ORDINANCE NO. \_\_\_\_\_  
SERIES OF 2018

COUNCIL BILL NO. 17-1400  
COMMITTEE OF REFERENCE:  
Safety, Housing, Education & Homelessness

**A BILL**

**For an ordinance amending Section 38-130, D.R.M.C. concerning the regulation of assault weapons, banning bump stock firing mechanisms, and conforming the maximum capacity of ammunition magazines to state law.**

**WHEREAS**, the City Council of the City and County of Denver (the “City Council”) has previously enacted Section 38-130 of Chapter 38 of the Denver Revised Municipal Code, relating to assault weapons, after finding that the use of assault weapons poses a threat to the health, safety, and security of all citizens of the City and County of Denver (the “City”), that assault weapons are capable both of a rapid rate of fire as well as of a capacity to fire an inordinately large number of rounds without reloading and are designed primarily for military or antipersonnel use, and that law enforcement agencies report increased use of assault weapons for criminal activities resulting in a record number of related homicides and injuries to citizens and law enforcement officers;

**WHEREAS**, the City Council has found the use of bump stock firing mechanisms allow semi-automatic assault weapons to mimic the firing speed of automatic weapons, that this rapid rate of fire contributed to an inordinate number of deaths and casualties in the October 1, 2017 shooting in Las Vegas, Nevada, and that the City could be susceptible to the dangers of bump stock firing mechanisms.

**WHEREAS**, the City Council has found that bump stock firing mechanisms are not currently regulated by the federal government or the state government;

**WHEREAS**, the City Council has determined that amending and narrowly tailoring the existing assault weapons ordinance to ban bump stock firing mechanisms is in the interest of the public health, safety, and welfare of the City’s residents; and

**WHEREAS**, the City Council has determined that the existing assault weapons ordinance should be updated based on recent state law changes.

**BE IT ENACTED BY THE COUNCIL OF THE CITY AND COUNTY OF DENVER:**
