Consistency with Plans: Blueprint Denver 2019

- Urban Edge Context
 - Predominantly residential and tend to act as a transition between urban and suburban areas
 - Residential areas generally are single-unit and two-unit uses, with some low-scale multi-unit embedded throughout

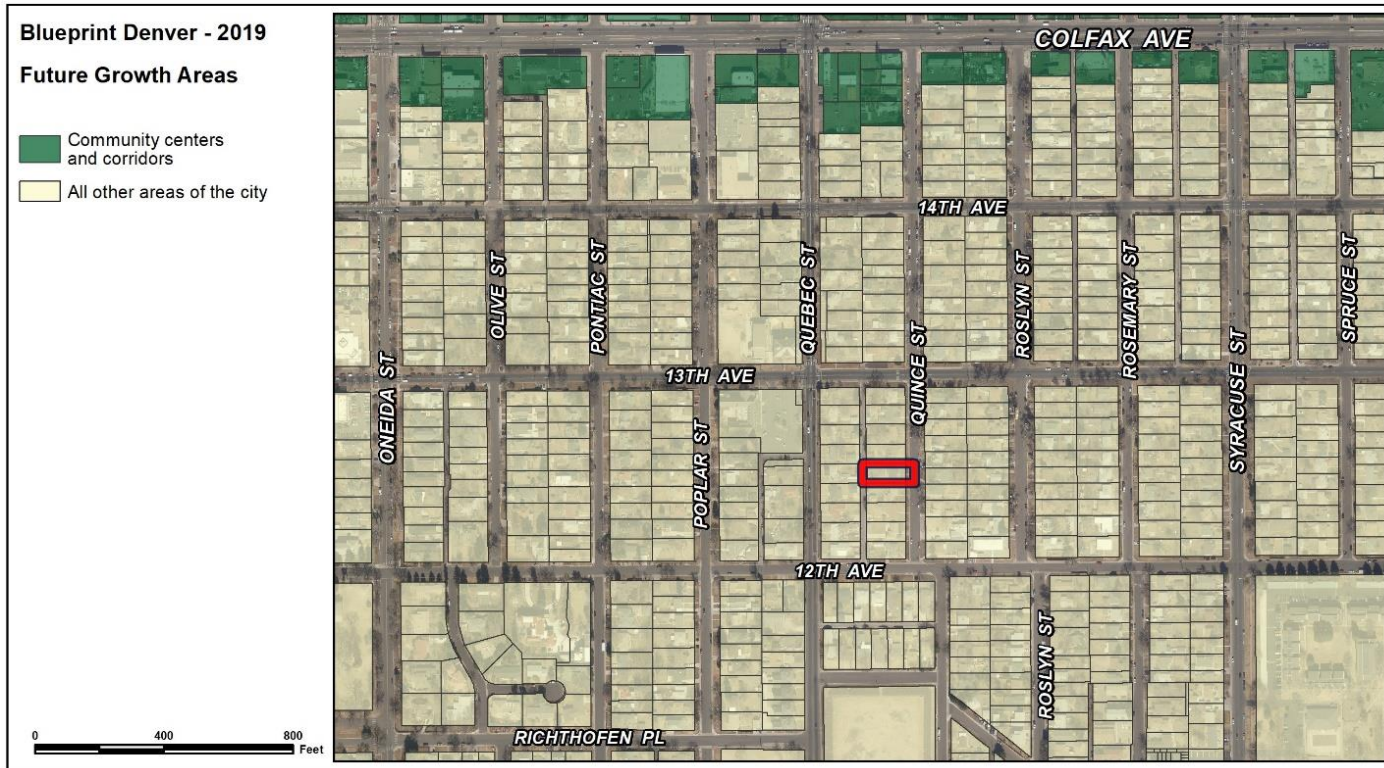

Consistency with Plans: Blueprint Denver 2019

- Low Residential
 - Predominantly single- and two-unit uses
 - Accessory dwelling units are appropriate
- Future Street Type
 - Quince Street: Undesignated local
 - 13th Avenue: Residential Collector
 - Quebec Street: Residential Arterial

Reminder: Evaluating whether the proposed zone district is consistent with the Future Street Classification, but not to assess the traffic impacts of a specific development proposal.

Consistency with Plans: Blueprint Denver 2019

- Growth Areas
Strategy: All other areas of the city
 - 10% jobs by 2040
 - 20% housing by 2040

Consistency with Plans: Housing an Inclusive Denver

Legislative and Regulatory Priorities, Recommendation 2: “Expand and strengthen land-use regulations for affordable and mixed-income housing. Through Blueprint Denver and supplemental implementation actions such as zoning modifications, the City should support land-use regulations that incentivize affordable and mixed-use housing, including expanding the development of accessory dwelling units.”

Attainable Homeownership, Recommendation 1: “Promote programs that help households maintain their existing homes. The City and its partners should target existing homeowner rehabilitation programs to residents in vulnerable neighborhoods, promote financial literacy education for prospective and existing homeowners, and promote the development of accessory dwelling units as a wealth-building tool for low and moderate-income homeowners.”

The proposed map amendment to E-SU-D1 is consistent with these *Housing an Inclusive Denver* recommendations because **it will expand the availability and allow the development of an accessory dwelling unit** at this location.

Consistency with Plans: East Montclair/East Colfax Neighborhood Plan

Land use and zoning vision: “Protection of the residential character of the neighborhood”

Housing vision: “Sound management and a mix of income levels in rental single family homes and apartments”

Housing policy: “encourage homeowners to add on additions and modernize single family homes”
