
Asphalt Master Purchase Order (MPO) Amendments

Asphalt Specialties Company, Inc; Brannan Sand & Gravel Company, LLC

A Master Purchase Order (MPO) is a type of contract by which a legally binding agreement between the City and a vendor to provide goods and related services to the City under mutually agreed upon terms and conditions is established. These agreements are issued and administered under the authority of the General Services Purchasing Division and in accordance with Section 20-62 of the Denver Revised Municipal Code.

Requests:

- Both MPOs were established in 2017 through a cooperative purchasing agreement through The Colorado Multiple Assembly of Procurement Officials (MAPO).
- 1. 19-0811: Amends a master purchase order with Asphalt Specialties Company, Inc. by adding \$4,000,000 for a new total of \$6,000,000 for finished asphalt to support citywide street paving operations. No change to agreement duration (SC-00002344).
 - Current term expires on 12-31-19, with two optional yearly renewals available.
- 2. 19-0812: Amends a master purchase order with Brannan Sand and Gravel, LLC by adding \$5,000,000 for a new total of \$10,000,000 for finished asphalt to support citywide street paving operations. No change to agreement duration (SC-00002343).
 - Current term expires on 12-31-19, with two optional yearly renewals available.
