### 5. General description or background of proposed request. Attach executive summary if more space needed:

The current agreement, which was to be the template for the new RFP sample agreement, was written in 2014 and will require additional analysis by the City Attorney's Office to make into a contemporary format for the unique type of work scope, as needed abatement/demolition. The additional analysis was not originally planned for when drafting the 2019 sample agreement and the City Attorney's Office recommended extending the contract term 6 months to provide for the needed research in accomplishing this task to go out to bid.
