TENDER OF BONDS

Section 2.1. Commitment to Hold Series 2019A and Series 2019B Bonds as Series 2019A and Series 2019B Credit Facility Bonds. The Lender agrees, on the terms and conditions contained in this Agreement, to hold the Series 2019A and Series 2019B Bonds deemed tendered in accordance with the terms of the Ordinance, from time to time during the Tender Period at the Tender Price. The aggregate principal amount (or portion thereof) of any Series 2019A and Series 2019B Bonds held by the Lender on and after any Tender Date shall be an Authorized Denomination. Any Series 2019A and Series 2019B Bonds so held shall thereupon constitute Series 2019A and Series 2019B Credit Facility Bonds and shall, from the date of such tender and while they are Series 2019A and Series 2019B Credit Facility Bonds, bear interest at the rate provided for herein (i.e., the Purchaser Rate, the Taxable Rate or the Default Rate, as applicable), and have other characteristics of Series 2019A and Series 2019B Credit Facility Bonds as set forth herein and in the Ordinance.

Section 2.2. Method of Causing Tender. If, on any Business Day during the Tender Period, the Lender delivers a Notice of Tender to the Paying Agent and City, the Series 2019A

and Series 2019B Bonds shall be deemed Series 2019A and Series 2019B Credit Facility Bonds on the Tender Date set forth therein.

Section 2.3. Payment Obligations; Prepayment. (a) The City, for and on behalf of its Department of Aviation, hereby unconditionally, irrevocably and absolutely agrees to make prompt and full payment of all payment obligations owed to the Lender, the Majority Holder and the Holders under the Related Documents and to pay any other Lender Obligations owing to the Lender, the Majority Holder and the Holders, whether now existing or hereafter arising, irrespective of their nature, whether direct or indirect, absolute or contingent, with interest thereon at the rate or rates provided in such Related Documents for such Lender Obligations.

(b)(i) The Series 2019B Bonds shall be due and payable in full on the Series 2019B Maturity Date and, if the Series 2019B Bonds are not paid in full on the Series 2019B Maturity Date shall bear interest at the Default Rate, payable on demand.

(ii) In the event the Purchaser and any other Holders of the Series 2019A Bonds have not received the Mandatory Tender Purchase Price of the Series 2019A Bonds on the Series 2019A Mandatory Tender Date, the City, for and on behalf of its Department of Aviation, shall cause the Series 2019A Bonds to be redeemed on the Series 2019A Mandatory Tender Date; *provided that*, if the City, for and on behalf of its Department of Aviation, is required to redeem Series 2019A Bonds as set forth above and (i) no Default or Event of Default shall have occurred and be continuing and (ii) the representations and warranties set forth in Article Four shall be true and correct on, and shall be deemed to have been made on, the Series 2019A Mandatory Tender Date (except to the extent that any such representations and warranties expressly relate to an earlier date), then the Series 2019A Bonds shall constitute Series 2019A Credit Facility Provider Bonds and the City, for and on behalf of its Department of Aviation, shall cause the principal amount of such Series 2019A Credit Facility Provider Bonds to be redeemed in installments payable on each Amortization Payment Date (each such payment, an “*Amortization Payment*”), with the final installment in an amount equal to the entire then-outstanding principal amount of such Series 2019A Bonds to be redeemed on the Amortization End Date (the period commencing on the Series 2019A Mandatory Tender Date and ending on the Amortization End Date is herein referred to as the “*Amortization Period*”). other reasonably required consultants to such Holders in connection with advising such Holders as to their rights and remedies under this Agreement, the other Related Documents and such other documents;

In addition, if at any time any Governmental Authority shall require revenue or other documentary stamps or any other tax in connection with the execution or delivery of this Agreement or other Related Documents, then, if the City, for and on behalf of its Department of Aviation, lawfully may pay for such stamps, taxes or fees, the City, for and on behalf of its Department of Aviation, shall pay, when due and payable, for all such stamps, taxes and fees, including interest and penalties thereon, and the City, for and on behalf of its Department of Aviation, agrees, to the extent permitted by law, to save the Holders harmless from and against any and all liabilities with respect to or resulting from any delay of the City or the Department of Aviation in paying, or omission of the City or the Department of Aviation to pay, for such stamps, taxes and fees hereunder.

(d) The Series 2019A Credit Facility Provider Bonds may be prepaid by the City, for and on behalf of its Department of Aviation, on any Business Day following one (1) Business Day prior written notice to the Lender.¹

Section 2.5. Computation of Interest. All computations of interest payable by the City, for and on behalf of its Department of Aviation, under this Agreement shall be made on the basis of a year of 360 days and actual days elapsed. Interest shall accrue during each period during which interest is computed from and including the first day thereof to but excluding the last day thereof. All computations of fees and other amounts payable by the City, for and on behalf of its Department of Aviation, under this Agreement shall be made on the basis of a year of 360 days and actual days elapsed.

Section 2.6. Payment Due on Non-Business Day to Be Made on Next Business Day. If any sum becomes payable pursuant to this Agreement on a day which is not a Business Day, the date for payment thereof shall be extended, without penalty, to the next succeeding Business Day, and such extended time shall be included in the computation of interest and fees.

Section 2.7. Late Payments. If any amount with respect to the Series 2019A and Series 2019B Credit Facility Bond or any Lender Obligation is not paid when due, such obligation shall bear interest until paid in full at the Default Rate.

Section 2.8. Special Obligations. Notwithstanding any other provision of this Agreement or any other Related Document to the contrary, the Series 2019A and Series 2019B Credit Facility Bonds are special obligations of the City, for and on behalf of its Department of Aviation, payable solely from the Net Revenues and the Pledged Funds on a basis junior and subordinate to payments of the Senior Bonds and any Obligations relating thereto and on parity with all other outstanding Subordinate Bonds and Subordinate Obligations issued pursuant to the Ordinance. The Series 2019A and Series 2019B Credit Facility Bonds and all other Lender Obligations shall not (i) constitute an indebtedness or a debt within the meaning of any constitutional or statutory provision or limitation or (ii) be considered or held to be general obligations of the City. The City does not pledge its full faith and credit and taxing power for the payment of the Bonds or any Bond Obligation. The obligations owed to the Holders (including the Lender) hereunder (other than amounts due on the Series 2019A and Series 2019B Credit Facility Bonds) of the City, for and on behalf of its Department of Aviation, are general, unsecured obligations of the City, for and on behalf of its Department of Aviation, and payable from moneys in the Capital Fund.

Section 2.9. Obligations Absolute. The payment obligations of the City, for and on behalf of its Department of Aviation, under this Agreement shall be unconditional and irrevocable and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including without limitation the following:

(a) any lack of validity or enforceability of this Agreement, the Series 2019A and Series 2019B Credit Facility Bonds or any of the other Related Documents;

(d) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing.

Notwithstanding this Section, the Lender acknowledges the City, for and on behalf of its Department of Aviation, may have the right to bring a collateral action with respect to one or more of the foregoing circumstances. The payment obligations of the City, for and on behalf of its Department of Aviation, shall remain in full force and effect pending the final disposition of any such action. All fees payable pursuant to this Agreement shall be deemed to be fully earned when due and non-refundable when paid.

Section 2.10. Determination of Taxability. (a) In the event a Determination of Taxability shall occur, the Majority Holder may deliver a written notice to the Paying Agent and the City, for and on behalf of its Department of Aviation, that a Determination of Taxability has occurred and is continuing in order to cause a mandatory tender of the Series 2019A Bonds to the Lender or take such other remedial action pursuant to the terms of the General Subordinate Bond Ordinance and the Supplemental Bond Ordinance.

(b) In the event a Determination of Taxability occurs, the City, for and on behalf of its Department of Aviation, hereby agrees to pay to the Lender or any other Holder on demand therefor (i) an amount equal to the difference between (A) the amount of interest that would have been paid to the Purchaser, the Lender or any other Holder on the Series 2019A Bonds or the Series 2019A Credit Facility Bonds during the period for which interest on the Series 2019A Bonds or the Series 2019A Credit Facility Bonds is included in the gross income of the Purchaser, the Lender or any other Holder if the Series 2019A Bonds or Series 2019 Credit Facility Bonds had borne interest at the Taxable Rate, beginning on the Taxable Date (the "*Taxable Period*"), and (B) the amount of interest actually paid to the Purchaser, the Lender or any other Holder during the Taxable Period, and (ii) an amount equal to any interest, penalties or charges owed by the Purchaser, the Lender or any other Holder as a result of interest on the Series 2019A Bonds or Series 2019A Credit Facility Bonds becoming included in the gross

income of the Purchaser, the Lender or any other Holder, together with any and all attorneys' fees, court costs, or other out-of-pocket costs incurred by the Purchaser, the Lender or any other Holder in connection therewith;

(c) Subject to the provisions of paragraph (c) below, the Purchaser, the Lender or any other Holder shall afford the City, for and on behalf of its Department of Aviation, the opportunity, at the City's, for and on behalf of its Department of Aviation, sole cost and expense, to contest (i) the validity of any amendment to the Code which causes the interest on the Series 2019A Bonds or Series 2019A Credit Facility Bonds to be included in the gross income of the Purchaser, the Lender or any other Holder or (ii) any challenge to the validity of the tax exemption with respect to the interest on the Series 2019A Bonds or Series 2019A Credit Facility, including the right to direct the necessary litigation contesting such challenge (including administrative audit appeals); *provided* that, in no event shall the Purchaser, the Lender or any other Holder be required to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the City, for and on behalf of its Department of Aviation, or any other Person; and

(d) As a condition precedent to the exercise by the City, for and on behalf of its Department of Aviation, of its right to contest set forth in paragraph (b) above, the City, for and on behalf of its Department of Aviation, shall, on demand, immediately reimburse the Purchaser, the Lender or any other Holder for any and all expenses (including attorneys' fees for services that may be required or desirable, as determined by the Purchaser, the Lender or any other Holder in its sole discretion) that may be incurred by the Purchaser, the Lender or any other Holder in connection with any such contest, and shall, on demand, immediately reimburse the Purchaser, the Lender or any other Holder for any and all penalties or other charges payable by the Purchaser, the Lender or any other Holder for failure to include such interest in its gross income.

(e) *Survival.* Without prejudice to the survival of any other agreement of the City, for and on behalf of its Department of Aviation, hereunder, the agreements and obligations of the City, for and on behalf of its Department of Aviation, contained in this Section shall survive the termination of this Agreement and the payment in full of the Series 2019A Bonds and the Series 2019A Credit Facility Bonds and the obligations of the City, for and on behalf of its Department of Aviation, thereunder and hereunder.

In order to induce the Lender to enter into this Agreement, the City, for and on behalf of its Department of Aviation, represents and warrants to the Lender and the Holders of the Series 2019A and Series 2019B Credit Facility Bonds as follows:

(a) *Organization; Power and Authority.* The City is duly organized and validly existing as a municipal corporation and political subdivision under the laws of the State of Colorado. The City, for and on behalf of its Department of Aviation, has full right and authority to enter into this Agreement, has or had the full right and authority to enter into the other Related Documents to which it is a party on the date of execution of such Related Documents and to perform each and all of the matters and things herein and therein provided for.

(b) *Due Authorization; No Violation.* The execution, delivery and performance by the City, for and on behalf of its Department of Aviation of this Agreement and the other Related Documents to which it is a party on the date of execution of such Related Documents and the issuance, execution and delivery of the Series 2019A and Series 2019B Bonds and the Series 2019A and Series 2019B Credit Facility Bonds on the respective dates of such issuance, execution and delivery were duly authorized by all necessary action, and did not and will not violate any constitutional provisions or any law or any regulation, order, writ, injunction or decree of any court or governmental body, agency or other instrumentality applicable to the City or the Department of Aviation or result in a breach of any of the terms, conditions or provisions of, or constitute a default under, or result in the creation or imposition of any Lien (other than the Lien of the General Subordinate Bond Ordinance) upon any of the assets of the City or the Department of Aviation pursuant to the terms of, any resolution, ordinance, mortgage, indenture, agreement or instrument to which the City or the Department of Aviation is a party or by which it or any of its properties is bound.

(c) *Enforceability.* This Agreement, and each Related Document to which the City, for and on behalf of its Department of Aviation, is a party constitute the legal, valid and binding obligations of the City, for and on behalf of its Department of Aviation, enforceable against the City, for and on behalf of its Department of Aviation, in accordance with their respective terms, except as such enforceability may be subject to and limited by (w) applicable bankruptcy, reorganization, insolvency, liquidation,

readjustment of debt, moratorium or other similar laws affecting the enforcement of the rights of creditors generally, (x) the exercise of judicial discretion, procedural and other defenses based on particular factual circumstances and equitable principles in appropriate cases, (y) the reasonable exercise by the State of Colorado and its governmental bodies of the police power inherent in the sovereignty of the State of Colorado, and (z) the exercise by the United States of powers delegated to it by the United States Constitution; provided that, while certain remedies and other provisions of this Agreement and each Related Document are subject to the aforesaid exceptions and limitations and, therefore, may not be enforceable in accordance with their respective terms, such unenforceability would not preclude the enforcement of the obligations of the City, for and on behalf of its Department of Aviation, to pay the Subordinate Bond Obligations from the Net Revenues and Pledged Funds as provided in the Ordinances. The Series 2019A and Series 2019B Bonds and the Series 2019A and Series 2019B Credit Facility Bonds have been duly issued, executed and delivered in conformity with the Ordinance and constitute legal, valid and binding obligations of the City, for and on behalf of its Department of Aviation, enforceable in accordance with their terms, except as such enforceability may be subject to and limited by (w) applicable bankruptcy, reorganization, insolvency, liquidation, readjustment of debt, moratorium or other similar laws affecting the enforcement of the rights of creditors generally, (x) the exercise of judicial discretion, procedural and other defenses based on particular factual circumstances and equitable principles in appropriate cases, (y) the reasonable exercise by the State of Colorado and its governmental bodies of the police power inherent in the sovereignty of the State of Colorado, and (z) the exercise by the United States of powers delegated to it by the United States Constitution; provided that, while certain remedies and other provisions of this Agreement and each Related Document are subject to the aforesaid exceptions and limitations and, therefore, may not be enforceable in accordance with their respective terms, such unenforceability would not preclude the enforcement of the obligations of the City, for and on behalf of its Department of Aviation, to pay the Subordinate Bond Obligations from the Net Revenues and Pledged Funds as provided in the Ordinance, and in all events the Subordinate Bond Obligations shall be entitled to the benefit and security of the Ordinance, the Net Revenues and the Pledged Funds as provided in the Ordinance.

(d) *Status.* Under the terms of the General Bond Ordinance, the Net Revenues cannot secure any Debt of the City (including Debt for and on behalf of its Department of Aviation) other than as provided in or permitted by the General Bond Ordinance. As of the Closing Date, the Series 2019A and Series 2019B Bonds constitute the only Debt of the City or the City, for and on behalf of its Department of Aviation, that is secured by a Lien on the Net Revenues other than the other Senior Bonds, Obligations, Subordinate Bonds, Subordinate Credit Facility Obligations, other Subordinate Obligations (all as defined in the Supplemental Bond Ordinance) and Junior Lien Obligations issued or incurred prior to the Closing Date. Under the terms of the General Bond Ordinance, the Net Revenues cannot secure any Debt of the City (including Debt for and on behalf of its Department of Aviation) other than Senior Bonds, Obligations, Subordinate Bonds (including the Series 2019A and Series 2019B Bonds), Subordinate Credit Facility Obligations, other Subordinate Obligations, and Junior Lien Obligations (as defined in the General Bond Ordinance or the General Subordinate Bond Ordinance). The Net

Revenues cannot be used to pay any obligations of the City (including Debt for and on behalf of its Department of Aviation) other than the foregoing described Debt, Operation and Maintenance Expenses and any other lawful purposes.

(e) *Disclosure.* No representation, warranty or other statement made by the City, for and on behalf of its Department of Aviation, in or pursuant to this Agreement or any other Related Document or any other document or financial statement provided by the City, for and on behalf of its Department of Aviation (the term “provided” to include the City’s filings on the MSRB’s Electronic Municipal Market Access or EMMA system), to the Lender or any Holder in connection with this Agreement or any other Related Document, contains any untrue statement of a material fact or omits (as of the date made) any material fact necessary to make the statements herein or therein not misleading in light of the circumstances under which they are made. To the best of the knowledge of the City, for and on behalf of its Department of Aviation, there is no fact, which the City, for and on behalf of its Department of Aviation, has not disclosed to the Lender or any Holder in writing which materially adversely affects or, so far as the City, for and on behalf of its Department of Aviation, can now reasonably foresee, is likely to materially adversely affect the ability (financial or otherwise) of the City, for and on behalf of its Department of Aviation, to perform its obligations hereunder or under the Related Documents.

(f) *No Litigation.* There is no action, suit, proceeding, inquiry or investigation before or by any court, public board or body pending or, to the best knowledge of the City, for and on behalf of its Department of Aviation, threatened against or affecting the City, for and on behalf of its Department of Aviation or the Airport System, wherein an unfavorable decision, ruling or finding could reasonably be expected to result in a Material Adverse Effect.

(g) *No Defaults.* (i) The City, for and on behalf of its Department of Aviation, is not in default under (A) any order, writ, injunction or decree of any court or governmental body, agency or other instrumentality applicable to the Airport System, or (B) any law or regulation, or (C) any contract, agreement or instrument to which the City, for and on behalf of its Department of Aviation, is a party or by which it or its property is bound, which default could reasonably be expected to result in a Material Adverse Effect; and no event has occurred which with the giving of notice or the passage of time or both would constitute such a default.

(ii) The City, for and on behalf of its Department of Aviation, is not in default under any bonds or other Debt or obligations payable from or secured by the Net Revenues or amounts on deposit in the Funds.

(h) *Financial Statements and Condition.* The audited balance sheet of the City as of December 31, 2018 and the related audited statements of earnings, changes in fund equity and cash flows of the City for the Fiscal Years then ended, and the accompanying footnotes thereon, dated December 31, 2018, reported on by BKD, LLP (“BKD”) independent certified public accountants, have been delivered to the Lender.

Consistent with BKD's opinion dated [May __, 2019], the City believes these financial statements, as of the Closing Date, fairly present the financial condition of the City as at such dates and the results of the operations of the Airport System, for the periods covered by such statements, all in conformity with GAAP. Since December 31, 2018, there has been no material adverse change in the condition (financial or otherwise), business or operations of the Airport System or the City.

(i) *Consents.* No authorization, consent, order or other approval of, or registration or filing with, or taking of any other action in respect of or by, any court or governmental body, agency or other instrumentality is required for the valid execution, delivery or performance by the City, for and on behalf of its Department of Aviation, of this Agreement or was required for the valid execution, delivery or performance by the City, for and on behalf of its Department of Aviation, of the Related Documents to which the City, for and on behalf of its Department of Aviation, is a party or the issuance, execution and delivery and performance of the Series 2019A and Series 2019B Bonds and the Series 2019A and Series 2019B Credit Facility Bonds, except such as shall have been duly obtained, given or accomplished prior to the execution and delivery hereof or thereof.

(j) *Security.* The provisions of the General Subordinate Bond Ordinance (including, without limitation, Section 203 thereof) create an irrevocable Lien (but not necessarily an exclusive Lien) on the Net Revenues and Pledged Funds of the Airport System, which lien is expressly junior and subordinate to the Liens thereon of the Senior Bonds and Obligations relating thereto and which is on parity with outstanding Subordinate Bonds and Subordinate Obligations, for the benefit of the holders of the Series 2019A and Series 2019B Bonds, including the Series 2019A and Series 2019B Credit Facility Bonds. The provisions of Section 203 of the General Subordinate Bond Ordinance and Section 7.14 hereof create, with respect to the Subordinate Bond Obligations, including the Series 2019A and Series 2019B Credit Facility Bonds, an irrevocable Lien (but not necessarily an exclusive first Lien) on the Net Revenues of the Airport System, which Lien is expressly junior and subordinate to the Liens thereon of the Senior Bonds and Obligations relating thereto and which is on parity with outstanding Subordinate Bonds and Subordinate Obligations, for the benefit of the Lender and the Holders. Except with respect to the payment obligations of the City, for and on behalf of its Department of Aviation described in this clause (j), such liens are prior as against all other Persons having claims of any kind in tort, contract or otherwise, whether or not such Persons have notice thereof, except as otherwise provided for in the General Bond Ordinance and the General Subordinate Bond Ordinance. No filing or recording of any instrument is necessary to maintain such pledge as a valid and enforceable pledge or to maintain the priority thereof as stated in the preceding sentences.

(k) *Bond Documents.* The City, for and on behalf of its Department of Aviation, hereby makes to the Lender and the Holders the same representations and warranties made by the City, for and on behalf of its Department of Aviation, in each Bond Document to which the City, for and on behalf of its Department of Aviation, is a party, which representations and warranties, as well as the related defined terms

contained therein, are hereby incorporated by reference in this subparagraph (k) for the benefit of the Lender and the Holders with the same effect as if each and every such representation and warranty and defined term were set forth in this subparagraph (k) in its entirety. No amendment, modification, termination or replacement of any such representations, warranties, covenants and definitions contained in the Bond Documents shall be effective to amend, modify, terminate or replace the representations, warranties, covenants and definitions incorporated in this subparagraph (k) by this reference, without the prior written consent of the Majority Holder.

(l) *No Proposed Legal Changes.* There is no amendment, or to the knowledge of the City, for and on behalf of its Department of Aviation, proposed amendment certified for placement on a statewide ballot, to the Constitution of the State of Colorado or any published administrative interpretation of the Constitution of Colorado or any State of Colorado law, or any legislation that has passed either house of the State legislature, or any published judicial decision interpreting any of the foregoing, the effect of which is to materially adversely affect the Series 2019A and Series 2019B Bonds or the Series 2019A and Series 2019B Credit Facility Bonds, or the rights of any Holder thereof in its capacity as such, or the ability of the City, for and on behalf of its Department of Aviation, to perform its obligations under this Agreement or the other Related Documents.

(m) *No Sovereign Immunity.* The City, for and on behalf its Department of Aviation, does not enjoy any defense on the grounds of immunity (sovereign or otherwise) with respect to its contractual obligations under this Agreement, the General Bond Ordinance, the General Subordinate Bond Ordinance or the Supplemental Bond Ordinance.

(n) *Bankruptcy and Insolvency.* Gross Revenues (other than revenues from fuel taxes not derived from the ownership or operation of the Airport System and other components (if any) of Gross Revenues not derived from the ownership or operation or disposition of the Airport System) are “special revenues” (within the meaning of 11 U.S.C. § 902(2)(A)) and, accordingly, such Gross Revenues acquired by the City after the commencement of any case by the City under 11 U.S.C. §§ 901 *et seq.* shall remain subject to the Liens created by and under the General Subordinate Bond Ordinance in favor of the holders of the Series 2019A and Series 2019B Bonds (including the Series 2019A and Series 2019B Credit Facility Bonds) and the Lender. Under 11 U.S.C. § 922(d), the filing of a petition under 11 U.S.C. §§ 301 and 901 which commences such a case does not operate as a stay of application of such Gross Revenues to the payment of the Series 2019A and Series 2019B Bonds (including the Series 2019A and Series 2019B Credit Facility Bonds) or any amounts payable under this Agreement in accordance with the provisions of 11 U.S.C. § 928, notwithstanding that such Gross Revenues are received and held by the City. Under 11 U.S.C. §§ 922(d), 927 and 928, the filing of a petition under 11 U.S.C. §§ 301 and 901 which commences such a case does not operate as a stay of the transfer of such Gross Revenues to the holders of the Series 2019A and Series 2019B Bonds (including the Series 2019A and Series 2019B Credit Facility Bonds) or to the Lender to the extent of any amounts owing thereunder or hereunder.

Pursuant to 11 U.S.C. § 926(b), no transfer of property (including, without limitation, Gross Revenues after payment of the necessary operating expenses of the Airport System pursuant to 11 U.S.C. § 928(b)) by the City, for and on behalf of its Department of Aviation, in respect of the holders of the Series 2019A and Series 2019B Bonds (including the Series 2019A and Series 2019B Credit Facility Bonds) or the Lender as the Holder of any Series 2019A and Series 2019B Credit Facility Bonds or as a subrogee thereof is subject to avoidance under 11 U.S.C. § 547.

(o) *Environmental Matters.* Except as disclosed in writing to the Lender, the City, for and on behalf of its Department of Aviation, does not have knowledge that the operations of the Airport System are not in compliance with any of the requirements of applicable federal, state or local environmental, health and safety statutes and regulations or are the subject of any governmental investigation evaluating whether any remedial action is needed to respond to a release of any toxic or hazardous waste or substance into the environment, which non-compliance or remedial action could reasonably be expected to result in a Material Adverse Effect.

(p) *ERISA.* Neither the City nor the Department of Aviation has ever established nor contributed to, nor is a party to, any “employee benefit plan” within the meaning of Section 3(3) of ERISA or any other form of bonus, incentive compensation, deferred compensation or other similar plan or arrangement, other than a “governmental plan” within the meaning of Section 414(d) of the Code or Section 3(32) of ERISA.

(q) *Title to Properties; Liens and Encumbrances.* The City, for and on behalf of its Department of Aviation, has good title in fee simple or valid and enforceable leaseholds to, all of its real property and valid and indefeasible ownership of all of its fixtures, equipment and other assets. No property of the City, for and on behalf of its Department of Aviation, is subject to liens that could individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(r) *Compliance with Rules and Regulations.* The City, for and on behalf of its Department of Aviation, is in compliance with all laws, ordinances, orders, rules and regulations applicable to it, noncompliance with which could, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, and all cash and other assets of the Airport System are invested in accordance with its investment policy, as amended or otherwise modified from time to time. Neither the City nor the Department of Aviation has received any notice of noncompliance from the Federal Equal Employment Opportunity Commission or the Federal Occupational Safety and Health Administration which would have a Material Adverse Effect.

(s) *Tax-Exempt Status of Bonds.* Neither the City nor the Department of Aviation has taken any action or knows of any action that any other Person has taken, which would cause interest on the Series 2019A Bonds or the Series 2019A Credit Facility Bonds to be included in the gross income of the recipients thereof for Federal income tax purposes (excluding treatment of interest on the Series 2019A Bonds or the

Series 2019A Credit Facility Bonds as an item of tax preference for purposes of the federal alternative minimum tax).

(t) *Interest.* None of the Related Documents, the Series 2019A and Series 2019B Bonds, or the Series 2019A and Series 2019B Credit Facility Bonds provide for any payments that would violate any applicable usury laws regarding permissible maximum rates of interest or the calculation or collection upon interest.

(u) *Federal Reserve Regulations.* No part of the proceeds of the purchase of the Series 2019A and Series 2019B Bonds will be used for the purpose, whether immediate, incidental or ultimate, to purchase or carry any margin stock (within the meaning of Regulation U of the FRB, as amended from time to time), or to extend credit to others for the purpose of purchasing or carrying any margin stock, or for any other purpose which would violate any of the regulations of the FRB.

(v) *Official Signatures.* The officials of the City, for and on behalf of its Department of Aviation, signing each of the Bond Documents, has and had full power and authority to execute, deliver and perform under each of the Bond Documents to which the City, for and on behalf of its Department of Aviation, is a party. Any agreement, certificate or request signed by or on behalf of any authorized representative of the City, for and on behalf of its Department of Aviation, and delivered to the Paying Agent, or the Lender and the Holders shall be deemed a representation and warranty by the City, for and on behalf of its Department of Aviation, to the Lender and the Holders as to the truth, accuracy and completeness of the statements made by the City, for and on behalf of its Department of Aviation, therein.

(w) *Credit Facility Obligations.* The Subordinate Bond Obligations under this Agreement and the Series 2019A and Series 2019B Credit Facility Bonds, all constitute (i) “Subordinate Credit Facility Obligations” for purposes of the General Subordinate Bond Ordinance and (ii) “Series 2019A and Series 2019B Credit Facility Bonds” for purposes of the Supplemental Bond Ordinance and are entitled to security pledged therefor, and (iii) Lender Obligations (other than Subordinate Bond Obligations) under this Agreement are general, unsecured obligations of the City, for and on behalf of its Department of Aviation, and payable from moneys in the Capital Fund (as defined in the General Subordinate Bond Ordinance). This Agreement constitutes a “Subordinate Credit Facility” for purposes of the General Subordinate Bond Ordinance.

(x) *No Subordinated Cross-Default Provision in Lender Agreements.* The City, for and on behalf of its Department of Aviation, has not entered into, or otherwise consented to any credit agreement, reimbursement agreement, standby bond purchase agreement (or other similar agreement), liquidity agreement, direct securities purchase agreement or other agreement or instrument (or any amendment, supplement or modification thereto) (each a “*Lender Agreement*”) under which, directly or indirectly, any Person or Persons (each a “*Provider*”) undertake(s) to make a loan or provide funds to make payment of, or to purchase or provide liquidity support or credit enhancement,

for Senior Bonds for and on behalf of its Department of Aviation, which Lender Agreement includes a Subordinated Cross-Default Provision.

ARTICLE FIVE COVENANTS

The City, for and on behalf of its Department of Aviation, will do the following so long as the Lender or any Holder is an owner of the Series 2019A and Series 2019B Credit Facility Bonds and any Lender Obligations remain outstanding under this Agreement, unless the Majority Holder shall otherwise consent in writing:

Section 5.1. Performance of This and Other Agreements. The City, for and on behalf of its Department of Aviation, shall punctually pay or cause to be paid all amounts payable on the Bonds (including the Series 2019A and Series 2019B Credit Facility Bonds) and under this Agreement and the other Related Documents and observe and perform all of the conditions, covenants and requirements of this Agreement and the other Related Documents.

Section 5.2. Further Assurances. The City, for and on behalf of its Department of Aviation, shall execute, acknowledge where appropriate, and deliver, and cause to be executed, acknowledged where appropriate, and delivered, from time to time promptly at the request of the Majority Holder, all such instruments and documents as in the opinion of the Majority Holder are necessary or advisable to carry out the intent and purpose of this Agreement and the Related Documents or to enable the requesting party to enforce any of its rights hereunder or thereunder and to provide for the payment of the Lender Obligations and for the perfection of the Lien on the Net Revenues. At any time, and from time to time, upon request by the Majority Holder, the City, for and on behalf of its Department of Aviation, will, at the expense of the City, for and on behalf of its Department of Aviation, correct any defect, error or omission which may be discovered in the form or content of any of the Related Documents.

Section 5.3. Books and Records; Inspection Rights. General Subordinate Bond Ordinance and the General Junior Lien Bond Ordinance, as applicable.

Section 5.5. Liens. (a) The City, for and on behalf of its Department of Aviation, will not create, incur or permit to exist any Lien of any kind on the Net Revenues or the Funds, other than as expressly provided in or permitted by the General Bond Ordinance, the General Subordinate Bond Ordinance and the General Junior Lien Bond Ordinance, as applicable.

(b) In no event shall any Lien on Net Revenues or the Funds securing any swap termination payment on any Swap Contract entered into by the City, for and on behalf of its Department of Aviation, be senior in priority to, or on parity with, the payment of the Bonds (including without limitation the Series 2019A and Series 2019B Bonds or the Series 2019A and Series 2019B Credit Facility Bonds) or Subordinate Bond Obligations. In no event shall the City, for and on behalf of its Department of Aviation, agree to provide any collateral to support the obligations of the City, for and on behalf of its Department of Aviation, under any swap contract entered into by the City, for and on behalf of its Department of Aviation, at any time after the date of a tender of the Series 2019A and Series 2019B pursuant to the terms hereof, other than a Lien on Net Revenues subordinate to the Lien on Net Revenues securing the Subordinate Bonds or the Subordinate Lender Obligations.

Section 5.6. Related Documents. (a) The City, for and on behalf of its Department of Aviation, will not, directly or indirectly, amend, supplement or otherwise modify, or consent to any amendment, supplement or other modification of, any Related Document unless it has notified the Majority Holder of the substance of such amendment, supplement or other modification at least ten (10) Business Days prior to the effective date thereof.

(b) The City, for and on behalf of its Department of Aviation, further agrees that, without the prior consent of the Majority Holder, the City, for and on behalf of its Department of Aviation, will not, directly or indirectly, enter into or otherwise consent to any amendment, waiver, supplement, termination or other modification of any such Related Document, and will not accept the benefit of any waiver given thereunder, in any manner that (A) in the case of any such amendment, waiver, supplement, termination or other modification of the Ordinance, adversely affects (1) the ability of the City, for and on behalf of its Department of Aviation, to perform its obligations thereunder or (2) the rights, security or interests of the Lender or any other Holder hereunder or thereunder or (B) in the case of any such amendment, waiver, supplement, termination or other modification of any other Related Document, materially and adversely affects (1) the ability of the City, for and on behalf of its Department of Aviation, to perform its obligations hereunder or (2) the rights, security or interests of the Lender or any other Holder hereunder or under any such Related Document; *provided, however*, that this subsection 5.6(b) shall not prohibit the City, for and on behalf of its Department of Aviation, from issuing additional Bonds or additional Subordinate Bonds or incurring Obligations, Subordinate Credit Facility Obligations or other Subordinate Obligations, Junior Lien Obligations or Junior Lien Bonds, if the conditions precedent or otherwise applicable to the issuance of such bonds or the incurrence of such obligations (including, without limitation, under the General Bond Ordinance, the General Subordinate Bond Ordinance and the General Junior Lien Bond Ordinance, as applicable, as the case may be) have been satisfied.

Section 5.7. Provisions to Facilitate Payments. The City, for and on behalf of its Department of Aviation, shall cause to be included in each annual budget of the City, for and on behalf of its Department of Aviation, reasonable provisions for the payment of all amounts due and estimated to become due to the Holders with respect to the Series 2019A and Series 2019B Bonds and the Series 2019A and Series 2019B Credit Facility Bonds under this Agreement and the other Related Documents during the Fiscal Year covered by such budget. To the extent estimates are used, such estimates shall be made by the Deputy Manager of Aviation/Finance and Administration for the Airport System or any other appropriate official, in consultation with the Manager, in good faith and shall be based upon reasonable estimates of the amount of Bonds, expected to be outstanding, and the interest rates reasonably expected to be charged during the coming Fiscal Year for the remaining term of the Senior Bonds. To the extent that amounts actually due and payable to the Holders with respect to the Series 2019A and Series 2019B Bonds and the Series 2019A and Series 2019B Credit Facility Bonds under this Agreement and the other Related Documents in any Fiscal Year exceed the amounts estimated and/or available therefor in an annual budget of the City, for and on behalf of its Department of Aviation, for such Fiscal Year, the City, for and on behalf of its Department of Aviation, shall take, or cause to be taken, as promptly as possible, all such actions (including, without limitation, amendments of such annual budget) as may be required to permit and facilitate the expenditure of additional moneys from all sources legally available for the payment of such amounts.

Section 5.8. Rate Covenant. The City, for and on behalf of its Department of Aviation, will at all times comply with the rate maintenance covenants set forth in Sections 901 of the General Bond Ordinance and the General Subordinate Bond Ordinance.

Section 5.9. Disclosure. To the extent it has knowledge of the same, the City, for and on behalf of its Department of Aviation, will disclose to the Holders in writing any and all facts which materially and adversely affect, or could reasonably be expected to result in a Material Adverse Effect.

Section 5.10. Compliance with Other Covenants. (a) From and after the date hereof and so long as this Agreement is in effect, except to the extent compliance in any case or cases is waived in writing by the Majority Holder, the City, for and on behalf of its Department of Aviation, agrees that it will, for the benefit of the Holders, comply with, abide by, and be restricted by all the agreements, covenants, obligations and undertakings contained in the provisions of the other Related Documents, regardless of whether any indebtedness is now or hereafter remains outstanding thereunder, together with the related definitions, exhibits and ancillary provisions, which are incorporated herein by reference, *mutatis mutandis*, and made a part hereof to the same extent and with the same force and effect as if the same had been herein set forth in their entirety, and without regard or giving effect to any amendment or modification of any provisions of any of the other Related Documents to which the City, for and on behalf of its Department of Aviation, is a party or any waiver of compliance therewith, no such amendment, modification or waiver to in any manner constitute an amendment, modification or waiver of the provisions thereof as incorporated herein unless consented to in writing by the Majority Holder.

(b) So long as any Lender Obligations hereunder remain payable, the City, for and on behalf of its Department of Aviation, shall continue to comply with the covenants and undertakings set forth in the Ordinance, including, without limitation, Section 704 and Section 901 of the General Bond Ordinance thereof, notwithstanding anything in the Ordinance limiting such compliance to when a “Bond” (as defined in the Ordinance) remains outstanding thereunder.

Section 5.11. Notice of Litigation or Other Proceedings. The City, for and on behalf of its Department of Aviation, will give notice, as soon as practicable, (and, in any case, the City, for and on behalf of its Department of Aviation, shall use reasonable efforts to provide notice thereof within fifteen (15) Business Days) following receipt of notice thereof by an Authorized Officer, to the Majority Holders of (i) the institution of any litigation, administrative proceeding or governmental investigation involving the City, for and on behalf of its Department of Aviation, which is not fully covered by insurance (subject to deductibles maintained by the City, for and on behalf of its Department of Aviation) which is expected to have a Material Adverse Effect or (ii) the entry of any judgment, decree or order against or involving the City, for and on behalf of its Department of Aviation, which in either case is expected to have a Material Adverse Effect. The City, for and on behalf of its Department of Aviation, shall also provide to the Majority Holder concurrently with delivery to any other party, a copy of any notice required to be given by the City, for and on behalf of its Department of Aviation, under the Related Documents.

Section 5.12. Notice of Events of Default. The City, for and on behalf of its Department of Aviation, shall give immediate notice to the Majority Holder if the City, for and on behalf of its Department of Aviation, becomes aware of the occurrence of any Event of Default hereunder or any event of default under any other Related Document.

Section 5.13. No Sovereign Immunity. To the fullest extent permitted by law, the City, for and on behalf of its Department of Aviation, agrees not to assert any current or future right of sovereign immunity as a defense to any claim or cause of action based solely in contract under this Agreement or any other Related Document or, with respect to this Agreement or any other Related Document, or under the General Bond Ordinance or the Supplemental Bond Ordinance.

Section 5.14. Maintenance of Rating. The City, for and on behalf of its Department of Aviation, shall cause to be maintained at all times at least one long-term unenhanced ratings on the Subordinate Bonds by any one of Moody’s, S&P or Fitch.

ARTICLE SIX DEFAULTS

Section 6.1. Events of Default and Remedies. If any of the following events shall occur, each such event shall be an “Event of Default”:

(a) any material representation or warranty made by the City, for and on behalf of its Department of Aviation, in this Agreement (or incorporated herein by reference) or any material representation or warranty made by the City, for and on behalf

of its Department of Aviation, in any of the other Related Documents or in any certificate, document, instrument, opinion or financial or other statement contemplated by or made or delivered pursuant to or in connection with this Agreement or with any of the other Related Documents, shall prove to have been incorrect, incomplete or misleading in any material respect when made;

(b) failure of the City for and on behalf of its Department of Aviation, to pay when due (i) the principal or purchase price of or interest or premium on the Series 2019A and Series 2019B Bonds or the Series 2019A and Series 2019B Credit Facility Bonds, (ii) any Bond Obligation or (iii) any Lender Obligation;

(c) default in the due observance or performance by the City, for and on behalf of its Department of Aviation, of any covenant set forth in Section 5.4, 5.5, 5.6(b), 5.7, 5.8, 5.10(a) (after any applicable grace period under any Related Document), 5.10(b), 5.13 and/or 5.14 hereof;

(d) default in the due observance or performance by the City, for and on behalf of its Department of Aviation, of any other term, covenant or agreement set forth in this Agreement and the continuance of such default for 30 days after the earlier to occur of (i) written notice thereof from the Majority Holder or (ii) an Authorized Officer obtains actual knowledge of such default;

(e) any “*event of default*” under any Related Document (as defined respectively therein) shall have occurred.

Section 6.2. Remedies. If an Event of Default specified in Section 6.1 hereof shall occur and be continuing, the Majority Holder may:

(a) by written notice to the Paying Agent and the City, for and on behalf of its Department of Aviation, declare the outstanding amount of the Lender Obligations under this Agreement to be immediately due and payable without presentment, demand, protest or further notice of any kind, all of which are hereby expressly waived, and an action therefor shall immediately accrue;

(b) deliver a written notice to the Paying Agent and the City, for and on behalf of its Department of Aviation, that an Event of Default has occurred and is continuing in order to cause a mandatory tender of the Series 2019A and Series 2019B Bonds to the Lender or take such other remedial action pursuant to the terms of the General Subordinate Bond Ordinance and the Supplemental Bond Ordinance;

(c) either personally or by attorney or agent without bringing any action or proceeding, or by a receiver to be appointed by a court in any appropriate action or proceeding, take whatever action at law or in equity may appear necessary or desirable to collect the amounts due and payable under the Related Documents or to enforce performance or observance of any obligation, agreement or covenant of the City, for and on behalf of its Department of Aviation, under the Related Documents, whether for

specific performance of any agreement or covenant of the City, for and on behalf of its Department of Aviation, or in aid of the execution of any power granted to the Lender or the Majority Holder in the Related Documents;

(d) cure any Event of Default or event of nonperformance hereunder or under any Related Document; *provided, however*, that the Majority Holder shall have no obligation to effect such a cure;

(e) exercise, or cause to be exercised, any and all remedies as it may have under the Related Documents (other than as provided for in clause (b) of this Section 6.2) and as otherwise available at law and at equity; and

(f) deliver a notice to the Paying Agent and the City, for and on behalf of its Department of Aviation, that an Event of Default has occurred and is continuing and directing the Paying Agent to take such remedial action as is provided for in the Ordinance.

Section 6.3. Remedies Cumulative; Solely for the Benefit of Lender, the Majority Holder and the Holders. To the extent permitted by, and subject to the mandatory requirements of, applicable Law, each and every right, power and remedy herein specifically given to the Lender, the Majority Holder and the Holders in the Related Documents shall be cumulative, concurrent and nonexclusive and shall be in addition to every other right, power and remedy herein specifically given or now or hereafter existing at law, in equity or by statute, and each and every right, power and remedy (whether specifically herein given or otherwise existing) may be exercised from time to time and as often and in such order as may be deemed expedient by the Lender, the Majority Holder or the Holders, and the exercise or the beginning of the exercise of any power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any other right, power or remedy.

The rights and remedies of the Lender, the Majority Holder and the Holders specified herein are for the sole and exclusive benefit, use and protection of the Lender, the Majority Holder and the Holders, and the Lender, the Majority Holder and the Holders are entitled, but shall have no duty or obligation to the City, for and on behalf of its Department of Aviation, the Paying Agent or any other Person or otherwise, to exercise or to refrain from exercising any right or remedy reserved to the Lender, the Majority Holder or the Holders hereunder or under any of the other Related Documents.

Section 6.4. Waivers or Omissions. No delay or omission by the Lender, the Majority Holder or the Holders in the exercise of any right, remedy or power or in the pursuit of any remedy shall impair any such right remedy or power or be construed to be a waiver of any default on the part of the Lender, the Majority Holder or the Holders or to be acquiescence therein. No express or implied waiver by the Lender, the Majority Holder or the Holders of any Event of Default shall in any way be a waiver of any future or subsequent Event of Default.

Section 6.5. Discontinuance of Proceedings. In case the Lender, the Majority Holder or the Holders shall proceed to invoke any right, remedy or recourse permitted hereunder or under

the Related Documents and shall thereafter elect to discontinue or abandon the same for any reason, the Lender, the Majority Holder or the Holders shall have the unqualified right so to do and, in such event, the City, for and on behalf of its Department of Aviation, and the Lender, the Majority Holder and the Holders shall be restored to their former positions with respect to the Lender Obligations, the Subordinate Bond Obligations, the Related Documents and otherwise, and the rights, remedies, recourse and powers of the Lender, the Majority Holder and the Holders hereunder shall continue as if the same had never been invoked.

ARTICLE SEVEN MISCELLANEOUS

Section 7.1. No Deductions. Except as otherwise required by law, each payment by the City, for and on behalf of its Department of Aviation, to the Lender or any Holder under this Agreement or any other Related Document shall be made without setoff or counterclaim and without withholding for or on account of any present or future taxes (other than overall net income taxes of the recipient imposed by any jurisdiction having taxing authority over such recipient) imposed by or within the jurisdiction in which the City is domiciled, any jurisdiction from which the City, for and on behalf of its Department of Aviation, makes any payment hereunder, or (in each case) any political subdivision or taxing authority thereof or therein. If any such withholding is so required, the City, for and on behalf of its Department of Aviation, shall make the withholding, pay the amount withheld to the appropriate Governmental Authority before penalties attach thereto or interest accrues thereon and forthwith pay such additional amount as may be necessary to ensure that the net amount actually received by the Lender or any Holder free and clear of such taxes (including such taxes on such additional amount) is equal to the amount which the Lender or such Holder would have received had such withholding not been made. If the Lender or any Holder pays any amount in respect of any such taxes, penalties or interest, the City, for and on behalf of its Department of Aviation, shall reimburse the Lender or such Holder, as applicable, for that payment on demand. If the City, for and on behalf of its Department of Aviation, pays any such taxes, penalties or interest, it shall deliver official tax receipts evidencing that payment or certified copies thereof to the Lender or such Holder, as applicable, on or before the thirtieth day after payment.

Section 7.2. Right of Setoff; Other Collateral. (a) Upon the occurrence and during the continuance of an Event of Default, the Holders are hereby authorized at any time and from time to time without notice to the City, for and on behalf of its Department of Aviation (any such notice being expressly waived by the City, for and on behalf of its Department of Aviation), and to the fullest extent permitted by law, but in all events subject to Section 2.10 hereof, to setoff, to exercise any banker's lien or any right of attachment and apply any and all balances, credits, deposits (general or special, time or demand, provisional or final), accounts or monies at any time held and other indebtedness at any time owing by the Holders to or for the account of the City, for and on behalf of its Department of Aviation (irrespective of the currency in which such accounts, monies or indebtedness may be denominated and the Holders are authorized to convert such accounts, monies and indebtedness into United States dollars) against any and all of the Lender Obligations of the City, for and on behalf of its Department of Aviation, whether or not any Holder shall have made any demand for any amount owing to such Holder by the City, for and on behalf of its Department of Aviation.

(b) The rights of the Holders under this Section 7.2 are in addition to, in augmentation of, and, except as specifically provided in this Section 7.2, do not derogate from or impair other rights and remedies (including, without limitation, other rights of setoff) which the Holders may have.

Section 7.3. Reimbursement. In addition to any other amounts payable by the City, for and on behalf of its Department of Aviation, under this Agreement, the City, for and on behalf of its Department of Aviation, hereby agrees, to the extent permitted by law, to reimburse the Holders, promptly upon demand, in respect of all claims, demands, liabilities, damages, losses, reasonable costs, reasonable charges and reasonable expenses (including reasonable attorneys' fees) that the Holders may incur or be subject to solely as a direct consequence of (i) the execution and delivery of this Agreement, (ii) any breach by the City, for and on behalf of its Department of Aviation, or any official of the City, for and on behalf of its Department of Aviation, of any warranty, covenant, term or condition in, or the occurrence of any default under, this Agreement or any Related Document, including all reasonable fees or expenses resulting from the settlement or defense of any claims or liabilities arising as a result of any such breach or default, and (iii) involvement in any legal suit, proceeding, or action as to which a Holder is involved solely as a direct consequence of execution and delivery of this Agreement, the holding or owning of any Series 2019A and Series 2019B Bonds or any Series 2019A and Series 2019B Credit Facility Bonds, its execution of this Agreement or any other event or transaction contemplated by any of the foregoing; *provided* that a Holder shall not be entitled to reimbursement under this Section to the extent that claims, demands, liabilities, damages, losses, costs, charges and expenses to be reimbursed are the result of the gross negligence or willful misconduct of such Holder; and *provided, further*, that Sections 7.1 and 7.13 shall control as to the liabilities, losses, costs, charges and expenses described therein.

Section 7.4. Obligations Absolute. Subject to Section 2.8 hereof, the obligations of the City, for and on behalf of its Department of Aviation, under this Agreement shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances.

Section 7.5. Successors and Assigns; Participants. (a)(i) *Successors and Assigns Generally.* This Agreement is a continuing obligation and shall be binding upon the City, for and on behalf of its Department of Aviation, and its successors, transferees and assigns and shall inure to the benefit of the Holders and their respective permitted successors, transferees and assigns. The City, for and on behalf of its Department of Aviation, may not assign or otherwise transfer any of its rights or Lender Obligations hereunder without the prior written consent of the Majority Holder. Upon prior written notice to the City, for and on behalf of its Department of Aviation, the Majority Holder may, in its sole discretion and in accordance with applicable Law, from time to time assign, sell or transfer in whole or in part, this Agreement, its interest in the Series 2019A and Series 2019B Bonds (including Series 2019A and Series 2019B Credit Facility Bonds) and the Related Documents in accordance with paragraph (b) or (c) of this Section. The Majority Holder may at any time and from time to time enter into participation agreements in accordance with the provisions of paragraph (d) of this Section. Each Holder may at any time pledge or assign a security interest subject to the restrictions of paragraph (e) of this Section.

(ii) Notwithstanding anything set forth herein to the contrary, prior to the occurrence of an Event of Default, State Street Public Lending Corporation, any Affiliate of State Street Public Lending Corporation or any commercial bank shall be the Majority Holder and (ii) from and after the occurrence of an Event of Default, the Holders owning a majority of the aggregate principal amount of Series 2019A and Series 2019B Credit Facility Bonds from time to time shall be the Majority Holder.

(b) *Assignments by Majority Holder to a Lender Transferee.* Without limitation of the foregoing generality, the Majority Holder may at any time sell or otherwise transfer to one or more transferees all or a portion of the Series 2019A and Series 2019B Bonds (including Series 2019A and Series 2019B Credit Facility Bonds) to a Person that is (i) an Affiliate of the Majority Holder, (ii) a trust or other custodial arrangement established by the Majority Holder or an Affiliate of the Majority Holder the owners of any beneficial interest in which are limited to “qualified institutional buyers” as defined in Rule 144A promulgated under the Securities Act of 1933, as amended (the “1933 Act”), or “accredited investors” as defined in Rule 501 of Regulation D under the 1933 Act (each, a “*Lender Transferee*”) or (iii) a commercial bank. From and after the date of such sale or transfer, the Majority Holder (and its successors) shall continue to have all of the rights of the Holders, the Lender and Majority Holder hereunder and under the other Related Documents as if no such transfer or sale had occurred; *provided, however*, that (A) no such sale or transfer referred to in clause (b)(i) or (b)(ii) hereof shall in any way affect the obligations of the Majority Holder hereunder, (B) the City, for and on behalf of its Department of Aviation, shall be required to deal only with the Majority Holder with respect to any matters under this Agreement and (C) in the case of a sale or transfer referred to in clause (b)(i) or (b)(ii) hereof, only the Majority Holder shall be entitled to enforce the provisions of this Agreement against the City, for and on behalf of its Department of Aviation.

(c) *Assignments by Holder to a Non-Lender Transferee.* Without limitation of the foregoing generality, a Holder may at any time sell or otherwise transfer to one or more transferees which are not Lender Transferees (each a “*Non-Lender Transferee*”) all or a portion of the Series 2019A and Series 2019B Bonds (including Series 2019A and Series 2019B Credit Facility Bonds) if (i) written notice of such sale or transfer, including that such sale or transfer is to a Non-Lender Transferee, together with addresses and related information with respect to the Non-Lender Transferee, shall have been given to the City, for and on behalf of its Department of Aviation, and the Majority Holder (if different than the Holder) by such selling Holder and Transferee, and (ii) the Non-Lender Transferee shall have delivered to the City, for and on behalf of its Department of Aviation, and the Majority Holder, a purchaser letter substantially in the form of Exhibit D to the Bond Purchase Agreement in which it certifies that it is a “qualified institutional buyer” as defined in Rule 144A promulgated under the 1933 Act, or an “accredited investor” as defined in Rule 501 of Regulation D under the 1933 Act (the “*Purchaser Letter*”).

From and after the date the City, for and on behalf of its Department of Aviation, and the Majority Holder have received an executed Purchaser Letter, (A) the Non-Lender Transferee thereunder shall be a party hereto and shall have the rights and Lender Obligations of a Holder hereunder and under the other Related Documents, and this Agreement shall be deemed to be amended to the extent, but only to the extent, necessary to effect the addition of the Non-Lender Transferee, and any reference to the assigning Holder hereunder and under the other Related

Documents shall thereafter refer to such transferring Holder and to the Non-Lender Transferee to the extent of their respective interests, and (B) if the transferring Holder no longer owns any Series 2019A and Series 2019B Bonds (including Series 2019A and Series 2019B Credit Facility Bonds), then it shall relinquish its rights and be released from its Lender Obligations hereunder and under the Related Documents. At any time prior to an Event of Default hereunder, no Non-Lender Transferee constitute all or any portion of the Majority Holder and from and after the occurrence of an Event of Default, one or more Non-Lender Transferees may constitute all or a portion of the Majority Holder.

(d) *Participations.* The Majority Holder shall have the right to grant participations in all or a portion of the Majority Holder's interest in the Series 2019A and Series 2019B Bonds (including Series 2019A and Series 2019B Credit Facility Bonds), this Agreement and the other Related Documents to one or more other banking institutions and such participants shall be entitled to the benefits of this Agreement, including, without limitation, Sections 7.1, 7.3 and 7.13 hereof, to the same extent as if they were a direct party hereto. Notwithstanding the foregoing, the City, for and on behalf of its Department of Aviation, may look solely to the Majority Holder as the entity to whom performance of any of its obligations hereunder are owed.

(e) *Certain Pledges.* In addition to the rights of the Holders set forth above in this Section 7.3, each Holder may at any time pledge or grant a security interest in all or any portion of its rights or interests under the Series 2019A and Series 2019B Bonds (including Series 2019A and Series 2019B Credit Facility Bonds), this Agreement and/or the Related Documents to secure obligations of such Holder, including any pledge or assignment to secure obligations to a Federal Reserve Bank or to pay state or local governmental entity or with respect to public deposits; *provided* that no such pledge or assignment shall release the Lender from any of its obligations hereunder or substitute any such pledgee or assignee for the Lender as a party hereto.

(f) Notwithstanding, no assignee or participant of the Majority Holder shall be entitled to receive payment hereunder of any amount greater than the amount which would have been payable had the Majority Holder not assigned its rights or interests hereunder or granted a participation to such participant hereunder or in the Series 2019A and Series 2019B Credit Facility Bonds.

(g) The Majority Holder or any other Holder shall provide the City, for and on behalf of its Department of Aviation, prior written notice of any assignment or participation pursuant to this Section 7.5.

Section 7.6. Survival of this Agreement. All covenants, agreements, representations and warranties made in this Agreement shall continue in full force and effect so long as the Lender (or its successors and assigns) or any Holder is owner of the Series 2019A and Series 2019B Credit Facility Bonds or any Lender Obligations shall be outstanding and unpaid. The obligation of the City, for and on behalf of its Department of Aviation, to reimburse the Lender or any Holder pursuant to Sections 7.1, 7.3 and 7.13 hereof shall survive the payment of the Series 2019A and Series 2019B Bonds (including Series 2019A and Series 2019B Credit Facility Bonds) and termination of this Agreement.

Section 7.7. Modification of this Agreement. No amendment, modification or waiver of any provision of this Agreement and no consent to any departure by the City, for and on behalf of its Department of Aviation, therefrom, shall be effective unless the same shall be in writing and signed by the Majority Holder. Any such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on the City, for and on behalf of its Department of Aviation, in any case shall entitle the City, for and on behalf of its Department of Aviation, to any other or further notice or demand in the same, similar or other circumstances.

Section 7.8. Waiver of Rights. No course of dealing or failure or delay on the part of the Lender, the Majority Holder or any Holder in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise or the exercise of any other right or privilege. The rights of the Lender, the Majority Holder and the Holders under this Agreement are cumulative and not exclusive of any rights or remedies which the Lender, the Majority Holder or the Holders would otherwise have.

Section 7.9. Severability. In case any one or more of the provisions contained in this Agreement should be invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby. The parties shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 7.10. Governing Law. (a) This Agreement shall be governed by and construed in accordance with the internal laws of the State of Colorado, without giving effect to conflict of law principles.

(b) The City, for and on behalf of its Department of Aviation, and the Lender and each Holder hereby irrevocably waives any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or any other Related Document or the transactions contemplated thereby.
