MR. BARRY BURCH

DIRECTOR • CITY & COUNTY OF DENVER – BOARDS AND COMMISSIONS • 1437 BANNOCK ST • DENVER, CO 80202

June 12, 2017

Dear Mr. Barry Burch,
Christopher Pacheco is a Civil Engineer who works with Mayor Michael Hancock, Registered Neighborhood Organizations, Non-Profit Organizations, and the residents of Denver by delivering infrastructure projects that provide community benefit. After spending over 17 years in the Civil Engineering industry developing and implementing multimillion dollar infrastructure projects for both public and private entities, Mr. Pacheco understands the requisites that makes infrastructures projects successful. This is by understanding client/community needs and being in constant communication with them throughout the delivery of a project.
Mr. Pacheco has designed commercial, residential, and high density transit-oriented development projects such as Turnberry in Commerce City and Camden at Belleview Stations. Christopher has also developed and implemented large municipal projects such as South Broadway Road Reconstruction: Iowa to Wesley and the 38th & Blake TOD Improvements which included a pedestrian bridge over the UPRR & RTD A line railways and the replacement of the Blake St. road bridge.
Christopher holds a BS in Civil Engineering from the University of Colorado and is a lifelong resident of Denver, Colorado.
