- 5. Paragraph 8 of the Agreement, entitled "**INSURANCE**," is amended to read as follows:

"8. INSURANCE:

General Conditions: West agrees to secure, at or before the time of execution of this Agreement, the following insurance covering all operations, goods or services provided pursuant to this Agreement. West shall keep the required insurance coverage in force at all times during the term of the Agreement, or any extension thereof, during any warranty period, and for three (3) years after termination of the Agreement. The required insurance shall be underwritten by an insurer licensed or authorized to do business in Colorado and rated by A.M. Best Company as "A-" VII or better. Each policy shall contain a valid provision or endorsement requiring notification to the City in the event any of the required policies is canceled or non-renewed before the expiration date thereof. Such written notice shall be sent to the parties identified in the Notices section of this Agreement. Issuing company shall endeavor to provide thirty (30) days prior notice to such cancellation or non-renewal unless due to non-payment of premiums for which notice shall be sent ten (10) days prior. If such written notice is unavailable from the insurer, West shall provide written notice of cancellation, non-renewal and any reduction in coverage to the parties identified in the Notices section by certified mail, return receipt requested within three (3) business days of such notice by its insurer(s) and referencing the City's contract number. West shall be responsible for the payment of any deductible or self-insured retention. The insurance coverages specified in this Agreement are the minimum requirements, and these requirements do not lessen or limit the liability of the West. The West shall maintain, at its own expense, any additional kinds or amounts of insurance that it may deem necessary to cover its obligations and liabilities under this Agreement.

- b. Proof of Insurance: West shall provide a copy of this Agreement to its insurance agent or broker. West may not commence services or work relating to the Agreement prior to placement of coverages required under this Agreement. West certifies that the certificate of insurance attached as Exhibit 8, preferably an ACORD certificate, complies with all insurance requirements of this Agreement. The City requests that the City's contract number be referenced on the Certificate. The City's acceptance of a certificate of insurance or other proof of insurance that does not comply with all insurance requirements set forth in this Agreement shall not act as a waiver of West's breach of this Agreement or of any of the City's rights or remedies under this Agreement. The City's Risk Management Office may require additional proof of insurance, including but not limited to policies and endorsements.
- **c.** <u>Additional Insureds:</u> For Commercial General Liability, Auto Liability and Excess Liability/Umbrella (if required), West and subcontractor's insurer(s) shall include the City and County of Denver, its elected and appointed officials, employees and volunteers as additional insured.
- **d.** <u>Waiver of Subrogation:</u> For all coverages required under this Agreement, West's insurer shall waive subrogation rights against the City.
- **e.** <u>Subcontractors and Subconsultants:</u> All subcontractors and subconsultants (including independent contractors, suppliers or other entities providing goods or services required by this Agreement) shall be subject to all of the requirements herein and shall procure and maintain the same coverages required of the West. West shall ensure that all such subcontractors and subconsultants maintain the required coverages. West

agrees to provide proof of insurance for all such subcontractors and subconsultants upon request by the City.

- West shall maintain the coverage as required by statute for each work location and shall maintain Employer's Liability insurance with limits of \$100,000 per occurrence for each bodily injury claim, \$100,000 per occurrence for each bodily injury caused by disease claim, and \$500,000 aggregate for all bodily injuries caused by disease claims. West expressly represents to the City, as a material representation upon which the City is relying in entering into this Agreement, that none of the West's officers or employees who may be eligible under any statute or law to reject Workers' Compensation Insurance shall effect such rejection during any part of the term of this Agreement, and that any such rejections previously effected, have been revoked as of the date West executes this Agreement.
- **g.** <u>Commercial General Liability:</u> West shall maintain a Commercial General Liability insurance policy with limits of \$1,000,000 for each occurrence, \$1,000,000 for each personal and advertising injury claim, \$2,000,000 products and completed operations aggregate, and \$2,000,000 policy aggregate.
- **h.** <u>Business Automobile Liability:</u> West shall maintain Business Automobile Liability with limits of \$1,000,000 combined single limit applicable to all owned, hired and non-owned vehicles used in performing services under this Agreement

i. Additional Provisions:

- (A) For Commercial General Liability, the policy must provide the following:
- (i) That this Agreement is an Insured Contract under the policy;
- (ii) A severability of interests or separation of insureds provision (no insured vs. insured exclusion); and
- (iii) A provision that coverage is primary and non-contributory with other coverage or self-insurance maintained by the City.
 - (B) For claims-made coverage:

- (i) The retroactive date must be on or before the contract date or the first date when any goods or services were provided to the City, whichever is earlier
- (C) West shall advise the City in the event any general aggregate or other aggregate limits are reduced below the required per occurrence limits. At their own expense, and where such general aggregate or other aggregate limits have been reduced below the required per occurrence limit, the West will procure such per occurrence limits and furnish a new certificate of insurance showing such coverage is in force.

6. Paragraph 21 of the Agreement, entitled "**NO DISCRIMINATION IN EMPLOYMENT**," is amended to read as follows:

"In connection with the performance of work under this contract, the Contractor may not refuse to hire, discharge, promote or demote, or discriminate in matters of compensation against any person otherwise qualified, solely because of race, color, religion, national origin, gender, age, military status, sexual orientation, gender identity or gender expression, marital status, or physical or mental disability. The Contractor shall insert the foregoing provision in all subcontracts."

- 7. Except as amended herein, the Agreement is affirmed and ratified in each and every particular.
- 8. This Fourth Amendatory Agreement may be executed in two (2) counterparts, each of which is an original and constitute the same instrument.
