressly set forth in this Lease. No Registered Owner shall interfere with such quiet use and enjoyment during the Lease Term so long as this Lease has not been terminated as a result of the occurrence of an Event of Nonappropriation or an Event of Default.

Section 5.03. Location; Inspection. Once installed, no item of the Equipment will be moved from the location specified for it on <u>Exhibit A</u> without the Lessor's consent, which consent shall not be unreasonably withheld. If the Lessor provides, on any business day, to the City's Representative at least 24 hours' written notice of intent to inspect, the Lessor shall have the right at all reasonable times during regular business hours to enter into and upon the locations of the Equipment for the purpose of inspecting the Equipment.

Section 5.04. Use and Maintenance of the Equipment. After Acceptance, the City will not use, operate or maintain the Equipment carelessly, in violation of any applicable law or in a manner contrary to that contemplated by this Lease. The City shall provide all permits and licenses, if any, necessary for the installation and operation of the Equipment. In respect of the Equipment, the City agrees to comply in all respects with all applicable laws, regulations and rulings of any legislative, executive, administrative or judicial body; provided that the City may contest in good faith the validity or application of any such law, regulation or ruling in any reasonable manner that does not adversely affect the interest of the Lessor in and to the Equipment or its interest or rights under this Lease.

The City agrees that it will, at the City's own cost and expense, maintain, preserve and keep the Equipment in good repair and working order. The Lessor shall have no responsibility to maintain, repair or make improvements or additions to the Equipment.

ARTICLE VI

Section 6.01. Title to the Equipment. During the Lease Term, legal title to the Equipment and any and all repairs, replacements, substitutions and modifications to such Equipment shall be in the Lessor. Such title shall be held by the Lessor subject to this Lease. The City agrees that so long as legal title to the Equipment shall be in the Lessor and the City shall not be considered to hold legal title to the Equipment under Section 10.01, the Lessor shall be entitled to receive (a) any money attached or added to the Equipment at any time, (b) any money or property from the sale of the Equipment, and (c) any money from an insurance claim if the Equipment is lost or damaged.

Unless an Event of Nonappropriation or an Event of Default has occurred and is continuing, upon acceptance thereof, the City shall have the right to peacefully possess and use the Equipment during the Lease Term. The City will at all times protect and defend, at its own cost and expense, the Lessor's title from and against all claims, liens, and legal processes of the City's creditors, and keep all Equipment free and clear of all such claims, liens and processes.

Section 6.02. Financing Documents. Neither the Lessor nor the City will execute, or cause to be filed, any financing or security documents in respect of this Lease or the Equipment unless such financing or security documents shall consist of a UCC-1 financing statement filed by the Lessor reflecting (a) the Lessor's legal title to the Equipment and designated as "filed for notice purposes only" and with precautionary statement as to the interest of the Lessor as the title holder or (b) the Lessor's assignment of its interests in this Lease and the Equipment as provided in Section 11.01.

Section 6.03. Personal Property. The Equipment is and will remain personal property and will not be deemed to be affixed to or a part of the real estate on which it may be situated, notwithstanding that the Equipment or any part thereof may be or hereafter become in any manner physically affixed or attached to real estate or any building thereon. Upon the request of the Lessor, the City will, at the City's expense, furnish a waiver of any interest in the Equipment from any party having an interest in any such real estate or building.

ARTICLE VII

Section 7.01. Liens, Taxes, Other Governmental Charges and Utility Charges. The City shall keep the Equipment free of all levies, liens and encumbrances except those created by this Lease. The Lessor and the City contemplate that the Equipment will be used and possessed by the City for a governmental or proprietary purpose of the City and that the Equipment will therefore be exempt from all property taxes. Because of such contemplation, the Lessor agrees that it will not declare the Equipment to the Assessor's office of the City, the State or any other taxing entity and will not take any other action that may cause an improper tax billing to be prepared in respect of the Equipment. If the use, possession or acquisition of the Equipment is nevertheless determined to be subject to taxation, the City shall pay when due (a) all taxes and governmental charges lawfully assessed or levied against or with respect to the Equipment and (b) all utility and other charges incurred in the use and maintenance of the Equipment, provided that the City shall have effected an Appropriation for the payment of any such taxes or charges. The City shall pay such taxes or charges as the same may become due; provided that, with respect to any such taxes or charges that may lawfully be paid in installments over a period of years, the City shall be obligated to pay only such installments as accrue during the Lease Term.

Section 7.02. Insurance. At its own expense, the City shall, during the Lease Term, either (a) maintain casualty insurance insuring the Equipment against loss or damage by fire and all other risks covered by the standard extended coverage endorsement then in use in the State, in an amount at least equal to the then applicable Purchase Price of the Equipment or (b) self-insure against such risks evidencing such self-insurance by providing a statement of self-insurance coverage in an amount not less than the cost of the Equipment. Upon the Lessor's written request to the City Representative from time to time throughout the Lease Term, the City Representative shall furnish to

the Lessor evidence of such insurance or self-insurance coverage. The City shall not materially modify or cancel such insurance or self-insurance coverage without first giving written notice thereof to the Lessor at least 10 days in advance of such cancellation or modification. To the extent that the City is not self-insured in respect of the Equipment, the required casualty insurance shall contain a provision making any losses payable to the City and the Lessor as their respective interest may appear.

Section 7.03. Advances. In the event the City shall fail to keep the Equipment in good repair and working order, the Lessor may, but shall be under no obligation to, maintain and repair the Equipment and pay the cost thereof. All amounts so advanced by the Lessor shall constitute additional rent for the then current Original Term or Renewal Term and, only if an Appropriation has been effected by the City for this purpose, the City agrees to pay such amounts so advanced by the Lessor with interest thereon from the due date until paid at the rate of 12% per annum or the maximum amount permitted by law, whichever is less.

ARTICLE VIII

Section 8.01. Damage, Destruction and Condemnation. If (a) the Equipment or any portion thereof is destroyed, in whole or in part, or is damaged by fire or other casualty or (b) title to, or the temporary use of, the Equipment or any part thereof shall be taken under the exercise or threat of the power of eminent domain by any governmental body or by any person, firm or corporation acting pursuant to governmental authority, the City and the Lessor will cause the Net Proceeds to be applied to the prompt replacement, repair, restoration, modification or improvement of the Equipment to substantially the same condition as existed prior to the event causing such damage, destruction, or condemnation unless the City shall have exercised its option to purchase the Equipment pursuant to Section 10.01. Any balance of the Net Proceeds remaining after such work has been completed shall be paid to the City.

For purposes of this Article, the term "Net Proceeds" shall mean (a) the amount of insurance proceeds received by the City for rebuilding, repairing, restoring, or replacing the damaged or destroyed Equipment or (b) the amount remaining from the gross proceeds of any condemnation award or sale under threat of condemnation after deducting all expenses, including attorneys' fees, incurred in the collection thereof.

Section 8.02. Insufficiency of Net Proceeds. If the Net Proceeds are insufficient to pay in full the cost of any repair, restoration, modification or improvement referred to in Section 8.01, City shall either (a) complete such replacement, repair, restoration, modification or improvement and pay any costs thereof in excess of the amount of the Net Proceeds, or (b) pursuant to Section 10.01 purchase the Lessor's interest in all of the Equipment. The amount of the Net Proceeds, if any, remaining after completing such repair, restoration, modification or improvement or after purchasing the Lessor's interest in all of the Equipment shall be retained by the City. If the City shall make any payments pursuant to this Section, the City shall not be entitled to any reimbursement therefor from the Lessor nor shall the City be entitled to any diminution of the amounts payable under Article IV. If the City does not timely budget and appropriate sufficient funds to proceed under either (a) or (b),

an Event of Nonappropriation shall be deemed to have occurred and the Lessor may pursue remedies available to it following an Event of Nonappropriation.

ARTICLE IX

Section 9.01. Disclaimer of Warranties. The Lessor makes no warranty or representation, either express or implied, as to the value, design, condition, merchantability or fitness for particular purpose or fitness for use of the Equipment. In no event shall the Lessor be liable for any incidental, indirect, special or consequential damage in connection with or arising out of this Lease or the existence, furnishing, functioning or the City's use of any item, product or service provided for in this Lease. The City may proceed to assert claims and rights relating to the Equipment as provided in Section 9.02 hereof.

Section 9.02. Vendor's Warranties. The Lessor hereby irrevocably appoints the City its agent and attorney-in-fact during the Lease Term, so long as the City shall not be in default under this Lease, to assert from time to time whatever claims and rights (including without limitation warranties) relating to the Equipment that the Lessor may have against the Vendor or any person other than the Lessor. Any such matter shall not have any effect whatsoever on the rights or obligations of the Lessor with respect to this Lease, including the right to receive full and timely Rental Payments for which an Appropriation has been effected by the City for this purpose.

ARTICLE X

Section 10.01. Purchase Option. The City shall have the option to purchase the Lessor's ownership interest in all of the Equipment, at the following times and upon the following terms:

- (a) On the date of the last Rental Payment set forth in this Lease (assuming this Lease has been renewed at the end of the Original Term and each Renewal Term), if this Lease is still in effect on such day, upon payment in full of Rental Payments due on this Lease to the Lessor;
- (b) Upon giving written notice to the Lessor at least sixty (60) days before the date of purchase, on the Rental Payment dates set forth on Exhibit C, upon payment in full of the Rental Payments then due plus the then applicable Purchase Price as set forth on Exhibit C to the Lessor; or
- (c) In the event of substantial damage to or destruction or condemnation of substantially all of the Equipment, on the day specified in the City's notice to the Lessor of its exercise of the purchase option upon payment in full to the Lessor of the Rental Payments then due plus the then applicable Purchase Price; provided that (1) such notice shall be given in writing at least sixty (60) days prior to the purchase date and (2) if the purchase date is not a Rental Payment date, the City shall also pay an amount equal to the portion of the interest component of the Rental Payment accrued from the immediately preceding Rental Payment date to such purchase date, computed on the basis of a 360-day year of twelve 30-day months.

Section 10.02. Manner of Conveyance and Other Agreements Regarding Purchase. At the closing of the purchase or other conveyance of the Equipment pursuant to Section 10.01, the Lessor shall release and terminate this Lease and deliver to the Manager of Finance a document in substantially the form set forth as Exhibit D releasing, assigning, transferring and conveying title to, and the Lessor's interest in, the Equipment and this Lease. The Lessor shall also cause a termination statement to be filed if the Lessor has filed any "notice" financing statement as permitted under Section 6.02.

ARTICLE XI

Section 11.01. Assignment by Lessor. The Lessor's right, title and interest in, and to Rental Payments and any other amounts payable by the City under this Lease and its ownership in the Equipment and all proceeds there from, may be assigned and reassigned in whole or in part to one or more assignees or subassignees by the Lessor and, to the extent of its interest, by any Registered Owner, without the necessity of obtaining the consent of the City; provided that (a) any such assignment, other than an assignment by a Registered Owner, shall not be effective until the Manager of Finance has received written notice, signed by the assignor, of the name and address of the assignee, and (b) any assignment to or by a Registered Owner shall not be effective until it is registered on the registration books kept by the Agent as agent for such. The City hereby agrees that the Lessor may, without notice to the City, sell, dispose of, or assign this Lease through a pool, trust, limited partnership, or other similar entity, whereby one or more interests are created in this Lease, the Equipment or the Rental Payments.

The Lessor and the City agree that any such assignment of this Lease is not intended as the offer or sale of a security, and the Lessor and all assignees hereof understand and agree that: (a) the City shall not be responsible for any information provided to any assignee or subassignee in connection with any such assignment and (b) if any such assignment constitutes the offering of a security under applicable securities laws, the City shall not be responsible for compliance with any such laws, and any offering or other disclosure document delivered by the Lessor in connection with such assignment shall include a statement to the effect that the City has assumed no responsibility for such document and has neither reviewed nor undertaken to verify any information contained therein.

Manager of Finance shall (a) retain all assignment notices as a register of all assignees (other than Registered Owners) and (b) shall be responsible for making all payments during the Lease Term, if an Appropriation has been effected by the City for such purpose, *only* to the Lessor at the address set forth in Section 13.01, notwithstanding any assignment by the Lessor pursuant to the terms of this section.

Provided that the City shall have accepted the Equipment, the City shall not have the right to and shall not assert against any assignee or Registered Owner any claim, counterclaim or other right the City may have against the Vendor.

The option granted in this Section does not permit the assignment of less than all of the Lessor's interests in all of the Equipment.

Section 11.02. Assignment and Subleasing by the City. None of the City's right, title and interest in, to and under this Lease or any portion of the Equipment may be assigned or encumbered by the City for any reason; except that the City may sublease all or part of such Equipment if (a) such sublease is to an agency or department of, or a political subdivision of, the State or (b) the City obtains the prior written consent of the Lessor and an opinion of nationally recognized counsel in the area of tax exempt municipal obligations satisfactory to the Lessor that such subleasing will not adversely affect the exclusion of the interest components of the Rental Payments from gross income for federal income purposes. Any such sublease of all or part of any Equipment shall be subject to this Lease and the rights of the Lessor in, to and under this Lease and with respect to the Equipment.

ARTICLE XII

Section 12.01. Events of Default Defined. Any of the following events shall constitute an "Event of Default" under this Lease:

- (a) Failure by the City to pay any Rental Payment or other payment, for which an Appropriation has been effected by the City for such purpose, during the Original Term or any Renewal Term, five (5) Business Days after the date the City Representative shall have received written notice from the Lessor that such payment is due:
- (b) Failure by the City to observe and perform any agreement on its part to be performed, other than as provided in (a) above, for a period of 45 days after written notice specifying such failure and requesting that it be remedied is given to the City by the Lessor, unless the Lessor shall agree in writing to an extension of such time prior to its expiration; provided that, if the failure stated in the notice cannot be corrected within the applicable period, the Lessor will not unreasonably withhold its consent to an extension of such time if corrective action is instituted by the City within the applicable period and diligently pursued until the default is corrected and provided further that, if, by reason of *Force Majeure*, the City shall be unable to carry out such agreement, the City shall not be deemed in default during the continuance of such inability;
- (c) Any representation made by the City in this Lease or in any writing by any official of the City specifically related to this Lease or the execution, delivery or performance of this Lease shall prove to have been false, incorrect, misleading or breached in any material respect on the date when made;
- (d) The City shall (1) apply for or consent to the appointment of a receiver, trustee, custodian or liquidator of the City, or of all or a substantial part of the assets of the City, (2) be unable, fail or admit in writing its inability generally to pay its debts as they become due, (3) make a general assignment for the benefit of creditors, (4) have an order for relief entered against it under applicable federal bankruptcy law, or (5) file a voluntary petition in bankruptcy or a petition or an

answer seeking reorganization or an arrangement with creditors or take advantage of any insolvency law or any answer admitting the material allegations of a petition filed against the City in any bankruptcy, reorganization or insolvency proceeding; or

(e) An order, judgment or decree shall be entered by any court of competent jurisdiction, approving a petition or appointing a receiver, trustee, custodian or liquidator of the City or a substantial part of the assets of the City, in each case without its application, approval or consent, and such order, judgment or decree shall continue unstayed and in effect for any period of thirty (30) consecutive days.

Section 12.02. Remedies on Default. Whenever any Event of Default exists, the Lessor shall have the right, at its sole option without any further demand or notice, to take one or any combination of the following remedial steps:

- (a) By written notice to the City, the Lessor may declare all Rental Payments and other amounts for which an Appropriation has been effected by the City, to the end of the then current Original Term or Renewal Term, to be immediately due and payable;
- With or without terminating the Lease Term, the Lessor (1)(A) at the (b) Lessor's expense, may enter the premises where the Equipment is located and retake possession of the Equipment or (B) may require the City at the City's expense to promptly return any or all of such Equipment to the possession of the Lessor at such place within the United States as the Lessor shall specify and (2) may sell or lease the Equipment or, for the account of the City, sublease the Equipment, continuing to hold the City liable for the difference between (i) the Rental Payments and other amounts for which an Appropriation has been effected by the City to the end of the then current Original Term or Renewal Term, as the case may be, and (ii) the net proceeds of any such sale, leasing or subleasing (after deducting all expenses of the Lessor in exercising its remedies under this Lease, including without limitation all expenses of taking possession, storing, reconditioning and selling or leasing the Equipment and all reasonable brokerage, auctioneer's and attorney's fees), subject, however, to the provisions of this Lease, including but not limited to the provisions of Section 3.03 hereof; and provided that an Appropriation has been effected by the City for such purpose; and
- (c) The Lessor may take whatever action at law or in equity may appear necessary or desirable to enforce its rights under this Lease or as owner of all of the Equipment.

Section 12.03. No Remedy Exclusive. No remedy herein conferred upon or reserved to the Lessor is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Lease now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be

exercised from time to time and as often as may be deemed expedient. In order to entitle the Lessor to exercise any remedy reserved to it in this Article it shall not be necessary to give any notice other than such notice as may be required in this Article.

Section 12.04. Application of Moneys. Any net proceeds from the exercise of any remedy under this Lease (after deducting all expenses of the Lessor in exercising such remedies including without limitation all expenses of taking possession, storing, reconditioning and selling or leasing such Equipment and all reasonable brokerage, auctioneer's and attorney's fees) shall be applied to the Rental Payments and other amounts due under this Lease to the end of the then current Original Term or Renewal Term.

ARTICLE XIII

Section 13.01. Notices; Payments to Lessor. All notices or other communications under this Lease shall be sufficiently given and shall be deemed given when delivered or mailed by registered mail, postage prepaid, to the Lessor and the City at the addresses listed below (or at such other address as either the Lessor or the City shall designate in writing to the other party hereto). Any payments that may be due to the Lessor during the Lease Term shall be mailed to the Lessor by the City with a City warrant therefor enclosed or shall be transferred by the City by electronic transfer, to the address or the account set forth below:

ESCROW AGREEMENT

THIS ESCROW AGREEMENT, dated as of December 21, 2017 ("<u>Escrow Agreement</u>"), is by and among **BANC OF AMERICA PUBLIC CAPITAL CORP** ("Lessor"), a Kansas corporation ("<u>Lessor</u>"); CITY AND COUNTY OF DENVER, COLORADO, a home rule municipality ("<u>City</u>"); and U.S. BANK NATIONAL ASSOCIATION, a national banking association, as escrow agent hereunder ("<u>Escrow Agent</u>").

BACKGROUND

- A. Lessor and City have entered into an Equipment Lease Purchase Agreement (as amended, the "Lease"), dated the date hereof authorizing entrance into this Escrow Agreement, pursuant to which will be established a special trust fund designated "December 21, 2017 Equipment Lease Purchase Agreement Acquisition Fund" (the "Acquisition Fund") to be held and administered by the Escrow Agent in trust for the benefit of the Lessor and the City in accordance with this Escrow Agreement. The Lease provides that Lessor shall deposit the Acquisition Fund (defined below) in a segregated escrow account to be held by Escrow Agent for the purpose of payment to the Vendor(s) for acquisition of the Equipment as set forth on the attached Acceptance Certificates.
- B. Escrow Agent has agreed to accept, hold, and disburse the funds deposited with it and the earnings thereon in accordance with the terms of this Escrow Agreement.
- C. Lessor and City have appointed the Representatives (as defined below) to represent them for all purposes in connection with the funds to be deposited with Escrow Agent and this Escrow Agreement.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, for themselves, their successors and assigns, hereby agree as follows:

- 1. <u>Definitions</u>. Terms not defined herein shall have the meanings defined in the Lease. The following terms shall have the following meanings when used herein:
- "Acceptance Certificate(s)" shall mean a written direction executed by the Representatives and directing Escrow Agent to disburse all or a portion of the Acquisition Fund or to take or refrain from taking any other action pursuant to this Escrow Agreement. The Forms of Acceptance Certificate(s) are attached at Schedule C.

[&]quot;Acquisition Fund" shall mean the funds deposited with Escrow Agent pursuant to Section 3 of

this Agreement, together with any interest and other income thereon.

"City Representative" shall mean the person(s) so designated on the Acceptance Certificate attached hereto or any other person designated, in a writing signed by City and delivered to Escrow Agent and the Lessor Representative in accordance with the notice provisions of this Escrow Agreement, to act as its representative under this Escrow Agreement.

"Escrow Period" shall mean the period commencing on the date hereof and ending at the close of Escrow Agent's business day on December 21, 2020 unless earlier terminated pursuant to this Escrow Agreement.

"Indemnified Party" shall have the meaning set forth in Section 11.

"<u>Lessor Representative</u>" shall mean the person(s) so designated on the Acceptance Certificate attached hereto or any other person designated in a writing signed by Lessor and delivered to Escrow Agent and the City Representative in accordance with the notice provisions of this Escrow Agreement, to act as its representative under this Escrow Agreement.

"Representatives" shall mean the Lessor Representative and the City Representative.

- 2. Appointment of and Acceptance by Escrow Agent. Lessor and City hereby appoint Escrow Agent to serve as escrow agent hereunder. There is hereby established in the custody of the Escrow Agent a special trust fund designated "December 21, 2017 Equipment Lease Purchase Agreement Acquisition Fund" (the "Acquisition Fund") to be held and administered by the Escrow Agent in trust for the benefit of the Lessor and the City in accordance with this Escrow Agreement. Escrow Agent hereby accepts such appointment and, upon receipt by wire transfer of the Acquisition Fund in accordance with Section 3 below, agrees to hold, invest and disburse the Acquisition Fund in accordance with this Escrow Agreement.
- 3. Deposit of Acquisition Fund. Simultaneously with the execution and delivery of this Escrow Agreement, Lessor, on behalf of the City, will transfer the Acquisition Fund in the amount \$\$13,551,014.00, by wire transfer of immediately available funds, to an account designated by Escrow Agent. The Lessor, the City and the Escrow Agent intend that the Acquisition Fund constitute an escrow account in which the City has no legal or equitable right, title or interest until satisfaction in full of all conditions contained herein for the disbursement therefrom of funds by the Escrow Agent. However, if the parties' intention that the City shall have no legal or equitable right, title or interest until all conditions for disbursement are satisfied in full is not respected in any legal proceeding, the parties hereto intend that the Lessor have a security interest in the Acquisition Fund, and such security interest is hereby granted. For such purpose, the Escrow Agent hereby agrees to act as agent for the Lessor in connection with the perfection of such security interest and agrees to note, or cause to be noted, on all books and records relating to the Acquisition Fund, the Lessor's interest therein.
 - 4. Disbursements of Acquisition Fund. Escrow Agent shall disburse amounts from

the Acquisition Fund at any time and from time to time, upon receipt of, and in accordance with, a properly and fully executed and approved Acceptance Certificate. Each Acceptance Certificate shall contain complete payment instructions, including wiring instructions or an address to which a check shall be sent. Payments to the recipient Vendor corresponding to the Equipment as accepted shall be made from the Acquisition Fund for the cost of acquisition of the corresponding Equipment upon presentation of the Acceptance Certificate and Payment Request, the forms of which are attached hereto as Appendix A. Under the terms of the Lease, the Lessor has agreed that the City may provide any Acceptance Certificate and Payment Request in any order and by facsimile transmission and that, within three days after such certificate and request has been received by the Lessor, the Lessor shall provide its approval thereof by facsimile transmission to the Escrow Agent. Within five business days of receipt by the Escrow Agent of the Acceptance Certificate and Payment Request, the Escrow Agent shall notify the Manager of Finance, in writing, that payment to the Vendor has been made from the Acquisition Fund. Such writing may be delivered to the Manager of Finance by mail, hand delivery or facsimile or electronic transmission.

Upon the occurrence of the earlier of (a) the presentation of all seven (7) Acceptance Certificates and Payment Requests properly executed by the City and approved by the Lessor; (b) the delivery of a direction from the City and the Lessor to return to the Lessor all or the remaining portion of the original amount deposited by the Lessor to the Acquisition Fund and to pay to the City any interest income earned on investments of the Acquisition Fund prior to the delivery of such direction; or (c) the presentation of written notification by the Lessor that an Event of Default or Nonappropriation has occurred or that City has terminated the Agreement and receipt by Escrow Agent from City of complete payment instructions in writing, Escrow Agent shall distribute funds remaining in the Acquisition Fund, as promptly as practicable. Upon termination as described in clause (a) of this paragraph, any amount remaining in the Acquisition Fund, other than investment income, shall be used to prepay, in the sole discretion of the Lessor, principal components of Rental Payments thereafter payable under the Lease either (i) in the inverse order of the principal components of such Rental Payments or (ii) proportionately among all such principal components and any amount representing investment income on the Acquisition Fund shall be paid to the City. In the event that the Lessor elects to apply such amounts in accordance with clause (i) of the preceding sentence, the City shall continue to make Rental Payments as scheduled under the Lease. In the event that Lessor elects to apply such amounts in accordance with clause (ii) above the Lessor shall provide the City with a revised Rental Payment schedule as Exhibit C to the Lease which shall reflect the revised principal balance and reduced Rental Payments due under the Lease. Upon termination as described in clause (b) of this paragraph, the original amount deposited by the Lessor to the Acquisition Fund shall immediately be paid to the Lessor and any interest income earned on investments of the Acquisition Fund prior to the delivery of such direction shall immediately be paid to the City. Upon termination as described in clause (c) of this paragraph, any amount remaining in the Acquisition Fund shall immediately be paid to the Lessor and any amount representing investment income on the Acquisition Fund shall be paid to the City. Meeting the Internal Trading Cut-off does not guarantee same-business-day settlement.

- 1.3. Advance of Funds. If USBNA (or USBTNA) receives a direction to redeem Sweep Vehicle shares (the "Redemption Direction") and to disburse or invest the proceeds thereof before the redeemed shares settle (the "Proceeds Direction"), then they have the power to (i) determine the dollar amount of anticipated proceeds based on the net asset value ("NAV") most recently determined (ii) advance funds in that dollar amount in furtherance of settling the redemption and, as applicable, the purchase; (iii) determine the number of shares redeemed based on the NAV at settlement; and (iv) as part of USBNA's (or USBTNA's) compensation for servicing the Account, retain the yield paid on Sweep Vehicle shares that were treated as redeemed. USBNA (or USBTNA) reserves the right not to advance funds, including where the Sweep Vehicle has a floating NAV and the dollar amount of the Proceeds Direction is at least 99% of the dollar value of all Sweep Vehicle shares in the Account based on the NAV most recently determined.
- 1.4. Fund-level Fees. USBNA (or USBTNA), U.S. Bancorp Asset Management, Inc. ("USBAM"), U.S. Bancorp Fund Services, LLC, ("USBFS") and Quasar Distributors, LLC ("Quasar") are affiliates of U.S. Bancorp (collectively with U.S. Bancorp, "U.S. Bank"). USBAM is the investment advisor to the Mutual Funds in the First American Funds, Inc. family (the "First American Funds"). U.S. Bank may enter into agreements with First American Funds, other Mutual Funds, or any Mutual Funds' service providers (including investment advisers, administrators, transfer agents, or distributors) whereby U.S. Bank provides services to Mutual Funds, including, as applicable, services provided by USBAM (investment advisory, shareholder services), by USBNA (or USBTNA) (custody, securities-lending, shareholder services, National Securities Clearing Corporation (NSCC) networking), by USBFS (accounting, administration, transfer agency, sub-transfer agency), and by Quasar (distribution, principal underwriting) and receives fees for these services. The fees received by Quasar may include distribution and service fees paid under a plan of distribution adopted pursuant to Rule 12b-1 under the Investment Company Act of 1940. The fees may be received from the Mutual Fund or its investment advisor, administrator, transfer agent, distributor, or other agent; are based on investment in a Mutual Fund, may vary by Mutual Fund and by class of shares issued by the Mutual Fund, are charged against the Mutual Fund's assets, and reduce the Mutual Fund's average daily balance and investment yields. From time to time, a Mutual Fund's service provider may voluntarily waive a portion of the fees it is entitled to receive for serving the Mutual Fund. If a waiver is in effect, then the City's approval of the fees described herein includes approval up to the Sweep Vehicle's total annual operating expenses before waivers; if the service provider terminates the waiver as provided in the Sweep Vehicle's prospectus, the approval persists.
- **1.5.** Directed Account. USBNA (or USBTNA) (i) has no discretion to invest Account assets (such as discretion to select the Sweep Vehicle; determine whether, or what amount of, Account assets will be used to purchase a position in the Sweep Vehicle; or redeem Sweep Vehicle shares) and (ii) does not render investment advice with respect to Account assets. Nor will USBNA's (or USBTNA's) power to advance funds in furtherance of settlement, whether exercised or not, be deemed to be such discretion or advice.
- **1.6.** Revocation. The City may revoke the foregoing designation of the Sweep Vehicle at any time without penalty.
- 2. Representations. Represents to the extent permitted by law that (i) the City is independent of U.S. Bank; has discretionary authority to select the investments and approve the fees described herein for the Account; received, read, and understood the Sweep Vehicle's prospectus and fund fact-sheet, including the sections thereof describing fees, gates, expenses, cut-offs, and compensation, before Account assets were first invested in the Sweep Vehicle; and understands and approves the services and fees described herein; (ii) if the Account assets are subject to the Employee Retirement Income Security Act of 1974, as amended, ("ERISA"), then the City is a trustee under ERISA §403(a) with respect to the assets, a "named fiduciary" with respect to the plan within the meaning of ERISA §402(a), or an "investment manager" within the meaning of ERISA §3(38) with respect to the assets that has been delegated the authority to manage, acquire, and dispose of such assets pursuant to ERISA §402(c)(3); and (iii) the foregoing designation, direction, acknowledgments, representations are made according to the Account's governing service agreement and are not contrary to applicable law.

FORM OF OPINION OF CITY ATTORNEY

(To be put on City Attorney's Letterhead)

Banc of America Public Capital Corp 11333 McCormick Road M/C MD5-032-07-05 Hunt Valley, MD 21031

Re: Equipment Lease Purchase Agreement dated December 21, 2017, between Banc of America Public Capital Corp, as Lessor, and the City and County of Denver, Colorado, as Lessee

Ladies and Gentlemen:

I am the City Attorney of the City and County of Denver, Colorado (the "City"). I have examined

- (a) an executed counterpart of an Equipment Lease Purchase Agreement (the "Lease") dated December 21, 2017, including Exhibits thereto, by and between Banc of America Public Capital Corp (the "Lessor"), as lessor, and the City, as lessee, which, among other things, provides for the lease with option to purchase to the City of certain property described on Exhibit A of the Lease (the "Equipment"),
- (b) Ordinance No. _____ Series of 2004 of the City Council of the City effective on December 19, 2017 (the "Authorizing Ordinance"), which, among other things, authorizes the City to execute the Lease and
- (c) such other certificates of officers of the City, opinions, documents and matters of law as I have deemed necessary in connection with the following opinion.

Based on the foregoing, I am of the following opinion:

- (1) The City is duly organized and validly existing as a home rule city under the Constitution and the laws of the State of Colorado and its Home Rule Charter.
- (2) Pursuant to the Authorizing Ordinance, the City has the requisite power and authority to lease with an option to purchase and thereby acquire the Equipment and to execute and deliver the Lease.

- (3) The Lease has been duly authorized, executed, and delivered by the City. Assuming due authorization, execution and delivery of the Lease by the Lessor, the Lease is a valid and legally binding obligation of the City, enforceable against the City in accordance with its terms, except to the extent such enforcement is limited by applicable bankruptcy, reorganization, insolvency, moratorium or other laws affecting the enforcement of creditors' rights generally and general equitable remedies such as specific performance or other injunctive relief.
- (4) To the best of my knowledge after reasonable investigation, the authorization, execution and delivery of the Lease and all other proceedings of the City relating to the transactions contemplated by the Lease have been performed in accordance with all open meeting laws, procurement laws and all other applicable state or federal laws, to the extent that any such laws apply to the City, the Lease or the Equipment.
- (5) There is no proceeding pending against the City in any court or before any public board that, if adversely determined, would adversely affect the transactions contemplated by the Lease.

All capitalized terms herein shall have the same meanings as in the Lease unless otherwise provided herein. The Lessor, its successors and assigns, and any counsel rendering an opinion on the tax-exempt status of the interest components of the Rental Payments, are entitled to rely on this opinion.

Yours truly,

Kristin M. Bronson City Attorney

FORM OF TAX OPINION OF SPECIAL COUNSEL

December 21, 2017

City and County of Denver, Colorado, as Lessee Banc of America Public Capital Corp, as Lessor

Re:

An Annually Renewable Equipment Lease Purchase Agreement, dated December 21, 2017, between Banc of America Public Capital Corp, as lessor, and City and County of Denver, Colorado, as lessee

Ladies and Gentlemen:

We have acted as special tax counsel to the City and County of Denver, Colorado (the "City") in connection with the execution and delivery by the City of the captioned annually renewable Equipment Lease Purchase Agreement dated December 21, 2017 (the "Lease"), between Banc of America Public Capital Corp, as lessor (the "Lessor"), and the City, as lessee. Capitalized terms used herein have the same meanings as in the Lease.

The Lease is not a mandatory payment obligation of the City in any ensuing fiscal year beyond a fiscal year for which the City has specifically appropriated amounts to make payments under the Lease, nor does the Lease directly or indirectly obligate the City beyond such fiscal year, nor does the Lease constitute or give rise to a general obligation or a multiple fiscal year direct or indirect indebtedness or other financial obligation whatsoever of the City within the meaning of any constitutional, home rule charter or statutory provision.

Under the Lease, the City has been granted an option to purchase the Lessor's ownership interests in the Equipment and to terminate its obligations under the Lease upon payment of the then applicable Purchase Price. In addition, the City has been granted the option to otherwise not renew, and thereby terminate its obligations under, the Lease for any reason, without payment of the Purchase Price, upon the occurrence of an Event of Nonappropriation or an Event(s) of Lease Default as described in the Lease.

In our capacity as special tax counsel, we have examined the constitution and the laws of the State of Colorado, the City's home rule charter, the Internal Revenue Code of 1986, as amended (the "Code"), the regulations, rulings and judicial decisions relevant to the opinions set forth in paragraphs 2 and 3 below and the legal opinion of the City Attorney, upon which we are relying in giving our opinions herein, and certain other documents and closing certificates executed and delivered by the Lessor and the City as of the date of delivery of the Lease, as well as such other documents as we deemed necessary in order to render this opinion. As to questions of fact material to our opinion, we have relied upon the representations of the City contained in the Lease and other certifications of public officials furnished to us without undertaking to verify the same by independent investigation.

Based upon, subject to and limited by the foregoing, we are of the opinion, under existing law and as of the date hereof, that:

- 1. The Lease has been duly authorized, executed and delivered by the City and, assuming its due execution by the Lessor, constitutes the valid and legally binding obligation of the City, enforceable against the City in accordance with its terms.
- Under the laws and regulations of the United States of America as presently enacted and construed, the interest components of Rental Payments made by the City and received by the Lessor or its assigns is excludible from gross income for federal income tax purposes and is not a specific preference item for purposes of the federal individual or corporate alternative minimum tax, except that we express no opinion herein with respect to the effect of nonrenewal or termination of the Lease upon the federal income tax treatment of moneys received under the Lease subsequent to such nonrenewal or termination. The opinions set forth in the preceding sentence assume the accuracy of certain representations and compliance by the City with covenants designed to satisfy the requirements of the Code that must be met subsequent to the execution and delivery of the Lease. Failure to comply with such requirements could cause the interest components of Rental Payments made by the City and received by the Lessor to be includable in gross income for federal income tax purposes or could otherwise adversely affect such opinions, retroactive to the date of execution and delivery of the Lease (the "Execution and Delivery Date"). The City has covenanted to comply with such requirements in the Lease and in tax compliance representations on Exhibit A executed and delivered in connection with the execution and delivery of the Lease stating the reasonable expectations of the City as of the Execution and Delivery Date as to future events that are material for purposes of Sections 103 and 148 of the Code. We express no opinion regarding other federal tax consequences arising with respect to the Lease. We note, however, that the interest components of Rental Payments made by the City and received by the Lessor are taken into account in determining adjusted current earnings for purposes of the alternative minimum tax imposed on corporations (as defined for federal income tax purposes).
- 3. To the extent the interest components of Rental Payments made by the City and received by the Lessor are excludible from gross income for federal income tax purposes, such interest components of Rental Payments made by the City and received by the Lessor are not subject to income taxation by the State of Colorado, except that we express no opinion herein with respect to the effect of nonrenewal or termination of the Lease upon income tax treatment by the State of Colorado of any moneys received under the Lease subsequent to such nonrenewal or termination. We also express no opinion regarding other tax consequences arising with respect to the Lease under the laws of the State of Colorado or any other state or jurisdiction.

The rights of the Lessor and the enforceability of the Lease may be subject to and limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted, and may also be subject to and limited by the exercise of judicial discretion, procedural and other defenses based on particular factual

circumstances and equitable principles in appropriate cases, to the reasonable exercise by the State of Colorado and its governmental bodies of the police power inherent in the sovereignty of the State of Colorado and to the exercise by the United States of America of powers delegated to it by the United States Constitution.

As special tax counsel, we are passing only upon those matters set forth in this opinion. We express no opinion herein with respect to collateral issues or matters or with respect to the accuracy or completeness of any documents prepared or used or statements made in connection with the offering or sale of the Lease, or with respect to any federal or Colorado tax consequences arising from the receipt or accrual of the interest components of Rental Payments made by the City and received by the Lessor, except those specifically addressed herein.

This opinion is rendered as of the date hereof and we assume no obligation to update, revise or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.

In performing our services as special tax counsel, the City is our sole client in this transaction and as special tax counsel we have not been engaged by, nor have we undertaken to advise, any other party or to opine as to matters not specifically covered herein.

Very truly yours,
