5. General description or background of proposed request. Attach executive summary if more space needed:

Insight Global provides Information Technology contractor resources to Technology Services hiring managers via a recruiting process based on projects which have specific timeframes. Insight Global provides resources such as Project Managers, Business Analysts, Systems Analysts, Solutions Architects, Developers, etc. There are several ongoing projects that will not be able to be completed under the current contract amount. This increase in the contract amount will allow Technology Services to continue to work with Insight Global to complete these ongoing projects. Examples of ongoing projects include: Public Works Billing System, Property Tax and Assessor System, and the District Attorney eDiversion System. Once these projects have been completed, Technology Services can terminate the contract. These resources are used on an as-needed basis.
