II. ACTIVITY DESCRIP	TION						

1. Funds will be used to provide programs to eligible individuals and/or households within the Denver Eligible Metropolitan Statistical Area (EMSA),

2. **Description of Activity:** The participant population to be served consists of low-income people living with HIV/AIDS who need assistance with maintaining long-term, stable, permanent housing. Assistance may be provided after review of the participant's eligibility and other requirements according to the Program Requirements and Responsibilities outlined below.

Tenant Based Rental Assistance (TBRA): The TBRA Program will provide housing assistance to eligible households. TBRA meets the needs of participants by subsidizing the difference between total rent and the monthly tenant rent (based on Tenant Rent Calculation Worksheet or other approved form), to be calculated and tracked by staff at Denver Colorado AIDS Project (DCAP), or the referring agency, and paid out by DCAP.

Short Term Rent Mortgage Utility Assistance (STRMU): The STRMU Program will provide housing assistance to eligible households for up to \$1,200 and/or 21 weeks of assistance in a 52-week period. This program is designed

to prevent homelessness by assisting to retain long-term, stable, permanent housing options for households that might otherwise lose their housing. This program provides STRMU in the form of eviction/foreclosure prevention.

Supportive Services: Collaboration with other case management services offered through DCAP such as referrals to healthcare, support around adherence to healthcare and treatment, referrals to mental health and substance abuse counseling, referrals to support groups and psycho-educational workshops, housing resources and referrals, and vocational assistance. The services are targeted to participants that live in HOPWA-supported, Section 8, and other privately owned housing. Case managers assigned directly to participants will help to ensure that they maintain a stable housing environment. The case managers will work closely with landlords and developers as well as the participants so that they remain in their homes as long as possible. Participants will have access to referrals for substance abuse and mental health treatment counseling, if they have a need for those services.

Permanent Housing Placement: The Permanent Housing Placement Program will provide deposit/move-in assistance to eligible participants.

4. OUTCOME BASED FUNDING:

DCAP will use an "Outcome Based Funding" tracking program which will track the extent to which program participants experience the benefits or changes intended.

5. MEMORANDUM OF UNDERSTANDING (MOU)

DCAP will enter into a Memorandum of Understanding (MOU) with each participating Case Management Agency. A copy of the MOU will be provided to the Housing and Neighborhood Development (HAND) HOPWA Administrator and the Contract Administrator. Checks will be made out to individuals (vs. companies/utilities) only after the referring agency has verified that the individual is the owner of the property where the participant lives.
