6. General description/background of proposed ordinance including contract scope of work if applicable:

On-call project management services contract to provide support and/or staff augmentation for project(s) as identified by the Department of Public Works. Term will be 3 years from contract execution with a maximum contract of \$3,000,000.

All On-call project management services contracts will provide support and/or staff augmentation for project(s) as identified by the Department of Public Works. The term will be 3 years from contract execution with a maximum contract of \$3,000,000. The proposed SBE on-calls would provide project management support and/or staff augmentation for project(s) as identified by the Department of Public Works and other Departments which Public Works supports. Please note the approach of staff augmentation has been utilized at Denver International Airport (DEN) since its inception and is still utilized today.

Anticipated tasks may include but shall not be limited to:

- Dedicated Project Management professionals responsible for overseeing individual or a portfolio of projects.
- Managing the project scope, schedule and budgets during the design and construction phases as well as ensuring that all other aspects of the project, including environmental, real estate, utilities, permits and the parameters of the adopted schedule and budget.
- Provide management for any Design-Build component(s) of the Program, including management of cost, schedule, quality, scope and integration with other project and contract packages.
