

FIRST AMENDMENT TO SOFTWARE AS A SERVICE AGREEMENT

This First Amendment to Software as a Service Agreement ("Amendment") is made by and between **CITY AND COUNTY OF DENVER**, a municipal corporation of the State of Colorado, 201 West Colfax, Department 301, Denver CO 80202 ("City"), and Tyler Technologies, Inc. with offices at 4100 Miller-Valentine Court, Moraine, OH 45439 ("Tyler") and is effective as of the date on which City signs the Amendment.

WHEREAS, Tyler and the City are parties to a Software as a Service Agreement dated May 21, 2015 ("Agreement"); and

WHEREAS, Tyler and City desire to amend the Agreement;

NOW THEREFORE, in consideration of the mutual promises hereinafter contained, Tyler and the City agree as follows:

- 1. The final paragraph of section Section B(8) is deleted and paragraphs 8.5 and 8.6 are added as follows:
 - "8.5 If the City fails to provide Tyler with a notice of deficiency within the fifteen (15) day time periods described above, City will be deemed to have accepted the applicable test point for which no notice of deficiency was provided. If a notice of deficiency is provided by City to Tyler, Tyler will, at its expense, meet the enumerated functional requirements for the Tyler Software based on the Functionality Documents, within fifteen (15) days after receipt of the City's notice of deficiency as provided in accordance with paragraphs 8.1, 8.2, 8.3 and 8.4 above, or within such other period of time as may be mutually agreed to by the parties, consent to a longer period of time not to be unreasonably conditioned or withheld by City. The foregoing procedure will be repeated for each test point until the City either (i) accepts the Tyler Software (either by providing Tyler a written notice of acceptance, or by failing to provide a notice of deficiency as described above in paragraphs 8.1, 8.2, 8.3 and 8.4), or (ii) rejects the Tyler Software and declares a breach of the Agreement.
 - 8.6 In the event that the Tyler Software does not substantially conform to the functional requirements in the Functionality Documents and Tyler cannot cure such non-conformance or provide a functionally equivalent replacement, the City may pursue its rights and remedies under this Agreement, including (i) those set forth in Section F (Termination); (ii) providing a notice of non-conformance and breach, and calling on the performance bond posted by Tyler and set out in Section H(31); or (iii) other rights and remedies that are available at law, in equity, or otherwise. In the event that (i) the City calls on the performance bond, (ii) the surety is unable to cure the non-conformance which lead to the declaration of a breach within a reasonable period of time, and (iii) the City is not made financially whole by receipt of the funds set out in the bond within 180 days from the City's notice of non-conformance and breach, the City may bring a legal action against Tyler for the breach; provided that the City's remedies against Tyler pursuant to such legal action shall be limited to an amount equal to the lesser of (i) actual SaaS fees paid by City to Tyler upon the rejection date, or (ii) two times (2X) the annual SaaS Fees payable by City to Tyler as of the

rejection date, but in no event shall the City's total monetary recovery from the legal action against Tyler and the performance bond exceed either (i) or (ii)."

- 2. A new Section H(31) shall be inserted as follows:
 - "31. <u>Performance Bond</u>. Tyler will secure a performance bond (naming City as a beneficiary thereof) within thirty (30) business days of the Effective Date of the Amendment, in the face amount of \$3,535,000. The form of the bond is attached hereto as Schedule 1. The cost of the bond will be paid by Tyler. The bond will have an initial term of thirty-six months. In the event that Tyler has not successfully completed the implementation services and City desires to renew or extend that term we shall negotiate with you in good faith to renew the performance bond. Any renewal will be subject to underwriting or surety approval."
- 3. <u>Exhibit A</u> Investment Summary shall be deleted in its entirety and replaced with a new <u>Exhibit A</u>, attached hereto.
- 4. Exhibit B, Invoicing and Payment Policy, shall be deleted in its entirety and replaced with a new Exhibit B, attached hereto.
